# Face-Off'89 - Bears Broil Birds

needed a strong defensive performance if they had any hope of upsetting the Bears in Face Off '89. Well, no upset took place. The Ooks could not contain the offensive punch of the Bears and lost

The NAIT Hockey Ooks

The 6,700 fans who braved the cold on Thursday, February 16th at Northlands Coliseum witnessed a hockey game that was competitive for the first two periods before becoming one sided.

Another key to the score in the hockey game was the performance of the specialty teams. The Ooks were 0 for 6 on the powerplay and surrendered two goals while they had the man advantage. In contrast, the Bears were one for four on the powerplay.

The first period was probably the entertaining of the affair. The Bears scored on their first two shots as Brett Cox tallied at 1:47 and Todd Gordon scored at 5:55. The Ooks then stormed back with two of their own. Lonnie Spink cut the Bears' lead to 2-1 with the help of Troy Arndt and Ivan Krook. Scott Melnyk pulled the Ooks even at 13:56 with an assist going to Bill Davidson. The Bears moved ahead to stay at the 16:00

mark as Al Tarasak found the mark. Former Ook Sid Cranston gave the U of A a 4-2 advantage at 18:56.

The second period had its moments. The Bears widened the gap to 5-3 with Grant Couture's marker at 1:34. Marty Volcan of NAIT then finished off a nice individual effort with the Ooks' third goal at 9:16 on a breakaway set up by Ted Bradshaw and Trevor Semeniuk. The Bears closed out the period's scoring with a goal from Adam Morrison at 15:43.

The third period was dominated by the U of A as they outscored the Ooks five to one. The Bears scored four answered goals to start the frame's scoring. Howie Draper, Serge Lajoie, Guy Paradis and Doug McCarthy all found the park within the first 13 minutes of the period to give the Bears a 10-3 lead. Ivan Krook then scored the Ooks' fourth goal at 15:19 from Blaine Peerless to narrow the margin to six. The Bears ended up winning by a touchdown as Doug McCarthy scored his second of the game at 17:17 of the stanza.

The U of A outshot the Ooks 31 to 25. John Krill and Blair MacGregor shared the netminding duties for the Bears. Rob McKinley went all the way for NAIT.

U of A coach Clare Drake. who may be in his last season with the Bears, indicated that the specialty teams made the difference. "We controlled the play on the powerplay and our two shorthanded goals made things easier for us."

now take a 4-1 lead in the series which has become an annual affair on the Edmonton sports scene.

# **Proposed Bylaw Changes to NAITSA**

A general meeting will be held on March 8 at a place and time to be announced. All students wil valid I.D. cards will be asked to vote on the proposed bylaw changes.

The changes NAITSA Executive are seeking are:

To allow the Secretary Treasurer to be an <u>elected</u> official:

Ommittion of "(ex-officio, non-voting)" from section 18.1.c to read: "Secretary

Treasurer;"
(This would increase the voting positions on Executive Council from 4 to 5. By doing do, the Chairman would be less likely to take sides, making it easier to stay completely unbiased on issued brought forth to the group.)

Ommittion of "non-voting, ex-officio" from section 23 b to read: "be a 23.b to read: "be a member of NAITSA Executive and General

Councils; Change section 19.2 to read: "In addition to the requirements of 19 Subsection (1), a Subsection candidate for the position

of Secretary Treasurer: (a) should be able to type at a rate ...; and
(b) should have some

knowledge of basic secretarial skills including...

(c) must be bondable." To allow the Activities Director to be paid in the summer and to convert the \$6/hr for summer paid positions to a lump sum in August, at the end of the summer:

Change section 49.b from: "Each of the remaining elected officers shall receive \$290/month, payable the last day of each month from September to April inclusive,

plus tuition fees. As well, the position of Vice President and Publications Director shall be paid \$6/hr up to \$290 (total) for the period May to August." to read:
"...As well the positions of Veice President <u>Activities</u> <u>Director</u> and Publications Director shall be paid \$290 for the month of August.

(This is a clean-up area. Numerous hours in the summer instead of having to justify the hours by logging them, these positions will just receive one month's pay at the end of the summer.)

C. To change wording of tuition fees to a bursary for personal tax puposes:

Change sections 49.b and 49.c to read "... April inclusive, plus a bursary equal to NAIT entrance fees..."

(Self explanatory)

D. To increase student fees and the building fund's

portion of those fees: Change section 6.2 d to read "over 700...\$95" (up from \$75).

Change section 6.4 to read: "Of each student membership fee referred to under 6 (2) (d) Fifteen dollars (\$15.00) shall be applied to the Building Fund;"

(This is to take the Student Association Athletics a deficit situation. The student Association is currently running a \$16,000 deficit and had a \$10,000 deficit the year before. Student fees have not increased in seven years. The building fund would be increased from \$10. This would enable NAITSA to have adequate funds available to set up designated student areas in the new medical wing proposal.)

# Letters to the Editor

Dear Editor:

In regards to the Petroleum Club's Montana Ski Trip:

I have some advice for anyone that is planning on going on an "organized" ski trip. The recent trip to past weekend.

The bus (Grey Goose) had a seating capacity of 48. Look for Petroleum's reply next Somehow, we ended up with 52 skiers on our bus. Good math! Have you ever travelled 12 hours on a bus with no seat? Standing up, sitting on coolers, laying in a 10 inch high luggage rack? The "organizers" showed no remorse, had no apologies, and never gave up "their" seats. It was out and out tough \_\_\_\_\_ unlucky who paid their \$160 -180 for the trip.

So much for signing up in November for a trip that could be had in the last 24 hours before the trip. Some of us even paid an extra \$10 so we tuition. would have only three people in our hotel room instead of four. We ended up with four I have wondered why. anyway. Do you think they

gave us our money back? No way. Tough \_\_\_!

The border guards weren't inpressed either, as they radioed ahead to the R.C.M.P. after we had crossed back into Canada. Quite the trip.

I think the Petroleum Whitefish was totally Club owes everyone an "dis"organized by the apology. And my advice... be Petroleum Club at NAIT this careful when picking your "organized" trip.

Dear Editor:

Doesn't it make you wonder why the Registrar's office waits until the last day to send out information, or why it takes them 48 hours to photocopy a page from your \_ to the files (transcript), or why they take until July to send our marks out?

# **NOTHING SACRED**

By: Dave Hanson

Finally, a story about a person with the same asinine outlook on life as me. The story is set in good ole Russia, before there was glasnost. All the rich people were being turned into poor people and all the poor people were being turned into poorer people. Life was good; the people could rest.

As the story goes, two young Russian men are coming home from college to see their folks. Although we never get to see the main characters' parents, we are lead to believe that they are Attila the Hun and Joan of Arc, well rounded but a tad extreme. The other young man's parents are middle middle class with certain members of the family aspiring to be of an unknown class (you'll see what I mean).

The story goes on and some funny things happen, some not so funny things, and a few down right confusing things. Alot of stuff goes on in "Nothing Sacred" but it's put together well.

Well, to make a three hour play short, if you like loads of sarcasm, a story that means something when placed in the right light, and an entertaining evening, go and see "Nothing Sacred".

Well all you chillen' out there in newsprint land, how the ELL air ya? How did your mid-terms go? Well enough about that dreary topic. The less said, the better. Right! Now then, let's get into the reason you have taken time out of your busy schedule to read this column. The ads for jobs are in the middle of the paper. Just kidding. I know that you want to know about some ways to while away all that free time that you have, so allow me to help you do so.

At the Citadel we've got three super decent plays happenin', one of which just happens to be reviewed in this week's paper. READ IT! On the Shoctor Main Stage is "Nothing Sacred", running till March 12th. In the Maclab Theatre is "The Lion, The Witch, And The Wardrobe". This is a classic, a must see for people like me that have never grown up and love fantasy. It runs from March seventh to the twenty-sixth. And last but not least, I think that "Talk Radio" might still be on in the Rice Theatre. Call the Citadel to find out if it is. If it is still there, go and see it, it's great!

The Edmonton Space Sciences Centre has a great

new three D flick. Sounds like great fun. It must be good because my free ticket to see this has some how disappeared into thin air. When people are willing to steal something that means it must be good. I may have to cough up the money to see it myself!

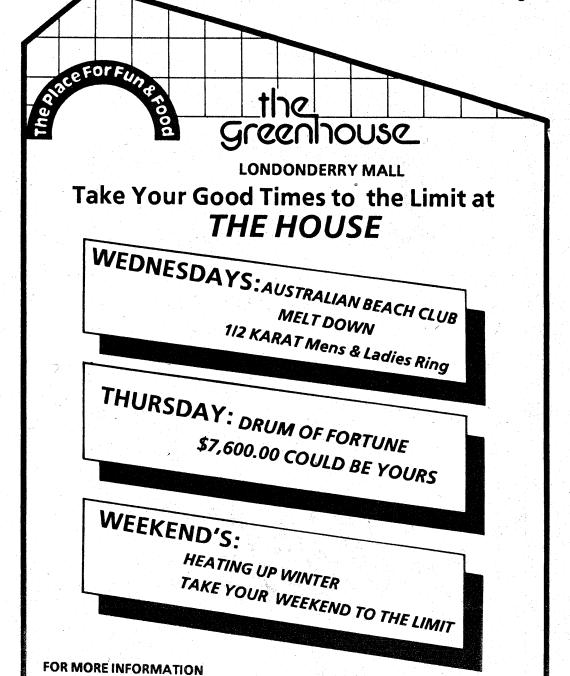

And now the time that you all have waited so patiently Even though you probably just skipped over most of it, I'll give you permission to read the juicy stuff that follows.

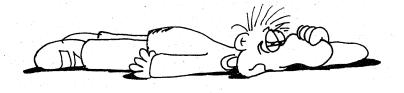

#### **ALKIE-HAUL**

Architecture presents a "Scavenger Hunt and Cabaret". This little bit of madness is set to go at 7:30 March 4th. The local is Northmount Hall (9208-140 Ave). Tickets are \$4.00 for members and \$5.00 nonmembers.

BCET hosts yet another "Girls Night Out" at the Northmount Hall on March 3rd. The party starts at 8:00 p.m. and the ladies get in FREE. Guys get to pay \$5.00 to be in the presence of all those women. Have fun guys!

Well, That's it, that's all, there ain't no more. Ciao for

#### MESSAGE FROM THE PRESIDENT

Recognition of academic excellence is regarded as essential to the development and maintenance of high standards at the Northern Alberta Institute of Technology. The large number of awards provided by government, individuals, private business and industry attest to the academic excellence of our students and the top quality of our

The Government of Alberta has established the Alberta Education The Government of Alberta has established the Alberta Education Endowment and Incentive Fund, whereby donations made to a post-secondary educational institution are matched by Government. Through the matching grant program, the student awards budget has reached \$210,000 in endowments. Interest generated by the investment of these endowments is given in the form of awards. This year additional matching grants were available and the NAIT Foundation, the fund raising arm of NAIT, transferred \$35,000 to the Student Awards Program. Fifty NAIT Foundation Scholarships of \$500 and twenty NAIT Foundation Bursaries of \$500 were awarded. To the award winners of 1988 in excess of \$375,000 was awarded to over 800 students.

I am sure that the entire student body at NAIT as well as our academic staff join me in congratulating the academic award winners for their achievements.

Fred Williamson **Acting President** 

## STUDENT AWARDS PROGRAM

The purpose of the Student Awards Program is to encourage academic achievement and provide financial assistance to students who are in financial need.

Various types of awards, such as scholarships, bursaries, and prizes are available to full-time NAIT students. The majority of awards are available to students who have completed their first year of study and are enrolled in their second year. Some awards may be available to the NAIT graduate as well as to the student entering NAIT. Normally, a student must be taking ninety per cent (90%) or more of the course load or its equivalent in the qualifying year. If you are granted an advance credit but are taking ninety per cent (90.) or more course load or its equivalent in the qualifying year, you would be eligible to apply for awards.

### LOUISE MCKINNEY SCHOLARSHIP

NAIT receives forty-six (46) scholarships of \$3,000 each. These scholarships are provided by the Alberta Heritage Scholarship Trust Fund, and selection is based on outstanding academic achievement. The Louise McKinney scholarships are available to students who are continuing into second year at NAIT or are continuing their studies beyond NAIT at another post-secondary institution. Normally, the top student of each two year program who is entering second year with an average of no less than eighty per cent (80%) is nominated, providing the candidate is an Alberta resident, and is carrying a full course load of no less than ninety per cent (90%) or its equivalent with no failures or incompletes. Second year students who are eligible, will receive an application form during the month of July. Students who plan to continue their studies at another post-secondary institution and are top students, should contact the Student Awards and Financial Aid Office before August 15, 1989.

### APPLICATION FOR AWARDS

The majority of awards do not require an application form.

Candidates are selected upon recommendation of the Program Head.
Selection of award winners usually takes place during the month of September and students normally receive their award by December 15.

December 15.

Some awards are administered outside of NAIT and require a special application form. Generally, selection is performed by the individual donors, and each award has a different application deadline. A list of these awards is published in the Student Awards Handbook which will be available in April.

There are awards which are administered by NAIT and require In here are awards which are administered by NAIT and require an application form. These awards are awarded on a competitive basis, and interested candidates must submit an application form. Application forms are available after August 1, 1989, and the deadline for submitting a completed application is October 31, 1989.

Students who will be continuing their studies in the Fall of 1989 and wish to apply for awards may obtain a copy of the Student Awards Handbook after April 15, 1989, at the Office of Student Awards and Financial Aid.

Growing up in Spain and Mexico this Canadian born musician began his songwriting career at age 17. He spent a year in New York City and one also in England, and then returned home to Canada in 1983 to land his first recording contract.

In 1984, he released his debut album, "First Offence", which spent more than seventy weeks on the Canadian charts and sold over 300,000 copies in Canada alone. The hit single "Sunglasses at Night" was featured on the album and helped spark a world tour which included North America, Europe, Japan and Australia.

In June 1985, he released his next work entitled "Boy in the Box", an album which also hit the double platinum mark and which boasted four hit singles. The first three; "Never Surrender", "Boy in the Box" and "Everything in My Heart" all struck gold, with the fourth, a song entitled "Eurasian Eyes" as part of the soundtrack in the hit movie "9 1/2 Weeks". This successful effort also prompted a second and quite extensive world tour which lasted the remainder of

In the early fall of 1986, he released a third album, this one called "Fields of Fire". This album quickly hit the platinum mark and featured the singles; "I Am By Your Side", "Dancing With My Mirror", and his gold single "I Can't Help Falling In Love"; a remake of Elvis's hit song from 1961.

His most recent album "Young Man Running" (1988) was produced entirely by himself and has sold over 100,000 copies so far. The singles released from this album were "In Your Soul", "Spot You In a Coalmine" (backing vocals by England's Ruby Turner) and "Still In Love". This was also the year he graduated from international hit singles to an international hit album, which ended up 52nd in Canada's top 100 count down of 1988
