AUPE

We're here for you.

Welcome to NAIT and your journey to an education and a better future.

We're here to help you succeed.

As you walk around campus, and as you work from home, you'll find members of the Alberta Union of Provincial Employees (AUPE) everywhere – maintaining the technology you need to learn, keeping the buildings and equipment safe, helping you navigate through administrative hurdles and in many other ways.

Every day, we fight for:

- Affordable post-secondary education.
- Properly funded post-secondary education.

Let's fight that battle together.
