## COMING TO THE BEERFEST ?

Now how can we have a beerfest with a beer strike? Well we have Olympia Beer and yes it will be cold. We have obtained a permit to sell U.S. beer and it is being cooled in a refrigerator trailer. For entertainment we have MacLean and

MacLean. As you might know, this is a comedy act and they are slightly gross. Well a little more than slightly gross, let's say they are kind of repulsive. But they are very funny. There will also be a band that plays good rock and roll through

and they are absolutely fantastic. Their name is Millions, you may have heard of them, they play all top tunes and play them to the tee. I have gone and listened to them and they are really good. They have an excellent sound and light

system and if we used their whole system they would need 140 amps on a three phase circuit. Now that's a lot of power. They just finished a tour for Alberta 75 and have some terrific reviews. So you have to drink more of this yanky beer to get

good and pye-eyed, this band will get you in the right mood to do it. Tickets are \$5.00 a head and will be on sale Monday morning at NAITSA Stores and at the Ticket Booth in Plaza 2. Students are limited to 2 tickets, per ID card and one

guest per NAIT Students at the door. NAIT ID CARDS WILL BE NEEDED AT THE DOOR.

DON'T QUIT

*Anonymous*

When things go wrong, as they sometimes will,  
When the road you trudge seems all uphill,  
When care is pressing you down a bit,  
Rest you must, but don't you quit!

Life is queer with its twists and turns,  
As everyone of us sometimes learns,  
And many a failure turns about  
When we might have won had we stuck out:  
Don't give up, though the pace seems slow,  
You may succeed with another blow.

Often the goal is nearer than  
It seems to a faint and faltering man.  
Often the struggler has given up,  
When you might have won the victor's cup.  
And we learned too late, when night came down,  
How close we were to the golden crown.

Success is failure turned inside out,  
The silver tint on the clouds of doubt.  
And you never can tell how close you are,  
It may be near when it seems afar  
So stick to the fight when your hardest hit,  
It's when things seem worst, that you must not quit!

## HERE'S DEREK McGRATH SHINING SHOES TO FIGHT CYSTIC FIBROSIS.

Like thousands of college students across Canada, Derek is out shining shoes to raise money for the Cystic Fibrosis research fund. The project is called "SHINERAMA." Shinerama has been an annual event for the past 12 years in which over \$100,000 has been raised towards this cause. As much as this benefits C.F., Shinerama

also gives NAIT students a chance to greet the public and to show them what NAIT is also all about. Equally important to all of this is the fact that it's a great way to get to know your fellow students and have a super time! So, on September 26th, lets all get together and show everyone how NAIT can shine!
