**MARCH 2019**

Member of Peace and St. Paul's,

Sometimes in the church we talk about remembering our baptisms. It seems odd when we do. Most of us quite literally do not remember our baptisms. We were far too small to have any memories placed into our long-term memory bank that day. And yet, it is proper to speak this way. After all, we remember the day of our literal birth each year often with celebrations and treats even though we certainly do not literally remember that day either.

There are two kinds of births we can have according to the Scriptures. First, one is born of the flesh and then secondly, if they wish to have a place in the Kingdom of God, they must also be born of the Spirit. Remembering our birthdays is a reason to rejoice in God's gift of creation. Remembering our baptisms is a reason to rejoice in God's gift of redemption in Jesus.

In our midweek Lenten services this year, we will work our way through what the catechism records for us that the Scriptures have to teach us about baptism and all of its gifts. We will talk about what baptism is and what it takes to have one. We will talk about blessings that baptism offers and marvel at how God can accomplish these things through something as simple as water. We will also reflect on how our baptism is returned to each day as we confess our sins and receive the forgiveness and life of Christ anew. Finally, we will talk about how this gift of baptism is for all because all need it.

And as we go through all of this, we will be remembering our baptisms. And in remembering our baptisms, we will be led to thanksgiving before God for He is the One who has given us this gift and all of the other blessings that flow from it.

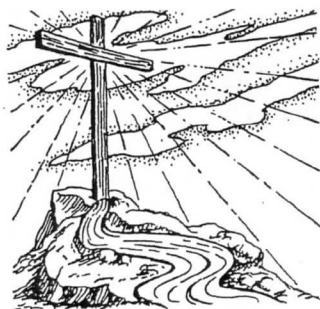

We will also in those midweek services be learning a new hymn that reflects on the gift of baptism. It is hymn number 597 in our Lutheran Service Book hymnal and it is called "Water, Blood, and Spirit Crying." I think you will find the words both beautiful and enlightening and the tune pleasant and easy to learn. It is written by one of our best Lutheran modern hymn writers named Stephen Starke. If you are on the internet, you certainly can type in this title to a search engine and hear the hymn in various places to prepare yourself to sing it.

Lent which we begin on March 6 and 7 with our Ash Wednesday services is a time of remembering our baptisms quite naturally. For each time we are called to repentance, we are being called to do the same thing that was first done at our baptism. We are being called to admit that we are sinners in need of God's help. Thanks be to God that every time we do this, God assures us that He is more than willing to help us. He is willing to save us by connecting us to Jesus's death and his resurrection in order that we might have life now and forever.

I look forward to remembering our baptisms together as we walk through this Lenten season.

In Christ

Pastor Philip Hoppe

## **SYMPATHY**

We offer our sympathy to Rich & Bev Mensing  
after the death of Rich's brother, Lawrence, of the  
Giese area, who passed away last month.

*Jesus said, "I am the resurrection and the life; he  
who believes in Me, though he were dead, yet shall  
he live; and whoever lives and believes in Me, shall  
never die." John 11:25,26*

March is MINNESOTA FOOD SHARE month. Minnesota Food Share was founded in 1982 as a faith-based response to local hunger. During March, Minnesota corporations and individuals will match a percentage of the food and dollars received.

Across East Central Minnesota, over 8% of our neighbors do not have enough money to buy food for their families. Many of them report going hungry or skipping meals to ensure food goes to their children. Half of the individuals who visit Family Pathways are under 18 or over 65 years of age.

**\*\*IN RESPONSE** to this need, Peace church will be having a "noisy change" collection on Sundays March 17 & 24. Please save your loose change each week and bring it to church when you come on these Sunday mornings in March, and we will pass around a container to gather the change. This would also be a good project for our young children. Have your child/children save their pennies, nickels and dimes so they can participate as well and feel they can help in some small way. Remind them (and yourself) of the blessings you receive from our Lord each day.

**ON MARCH 22, 23 & 24** we will have "PACK THE PEW" days. We would like to encourage our members to bring a grocery bag (or 2) of non-perishables to church and **PACK THE PEW in the narthex**. You can bring your filled bags to church during that weekend, or when you come to church on Sunday the 24<sup>th</sup>.

Food shelves need all types of non-perishable food, including paper products, personal and hygiene products, and cleaning products. Think about giving larger cash donations - the food shelf can convert cash into more food than you can. Food and cash raised will be taken to our local Family Pathways Food Shelf in Sandstone which currently serves about 300 families each month, including adults, children and seniors. We hope all of our members will participate in this local mission project!

### LENTEN DEVOTIONS DRAW ON DIVERSE CAST OF CHARACTERS TO TELL THEIR STORY

*People of the Passion* is the title of the Lutheran Hour Ministries' 2019 Lenten devotions. Just *who* these people are comprises an ancient and diverse ensemble. Stretching back to Adam and the patriarchs, God was at work setting the stage for His greatest act of love - the sending of Jesus to save sinful mankind. Throughout the Old Testament, through promise and prophet, God was pointing to the cross where Jesus would give His all for you and me. Go to [lhm.org/lent](http://lhm.org/lent) for details on how to download them to a daily e-mail. Audio begins on March 6 with Rev. Dr. Michael Zeigler, Speaker for *TLH*, reading the devotions.
