A Feeble Fable

I would like to tell you a story about a wise old little man. This little man was a good man who lived in a place much like ours. He was a busy man who worked for the king in the king's outpost in a little village. This man was well liked for he helped out all of the people.

One day the king found out that the people of the village weren't coming in to town anymore to buy things in the King's shops. So the King sent for the little man of the village. The King asked the little man why the people from the village were no longer coming into the town. The wise little man replied "Oh King, your people have been getting ambushed on the way into town and have had to endure great hardships. With your establishment of an outpost in the village you gained much popularity and saved your people much hardship." The King was happy and sent the little man back to the village with more

supplies for his outpost in the village.

Last year they tried to shut down the library in Plaza II. When we protested, the idea was supposedly abandoned. This library was an essential service for the students in Plaza II. After taking out some books last summer they are continuing to slowly kill off the library. This year they have had the photocopying machines moved out of the library and the cards for the machines can only be purchased at the main library.

Next they will probably move out a few more of the books that only the engineering and architectural programs of Plaza II use. Then when the library isn't used anymore because there isn't anything in it, it will be shut down. They are counting on the apathy of the students. Unless we the students raise our voices in protest the library at Plaza II will be shut down.

MONEY A PROBLEM?

Congratulations! You have jumped one hurdle -- registration. Now you are on the road towards achieving your goal -- getting an education. One obstacle that may stand in your way is MONEY. If your personal funds are insufficient to cover your expenses, financial assistance in the form of student loans and grants may be available. Application forms for financial assistance are available from the Financial Aid and Awards Office.

If you are receiving a student loan and the loan is inadequate to cover your expenses, you can make an

appeal to the Alberta Students Finance Board (Alberta residents only). Do not wait until you are down to your last dollar because it takes approximately six to eight weeks to process a student loan or an appeal. However, don't overlook another source of financial assistance, i.e. student awards. Although the number of awards available is limited, there may be an award or bursary for you. Application forms are available from the Financial Aid and Awards Office. Deadline for submitting a completed application for student awards is October 31, 1987.

Drinking ??????

Alcohol awareness has become an important issue in the past few years. NAITSA is in full support of alcohol awareness. NAITSA funds and supports the Alcohol and Drug Awareness Committee.

The Alcohol and Drug Awareness Committee is made up of six members: three NAITSA executives, and three staff members. The committee was designed to develop and promote a program for the safe and sensible use of alcohol and to create an awareness of the potential dangers of alcohol and drug abuse.

1. Designated Driver Program

Part of responsible drinking is the designated driver program. It is in effect at all Rock 'n' Talks and NAITSA Beerfests. When you go out with a lot of friends drinking, NAITSA wants you to make sure you have one designated driver.

If you don't, you can find another means of transportation such as a bus or taxi. The designated driver program is set up so that the designated drivers get free pop. If this driver is caught consuming alcohol, they are billed for all the pop they drank.

2. Ladies' Escort Service

It will be the duty of the bouncers at a function to escort ladies to their vehicles. This is to ensure the safety of ladies while they are going to their cars.

3. Who's Responsible Program

As a student, you will see these programs in action. We want you to have an enjoyable year at N.A.I.T. If you have any questions about the Alcohol and Drug Awareness Committee, you can contact Marlene Emerson at Counselling Services (phone 471-7499).

BURNED!

This is a small article I have prepared so that none of you; hopefully, will be placed in the same situation as I found myself this past summer.

When your studies are complete and you have begun your job hunting, there are several matters you should consider that I did not.

My mistake was that I answered an ad in the newspaper, took a great job, and worked very hard. You may wonder how I can call this a mistake.

The mistake was, I took a job and did not do my homework. By homework I mean, finding out the stability of the firm, the owner's real name, and the reputation of the company.

No matter how hard you work, how much you enjoy the job, and how much your employer profits, not everyone is as honest as you and I. Take care that you find a great job with a firm that pays its people (with a cheque worth more than paper), and don't be like me, don't get burned.

A WORD FROM NAITSA

A Message From the President

Welcome! In this, the first issue of the year for the Nugget, the Student Association Executives would like to say hello and introduce ourselves. We're sure you will be involved in something we do this year!

NAITSA provides you with opportunities for the development of athletic, social, and cultural activities. We provide many activities that are designed to help you relax, meet your fellow students, and participate in fun events. Examples of these activities include Rock n' Talks, Queen Week, movies, games rooms, beefests, Family Fun Days (designed for students with children), and Shinerama. As well, we provide you with services that enable you to get involved, stay informed, or simply voice your views. These services include the Nugget, the Northern Torch (yearbook), and publication of the Student Handbook and Activities Calendar. Finally, I don't want you to forget that we are your represen-

Ken Jacques Vice President

Duties:

- Co-ordinating all charitable campaigns on campus including Shinerama, blood donor clinics and sponsorship of a charity by each technology;

- Organizing student elections including Queen Week, NAITSA executive elections and any necessary bi-elections;

Karen Smith Financial Director

Yes, this is the lady with the money. Karen is responsible for overseeing all financial matters of NAITSA. NAITSA has an annual budget of approximately \$500,000 and it's her job to see these funds are allocated as per the approval of General Council. If your technology wants to hold a cabaret, Karen may help you in obtaining a short-term, interest free loan.

tatives to the Administration, outside organizations, and other colleges or technical institutes. If you have any concerns, ideas, or comments on basically anything affecting you as a student of N.A.I.T., let us know, or tell your technology representative to take it to General Council.

Well, the above is just a start on what your student association can mean to you as a student. Remember, you pay \$75 of your tuition fees to the student association, so get your money's worth by getting involved in activities and using services the student association provides.

Have a great year! We all hope to be seeing you at some point. Stay informed by reading the Nugget each week. We'll be letting you know just how you can be involved. And I promise, future articles will be more relaxed!

representing N.A.I.T. students on the Activities Committee, the Placement/Liaison Advisory Committee, and the Edmonton Hire-A-Student Committee;

- Organizing NAITSA public relations and any special projects that arise; and

- Assuming the duties of President in his/her absence.

Gladys Smecko Administrative Assistant

My duties include the taking, typing and distribution of minutes. I type the correspondence for all the other executives.

I also sit on the Alcohol Awareness Committee and the Alumni Committee. I am presently in charge of the activities planned for First Class Day, which is October 1st, and will be helping out on Queen Week.

Jacquelyn
Markowich
Athletic Director

Welcome Back!

This 1987-88 school year should prove to be an exciting and fun year for all N.A.I.T. students.

Some of the events planned for this year include:

- Milk Days
- Queen Week
- Rock n' Talks
- Shinerama Beerfest
- Beerfest II and III
- First run movies
- Shinerama Beerfest

On Sept. 26 N.A.I.T., Grant MacEwan Community College, Royal Alex Nursing School, Misericordia Nursing School, and U of A Medical Students will be hosting a Shinerama Beerfest in the Edmonton Convention Centre. The feature act will be the Parachute Club. Tickets go on sale at noon on Sept. 8th. They are selling at \$11.00 per ticket with proceeds going to help fight cystic fibrosis. The function will go from 3:00 p.m. to 2:00 a.m., so be prepared for a good time.

I look forward to a year of action and fun with my fellow N.A.I.T. students.

Shirley Lee
Activities Chairman

Angela Moskal Publications Director

Welcome to N.A.I.T.! This year (we hope) will be the best. Regarding the area of Publications, I hope to have better quality to provide to students.

Speaking of quality, you the student have a lot to say about the publications, be it the newspaper or the yearbook.

Take the time to get involved, and if you have any questions or suggestions about Publications please drop by, the door is always open!

You can contact me in E133 or call 471-7607.

Let's make this a great year!

Responsibilities:

- Chairman on Intramural Sports Representatives' meetings
- The Challenge Cup
- Member on Athletic Board
- Promote athletic games and events
- Hiring of Head Referee and OOK Pik
- Making sure the OOK Pik is at all special events
- On First Class Day Committee

Got Your Yearbook?

strictly on a first come, first served basis. Watch future editions of The Nugget for more information.

If you have not yet ordered your 1987-88 yearbook, you can do that as well during our regular office hours. The cost is only \$13.00, and that price includes having the book mailed directly to you next fall.

I will be setting a schedule of office hours, which will be posted on the office door. Tentatively, however, the schedule is as follows:

Tuesday
2:45 p.m. - 4:30 p.m.
Wednesday
1:15 p.m. - 3:00 p.m.

More hours will be added when we hire more staff.

Lorraine Butchart
Editor, Northern Torch

The 1986-87 yearbooks have been printed and will be ready for distribution on Tuesday, September 8th during regular Yearbook Office hours. If you ordered a yearbook last year and did not pay to have it mailed to you, come pick it up in the Yearbook Office (E-126, across from the NAITSA student store). Please bring your receipt and student I.D. with you. Do not go to the NAITSA office or Student Services, as they will not have any books.

If you didn't order a yearbook last year but would like to buy one, we will have a limited supply available for sale in October or November at \$13.00. Sales will be

Do You Know Where Your Money is Spent?

When you paid your tuition fees this past summer, you may have noticed an additional \$10 - \$75 was charged for the Students' Association Fee. This amount varies according to the number of hours of your course. The breakdown is as follows:

0 - 199 hours - \$10.00
200 - 399 hours - \$25.00
400 - 699 hours - \$50.00
Over 700 hours - \$75.00

The typical student will pay \$75. But just exactly where does this money go?

\$10 is automatically set aside towards a Building Fund. This fund is basically our "Rainy Day Fund". It will be used for any major purchases in future years for things such as a lounge, Students' Association building, or any major renovations. The fund was used in past years for such projects as "The Dock" at Plaza II, the NAITRIUM, the study hall in the North Lobby and renovations to the NAITSA offices.

Another \$30 is allocated to the Athletic Board. Students are entitled to free use of the athletic facilities (gym, sauna, weight room, arena, pool, courts, equipment usage, etc.). Students may also become a member of one or more of the various teams. Intramurals pays a major role with the Athletic Board. Members of the teams are also invited to

the annual awards night banquet held in April each year.

The final \$35 of your Students' Association fee is spent on various administrative costs. The money funds the various activities available to students at no charge or at nominal costs. Each year students receive a calendar, handbook, and weekly newspapers at no charge. The yearbook is also available to students at a low cost.

Each year the Activities Committee puts on various extracurricular activities designed to enrich the student's social life. After a tough week of exams and assignments, students can take in a movie for only \$1.00. Rock 'n Talks are held every second Friday and are a cheap source of entertainment. NAITSA also provides various speakers and entertainers during common hour at no cost to the student. NAITSA also helps fund activities such as beerfest, Queen Week and Orientation Week. The games rooms and student stores are also operated by NAITSA.

Take advantage of what NAITSA has to offer you. Remember that NAITSA is here for you, the student, and if you have any concerns about how your money is being spent, stop in and see us in room E133.

N.A.I.T. COUNSELLING CENTER WELCOMES STUDENTS

Hello and welcome to N.A.I.T. -- or welcome again!

Whether you are a continuing student, or if you are new to the game, you will find the next few days -- weeks -- months, challenging, exciting, and most of all, rewarding. Take advantage of the opportunity to learn for yourself; to take a vast fund of knowledge and skills with you to adapt to the ever-changing world. Remember, the knowledge and skills may change, but the ability to learn and to adapt to change will remain a constant. There will be barriers along the way, no doubt, -- long hours of homework and study, perhaps personal and financial concerns; but you will endure and you will graduate!

The N.A.I.T. counselling staff is here to facilitate your journey through N.A.I.T. We have already met many of you in career information and/or counselling sessions. We will meet many more of you either individually or in groups to help make your stay at N.A.I.T. more pleasant and

fulfilling. Finally, we will help you in your job search to that long awaited career.

If you have some questions or concerns, or perhaps just want someone to chat with, come to one of the many counselling offices within N.A.I.T.

Business Administration Society Bulletin

Welcome to N.A.I.T. for another year of educational

insight into the business world. The Business Admin

istration Society is once again planning many exciting events and supplying services to lessen the rigors of higher education. Events in the works include cabarets, a Christmas ski trip and of course, Grad '88. Services such as tech-jackets will also be provided for the students. In order to aid in the cost of these events and services, BAS is providing memberships for business students at an extraordinary cost of only \$10.00 per membership. With the membership the business student is entitled to discounts on jackets, as well as local retail outlets, restaurants and lounges.

Memberships are on sale now in the Tower Lounge and T611.

The business students will be off and running early when BAS presents "The Back to the Books Business Boo-Ga-Loo Bash", September 11 at Northland's Silver Slipper. Tickets will be \$7.00, and \$5.00 for all of you with new BAS memberships.

We hope to see you all there, and wish you the best of luck in the coming year!

PEER TUTORING PROGRAM

by Don Price

Since 1984 there have been students helping other students through the introductory service offered by Student Counselling at N.A.I.T. Students who have exhausted all the regular extra-class services and still find themselves needing more help can often get that help from a student tutor.

Peer tutors are people who have already taken the course to be tutored and received a mark of 75% or higher in it. They have registered with counselling and most likely have taken the tutor orientation program offered by Student Counselling. Tutors may be second semester, second year, or graduates of a N.A.I.T. program.

When students want a tutor they are first asked if they have exhausted the other possibilities available to them. They are asked if they checked with their instructor first. Some programs also give remedial classes to students free of charge. Others have "study clubs" where groups of students get together on a regular basis to help each other. There is also the "Drop In Center" in room #A135 for students who need help in math, physics, or English up to the grade twelve level. They can sometimes also provide tutoring for some trade and electrical subjects. But for the students who need more help than the above can give, a tutor may be the next step.

If the application for a tutor is accepted by counselling a five dollar (\$5.00) refundable deposit is required immediately. The deposit is finished with tutoring and hands in a 'Tutor Evaluation form' required by counselling. The phone number of a tutor is then supplied to the student, if one is on file for the subject in question. If counselling doesn't already have a tutor for that subject on file, an advertising campaign is conducted in an effort to find one.

Once the student gets the telephone number of a potential tutor it is that student's responsibility to phone the tutor and make arrangements for a place, time and fee for the tutoring (charges are usually between \$5 and \$10 per hour). If a student is not satisfied with that tutor he/she can request a different person and will usually be accommodated when possible. Not all requests can be met. There are thousands of courses taught at N.A.I.T. each semester and there are not always graduates of those courses who want to tutor. However last year there were only about three requests that couldn't be filled.

Students in any N.A.I.T. program may request a tutor, including Continuing Education registrants. Any student wanting more information should contact the counsellor for their area, or drop into the Counselling Center, room 117, next to the Registrar's Office.

GRANTS AVAILABLE FOR ENVIRONMENTAL RESEARCH

Who may apply?

Any person, institution, corporation, or society may request research funds. The Trust will give preference to private sector applicants, including individuals, for environmental research which might otherwise not get done.

Environmental research covers a broad range of issues. Anyone contemplating an A.E.R.T. application should review the list of similar projects which can be done by consulting the A.E.R.T. annual report, or the Library of Alberta Environment. Applications should involve specific objectives with tangible potential benefits for the Environment. The proposed research should reflect an innovative concept or approach. The need for Research must be demonstrated.

Deadline date for submission of application for grants is October 31, 1987. Early submission is advised. All applications are reviewed upon receipt by the Grants Advisory Committee. Applicants will be notified as to the Board of Trustees' decision by February 1, 1988. Research projects should be planned to start after this date.

ENTERTAINMENT

Welcome to : "The Movie Review"

by James and George.

We are glad to be a part of the NAIT Nugget this year and to provide you with movie reviews that will help you to better your leisure time when it comes to choosing which movies to see. We will be reviewing movies for you for the next eight months and we hope that you will find them informative.

Why us? Why not? Both George and I attend at least one movie per week, sometimes two or three. In the past two years, we have seen over 300 different films between us. For this reason, we feel we are qualified to provide you with these reviews. Besides, we are spending fifty dollars a month anyways, so why not share the information of how good a movie is, so it may save you money. Why are there two of us? Because nobody has the same feelings about a movie. We share this column so that two points of view can show you the differences in a movie.

In reviewing a movie, there are a few things that help me to decide how good the movie is, the pace, the plot, the characters, and the cinematography. If all of these work, then I give a movie top marks, for each that doesn't, a mark off.

George here; when I watch a movie, my main goal is to have fun. For serious movies, I have to care for the characters and whether they care for the audience.

We don't like using scales; however, they do take up less space.

We shall scale movies using the five star method.

- 5 - Excellent in every way!
- 4 - Don't miss this movie!
- 3 - See it and decide yourself.
- 2 - It's okay but not great.
- 1 - Exams getting you depressed? Don't see this or else you will be more depressed.
- 0 - If you are driving near the theater that's playing this, take a detour!!

Here are a few movies that are still playing and our ratings:

A Man in Love G=4, J=4 ★★★★★
 Born in East LA G=3, J=3 ★★★★★
 Roxanne G=4, J=4 ★★★★★
 Dagnet G=2, J=3 ★★★★★
 La Bamba G=?, J=4 ★★★★★
 The Untouchables G=4, J=4 ★★★★★

"This Cop Doesn't Stop for Donuts"

This is no way to promote a movie. For those who have not seen it, ROBOCOP is a great movie. Unfortunately it is not for everybody.

"ROBOCOP is set in Detroit in the near future. South Africa has the bomb.

Rebel forces still hold the Acapulco airport. But the big story on the nightly news ("give us three minutes, we'll give you the world") is the surging crime rate across America.

A corporation, Security Concepts, Inc, has assumed control of the police station, and in their attempts to control crime have come up with ED 209, a clanging, cannon-fisted "enforcement droid". However, ED 209 fails, and something new is needed. Something like Murphy, who was one hell of a cop until the night he was murdered."

Soon he becomes ROBOCOP and the fun begins!

ROBOCOP, a sci-fi high-tech flick that is also extremely violent, but it is "fun violence", not gore like "THE UNTOUCHABLES". "Fun violence"? Yes, my term describing the good guys getting the bad guys, violently. ★★★★★

Even though ROBOCOP has lots of gunfire and bloodshed, it doesn't linger because it does require it to make the movie work.

The writing is original, and its unexpected humor (courtesy of producer Jon Davison, "Airplane!") makes this movie unforgettable. Unfortunately, you will be seeing several copy-cats in the near future, beware! (G=4.5, J=4) ★★★★★

"The Fourth Protocol"

This movie opened last week. It is a British spy thriller that should appeal to James Bond fans. I was impressed by the film because everything seemed realistic. Unlike 007 films where there are special little gadgets that Bond uses for everything, Michael Caine (the main spy), uses everyday technology.

In 1963, the United States, Britain and the Soviet Union signed an agreement limiting the deployment of nuclear weapons. All but the fourth protocol has been completed.

Pierce Brosnan plays a top Russian spy out to do no good, and Michael Caine, a top British spy out to stop him.

There are no real "WOW" stunts, however, this movie doesn't try to do that because its plot is more serious. I found myself wondering what was going to happen next, and kept asking myself, will he find out? Who and what? I'm not saying!

I was a bit disappointed because some of the preview footage was not in the film, it dragged its heels in spots, and Ned Beatty's role didn't seem useful. (G=4, J=3.5) ★★★★★

Let Me Entertain You!

Brian D. McCullough
Entertainment Editor

Now that that very hectic summer has passed, we once again enter Edmonton's fall and winter seasons in the entertainment calendar.

During our school year, I will be telling you of coming events in art, drama, cinema, opera, ballet, in fact, anything you can think of! As well, I will be trying to let you know about free, or at least cheap entertainment of all types for those of us here at NAIT who don't seem to have all the money in the world. If you have a favourite pastime, pub, art gallery, whatever, let me know, and I will spread the word. If we hear of a GREAT deal, or can make one, we will be sure to let you know.

I have been getting schedules from some of Edmonton's many fine theatre

troupes, and the table below is a brief condensation of their information. As the production time gets closer for each, I will give you more information.

If anyone would like to write for the Entertainment pages, or for any part of the Nugget for that matter, just drop by the office, E128. If one of the editors is there, you may speak to us, otherwise leave your name and number in the box outside the door. Just think, you can see your name in print!

In the Entertainment dept. we often get free passes to movies and other events, and if you are willing to review an event for me, I will be happy to get you in for free!

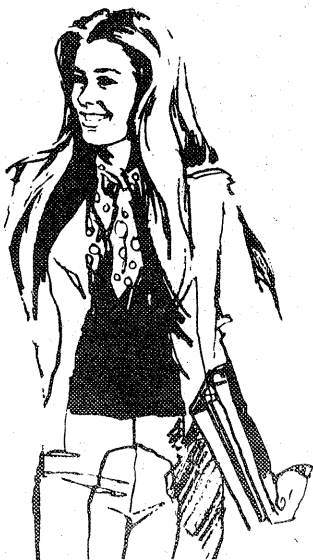

I expect this to be a very exciting year for us in the Nugget, and anything you would like to see, or see changed, just let us know!

Five Returnees on Basketball Ooks

The Nait Basketball Ooks are coming off their best season ever. The Ooks ended the season ranked in the top ten nationally and lost out in the ACAC Men's Basketball final series to the perennially strong SAIT Trojans.

The Ooks will have four returnees this season. Guards Kirk Jones and

Adrian Toppin as well as forwards Frank Mrkonjic, Bryan Lazaruk and Rob Molnar will be wearing the blue and gold.

Coach Dave Hoy will be returning for his ninth season at the helm of the Ooks. In the past, Dave has coached the under 21 Provincial team as well as

the 1981 Canada Summer Games squad.

If you are interested in playing for the NAIT Ooks, please contact Dave Hoy at 471-7621 or see him at E121 as the organizational meeting was held on Wednesday, September 2nd at the NAIT gym.

Coach Optimistic About Chicks' Basketball

Coach Gregg Meropoulos is in his tenth season with the NAIT Women's Basketball Team as coach and is looking forward to 1987-88. Gregg is hoping that the combination of veterans and rookies will bring the Chicks a winning season.

Leading the team for 1987-88 will be the 1986-87 Intercollegiate Athlete of the Year at NAIT, Kathy Prochnau. Prochnau set two ACAC records last year

by scoring the most points in a season (354) and most points in a single game (46). Other returning veterans include Chris Franke and Tracy Guhle.

The highlight of the season for the Chicks' will be participating in an invitational tournament with teams from the states of Washington, California, and Arizona from December 27th through January 3rd in Phoenix, Arizona.

The Chicks will hope to improve on their sixth place finish of last season, and you can assist. If you're interested in playing Ladies' Basketball in the competitive ACAC and you missed the organizational meeting, contact Gregg at 471-7601. In addition, the Women's Basketball team is also looking for a manager. If you would like more information, contact Coach Meropoulos at the above number.

Soccer Ooks Ready for Kicks

The NAIT Soccer team is preparing for another season fresh off a bronze medal at the CCAA National Championships in 1986-87.

Coach Stuart Brown is expecting a challenging season once again and is looking for recruits. The initial organizational has already occurred. As a result, if you're interested in playing for the team, please contact NAIT Soccer co-ordinator Bob Buchan at 471-7579.

Golf Season Gets Into Swing

Coach Jules Owchar is ready for the 1987-88 ACAC Golf Season. Golfers are required to become a part of the NAIT Golf Team. For more information, contact Jules Owchar at 471-7601, or drop by to the organizational meeting on Thursday, September 3rd at 12:15 p.m. in E137.

Sports Comment

The NAIT Athletics program is one of the finest in the nation. The facilities that complement these programs are among the best in North America. As a result, the benefit you derive from the programs and the facilities is up to you.

While at NAIT you should seriously consider becoming a participant in either intramural or inter-scholastic activities. There are a number of spots open for athletes of all abilities in the intramural program here at NAIT. Whether you are just a novice or a seasoned veteran, you can participate. For more information, talk to your technology sports representative

In addition, NAIT offers an excellent intercollegiate sports program. Intercollegiate activities that are offered include basketball (men's and women's), volleyball (men's and women's), ice hockey (men's), and soccer (men's). If you would like to participate in inter-collegiate sports you should contact the coach of your desired sport listed in the table given in this edition.

Cross Country is Off and Running

The NAIT Cross Country Running Team, under the direction of John Reeves, is getting ready for the upcoming ACAC season. If you want to become a member of the NAIT Cross Country Running Team, please call John at 471-7613.

Hockey Ooks Are Getting Ready

The NAIT Hockey Ooks are preparing for the 1987-88 ACAC hockey season. Last year, the Ooks won their unprecedented fourth consecutive ACAC hockey title. The Ooks will have a strong nucleus of veterans returning for the upcoming season, but a number of positions will be filled by rookies. The Ooks are hoping to rebound from their third place finish at the CCAA National Hockey Championships and once again become ACAC hockey champions.

The coach of the NAIT Hockey Ooks is Perry Pearn. Perry is a graduate of the University of Alberta and is in his tenth season as the coach of the NAIT Hockey Ooks. Under Perry's leadership, the Ooks have captured three Canadian Colleges Athletic Association National Hockey Championship titles. The Ooks were national champions in the seasons of 1981-82, 1984-85, and 1985-86.

The Ooks will compete in a 24 game ACAC hockey schedule this season as the Medicine Hat Rattlers have dropped out of the league. The five teams that will compete in the ACAC this season will be the NAIT Ooks, the Red Deer College Kings, the Camrose Lutheran College Vikings, the SAIT Trojans, and the Mount Royal College Cougars.

The initial registration for the NAIT Hockey Ooks was held earlier this week.

If you're interested in becoming a member of the NAIT Hockey Ooks please contact Perry by seeing him in S-113 or by calling 471-7424

Prospects who make the NAIT Hockey Ooks are eligible for a Jimmie Condon Athletic Scholarship if certain criteria are met. The scholarship recipient must be an Alberta resident, enrolled for full-time study, and maintain a satisfactory academic standing.

Bright Future for Volleyball Ooks

The NAIT Volleyball program is coming off a successful season. The NAIT Men's and Ladies' Volleyball Ooks finished second and third respectively in the five team North Division of the ACAC. Unfortunately, only the men's squad made post-season play.

Ian Allen will be returning for his second year with the NAIT Volleyball program. Allen coached the men's squad in 1986-87. The coach of the ladies' volleyball team in 1986-87, Miles Spencer, has left for Red Deer College.

The men's squad is expecting to have four

returnees from last year's squad.

The new coach for the NAIT Ladies' Volleyball Ooks is Grant Campbell. Campbell was a member of the NAIT men's volleyball team for two seasons. With 11 rookies on the squad last season, the ladies' team should be strong contenders in the ACAC this year.

The organizational meeting for both women's and men's volleyball will be held on Thursday, September 3rd at 5:15 in the NAIT Gym. If you cannot make it to the meeting, please call Ian or Grant at 471-8532 or drop by their office E137.
