## October 2018

Recently, I was asked by our District President to take on a responsibility within the District that I did not have before. I have been asked to be the editor for the Minnesota North portion of the Lutheran witness that those of you who receive the Witness are used to finding in the center of that magazine each month. While the rest of the magazine is produced for a national audience, this insert is there to highlight things that are going on in our particular District. I will be in charge of collecting the information and submitting it to the publisher each month.

In thinking about taking this fairly small task on, it has made me remember why things like this are more important than even they seem to me sometimes. I have to admit that there are months that I never get to read this insert. I can easily think that what is going on in other congregations is great but not really necessary for me to know. The truth be told, while of course we do not have to spend great time making sure we keep up on what is going on with every congregation within our District, it is good that we would know the basics of what our fellow brothers and sisters in Christ are doing in the congregations closest to us for they are our family.

There was a season of the Christian Church in America where most congregations could operate as if they did not need the cooperation of other congregations, not even the congregations closest to them. There were plenty of people in the pews and plenty of money in the plate to be able to accomplish at least the most essential things that needed to get done. But if we are honest, it seems that that season may be passed. While we will pray and hope for another season of such increased involvement in the Church, we must also be realistic about where we are.

In our particular context, we have learned that we need each other at Peace and St. Paul's in order to make sure that we have a Pastor to serve both congregations. But even with that being said, sometimes it can seem like with that arrangement we do not need the rest of the congregations even in our circuit. But this may become increasing untrue as well.

We have recently worked together with our fellow circuit congregations in regards to our work with our youth. Many of our congregations felt that while some special attention to youth activities was needed, it was hard to find time for all the individual pastors to dedicate such attention to it. And so, we have worked out an arrangement with our Circuit Youth Worker LeAnn Gregoire to help. We just had our first event that LeAnn organized. It was good to have the congregations together working towards a common goal of supplementing the education of our youth that goes on in Church and in the home.

The truth is we have always needed one another for we are one family and one body in Jesus. But this truth has become clearer in more practical ways as of late. And I suppose that trend will only continue. And so knowing what is going on with each other is wise, and rejoicing and mourning with one another is godly. So, read the insert in the Lutheran Witness, attend a circuit gathering, or take the time to talk to your relatives and friends at other circuit churches about what is going on.

It may make us sad that we can't get everything done we used to on our own, but it also opens our eyes to another blessing of God that he has given to us, namely the rest of the body of Christ outside our particular congregations. May we thank Him for this blessing.

In Christ,  
Pastor Philip Hoppe

## CALLING FOR BELL RINGERS

Bell Choir will start practicing soon. Let Christine Fiero know if you are interested in joining the bell choir. Eleven ringers allow us to take full advantage of our three octaves of bells. The ability to read music is not as important as rhythm and appreciation for music. Why not give it a try??

## --HURRICANE DONATION INFORMATION

You can donate online at LCMS.org or send your donation to LCMS Human Care & World Relief, PO Box 66861, St. Louis, MO 63166 - memo line: Hurricane disaster relief.

We offer our sympathy to Vickie Benson whose husband, Dale, passed away on Friday, August 31<sup>st</sup> at the age of 59 years, following his battle with brain cancer. Dale & Vickie joined our family of faith here at Peace last March, coming to this area from the Montgomery/New Prague area. It's unfortunate that many of us didn't get a chance to know Dale, and learn that he was an amazing mechanic and could fix or build anything. He loved spending time at his "hunting shack" near Giese, and that is where he wanted to spend his last days. Dale's memorial service was held here at Peace on Monday, Sept. 3<sup>rd</sup>.

~~~~~  
We also extend our sympathy to Thor & Barbara Moen, Rachael, Mark, Chris & David Henkel, following the loss of their beloved son, brother, and uncle, Mitchell Moen, also to brain cancer at the age of 58. Mitchell lived in Clearwater, FL, but returned to MN for his cancer treatments. He worked for 21 years as a barber in MN before moving to Florida where he spent the last 14 years working for the City of Clearwater as an arborist. He was an avid outdoorsman who loved hunting, fishing, and kayaking.

Mitchell's celebration of life was held on Saturday, Sept. 22<sup>nd</sup> at the Hinckley Community Center with Pastor Hoppe officiating.

May God's Peace & Comfort be with Vickie and her family, and the Moen and Henkel families.

Jesus said, "Peace I leave with you, My peace I give to you." John 14:27

## UNCOVERING THE TRUTH ABOUT CREATION

*Hosted by Christ Serve Ranch @ Lutheran

**PROTESTANT  
REFORMATION**

**M**artin Luther nailed the Theses to the door on October 31, 1517. He questioned how a person is justified which revolutionized the church and the world. Luther's study led to his rediscovery of the belief that one cannot earn or merit God's grace only receive it as a free gift.

Luther's effect was the establishment of Protestantism which soon divided itself as other Reformers also challenged church tradition.

He could not have been aware of the impact his teaching and personality would have on the religious, political and social life of the world. Reformation Sunday is always the Sunday before October 31.

**BREAKING NEWS:**

***Rev. Michael Zeigler  
Named the New Speaker  
of The Lutheran Hour***

Lutheran Hour Ministries is pleased to announce that the Rev. Dr. Michael Zeigler has accepted a call to serve as Speaker of **The Lutheran Hour**. His first broadcast will be on Reformation Sunday, October 28.

"The role of Speaker has been held by many distinguished men of God," says Rev. Zeigler. "Despite my own feelings of inadequacy, I step into this role with the confidence that the Lord Himself has called me to share His truth and love with a wider audience. Best of all, this means that I get to know Jesus better and help others know Him, too."

Rev. Zeigler left active duty in the Air Force in 2006 to attend Concordia Seminary, St. Louis. He was most recently pastor of Epiphany Lutheran Church in St. Louis.

**WHERE HAVE ALL THE HORSES GONE?**

*Billy Sunday, the evangelist of a generation ago, used to say that going to church didn't make you a Christian any more than going to the barn would make you a horse. But if you were looking for a horse, you'd be most likely to find one in a barn.*

*Today, with an emphasis on leisure and the changing patterns of family life on weekends, we seem to be affirming that we can get along very well as Christians without a regular experience of corporate worship and without the association with Christian ideas and fellowship provided for us in the activities of the church. Without the discipline of regularly looking at life through the spirit and teachings of Jesus Christ, being Christian becomes a by-product of satisfying the regular demands of life.*

*Is it too strong a statement of principle to declare that except in special circumstances, every Christian needs one experience of corporate worship each week to help keep faith fresh and discipleship true?*
