1977 - 78 Presidential Nominees

Kevin Ferguson

If Elected President I Promise I'll . . .

It is again that time of year when the student body of NAIT will go to the polls to elect its new student council. When voting for Student President I would ask you to cast your ballot for Kevin Ferguson.

If elected, my door will always be open to any problems, proposals, or other matters that a student feels important. It is my wish to work with the student body rather than to dictate to it.

Here are some of the issues I feel are important at this time. However, should you know of any other issues that you feel are important please bring them to my attention.

-student housing

I would like to see more housing available to all students other than just married couples. I will push for more NAIT involvement in the decision making process.

-night cabarets

My administration will push for dances beginning at 9:00.

-parking lot enforcement

Students who use the parking facilities are aware of the vandalism problem. One of my major concerns would be to eliminate this senseless destruction.

-common hour

We will attempt to gain access to this for all students and improve the entertainment.

-study facilities

I would like to see more study rooms available for use at any time.

-pub time

I would like to see pub-time once per week with a more relaxed and friendly atmosphere. By this I mean that the disorderly conduct shown to date will be cut down so that more of the student body can enjoy this privilege.

My last point deals with an innovation that has already been decided by the present student council. It is called Keyhole. This is the policy whereby all tickets sold for any function must be sold from one specific location. To use this facility a tech must attend at least 60 per cent of all student council meetings. Failure to do so will mean that a tech cannot sell tickets for any function and therefore will not make any revenue for their tech. The conception behind this is to increase student participation and communication. This will help the smaller techs to stage a function with a good chance of success. It will be my job to oversee this operation and make sure that it runs smoothly

and effectively.

I am aware that some goals will be harder to attain than others; but through persistence and your support, my council will open the doors for a better future for you, the student body.

A vote for Kevin Ferguson will mean a vote for a better academic and social atmosphere.

GREG LESIUK

This Friday is the Student's Union Election and I want your vote. The person who holds the position of Student's Union President is an important person as far as you are concerned. WHY

The president of the Students Association is your representative. When the student's views are sought it is the President and Council who are asked First. Put someone in office that you can trust to make your views known.

To be able to fill the role of President a person must be keen, outgoing, open-minded, sympathetic, objective, aware, and articulate. Above all that person must be prepared to "try" to get the best deal for students when issues involving them are at stake

Notice that I said "try". One aspect of politics generally, that has always grated me is the candidates who "promise" the world with no intention of fulfilling their promises. One thing that I can

promise you is myself - 100% for one year working for you.

I've spent most of my life as a student at various schools, the U of A and now here. Of all the schools I've attended I'm convinced that NAIT is by far the best. Good Courses, Good Instructors, Good Facilities, Good Times. There are thousands of Good people going to Nait and they need a GOOD STUDENT GOVERNMENT. Let me do a Good job for you.

Here at Nait I've been an active participant in intramural sports and an organizer - participant in school projects and social activities. I like this place and am anxious to work for it and for you.

I am not so naive as to believe that things can be changed overnight. Good government is always working to make things better. All the Student Councils over the years have been working to get a fair shake for students. Decisions made now may not have an immediate effect. The secret to implementing change is continuous effort. It's the effort that gives the results. The changes may be immediate or long term.

What kind of issues does Council deal with? The list is probably endless but some that come to mind are:

APATHY: Council decisions affect you. GET INVOLVED - start by voting Friday.

CHINOOK DAY: Present Council did us a good turn. We should

follow their lead.

COMMUNICATION: Establish good communication links between students, their reps and Council. Between Council and the Institute.

NEWSPAPER: A longer better paper. We have a good paper, we can have a great paper. All it takes is some interest and support

COMMON HOUR: Continued efforts for a school wide Common Hour.

XEROX: Two copying machines in a school this size are not enough. How many times has a XEROX machine ordered you to "call a key operator"?

HOUSING: Low cost student housing has been looked into by previous councils. Continue investigating possibilities.

ALIENATION: Many students (Architecture, Tailoring) go to satellite schools. They are members of the Student's Association too and need a voice in student government.

PARKADE SECURITY: 2 ripoffs a week is 2 too many. Cars, tires, transmissions and parts have all been stolen. We need improved Parkade security.

There are many issues. You know what you want. Get an Executive that cares; work with them to get what you want. It's your job to choose from the prospective candidates the one who you think will best represent you. I'm asking for your support this Friday.

WHO WE GET DEPENDS UPON YOU. VOTE INTELLIGENTLY

WELL COUNCIL ASKED FOR IT AND NOW THEY'VE GOT IT. SOME CANDIDATES TO RUN FOR THE 1977-78 STUDENT COUNCIL. SOME PEOPLE WHO IF ELECTED SAY THEY ARE GOING TO REPRESENT THE STUDENTS OF NAIT BETTER THAN THEIR OPPONENTS WOULD. BUT WILL THEY! DO THEY REALLY KNOW WHAT THEY ARE PROMISING OR IS IT JUST A BUNCH OF BULL TO GET ELECTED?

THE PRESIDENTIAL NOMINEES:

KEVIN FERGUSON-ALTHOUGH HE DIDN'T STOP FOR MORE THAN A MINUTE TO TALK TO ME, THOSE FEW PRECIOUS SECONDS THE TIMES I WATCHED HIM IN THE HALL AND FROM HIS EDITORIAL VIEWS, I THINK I HAVE FORMULATED A PRETTY FAIR ESTIMATION OF MR. FERGUSON.

HIS CAMPAIGN SPEED IS ONE THAT ANYONE COULD HAVE PREPARED. WHAT DOES IT SAY? NOTHING REALLY. INITIATIVE. A REAL YES MAN'S SPEECH IF YOU ASK ME. ALL HE SAID IS HE WOULD TRY TO SOLVE ISSUES THAT EVERY OTHER PRESIDENT BEFORE HIM HAS TRIED TO SOLVE AND FAILED. HE HASN'T REALLY PROMISED ANYTHING BUT THEN AGAIN HE PROMISED A LOT. KEVIN HAS GOT SOME GOOD POINTS TOO THOUGH. EXCELLENT ONE SHOT CAMPAIGN POSTER. HE SAID HE IS GOING TO TRY TO IMPROVE ON OR TRY TO GET ACROSS SOME OF THE PREVIOUS PROMISES OF YESTERYEARS PRESIDENTS. I AM ALL IN FAVOR OF HIS ISSUES AND I AM QUITE SURE IF HE IS ELECTED THAT SOME IMPROVEMENTS WILL BE SHOWN IN SOME AREAS.

GREG LESIUK - NOT AFRAID TO STICK UP FOR HIS RIGHTS. GOT A \$5.00 PARKING TICKET FOR SUPPOSEDLY DOING SOMETHING WRONG IN THE NAIT PARKADE. HE TOOK IT TO COURT AND BEAT THE CHARGE. DOESN'T LIKE TO MAKE PROMISES HE KNOWS HE CANNOT FULFILL.

SOMEWHAT OF A FLABBERGASSER. MENTIONS THAT NAIT HAS GOOD COURSE INSTRUCTORS FACILITIES AND GOOD TIMES AND GOOD PEOPLE. HE IS RIGHT IN SOME WAYS BUT NAIT IS NOT HEAVEN EITHER. WE HAVE GOT OUR PROBLEMS TOO. I DON'T LIKE HIS CAMPAIGN POSTER. IT IS TERRIBLE AND IT IS REALLY OFF THE ISSUE. BECAUSE HE HASN'T MADE PROMISES I AM FINDING IT TOUGH TO FIND MANY FAULTS WITH HIM. I AM IMPRESSED BY HIS OPENESS, HIS SPIRIT TO STICK UP FOR WHAT HE BELIEVES IN. IT IS OBVIOUS HE IS AWARE OF THE PROBLEMS AT NAIT. I LIKE HIS ATTITUDE OF NOT PROMISING BUT RATHER ONE OF, IF ELECTED OUR COUNCIL WILL TRY TO SOLVE THESE ISSUES. PROMISES ARE FOR DREAMERS ANYWAYS.

I'M NOT GOING TO TELL YOU HOW YOU SHOULD VOTE, BUT I AM GOING TO TELL YOU NAIT NEEDS SOME CHANGES ESPECIALLY IN STUDENT COUNCIL. THE PERSON YOU ELECT FOR PRESIDENT SHOULD SHOW INITIATIVE, SPIRIT, DEDICATION, CLASS AND MOST OF ALL THE ABILITY TO STICK UP

Edmonton Hire a Student

Edmonton Hire a Student, formerly Operation Placement is a cooperative program designed to meet the summer employment needs of the student and business communities.

Specifically, Edmonton Hire a Student assists in the placement of post-secondary and secondary students in summer employment positions. In addition, the program promotes and satisfies the summer staff requirements of Edmonton and area businesses, and helps to stimulate the development and operation of student-run businesses.

As a non-profit community service; we are sponsored by the Federal Department of Manpower and Immigration; the Provincial Department of Advance Education and Manpower; the Edmonton Chamber of Commerce; the Edmonton Public School Board; the Edmonton Separate School Board; the students' unions of the University of Alberta, Nait and Grant MacEwan Community College; the Nait Administration; the U of A Administration and the City of Edmonton.

The Edmonton Hire a Student Program channels its activities into five specific areas in an effort to ensure the maximum effectiveness of the program. These are the Promotions, Special Projects, Employer Relations, High School Visitations and Student Business Task Forces, each headed by a Chairman responsible for the program activities in that area.

The success of Edmonton Hire a Student's promotional program depends largely on the public exposure and community awareness of the services we offer. Due to our limited budget, we rely heavily on the excellent support we receive from the public, and news media, and area businesses for sponsorship. We have been fortunate enough to appear on radio and television talk shows, arrange speaking engagements with service clubs, air public service announcements, place newspaper advertisements, etc. This community cooperation is vital to the quality of the service we give in return and is greatly appreciated.

Teams of trained employer relations people visit the majority of Edmonton businesses in order to survey their summer employment needs and explain our available services to the potential employers. In effect, they investigate and promote job possibilities.

Since Edmonton Hire a Student is a liaison between employers and students, we must also ensure similar exposure to the students. This is accomplished by means of our highly successful High School Visitation program. Trained student counsellors arrange sessions with the rudiments of seeking and securing employment, handling job interviews and writing resumes. These informative sessions are possible through the excellent cooperation of the school boards and guidance counsellors.

Edmonton Hire a Student also promotes and advises students interested in starting their own summer business. We can assist by referring students to legal counsel and providing them with job referrals. These businesses, fully staffed and operated by students, offer a wide variety of services in such areas as landscaping and yard maintenance, construction, painting, roofing — and many more. Their success lies in the fact that they provide an immediate and quality service to Edmonton homeowners. Free estimates and referrals are available to anyone interested in using this service. The experience gained in operating these companies has proven invaluable to the students in future careers.

In 1974, the Canadian Army Welfare Fund established an Educational Bursary Programme to assist dependents of former members of the Canadian Army (Regular) with post-secondary education.

Letter to Editor

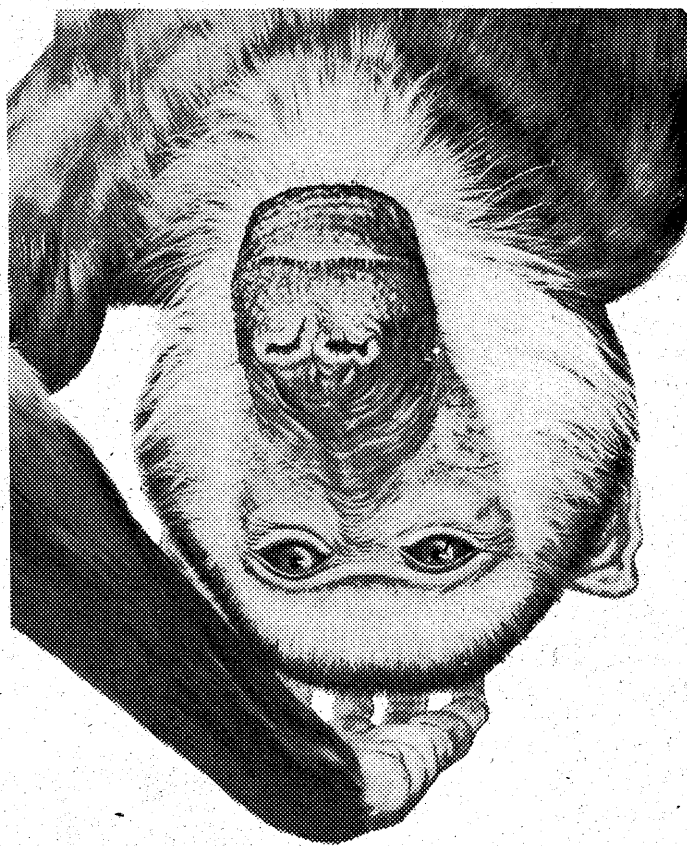

Dear Editor:

I must congratulate you on including the article "The MacKenzie Valley Pipeline" in your newspaper a couple of weeks ago. It was a fairly accurate account of the present situation though personally I got the impression that the Burger was pretty sure that the author report would be against the pipeline, which is highly doubtful.

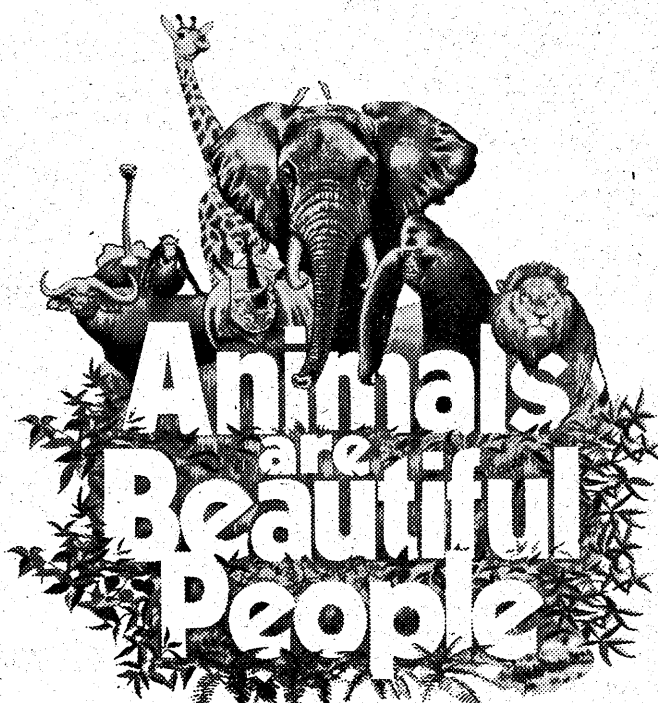

In any case pertaining to the third article of the "What you can do" the author mentioned that a concerned person could join a group of other interested people but failed to mention any. I would like to make people aware of the Alberta Energy Coalition which was recently formed to attempt to put a 10 year moratorium on the MacKenzie Valley Pipeline and put a hold on any other alternative pipeline until both the environmental impact and the Dene Land claims are settled.

Anyone interested in joining the AEC task force concerning energy and the public (or any other task force) or would like to find out more about the AEC is asked to contact either Colin MacGregor at 489-3916 or Lucien Royer at 488-0151.

Your Possible Future Vice-Presidents

I'M BRIAN GROBERMAN AND I'M RUNNING FOR THE POSITION OF VICE-PRESIDENT OF NAITSA. I FEEL THAT STUDENT SERVICES PROVIDED BY NAITSA SHOULD BE REVIEWED AS SOME OF THE SERVICES PROVIDED HAVE FALLEN INTO DISUSE WHILE OTHER NEED TO BE IMPROVED BECAUSE OF INCREASED USE BY THE STUDENTS. OUT OF ALL THE MAJOR POST SECONDARY INSTITUTIONS, COLLEGES AND UNIVERSITIES IN THE PROVINCE, NAIT IS THE ONLY SIGNIFICANT EDUCATIONAL CENTER NOT INCLUDED IN THE FEDERATION OF ALBERTA STUDENTS. I THINK THAT THE STUDENTS ASSOCIATION SHOULD LOOK INTO THE BENEFITS OF BECOMING A MEMBER OF THIS ORGANIZATION AND HOLD A REFERENDUM CONSIDERING THE STAND OF THE INSTITUTE ON THIS ISSUE. I ALSO FEEL THAT THE COMMUNICATIONS COULD BE MUCH IMPROVED BETWEEN NAITSA AND THE GENERAL STUDENT BODY. THIS COULD BE ACCOMPLISHED AS EASILY AS REGULARLY ISSUING REPORTS THROUGH THE NUGGET. IT IS THE RESPONSIBILITY OF ALL ELIGIBLE STUDENTS TO MAKE THE BEST POSSIBLE EFFORT THEY CAN TO VOTE SO IF YOU DON'T CARE VOTE FOR SOMEONE WHO DOES VOTE BRIAN GROBERMAN FOR VICE-PRESIDENT.

Election time has finally arrived and I guess we'll get our usual turnout of 5-10 percent of the eligible voters. This election is looking a little bit more competitive than last years, since only one seat has been won by acclamation. Still, there is plenty of room for improvement.

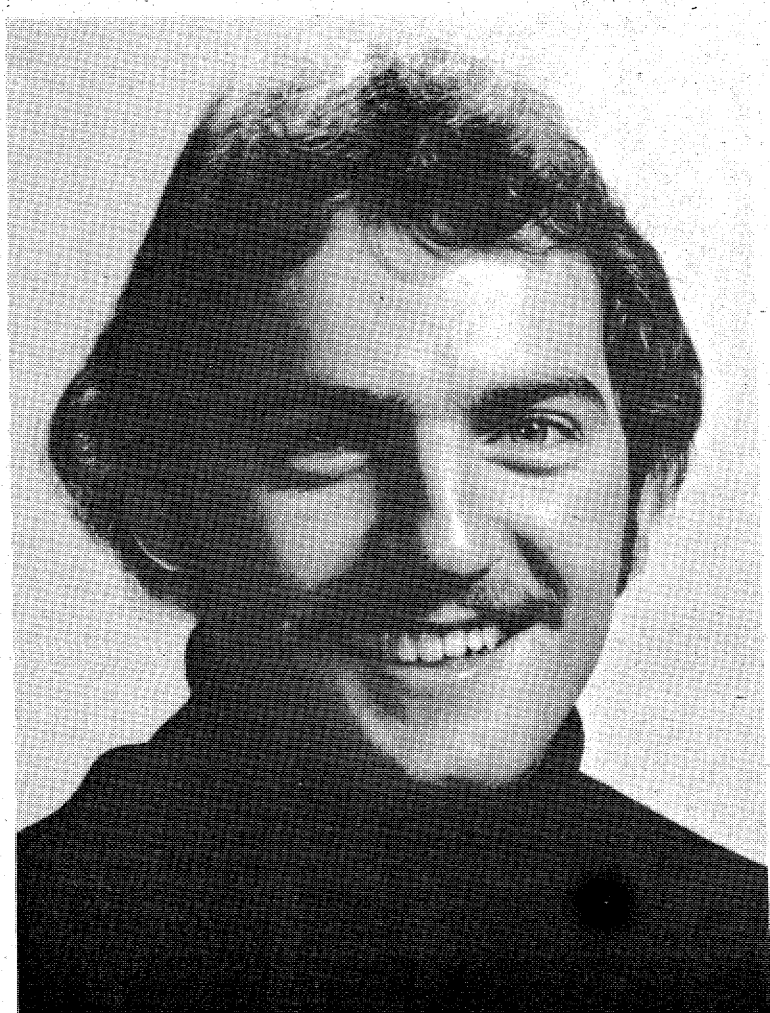

Face it, student spirit at NAIT is pathetically low. We have the largest enrollment at a technical Institute in Alberta, but are still having difficulty entering competitive teams in intercollegiate sports or even maintaining our present level of social activities. For a few examples; why is the NUGGET always complaining of a lack of staff, and why don't people seem to know what is happening outside their technologies?

Most people automatically blame leadership, or levels of it, for any problems that occur within an organization. It is not that simple. Each student is as much a part of NAITSA as any member of the executive. NAITSA is a reflection of the entire student body, not just a few students who have the interest to get involved with it. Good Leadership does provide opportunity for students to solve these problems. It must be exercised to be effective, and it cannot be exercised without your support and your involvement.

If I am elected Vice-President of NAITSA student involvement will be encouraged and listened to.

Its up to you.

BOB UTREINER
VICE-PRESIDENT

Rod Laliberte

DURING THE TIME THAT I HAVE ATTENDED NAIT ONE OF THE MOST STRIKING THINGS I'VE NOTICED IS THE LACK OF SCHOOL SPIRIT. SURE PART OF THE BLAME COULD BE PUT ON THE STUDENTS BUT I BELIEVE THE PEOPLE WHO RUN THIS INSTITUTE ARE ALSO TO BLAME. THE STUDENTS SHOULD BE GIVEN A BETTER CHANCE TO MEET EACH OTHER NOT ONLY IN THEIR OWN TECHNOLOGY BUT IN OTHERS AS WELL. I'M SURE THAT SOME OF THE COURSES TAKEN BY ONE TECHNOLOGY ARE ALSO BEING TAKEN BY ANOTHER. SO WHY NOT OVERLAP EACH OTHERS CIRCULUM AND ALLOW THE STUDENTS TO TAKE SOME COURSES TOGETHER?

SOME OTHER IDEAS WHICH I BELIEVE SHOULD BE DONE INCLUDE:

- A LIQUOR LICENSE FOR THE SALE OF BEER AND WINE IN THE TOWER LOUNGE.
- A JOURNALISM COURSE TO HELP PUT OUT THE PAPER.
- A WOMENS HOCKEY TOURNAMENT OR LEAGUE INVOLVING ALL OTHER ALBERTA TECHNOLOGIES.
- MORE EVENING CABARETS.
- DESIGNATED STUDY ROOMS AVAILABLE TO STUDENTS DURING THE DAY AND EVENING TO RELIEVE THE OVERCROWDEDNESS IN THE LIBRARY ESPECIALLY DURING EXAMS.
- MORE MONEY ALLOCATED FOR INTRAMURAL SPORTS TO PROVIDE FOR BETTER UNIFORMS LONGER HOURS AVAILABLE FOR FACILITY ACCESS ETC.
- A CLOSE LOOK AT CAFETERIA FOOD PRICES WHICH SHOULD BE ONLY OPERATING AT COST PRICE TO THE STUDENTS AND STAFF.
- A NAIT FOOTBALL TEAM IN COMPETITION WITH OTHER ALBERTA TECHNOLOGIES.

THESE ARE THE THINGS WHICH I WILL STRIVE FOR TO IMPROVE NAIT IF ELECTED VICE-PRESIDENT.

Packaging An Expensive Pain!

SAN FRANCISCO (ANS-CUP) US food industry forced customers buy 46.5 percent more packaging between 1963 and 1971 according to the Environmental Action foundation.

In the same period food consumption increased by a mere 2.3 percent the foundation reports.

In 1973 consumers forked over extra dollars to pay for about 52 million tons of containers and packages, including 800,000 tons of aluminum containers and 28 million tons of glass containers.

EDITORIAL

[Continued from Page 2]

FOR THE 3,500 PLUS FULL TIME DAY STUDENTS HE IS GOING TO REPRESENT. I THINK ONLY ONE OF THE TWO CANDIDATES RUNNING FOR PRESIDENT CAN OFFER US THE STUDENTS OF NAIT THIS CHOICE. PLEASE CONSIDER THIS WHEN YOU ARE VOTING FOR PRESIDENT.

VICE PRESIDENTIAL NOMINEES:

I AM NOT GOING TO WRITE DOWN THE PROS AND CONS OF THE VICES BECAUSE I DON'T THINK IT IS THAT IMPORTANT FOR THEM. I WILL SAY THOUGH THAT WHEN YOU VOTE FOR SOMEONE FOR VICE PRESIDENT, CONSIDER THE FACT THAT THEIR JOB INVOLVES A LOT OF PUBLIC RELATIONS FOR BOTH STUDENT COUNCIL AND NAIT. THE VICE PRESIDENT IS THE PRESIDENT'S RIGHT HAND MAN.

SECRETARY

AS LONG AS SHE CAN TYPE A LITTLE, AND TAKE A LITTLE SHORTHAND EVERYTHING WILL BE JUST FINE.

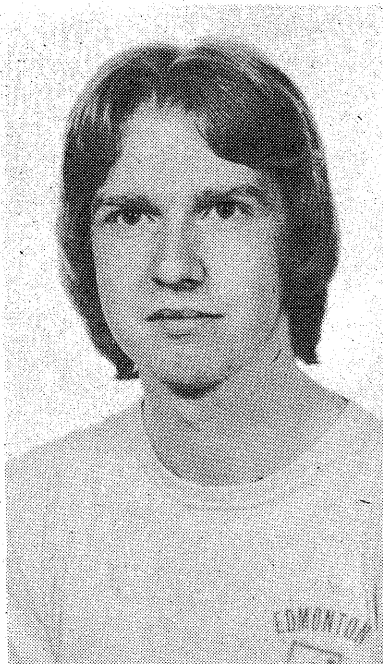

PUBLICATIONS CHAIRMAN

RESPONSIBILITY IS TO MAKE SURE THAT THE NUGGET THE YEARBOOK AND THE DIRECTORY ARE PUBLISHED. SOCIAL CHAIRMAN NOMINEES - RESPONSIBILITIES INCLUDING THE ARRANGING OF CABARETS, PUBTIME, QUEEN WEEK, FROSH WEEK ETC. ALSO HELP IN DECIDING HOW MUCH LIQUOR SHOULD BE PURCHASED FOR THESE EVENTS. YOUR GUESS IS AS GOOD AS MINE AS TO WHO WOULD DO A GOOD JOB HERE.

ATHLETIC CHAIRMAN NOMINEES- THE PERSON YOU NOMINATE TO REPRESENT YOU HERE MUST BE ABLE TO ORGANIZE, TO ORGANIZE THE SCHEDULING OF INTRAMURALS, THE BUDGETS TO THE VARIOUS ATHLETIC DEPARTMENTS, CHAIRING OF A COUPLE OF ATHLETIC COUNCILS, ETC. ETC.

AS YOU HAVE PROBABLY NOTICED, MY MAIN CONCERN IS TO GET A GOOD PRESIDENT AND WHETHER THAT BE KEVIN OR GREG, I BELIEVE THE COUNCIL WILL ONLY BE AS GOOD AS THEIR LEADER. YOU WILL NOTICE A FEW OF THE CANDIDATES DON'T HAVE THEIR PICTURES IN THE NUGGET ONE CANDIDATE DOESN'T EVEN HAVE HIS EDITORIAL IN. THIS IS THE CANDIDATES OWN FAULT. EVERYONE WAS TOLD TO HAVE THEIR SPEECH IN BY MONDAY ALONG WITH THE PICTURE. IF THEY CANNOT SHOW ENOUGH CONCERN TO GET THEIR PICTURES AND SUCH IN TO THE NUGGET I WONDER WHAT KIND OF REPRESENTATIVE THEY WOULD BE IF ELECTED TO COUNCIL.

I WONDER!!!

SCOTT McCONNELL ACTIVITIES CHAIRMAN

AS ACTIVITIES CHAIRMAN I WOULD RATHER SEE OUR PRESENT ACTIVITIES IMPROVED 100 PERCENT RATHER THAN TO TRY AND CHANGE EVERYTHING WE HAVE GOT. WE HAVE A GREAT VARIETY OF SOCIAL FUNCTIONS RANGING FROM FROSH AND QUEEN WEEKS TO PUBTIMES AND BEER FESTS. NEW IDEAS AND INGENUITY ADDED TO THESE EXISTING ACTIVITIES CAN ONLY LEAD TO MORE EXCITING ONES. I WOULD LIKE TO SEE THEM IMPROVED TO THE POINT WHERE THEY ARE MORE APPEALING TO A GREATER NUMBER OF PEOPLE SO THAT MORE CAN ENJOY THEM. I WOULD LIKE TO SEE FROSH WEEK MORE ORIENTED TO THE NEW STUDENT. AN OPEN HOUSE TYPE OF ATMOSPHERE MAY BE MORE EFFECTIVE WITH PAMPHLETS AND DISPLAYS RATHER THAN THE PRESENT WAY OF ORGANIZATION. I WOULD ALSO LIKE TO SEE LIVE ENTERTAINMENT AT PUBTIMES AND SOME BETTER BANDS AT BEERFESTS AS THESE ACTIVITIES REALLY GO OVER GREAT. WITH YOUR IDEAS AND SUGGESTIONS I CAN DO THE THINGS YOU WANT DONE BECAUSE

I'LL DO IT ALL FOR YOU!

Sid Edelman

Social Chairman

SID EDELMANN? WHAT DO I KNOW ABOUT HIM? SID WAS NEVER AN HONOR STUDENT OR EVEN MUCH ABOVE AVERAGE. WHEN WE WERE IN HIGH SCHOOL SID USED TO ALWAYS BE ORGANIZING THINGS, SUCH AS SKI TRIPS, KET PARTIES AND COMBINATIONS OF THE TWO. SID MIGHT BE CONSIDERED SOME WHAT OF A ROWDY BY SOME, BUT A MORE EXPLICIT DESCRIPTION MIGHT BE THAT HE IS A GUY THAT LIKES TO DO THINGS AND WHEN THERE IS NOTHING TO DO HE WILL MAKE THINGS.

PERSONALITY WISE SID IS EASY TO TALK TO AND OPEN MINDED. HE STANDS UP FOR WHAT HE WANTS. I REMEMBER IN GRADE FIVE WHEN HE ORGANIZED A PICKET LINE BECAUSE THE STUDENTS DIDN'T CARE FOR A CERTAIN TEACHER. ALTHOUGH HE IS SOMETIMES VERY PERSISTANT IN GETTING WHAT HE WANTS HE DOES NOT GO AS FAR AS THE RADICAL CUBAN SOME PEOPLE SAY HE RESEMBLES.

SINCE COMING TO NAIT SID HAS BEEN ELECTED ROOM REP AND ALSO BEEN ACTIVE IN MANY INTRAMURAL ACTIVITIES. BESIDES KEEPING UP IN SCHOOL, SID HAS GOT TO KNOW MANY OF THE PEOPLE IN THE SCHOOL AND IS ACTIVE IN MANY EXTRACURRICULAR ACTIVITIES SUCH AS SKIING, CABARETS AND K-WING.

THE POSITION OF SOCIAL CHAIRMAN INVOLVES THE SETTING UP OF PUBTIMES, QUEEN WEEK, CABARETS AND OTHER VARIOUS ACTIVITIES. WHETHER THE EVENTS NEED BANDS OR BOOZE THE BIGGEST THING IS TO MAKE THEM FUN FOR EVERYONE. SID CARES AND WANTS TO DO THESE THINGS FOR YOU. VOTE FOR A ROWDY.

VOTE SID.

Now What?

HIRE A STUDENT

[Continued from Page 2]

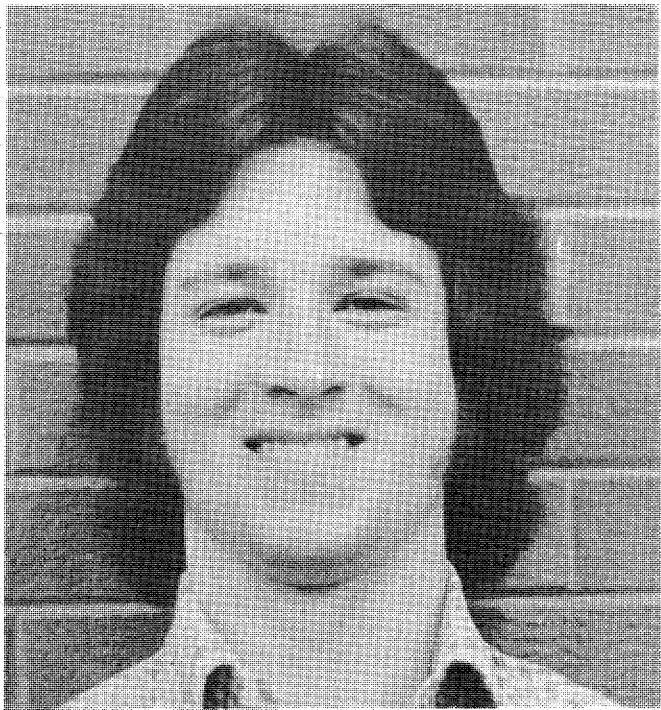

Edmonton Hire A Student's main objective is to stimulate and satisfy summer employment needs. Since many students and employers that register with our office have employment needs in areas other than Edmonton, we work in cooperation with other student manpower offices located in the rural and major centres of the province. This cooperation proves beneficial to the students and employers for whom we operate. "Hire a Student Week", a highly successful province-wide promotion, is a result of the hard work supplied by the Edmonton office and the cooperation and participation by other centers. The Edmonton Hire-A-Student office is without a doubt, one of the most successful in Canada in terms of achievement.

Last year over 15,000 students registered with our office. We were able to place over 7,900 in suitable jobs and more than 5,000 employers made use of our services. Our placement figure does not include the many students who secured jobs on their own after registering with us.

Edmonton Hire A Student '77 is facing a tremendous challenge this year in its attempt to satisfy the needs of both students and employers. In 1977 we expect to register between 14 and 15 thousand post secondary and secondary students. We are expanding our mailout contact over last year to just over 12,000 employers; and increase of 70 percent from 1976. In addition we will be making personal visits to at least 3500 Edmonton and area employers.

With this kind of employer contact combined with a more professionally planned promotions program, Edmonton Hire A Student will attempt to place over 7,000 students in summer jobs. We will also attempt to increase the dollar volume of contracts for student businesses by increasing the efficiency of referrals; setting up more efficient student business seminars at Nait, U of A, and Grant MacEwan Community College; and setting up a mandatory contract system which will help prevent any legal problems that could arise with the clientele of the student businesses.

With our continually expanding program and the enthusiastic response we receive from business and the general public, we look to this year with great anticipation. However, our success will ultimately rely on the hard work and dedication supplied by the funding bodies, the students and the employers of Edmonton who have made Edmonton Hire A Student the most successful student employment program in Canada.

LYNN BEISEL, ATHLETIC CHAIRMAN

SHOULD I ATTAIN OFFICE OF ATHLETIC CHAIRMAN I WILL ADOPT AND INITIATE THESE FOLLOWING PROGRAMS AND RESPONSIBILITIES:

- IMPROVE ON WOMENS INTRAMURALS. I WILL PERSONALLY GO AROUND AND ASK THE FEMALE STUDENTS AT NAIT WHAT INTRAMURAL SPORTS THEY WOULD PREFER TO PLAY AND SO ORGANIZE THESE ACTIVITIES.

- GIVE INTRAMURAL WRITE UPS IN THE NUGGET. SUCH AS RESULTS OF INTRAMURAL GAMES INDIVIDUAL STATISTICS AND GAME BY GAME FOLLOW UPS ON LEAGUE PLAY. THIS WILL INCLUDE PHOTOS OF WINNING TEAMS AND INTERVIEWS WITH STAR PERFORMERS.

- BETTER PROMOTION FOR NAIT TEAMS. ATTENDANCE LOOKS GAMES WAS PITIFULLY LOW THIS YEAR. THOUGH BETTER PROMOTION AND INCREASED SCHOOL SPIRIT WILL HOPEFULLY RECTIFY THIS SITUATION.

- IMPROVE ON COMMUNICATION BETWEEN STUDENT BODY AND UPCOMING SIGN-UPS FOR INTRAMURAL SPORTS. I WILL ADOPT A PROGRAM BY WHICH SIGNING UP FOR INTRAMURAL SPORTS WILL BE MADE EASIER AND WITH LESS CONFUSION AS TO WHEN AND WHERE TO SIGN UP.

I NEED YOUR VOTES TO HELP IMPROVE THE PRESENT ATHLETIC SITUATION AT NAIT AND I WILL NEED YOUR COOPERATION TO CARRY OUT AND DO A GOOD JOB FOR ALL NAIT STUDENTS NOT JUST THE ATHLETICS THEMSELVES.

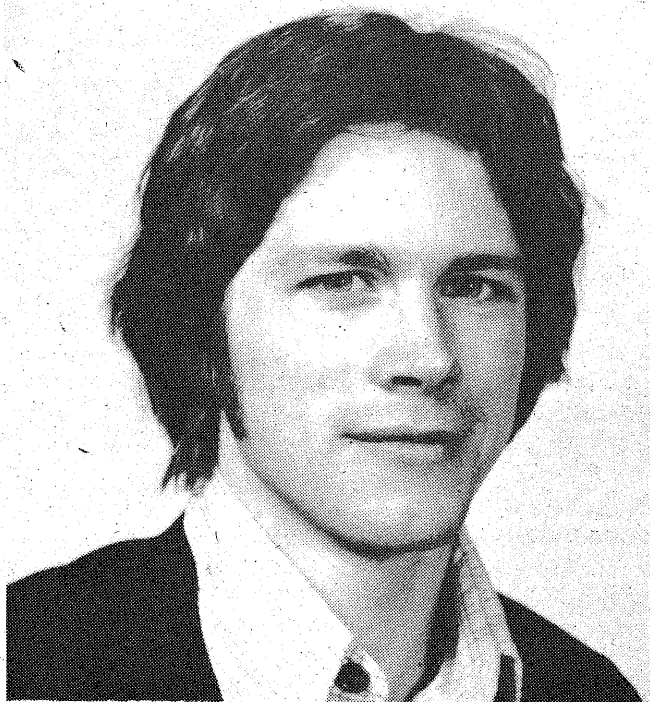

SOMETHING FOR EVERYBODY. THIS IS WHAT THE NAITSA SPORTS DIRECTORS TRY TO PROVIDE. A WIDE VARIETY OF INTRAMURAL ACTIVITIES ORGANIZED FOR FUN AND PLEASURE.

THE SPORTS ARE SET UP FOR THE STUDENT. GOOD PARTICIPATION ON THE STUDENTS PART DEMANDS GOOD ORGANIZATION BY THE SPORTS DIRECTORS.

I PLAN TO GIVE YOU GOOD ORGANIZATION.

THE SPORTS PROGRAMME SO FAR THIS YEAR HAS BEEN VERY SUCCESSFUL IN FILLING A BASIC NEED FOR THE STUDENTS THAT HAVE PARTICIPATED. HOWEVER IT HAS NOT BEEN TOTALLY SUCCESSFUL AS THERE WERE SHORTAGES OF REFEREES, POOR SPORTSMANSHIP BY SOME TEAMS AND DECLINING QUALITY OF EQUIPMENT. THESE FACTORS HAVE LEAD TO A DECREASE IN THE ENJOYMENT OF THE ATHLETICS OFFERED AND HAVE LEFT MANY STUDENTS FRUSTRATED AND OFTEN ANGRY AT THE EXISTING SPORTS CONDITINS.

VOTE DON HENDERSON FOR ATHLETICS CHAIRMAN

Athletic Chairmen???

WAYNE JOHNSON, ATHLETIC CHAIRMAN

I AM IN MY FIRST YEAR OF CIVIL ENGINEERING TECH, I WANT TO REPRESENT YOU ON STUDENT COUNCIL AS YOUR SPORTS REP. IN THE PAST YEAR I HAVE REFEREED BOTH ICE HOCKEY AND FLOOR HOCKEY INTRAMURALS. THE ICE HOCKEY WAS VERY ENTERTAINING TO SAY THE LEAST. THERE IS ONE MAJOR FAULT IN THE WAY THE PLAYOFFS ARE HANDLED. THAT BEING THE SUDDEN DEATH OVERTIME WITH NO GOALIES. TWO OF THE BEST TEAMS WERE DEFEATED BECAUSE OF THIS RULING. I FEEL THIS WAS AN INJUSTICE AND THE RULING SHOULD BE CHANGED. I ALSO HAD THE OPPORTUNITY TO REF THE WOMENS HOCKEY GAMES. I FEEL THIS LEAGUE COULD BE INCREASED FROM 2 TEAMS TO 4 WITH NO PROBLEM AT ALL. THE GIRLS WERE VERY ENTERTAINING TO WATCH, AND I AM SURE THEY ALL HAD A LOT OF FUN.

THIS YEAR I TRAVELLED OVER 2,000 MILES REPRESENTING NAIT ON THE OOKPIKS HOCKEY CLUB. THE FAN TURNOUT WAS VERY POOR FOR OUR HOME GAMES AND I FEEL THIS IS A PART OF SCHOOL SPIRIT WHICH NAIT SEEMS TO BE LACKING. IF ELECTED FOR SPORTS REP I FEEL I HAVE A FEW GOOD IDEAS TO BOOST SCHOOL SPIRIT.

I FEEL THE NAIT NEWSPAPER COULD IMPROVE ITS SPORT COVERAGE VERY MUCH. THE VOLLEY-BALL AND BASKETBALL AND HOCKEY TEAM NEED PUBLICITY. THERE WAS A LACK OF SPORTS COVERAGE DEALING WITH INTRAMURALS. MAINLY I WANT TO PROMOTE PARTICIPATION.

THE MAIN TRACK BEHIND ANY ISSUE IS EXPERIENCE. I HAVE THAT EXPERIENCE. THE KNOWLEDGE GAINED BY THESE EXPERIENCES WOULD BE A GREAT ASSET TO ME IF I WAS ELECTED SPORTS REP.

WE ARE ALL HERE FOR BASICALLY FOR THE SAME THING, THAT BEING THE DIPLOMA NAIT WILL HOPEFULLY OPEN A FEW DOORS UPON GRADUATION. I FEEL WE SHOULD MAKE THE BEST OF OUR FINAL YEARS OF SCHOOL. WE HAVE SOME OF THE BEST SPORTS FACILITIES IN THE PROVINCE WE SHOULD MAKE FULL USE OF THEM.

DALLAS HOOKE - Secretary - NAITSA

A month ago, I had no intention of running for a position on the NAIT Student Association, but I am always open to new challenges. The few years I've been out of high school, I have explored the possibilities of the business world. I realized to accept the challenge of going further, by Nait's Business Administration course. The first thing I noticed is how difficult it is to get along without a salary every two weeks, but the people I have met, and the work I have undertaken have made up for that. By the time September comes along, I will be facing more new experiences in the role of Secretary of NAITSA. I hope to meet those of you who don't already know me, and will make myself available to discuss any problems or answer any questions you may have.

President Carter's Corner

Dear Students:

You did an excellent job at Open House!

From comments that we received from some of our visitors, particularly those from the Public School system, this year was one of the best career information events that they had ever attended at NAIT.

I was particularly pleased to see so many of you directly involved in presentations and was impressed with how well you knew your subject. I wouldn't be at all surprised either, if some of you might have lost your voice before the day was over, but perhaps you now have a better idea of what it is like to be an Instructor.

To those of you who spent hours and hours in setting up and looking after displays, in conducting tours, in giving demonstrations, in answering questions, and in general, helping to make Open House the success it was, I

sincerely thank you.

I am sure that your active participation and support of NAIT'S Open House has encouraged a great many of our student visitors to attend NAIT sometime in the future. After all you, the students, are the best Institutional representatives that we have. You really came through with flying colors as I have come to expect of you and as I knew you would. To say that I am proud of you would be putting it mildly.

Fitness. In your heart you know it's right.

Publications Chairman

GREG MCGINNLEY

Initiative - the key to good work!

As publications Chairman I am looking forward to working hard for you, the students of NAIT. If I can accomplish what can be done to improve our publications, you will be satisfied and I will have achieved what I set out to do.

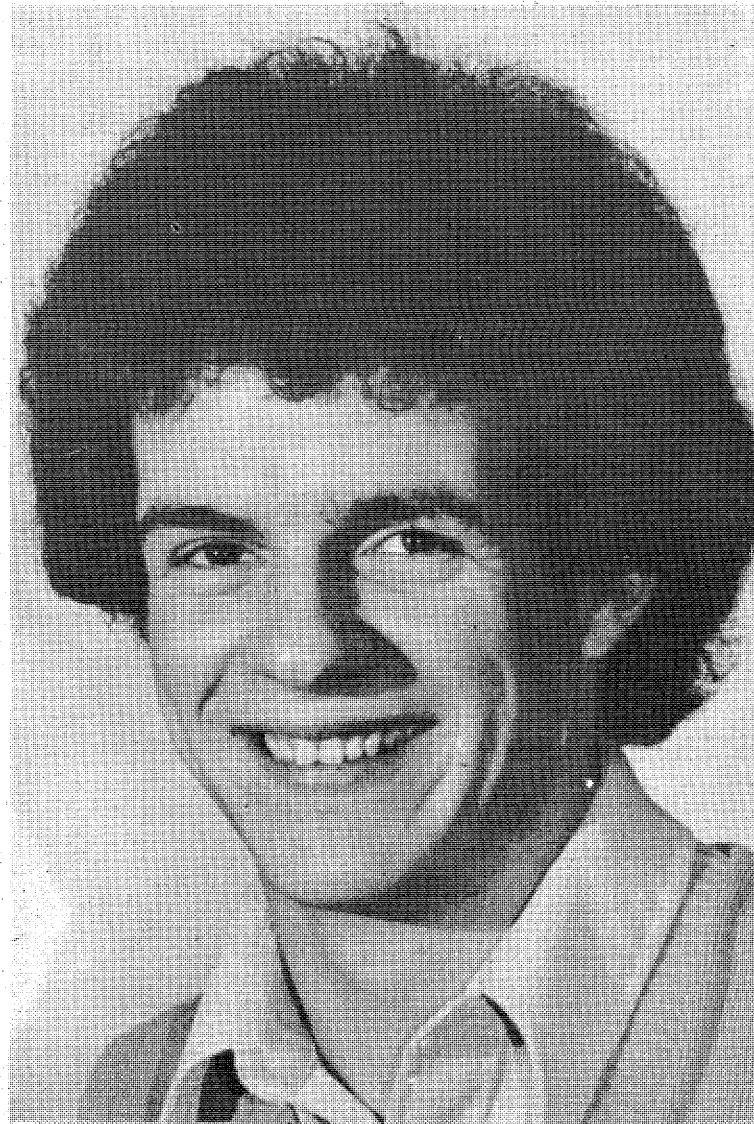

Changes can be made and will be made! Our paper is probably our best communicable device which in my estimation can be used to attract more readers and generate college spirit.

The editor and I will be sitting down shortly to analyze what we think is lacking. We know a good sports editor is needed as well as a feature columnist. This I guarantee will add a big plus to next years editions. Also an article each week from various instructors would be excellent to implement and my list goes on.

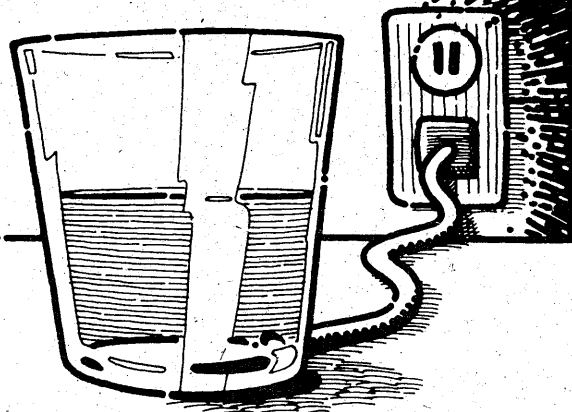

The directory is another concern of mine. I am planning to return to NAIT in early August to get this rolling. This year problems arose and the directory was scrapped. Next year I am planning to have it ready and out by November.

Also, next year I will be looking for a competent year book staff, hopefully matching the good work being done presently by three ambitious persons.

At this time I would like to wish all candidates the best of luck. I know that whoever it may be on the 77-78 NAIT student association, I will be looking forward to working with them for the benefit of us, the students.

Long Day

Eugene O'Neill's
Long Day's Journey into Night
Theatre 3, March 15 to 27, 1977

Bad luck seems to come in groups. First, the length of the play (3 to 4 hours after editing) tends to allow the plot to drag on until the second half. Here, the plot picks up in tempo and the audience is let in on some key idiosyncrasies of the plays main character, Mary Caean Tyrone. Second, due to "personal reasons" one of the major actors in the play, Michael Murdock, had to quit the play before an understudy could be trained. This resulted in 2 days cancellations (Wednesday and Thursday).

The play, set in 1912 New England, revolves around a Morphine-addict Mary Tyrone, her miser-landlord husband, and her two useless sons.

Walter Kaasa plays an convincing James Tyrone, ex-actor, now a miserly landlord who is easily sucked into investing all his money into worthless land. He drives his wife into a continued morphine addiction by leaving her alone in hotel rooms night after night during his acting tours.

Actress Jacqueline McLeod's character, Mary Caean Tyrone, a highly psychotic drug-addict who drifts in and out of her childhood days at a convent school where "life was a bed of roses."

James Tyrone Sr, portrayed by quick study actor Larry Farley who was the stage manager, is the elder of the two brothers. He is depicted as a useless boozier and steady customer of the local Bordello who fails at everything he ventures into.

Edmund Tyrone, the younger brother, played by David Mann, is suffering from consumption from a life of drinking forsen rot-gut whiskey.

Cathleen, Kate Gentles, put a humorous note to the play in the role of Tyrone's Irish maid.

Actors Larry Farley and Jacqueline McLeod must be commended for this role playing. Larry Farley for being able to fill in his role convincingly with only two days memorization - Jacqueline McLeod for the amazing ability to cope with the multitude of emotional changes her psychotic role presented to her.

Would I recommend this play? Only if the first half of it was speeded up to prevent dragged out scenes and repetitious lines.

Provincial Wrestling Championships

On March 12, Mount Royal College in Calgary hosted the 1977 provincial wrestling championships. There were two levels of wrestling: 1. 16-20 years of age is considered to be a junior and 2. 20 years and over is a senior. Approximately 250 of Alberta's best wrestlers, including the Northwest Territories attended the one-day affair. Participating for Nait were John Cusak and Randy Paley (long-line veterans of the sport) and a newcomer to the wrestling circle, Sid Thorowsky, a heavy weight. Sid wrestling as a heavy weight throughout the year demonstrated his fitness and skill capturing first place in his division and a possible selection to represent Alberta in the Canadian championships held at McMaster University in Hamilton this year. John Cusak continued to show his success in the 75kg division defeating four of five of his opposition that eventually assured himself of a silver medal. His only loss came at the hands of a University of Alberta grappler. At 149.5 lbs. Randy Paley, 1976 provincial open champion, probably faced the toughest competition.

One of his contests was against Tim Wenzell, a five-time Canadian champion losing a close 2-0 decision in a very defensive match. Randy merged with a 3-2 win loss record and a bronze medal. Those who chose not to enter the competition were Fred Mertz who was still plagued with an injury from the ACAC championships and Gordon Fricke, the wrestling coach who apparently couldn't cut enough weight to make his weight bracken the next wrestling action is slated for April 22-23, the Simon Fraser Invitational at Vancouver.

Synchronized Swimming At NAIT

Hey there mateys, Got an eye for the beauty or the aristocrate? How about a little ballet underwater? Ever seen anyone try to walk on water while they were sober. How about gymnastics without a gym?

WHAT THE HELL IS HE TALKING ABOUT YOU SAY?

Well gents I will tell you, it is

all part of what is called synchronized swimming.

On the weekend of April 1 - 3 private swimming clubs from B.C., Alberta and Saskatchewan are bringing down over 200 FE-

MALE swimmers to participate in the Western Canadian Championships. There will be four different events:

- Solo - April 1 at 4:00 p.m.
- Duet - April 2 at 1:00 p.m.

• Team - April 2 at 7 p.m.

• Figures - April 3 in the afternoon.

All the routines will be performed to musics. So if ballet never really turned you on and just straight swimings not your bag, then try watching some synchronized swimming, it might be the right combination of the two, for you. Besides, if nothing else, there is still going to be 200 ladies dressed only in swimsuits.
