## **JANUARY, 2019**

It is a new year. It is a new year. It is a new year. New, new, new, new, new, new. Yes, around this time of year we hear a lot about new things. We tell ourselves that we will live in new ways. We hope that during the year new opportunities might present themselves for our benefit. We hope that our world might even turn over a new leaf or two that would offer to its inhabitants reason for hope.

But yet the writer of Ecclesiastes reminds us, "What has been is what will be, and what has been done is what will be done, and there is nothing new under the sun." (Ecclesiastes 1:9) This word is not meant to simply drive out of us any hope we have for the new year but it is meant to remind us that in many ways this year will be like the last and probably a lot like the next as well. Oh, there will be ups or downs in each of our lives, but in the end much will remain the same.

We will live in families. We will interact with our communities. We will gather with our brothers and sisters in Christ. We will try really hard to do more things the way we think they should be done and yet upon reflection we will recognize that we have failed in so many respects to even live up to our own standards, let alone God's standards.

And so while all the world is shouting out, "New, new, new," we in the church will be content with what is old. We will confess our sins. We will hear of Jesus and receive His salvation in Word and Sacrament. We will rejoice to be raised up by the Spirit to serve Christ. We will live in hope of a day when there actually will be something new, a brand-new heaven and earth in which we shall dwell in perfect innocence, righteousness, and blessedness with Christ forever. If there are other new things that bring us joy, that will that will be terrific as well and we will receive them with joy as gifts from our Father, but our contentment will rest on the things we have known blessedly for some time.

Will there be new activities or programs or groups created here at church in the next year? Who knows. Perhaps. But the basic activities that sustain us through life will continue. We will study the Word. We will gather for worship. We will encourage one another. Will there be new members in the church in the new year? Who knows. Perhaps. But whoever gathers here will have the opportunity to hear of Jesus and His saving life, death, and resurrection. Will this world turn over a new leaf to become something better than it is today? Who knows. Perhaps. But we will place our hope in a world outside of this one.

There is nothing new under the sun. Thankfully though, the Son of God came down beneath the sun in order that He might save us. We have celebrated His birth and now we continue to reflect upon His life. A lot of what we will hear will seem to us rather old. We have heard it before. But it is just the kind of old we need.

In Christ,  
Pastor Philip Hoppe

- Thank you to Marge Haefner for donating the wreaths outside the front doors, given in memory of her parents, Ernie & Clara Alm.
- To our youth group & parents who spent time decorating the trees and the church to make them look so festive.
- And a BIG THANK YOU to all of you who opened your hearts and your pocketbooks during this Christmas season to help with the

Food Shelf donations, Toys for Tots, Hats & mittens trees etc. We are truly a blessed congregation and it is always "better to give than to receive." Thank you again!

On Nov. 30th, and Dec. 1st, our Lord called home two of His beloved children from our congregation.

Calvin Petry was called to his eternal rest on Nov. 30<sup>th</sup> at the age of 75 years. He had been

living at the Mercy Health Care Center for a few months as his health continued to decline. We all know that Calvin was the *Petry* in "*Petry's Bait*" before selling it in 2003, and we also remember his faithful black labs that were always by his side.

He found his love at a later age, when he married Cheryl on December 9, 2000. Calvin had a private family graveside service on December 8<sup>th</sup>.

We offer our sympathy to his wife, Cheryl; nieces and nephews (here at Peace) -- Barb & Bill Morgan, Nancy & Dean Pogatchnik, Bruce & Dawn Cottrell and their families.

#####

Verna Parvey was called to her eternal rest on Saturday, December 1st at the age of 92 years, and still living in her home at the time of her passing. She was a lifelong, faithful, and active member here at Peace. She belonged to the Ladies' Aid/Women of Peace since its beginning, and had a love of sewing and quilting. I think she started our ladies quilting group many years ago.

Verna's funeral service was held here on Friday, Dec. 7<sup>th</sup>. We offer our sympathy to her nieces & nephews here at Peace - the Martin, Tvedt, and Payne families.

--On Sunday, December 23<sup>rd</sup>, we dedicated the new Nativity Set and table on which it sits. This was given as a memorial for **Sandy Blesener** by Alvin Blesener and family. We thank Bill Tvedt who crafted and donated the stable that surrounds the nativity figures. It is absolutely beautiful, Bill!! This is a wonderful remembrance of "the reason for the season!" And thank you to the Council for spending the time to make this choice -- good job!!

-- We have also received Memorial Money from the Verna Parvey family in her memory. \$800 was given to the Memorial Fund and \$115 was given to the Cemetery Fund for the new road construction being done there. \$25 was also given to the Cemetery Fund in memory of Calvin Petry.

-- \$300 has also been given to the Memorial Fund by Vicki Benson, in her husband, Dale's memory.

*We thank all these families for these generous memorials and donations!*

### THE NEW FLOWER CALENDAR FOR 2019

has now been posted. Please take a look at it and

see if you would like to place flowers on a specific Sunday in honor of a special event or in memory of a loved one.

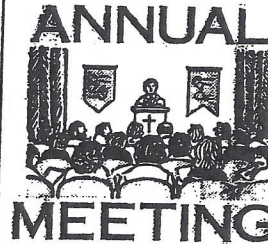

The flower calendar is located on the door at the top of the stairs to the left before entering the narthex. Write your name in the space provided for the designated Sunday. Please indicate if the flowers will be given "in memory of" or "in honor of" or for a "special occasion," or leave a note on LuAnn's desk so that it can be included in the bulletin that Sunday.

### MARCH FOR LIFE

At the State Capitol - Tuesday, January 22<sup>nd</sup>

The last few years, our church has had a delegation travel to the State Capitol on January 22<sup>nd</sup> for the annual March for Life campaign. This year the 22<sup>nd</sup> is on a Tuesday and is the 46<sup>th</sup> annual commemoration of Roe v. Wade and Doe v. Bolton, the infamous 1973 Supreme Court decisions that overturned every pro-life law across the nation and imposed abortion on demand, throughout all nine months of

pregnancy. More than 9,900 unborn babies are killed by abortion in Minnesota every year! The march begins at NOON on the Capitol grounds with a short program at 12:30 pm. If you are interested in going, please talk to Ed Barnick, or LuAnn Alleman. Rides will leave from the church at 10:00 or so and we usually park in the Bethesda Hospital parking lot which is only 1 block from the capitol -- easy access!

The Annual Meeting of our Voters' Assembly will take place on **Sunday, Jan. 20, 2019 at 2:00 p.m.**, with election of officers taking place. We hope our voters will be encouraged to attend as they do the Lord's work together.

++With the up-dating of our church membership/address list just weeks away, we would like to ask for your help in providing us with any new address you may have, or a new address a member of your family (who is a member here) might have. Please give these changes to LuAnn as soon as possible. Thank you!

### GOD'S BOXES

I have in my hands two boxes  
Which God gave me to hold.  
He said, "Put all your sorrows in the black box,  
And all your joys in the gold."

I heeded His words, and in the two boxes  
Both my joys and sorrows I stored,  
But though the gold became heavier each day  
The black was as light as before.

With curiosity I opened the black box;  
I wanted to find out why,  
And I saw in the base of the box -- a hole,  
Which my sorrows had fallen out by.

I showed the hole to God and mused,  
"I wonder where my sorrows could be?"  
He smiled a gentle smile and said,  
"My child, they're all here with me."

I asked God why He gave me the boxes,  
Why the gold, and the black with the hole?  
"My child, the gold is for you to count your blessings  
The black is for you to let go."

## Sin Unchecked – Has Freedom Gone Too Far? by Virginia Flo

We are blessed to live in a country with many freedoms, including life, liberty, and the pursuit of happiness. We are considered a model for others to follow—and our freedom is coveted. (God gave us free will, another freedom, but that freedom, especially, has been abused.) Our republic was originally based on Christian values and ideals. Yet, we look around us today and wonder what has happened? The lack of civility is shameful. The lack of respect for human life is horrible and intolerable. How did we get here? I see this as “sin unchecked.”

We need the Law as a mirror to see ourselves and our sin for what it is. Even more importantly, we need the Gospel—God’s grace—to assure us of our forgiveness through Christ’s sacrifice on the cross.

Narcissism is nothing new under the sun—and it appears to be here to stay. When it all becomes about “me,” it changes our whole perspective from what Christ has done for us to what we can do for ourselves. Yes, we have the freedom to make it all about “me”; however, remember the Apostle Paul’s guidance to think of others better than ourselves—a model all Christians should follow. What happens when you do that? I think you will find that you’ll feel even better about yourself when you experience the joy of doing for others and not just for “me, myself, and I.”

I was told recently by a prominent theologian in the life arena that all of the problems in America today stem from the legalization of abortion. That seemed a bit broad; however, after I thought about it for a while, it made perfect sense. Abortion-on-demand claims to give everyone “the right to choose and control their own bodies” (forgetting all about the life and body of the unborn child). It comes down to people wanting the right to do as they please rather than following God’s will. Be it abortion, end of life, bioethics, human trafficking, sexuality, or gender identity, the arguments

**May your voice be heard as  
you share what is true through  
honoring God’s gift of life.**

**“Live as people who are free, not using  
your freedom as a cover-up for evil, but  
living as servants of God.” (1 Peter 2:16)**

are no different than that of the abortion argument. It’s about the “right to choose” even though it can be contrary to God’s Word and hurts others. In some cases, it even means killing others.

I continue to be amazed by how many people have been swayed by the “I have a right” argument. After all, we have been taught at an early age that we need to be “tolerant” above all else (and it’s often “tolerate or else!”). Too many feel it is better to never talk about life issues so they can’t be accused of discriminating and being intolerant, and if we avoid talking about the life issues, we can’t be accused of being political. (The life issues do show up in political agendas, even though they should have nothing to do with politics and everything to do with Scripture, which is very clear about life.)

Our 2019 Life Sunday theme is **From Age to Age the Same**, based on the words from Isaiah 46:3b-4. If we have any question about when in life God gives His support, these verses should clear that up. You “**have been borne by me from before your birth, carried from the womb; even to your old age I am he, and to gray hairs I will carry you. I have made, and I will bear; I will carry and will save.**” Yes, these powerful words make it very clear that God is with us from conception to old age and natural death. He also proclaims that He made us, and He will bear, carry, and save us, carrying the whole burden of salvation. (We can try to do it all ourselves, focusing on *our* rights, but that can often result in a lack of respect for God’s will for our lives.)

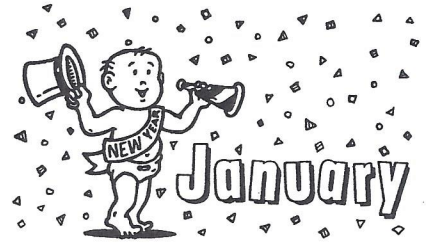

Let’s use our voices to share the message of life from Scripture. Let’s avoid being silent for fear of repercussions based on worldly ideas. May we use our voices to speak boldly, using God’s Word, seeking the help of the Holy Spirit in speaking with gentleness and respect, and knowing the outcome is not up to us as we are just messengers.

As we are confident our Lord and Savior is with us **From Age to Age the Same**, we have nothing to fear and everything to gain when hearts are reached and our freedom is not squandered. May your voice be heard as you share what is true through honoring God’s gift of life.

**“For you were called to be free, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another.” (Galatians 5:13)**

*Lord, make the New Year a happy one . . .  
 . . . Not by shielding us from sorrow and pain, but by  
 strengthening us to bear it if it comes.  
 . . . Not by taking hardships from us, but by  
 taking all cowardice and fear from our hearts as  
 we meet hardships.  
 . . . Not by making our paths easy, but by making us  
 sturdy enough to tread any path.  
 . . . Not by granting unbroken sunshine, but by  
 keeping our faces bright even in the shadows.  
 . . . Not by making our lives always pleasant, but by  
 showing us where others and your cause need us most  
 and by making us zealous to be there and to help . . .  
 God, make our year a happy one!  
 In Jesus' name we pray. Amen.*

I must go shopping! I am completely out of generosity and must get some more!

I want to exchange the self-satisfaction I picked up the other day for some real humility – they say it wears better!

I must look at some tolerance, which is worn as a wrap this season. Well, I'm a little low on that and one can never have too much of it.

I must try to match some patience. I saw it on a friend, it was so becoming, and might look equally well on me.

I must remember to get my sense of humor mended, and keep my eyes open for some inexpensive goodness.

It is surprising how one's stock of goods is depleted. YES, I MUST GO SHOPPING TODAY!
