#### Students Go For Savings

The international studentand thriving in our own backyard! A quiet revolution of discounts in travel, student advocacy, and student discounts at over 6,000 retailers across Canada, is building worldwide with our Canadian student travel organization in the forefront.

Travel CUTS (Canadian Universities Travel Service Ltd.) was started by students and incorporated nonprofit over 14 years ago. From their humble beginningaspirations to keep airgrown to the longest running Canadian Christmas charters, they have grown to the longest running charter organization in the country.

You will see the name Travel CUTS on nearly all campuses across Canada. The recent expansion in Edmonton to two offices and nationwide to 17 is in response to the overwhelming demand by students, youth and budget-minded travellers for greater access to "Travel CUTS programs".

As more students are becoming aware that they are entitled to discounts that range from airfares tomeals in restaurants, the demand for the Interna-

tional Student Identity Card youth movement is alive (ISIC) grows. All full-time secondary and post-secondary students are eligible for the card which is necessary in order to take advantage of the discounts. The ISIC is available at Travel CUTS. It costs \$7.50 and requires a passport-size photo. Booklets detailing discounts available both regionally and around the world is given with each ISIC.

For non-students under 26 years, one can qualify for the FIYTO card which offers a large percentage of the same discounts holders of the ISIC enjoy. The FIYTO card is available at Travel CUTS or the Canadian Hostelling Association.

One of Canada's most popular student programs is the Student Work Abroad Program (SWAP). program offers the opportunity to work and holiday in a foreign land. In addition to Britain, Belgium, Ireland and New Zealand, 1986 welcomes Australia to the program.

Information on SWAP and many more of Travel CUTS programs is published quarterly in the "Canadian Student Traveller. The Spring edition has just arrived in our office. Watch for it at your school or drop by Travel CUTS to pick up your FREE copy.

If you are thinking about travelling to Europe, you should ensure that you have a copy of "Let's Go Europe". This is an excellent guide for the budgetminded traveller and is given free with every Eurail pass issued at any Travel CUTS. Another must is the 'Sleep Cheap Guide to Europe" which lists budget hotels, pensiones and private houses.

For anyone interested in learning a language, the EUROCENTRES program is ideal. It is set up so you learn the language in the country from which it originates and offers you a chance to live with a family. Courses range from beginner to advanced and last from 3 weeks to 3 months. Travel CUTS is active in the International Student Travel Conference, the worldwide organization which regulates the sale of the ISIC and other student travel opportunities. Membership in this organization gives Travel CUTS access to student travel discounts and flights worldwide such as tours into China, Russia, European charter flights etc. GET INVOLVED SOON! ENTITLED TO YOU SAVINGS!!!!!!!

#### Who Says Finals Only Affect Students?

About once a year, members of the NAIT Business Administration staff feel compelled to put all good taste aside for what has become known as 'Herb Tarlick Day' (though many of them dress this way year-round).

## GRANTS

#### **AVAILABLE FOR ENVIRONMENTAL** RESEARCH

Who may apply?

Any person, institution, corporation, or society may request research funds. The Trust will give preference to private sector applicants, including individuals, for environmental research which might otherwise not get done.

Environmental research covers a broad range of issues. Anyone contemplating an A.E.R.T. application should review the list of similar projects which can be done by consulting the A.E.R.T. annual report, or the Library of Alberta Environment. Applications should involve specific objectives with tangible potential benefits for the Environment. The proposed research should reflect an innovative concept or approach. The need for Research must be demonstrated.

Deadline for submission of application for grants is March 31, 1986. Early submission is advised. All applications are reviewed upon receipt by the Grants Advisory Committee. Applicants will be notified as to the Board of Trustees' decision by June 1, 1986. Research projects should be planned to start after this date.

#### Please address all inquiries and correspondence to:

#### NAIT BADMINTON TEAM

The NAIT Badminton Team placed second behind Red Deer College in a recent ACAC Northern Interlock Badminton Tournament held at NAIT.

Grande Prairie placed third, Grant MacEwan fourth and the newly entered Keyano College from Fort McMurray placed last. The format was slightly different with a team competition being played, thus enabling everyone to play several events.

Keith DeSouza, Colleen Krikke and Gloria Bednarz excelled in the singles events while Cathy Field, Business II and Sandy Husbert, Bio Science II, Thuy Cao, Plastics II and Jim Wer won all but one doubles match.

Ming Choi, Electronics II and Tammy Wild, Med. Lab. were outstanding in mixed doubles.

Also on the same weekend, all the players competed in the Southgate Tournament, the largest one of its kind in Northern Alberta. Almost without exception, NAIT showed its potential by either winning or being runner ups, especially in the B section.

While none of the NAIT Badminton Team made the Albert Winter Games Team they all participated in the Winter Games Training Game held here at NAIT.

The final ACAC competition for the NAIT team will be held in Grande Prairie on March 7th and 8th where the gold medal winners will compete in the CCAA Championships in Nanaimo, B.C. in March.

Good luck NAIT.

#### News Quickies

Nait's Open House will be march 15 and 16. The student services really need your help to be a tour guide. They will need between 60 -70 tour guides for Friday, March 15 to show around high school students and to get them interested in our institute. Your help will be appreciated. Remember, those of you who do help out will be treated to dinner by Dr. Souch. Please see Art Hooks in the student services (E134) as soon as you

On March 19 from 12:30 to 1 in H5 (Little Theatre) a guest speaker will make a presentation and answer any questions you have about Expo '86. The presentation is put on by Naitsa and Travel Cuts and through them you can get a reasonable deal to go. This will be an exciting event and should not be missed. For further information see Randy Fibke, Nait Student Association in E133.

#### Basketball Ooks Make **Playoffs**

We're in! The Ooks finished the regular season on a high note last weekend defeating the Camrose Lutheran College Vikings 98-63. The win gave the Ooks an 11 win, 7 loss regular season record, good for 4th place in the tough 10 team ACAC Men's Basketball League. In their best offensive display of the season, the Ooks looked sharp, particularly Bryan Lazaruik, who scored a conference season high of 47 points. Travis Heighington, the Ooks' most consistent scorer over the last 4 games, had 20 points, and Darren (Gene) Aughtry added 11 points. The outstanding performance of Lazaruik and consistent play of Heighington bodes well for the Ooks playoff chances this weekend. The team will have to play the conference league champions SAIT in Calgary in a best of 3 series with the third game if necessary Sunday, March 2nd at 2:00 p.m. here at NAIT in the gymnasium. "We're definitely underdogs," says NAIT Coach Dave Hoy, "but that's a situation we like to be in...there's no pressure on us, and we intend to make SAIT feel the pressure because they're expected to win." Coach Hoy hopes it's a Cinderella story for the Ooks, and we do, too. Good luck to the Ooks this week-

end. Hope to see you at the game to cheer your team on to victory. If you need further information on this or any other upcoming games: Please read the electronic board in the main cafeteria or see Patti Marcinyshyn, ATHLETIC Chairman in the Nait Student Association E133 for more info.

The women's basketball is finished for the season.

#### Ooks Win Semi-Final In Two Straight

On Friday at NAIT the Ooks defeated the Red Deer College Kings 9-3. In the first period, the Ooks seemed to have the game well in hand, leading 2-0 with goals from J.C. McEwan and John Walker. In the second period, the Ooks faltered and the College Kings battled to within one (4-3). Ook goals came from Mario Sicolo and Mark Schultz. The third period was all Ooks as they scored 5 times. Ook goals scored by John Walker, Franco Disciglio, J.C. McEwan, Murray Melnyk and, of course, Mike Spencer.

The game was fast-paced and without incident except for a third period wrestling match which saw 6 players go to the box.

On Saturday, Feb. 22, the Ooks eliminated the Kings with a tight, 2-1 victory. The Ooks came out flat, allowing the Kings to out-shoot them and take a 1-0 lead. In the second period, the Ooks played much stronger, scoring both of their goals. The first came 6:21 from Franco Disciglio, assisted by Ron Amyotte and J.C. McEwan. The second was scored by Brent Weller at 11:42, assisted by Mario Sicolo and John Walker. The third period was scoreless and dominated by the Ooks. This was probably the Kings' best game all year, as they displayed good discipline as well as ability. The Ooks did not play a disciplined game: they received twice as many penalty minutes as the Kings.

The game star for the Ooks was definitely Kevin Stapleton, as he really shone in goal, stopping a third period breakaway.

The Ooks' next action is Friday & Saturday in the NAIT Arena against the Mount Royal Cougars. This is the first two of a best of five final. The winner represents Alberta in the Canadian Championships in Kamloops Mar. 19-24.

PRESIDENT'S MESSAGE

One of the highlights of the Academic Year at NAIT is the public recognition of students receiving academic awards. This year, for the first time, the awards are being received and administered through the NAIT Foundation. On March 14, 1986, the NAIT Foundation is hosting a luncheon to honour those who have so generously donated awards for NATT students. Coming from government, individuals, and business and industry, these awards attest to the academic excellence of our students. With the prospect of a revived economy in Western Canada, accompanied by increased employment opportunities, the luture looks prighter for skilled workers entering the labour market. On behalf of the entire student body and the faculty at NAIT, I congratulate this year's academic award winners for a job wall done!

> S. G. Souch, Ph.D. President

#### - A Sugar-Coated Introduction to Culture

Last Friday night at the Arden Theatre in St. Albert, I was treated to a lighthearted classical performance that left me a changed man (not physically, but mentally).

Quintessence played all the classics from Beethoven to Mozart, some jazz, blues, and (brace yourselves) country & western. How was it accomplished, you ask? Well, it was easy when you have five excellent musicians who have spent their lives studying music, and especially when the fifth is electric guitarist Bill

Bridges. Bill and cellist Jose Shapero provided most of the antics that made this performance enjoyable and educational, not to mention memorable. (They played dueling banjos a la Beethoven).

Quintessence concerns itself with introducing the classics to individuals in a manner that seems more socially acceptable to our pop-minded masses.

Yes, the music Friday night would have literally rocked Amadeus. (God, don't believe I said that.)

Happy 22nd birthday to a terrific guy in Finance.

We never really knew you before that nite, About 4 weeks ago, Friday

We talked and we laughed and had some fun. And you both told us we were your No. 1's.

You took us home and we made love. Not knowing what it was to

become of. You told us your dreams

and your deep secrets too, We fell in love and we hoped you did too!

You over came the obstacles just for the nite, but we knew all along that it wasn't

And now when we look back on the moments that we shared Finally we see that you never really cared!

No matter how many tears of pain that we cry, Or how many stories that we tell are lies.

We know in our hearts that it could never be, Especially, when you guys talk about it so casually.

So, four weeks later we find there was another, And that's why you never wanted to bother,

Well goodbye our loves as we watch you skate away, You'll never make it to the NHL anyway. So Screw Off Babies!

Fell Too Deep!

P.S. Happy belated Valentines Day! You hockey sticks
