*November 2020*

Why do Christians care about legislation and judges and presidents? Well, I suppose if we were honest, the reasons would be many. And our reasons would be some of the same reasons the world would have to care about these things. We care because we such things affect our finances. They affect our freedoms. They affect our friends and family members in practical ways. And we are tied emotionally to all these things and people.

But why should we care? Well, two reasons. First, out of love for God. God has established all authorities that exist and he uses them for his purposes. And therefore, we cannot dismiss such things as unimportant. We understand that God intends to rule through them and therefore we should care whether they allow such rule or not. Furthermore, we recognize that any government that forgets that it answers to the one true God can also end up doing things that hurt God's Church which he has chosen to do a different work through. They can even end up demanding that the true worship of God and proclamation of the Gospel cease. And so we care.

But secondly, we care out of love of our neighbor. God has established government to reward good and punish evil not because he just wants to hold people accountable to random rules he creates, but because walking in good and not in evil is truly good for all in his creation. It benefits every individual and their life together with everyone else. And so we desire that our laws would closely match God's laws, not to prove us right but to make evident that the creator knows what is good for his creation.

We understand that when we fight for what God speaks of as good we are helping our neighbor. When we stand against abortion, we are doing so for the child and for the mother. When we stand up for those who are impoverished by the crafty ways of those with means, we are doing so for the welfare of the poor and their children. When we talk about marriage and sexuality, we are not doing so to steal someone of their fun or happiness, but rather are trying to open their eyes to what is truly good for all people in regards to their bodies and their lives.

Put more simply, we are often interested in legislation and judges and presidents because of our selfish interest. But we should be interested in them because we desire, as baptized people filled with the Holy Spirit, to love God and neighbor. We want to recognize God's purposes for these things. We want to understand that through them he gives gifts to all people, even to the wicked.

The specifics of how we engage these issues and even what issues we ought to engage is too large of a topic to discuss here, but it is enough to say that those discussions should be had in the context of love for God and love for neighbor and that these general guides are not just catchphrases to be defined according to our desires. We make our case based on what God has revealed as his purpose for government and what he says is loving to reveal to our neighbors.

We must be clear, for clarity is charity to our neighbors.

In Christ,  
Pastor Philip Hoppe

# THANK YOU

## "WEAR & SHARE" THANK YOU

Thank you to everyone who helped in any way by bringing in clothes; to the many who came in during the week to sort the clothing; and to those who worked during the give-away. There was a good amount of clothing donated and many people being served.

A special thanks to the *Women of Peace* for organizing this event- it is greatly appreciated!

- To all of our lawn mowers who kept the church lawn nicely groomed during the summer & autumn months -Tim & Lisa Koski, Wayne Fiero, Bill Tvedt, Olivia Hoppe, and Ed Barnick, Thank you to Wayne Fiero for being the go-to person when the mowers needed servicing, and seeing to it they were always in good working order.

*Job well done everyone! ☺*

*We appreciate your willingness to serve the Lord and His church in these ways.*

- The family of LaHoma Eppenberger would like to thank the congregation for all your prayers, hugs and condolences during her hospice time. Sandy & I were able to care-give for 5 weeks during her stay here on earth. What a gift for us to be able to help her to transition. Thanks also to Pastor who helped not only her, but us too! The many, many visits were much appreciated. We can't say enough about the St. Croix Hospice that helped out all along the way! We were so fortunate to be able to do this for LaHoma. Thank you again!

Our Lord called home one of His own, Lawrence "Larry" Kenneth Alm on Sunday, Sept. 27<sup>th</sup> at the age of 76 years, after battling cancer the past couple of years.

After graduating from Finlayson High School in 1962, Larry joined the Marines and was stationed in Vietnam. He also worked for Northwest/Delta as an airline mechanic and crew chief. Hunting, fishing and family were some of the things that brought him joy. He also enjoyed doing some crop farming and being on the tractor, plowed snow here at church, helped with ushering, attended worship services and receiving our Lord's body and blood regularly.

We offer our sympathy to his sisters & families here at Peace: Marge Haefner, Mary, Dan & Erick Nelson, Kate Alm & Jenny.

May God's peace & comfort be with all families!

"Lord, now let your servant depart in peace, according to Your word, for my eyes have seen your salvation." Luke 2:29,30

*Our Thanksgiving Worship Service here at Peace will take place this year on Thanksgiving Day, Nov. 26<sup>th</sup> at 10:00 a.m which will be a joint service with our sister congregation from Bruno.*

*Plan now to join us as we "Praise God from Whom All Blessings Flow!"*

### ***\*\*FUEL FUND DRIVE!\*\****

It is time, once again, to be reminded of the winter months coming up and the toll the fuel costs take on our church's monthly budget. We ask for your help by considering an extra offering to this project - **OVER AND ABOVE** your regular Sunday offering. In the front of your envelope box, you will find special envelopes for this purpose. Please give generously as the Lord has prospered you! Thank you!

A surgeon, an architect and a politician were arguing about whose profession was the oldest.

"Eve was made from Adam's rib," said the surgeon. "That was surgery."

"Maybe," said the architect, "but before that, order was created from chaos, and that was an architectural job."

"Wait," said the politician knowingly. "Who do you think created the chaos?"

### **"LITTLE THANK-YOU'S"**

Most of us think to thank the Lord for big things in our lives –

Promotions, health, increase of wealth,  
Or when an heir arrives.

But for the many little things,  
we're given every day,

We take them hardly thinking,  
and without a word to say:

A tasty meal, fresh-laundared clothes,

A house that's clean and bright.

A button fixed, a torn place sewn,  
a restful bed at night.

A tolerant look a kind word said;  
a smile to lift the heart.

Are subjects to be thankful for,  
and each one plays a part—

To show how much we all depend on love's  
unselfish arts.

And we should thank the Lord and those—  
who serve with loving hearts.

### **"IT IS THE VETERAN . . ."**

*(Veterans Day – November 11<sup>th</sup>)*

It is the VETERAN not the preacher  
Who has given us freedom of religion

It is the VETERAN not the reporter  
Who has given us freedom of the press

It is the VETERAN not the poet  
Who has given us freedom of speech

It is the VETERAN not the campus organizer  
Who has given us freedom to assemble

It is the VETERAN not the lawyer  
Who has given us the right to a fair trial

It is the VETERAN not the politician  
Who has given us the right to vote

It is the VETERAN who serves under the Flag.

*Eternal rest grant them O Lord,  
and let perpetual light shine upon them.*

- You cannot help the poor by destroying the rich.
- You cannot strengthen the weak by weakening the strong.
- You cannot bring about prosperity by discouraging thrift.
- You cannot lift the wage earner up by pulling the wage payer down.
- You cannot further the brotherhood of man by inciting class hatred.
- You cannot build character and courage by taking away people's initiative and independence.
- You cannot help people permanently by doing for them, what they could and should do for themselves.
