

## SAMU Fees

### Rationale

The operations of SAMU are partially funded by fees levied on its membership as per the Post-Secondary Learning Act (Alberta). A policy is needed to define what these fees are and how they are assessed and collected.

### Expectations

#### General

- 1 SAMU Membership Fees are collected by the Office of the University Registrar.
- 2 SAMU fees are reviewed annually.
- 3 This policy may only be amended by Special Resolution.

#### Membership Fees

4 SAMU assesses a membership fee to students taking credit-based post-secondary programming on a per credit basis.

4.1 Credit-based program students are assessed per credit, to a maximum of fifteen credits per term.

4.1.1 Part-time students who are given full-time student status with MacEwan University will be assessed based on a credit count of 9 credits per academic term.

4.2 The SAMU membership fee is \$12.66 per credit.

4.3 The SAMU membership fee will increase yearly by the annual average of Alberta's CPI from December 1 to November 30 of the previous year.

4.3.1 If the annual average of the CPI results in a negative number, it will be regarded as a zero percent increase.

5 Students in Preparation for University and College and English as a Second Language are taking secondary level courses and are primarily funded by the provincial government. The government places a cap on fees that may be assessed to funded students. In order to provide programming and services for these students, SAMU assesses these students a Secondary Student Membership Fee.

5.1 Secondary-level credit-based students are assessed per credit, to a maximum of 15 credits.

5.2 The Secondary Student membership fee is assessed at \$4.66 per credit.

5.2.1 The Office of the University Registrar converts secondary-level credits for billing purposes.

**Dedicated Fees**

6 Additional fees assessed to students must be established by referendum.
