

## NAIT: Twice Nationals Winner

The men's basketball team rejoices in proving their #1 ranking

by Remi Racine

This is the first time ever a tournament host has won gold medals in all the events they were hosts to.

In men's basketball, the Oaks started on their path to the gold medal with a 73-62 win over the Trinity Western University Spartans who were the wildcard entry from British Columbia.

The Oaks then destroyed the Nova Scotia Teacher's College Hawks 92-69. The Hawks had reached the semi-

finals with an upset victory over the Sheridan College Bruins from Oakville Ontario.

The Oaks met the Lethbridge Community College Kodiaks in the gold medal final. The game occurred before a standing room only crowd at the Main Gym. The Oaks, who trailed slightly during the first half, went ahead 37-35 with two seconds left, as Wayne Grant scored on a steal.

The Oaks then used a strong defense and offensive

board pressure to open a 77-63 lead. the Oaks then finished off the Kodiaks with an 86-73 final score for the National Title.

In hockey, The NAIT Oaks are the Canadian Colleges Athletic Association National Hockey Champions for the fourth time in eight years with a 5-4 victory over the Red Deer College Kings at the NAIT Arena on Saturday, March 18th.

With the win, the Oaks won their first national

championship since 1986 in Kamloops. The Oaks were also national champions in 1982 and 1985.

In the first period, the Red Deer College Kings jumped out to an early 2-0 lead on goals by Murray Toews and Cam Bowles. The Oaks then rebounded to take a 3-2 as Tournament MVP Scott Melnyk notched a pair and John Hart added single. Darren Cota of the Kings tied the contest at 3-3 before the end of the frame.

In the second, the Oaks jumped out to a 5-3 lead as Scott Melnyk completed the hat trick and Randy Wong padded the lead. Chad Kisslinger of Red Deer pulled the Kings to within one before

Photos by David Erb  
the end of the stanza.

In the third, both teams had opportunites, but no one could put the puck in the net.

All Tournament Goaltender, Rob McKinley of NAIT, blocked 25 of 29 shots. At the opposite end, Glen Raeburn of the Kings stopped 10 of 15 shots including a penalty shot by Robin Dubé of the Oaks.

Red Deer takes home the silver while Humber of Rexdale, Ontario goes home with the bronze. Palliser Campus of Moose Jaw, Mount Royal of Calgary, and the British Columbia Institute of Technology of Burnaby finished fourth, fifth and sixth respectively.

### All Tourney Team for Basketball

The All-Tournament team for men's basketball was as follows:

#32 Robert Ferguson from Vanier College (Que.)

#23 Sean Beasley from Douglas College (B.C.)

#22 Mike Hanik from

Trinity Western University (B.C.)

#12 Brian Mackenzie from Lethbridge Community College

#13 Wayne Grant from NAIT.

The tournament MVP was NAIT's Brian Lazariuk.

## Raffle Corvette Smashed!!

by L.A. Trappe

Late Saturday evening, security discovered the NAIT Foundation's red Corvette crumpled at the west central doors to Main Campus in a bungled theft attempt. The thieves had apparently tried to drive the car through the doors. The entrance sustained

approximately \$175,000 worth of damage. The Corvette, valued at \$47,642, was written off.

Conditions of the raffle are that the Corvette be awarded to the winner as is on August 26. The NAIT Foundation plans to print 50,000 more

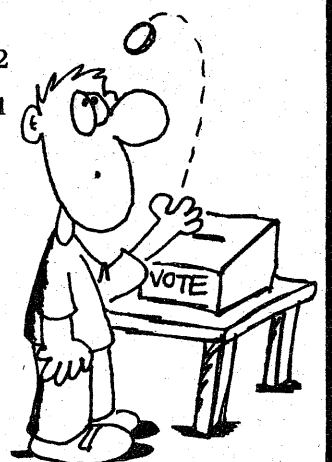

tickets to buy a replacement car, since there was no insurance.

Edmonton City Police are investigating the April Fool's Day incident.

## PRESIDENT

### BRAD DIEMERT

During the past seven months at NAIT, I have witnessed the many activities and programs established by the NAIT Student Association. I am the right person to succeed the

immediate President in order to follow up on their beneficial programs and ideas that he has established within NAIT. I am also excited about the opportunity to develop other initiatives.

My priorities include:

1. Improvement of parking situation.
2. Creating unity among the campuses
3. Bringing a greater variety of recruiters to the Employment Fair.

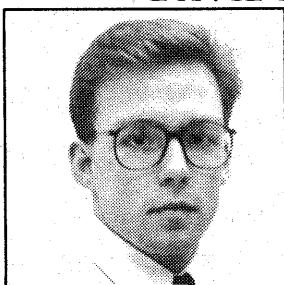

My concerns are:

1. Student fees
2. Student recreation facilities.
3. The Plaza Development Plan.

I am a strong spokesman and a very good listener. Keeping an open mind and an open door will be my number one policy during the 89/90 school year.

When you vote BRAD DIEMERT for NAITSA PRESIDENT on March 31, it is a guarantee that next year will be more beneficial academically and more enjoyable socially for all students.

### DAVID KNIPE

David Knipe is a person willing to take a positive stand on all issues that are beneficial to the students, and to stand against all

programs which are detrimental to the ongoing success of the NAIT student body.

**Background:** An honors Business Administration student, a class representative, and an active participant in the '89 Queen Week.

**Policies:** Effective communication between the students, the technologies, the administration, and NAITSA. This will allow the NAITSA Executive to maintain unity and cooperation for, and between, all involved.

An open door policy ensures that you have a voice in all matters pertaining to you. Suggestions and feedback guarantee that your next year at NAIT will be as rewarding as possible.

A strong voice is an outstanding quality in a president. The NAITSA Executive is responsible for the representation of your views and interests.

My complete dedication and devotion in meeting your needs and making your student life more enjoyable in the upcoming year will be yours if elected.

When elected, I will do my best to ensure that annual events are of notable success. My full involvement in the above, and many other activities, can be expected.

On Friday, March 31, vote for hard work and dedication. Vote for David Knipe as NAITSA PRESIDENT.

### REMI RACINE

Experience gained in:

- 1) A University degree
- 2) Sports Editor (THE NUGGET)
- 3) Financial Supervisor at Bear Country

(annual cabaret for

4000 people); and as treasurer for Delta Kappa Epsilon Fraternity for two years

I believe that the Students Association should follow a pattern of responsible government and the executive held accountable to the student body and reflect their needs and attitudes. This means being more accessible to you, the student, and more responsible for financial management.

I want to see greater student participation in how the curriculum at NAIT is structured. It is paramount that the needs of students are voiced and met so that we receive a quality diploma.

Proposals:

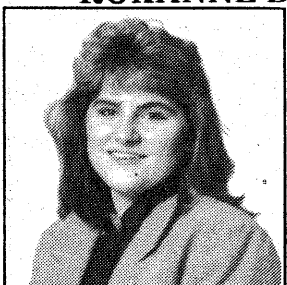

- 1) Re-write some NAITSA's bylaws
- 2) More career services for students
- 3) Lobby of NAIT's Administration for:
  - a bank machine on main campus
  - a second parkade be built
  - a full service post office on campus
  - a united campus (move satellites closer to main)
- 4) Voice the concerns for more funding of programs like Avionics to the government.

NAITSA should ensure that students are kept in mind when Administration makes decision that effect us. NAIT is here for the students and without us they would not be here either.

So, on Friday, March 31, I encourage everyone to get out and vote for Remi Racine! This means you!

## VICE PRESIDENT

### ROXANNE BEAUBIEN

A Vice President has strong organizational skills, is responsive to students and presents a professional

image. Roxanne Beaubien is that person!

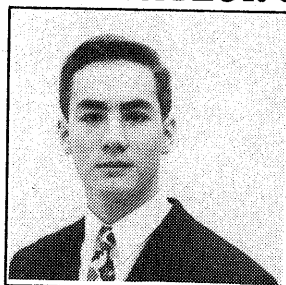

I have worked in the hotel industry for seven years, three in supervisory and managerial positions. I am presently the elected secretary for Tower Power Toastmaster's Club.

With the diverse experience and knowledge I have I know I will be able to make Shinerama, Queen Week, and the next NAITSA elections enormous successes. Excellent communication skills, creativity, and a public speaking background are three of my assests essential in the roles of voting member of the activities committee and NAITSA public relations.

An open and inviting atmosphere of the NAITSA Executive for you, the students is my goal. The most important role of the Executive is listening to and acting upon your suggestions, complaints, and opinions.

Elect Roxanne Beaubien for Vice President... and all of a sudden you have a voice.

### TAYLOR COLEMAN

The key responsibilities of Vice President include Shinerama, Queen Week, and N A I T S A elections.

To ensure these events are performed with the utmost care, a successful Vice President must be hard working and dedicated.

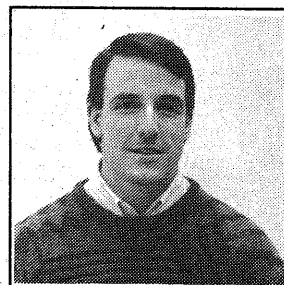

I intend to extensively promote all of the NAITSA activities and encourage participation from all technologies. My active experience and involvement in Queen Week 89 gives me the foundation necessary to recreate such important events.

I am a Business Administration student with the desire to serve the student body. I also have necessary aptitudes to perform the Vice President's responsibilities. These characteristics, in conjunction with my open door policy, will make the 1989/90 school year a rewarding and memorable one.

On March 31st, an election will take place to decide who will represent your needs on the Student Association. Choose a person with dedication, integrity, and desire. Vote Taylor Coleman Vice President.

## PUBLICATIONS DIRECTOR

### SCOTT SUGDEN

As Publications Director, a major part of my job would be to oversee the operation of the yearbook and THE NUGGET.

My input, as well as all other executive members, is important to NAITSA's duties. I welcome any and all comments or suggestions from concerned students in all technologies. After all, NAITSA is run by students, for students. Your input is important to the NAITSA Executive. I would like to encourage more student input into NAITSA's decisions, both through the General Council and the NAITSA Executive.

I feel my past experience as Vice-President of a fraternity as well as other volunteer positions will help me as Publications Director of NAITSA. Thanks for your 'yes' vote on Friday, March 31.

## BOARD OF GOVERNORS

### DOUGLAS ORLESKY

I am campaigning for the position of student member of the Board of Governors.

The Board of Governors sets school policies and determines the future direction of NAIT. Students are ultimately affected by these policies and

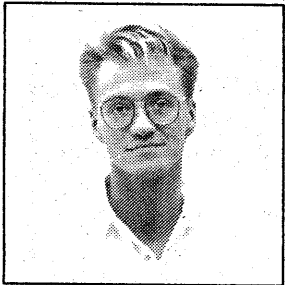

it is imperative that a representative voice your concerns as well as keep you informed.

I have been active on executive councils and committees, and through these organizations, I have learned to address and convey both the views and interests of peers and fellow students.

On March 31, vote "Yes" to receive the representation you expect and deserve. Vote for Douglas Orlesky.

## SECRETARY /TREASURER

### IMRE BENE

I am currently in my first year of the Business Administration program. I am running for the position of Secretary/Treasurer because I feel I

can make a difference for the students of NAIT.

I have had a number of years of experience in student government.

One year I held the Vice-President of the well-known Edmonton Csardacs Dance Group. The following year I held the position of Secretary/Treasurer. This allowed me to gain valuable experience in

leadership and organizational skills. I feel that I can use this experience to benefit NAITSA.

One of the issues I am concerned with is the lack of a bank machine on campus. This has been dealt with in the past, but nothing has really been done about it. If elected, I will lobby NAIT Administration to ensure that a machine is in place as soon as possible. I am looking forward to working with NAITSA and the students of next year.

Thanks for your 'yes' vote.

## ACTIVITIES DIRECTOR

### KEVIN WIMPNEY

I am outgoing and aggressive. Both qualities are crucial to the position of Activities Director.

I intend to spend

three full years at NAIT. I want those years to be enjoyable both for you and for me. When elected, I will take some courses during the summer.

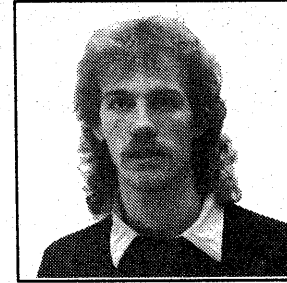

This will enable me, as Activities Director, to concentrate more time and energy to my position.

My aim is to maintain communications with the technologies. I will help them in any way I can to set up their functions.

I will maintain an "Open Door policy" to make it possible for students to have some input towards up and coming events.

I take this position very seriously. So, on March 31, vote KEVIN WIMPNEY for ACTIVITIES DIRECTOR.

### ROBERT BRIETZKE

Rob is an Electronics Engineering Technology student with a genuine desire to enhance the atmosphere

around NAIT by co-ordinating interesting events and activities.

Rob enjoys a challenge and the opportunity to meet new people. He has several ideas to promote greater student participation during NAITSA activities. There is a substantial amount of time required for this position, and he is ready to dedicate himself to that demand.

The first thing he WOULD NOT do is make promises he could not keep. Rob would like to work closely with the staff of THE NEST to provide evening activities throughout the week (dart tournaments, card tournaments, etc.), establish a reduced student rate for taxi cab fares, and install a toll-free, direct telephone line to the company willing to provide the discount service (located in THE NEST), provide entertainment for students in Westwood and Plaza II, and most of all, maintain an open-door policy to students with ideas that could improve any aspect of activities.

When you meet Rob in the hallways, the first thing you will notice is his bright smile followed by a cheery "Hi! How are you?" Rob's hobbies include flying, downhill skiing, baseball and motorcycling. He is hoping to add skydiving to the list this summer. For those of you have seen Rob at Rock 'n Talks or cabarets, you know he also enjoys dancing and meeting new friends.

Remember, MARCH 31, 1989, vote ROB BRIETZKE FOR ACTIVITIES DIRECTOR.

## ATHLETICS DIRECTOR

### JUSTIN DAHLEN

The Athletic program, intramural and inter-collegiate, is of utmost importance to NAIT.

This program needs an effective Athletics Director to represent the program and the concerns of the students.

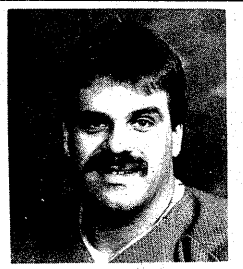

I've been actively involved in NAITSA activities throughout the year with Shinerama and Queen Week. As well, I have been an intramural referee during the year and earned referee of the month in January.

Being so involved, I have been able to see first hand some of the problems that arise, and some of the positive aspects that can be further improved.

I'm prepared to give my full attention to any concerns that you may have with regards to the Athletics program. Your concerns will be taken care of honestly and efficiently.

I want to ensure the Athletics program is going to benefit you. As your Athletics Director, I am going to work very hard. We will win Nationals again next year!!!

### MIKE PAWLENCHUK

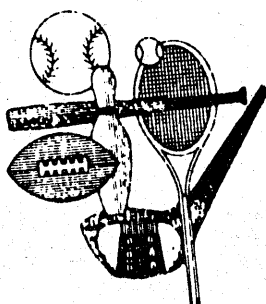

As a member of the National Champion Hockey Ooks and a past

member of my high school Students Union, I feel the position of

Athletics Director would be an exciting and challenging experience. My background in sports has given me a positive and winning attitude, which I feel is needed for this position.

If elected, I'm sure it will be a fun and exciting year

## Opinion

Editors: Dellia Tardif and Pauline Crawford

Editorial:

### Every one A Winner

A small group of students at NAIT are deserving of special recognition. Although they have been in the public eye a great deal lately, few people give them the applause that they deserve.

These students have presented themselves to the student body for scrutiny.

Approval of the student body means a year of adventure, hard work, new friends, new experiences, and pride. A job well done will leave NAIT and NAITSA better than it was.

The lack of acceptance by the student body will mean disappointment and added wisdom on selling one's abilities.

So, to all the students who are standing as candidates in the elections, we, your fellow students, take our hats off to you.

Your commitment to take on the additional work load over and above your studies and to do your best to improve the conditions at NAIT is worthy of our respect.

Winning or losing does not diminish or enhance that. Anyone who has the intestinal fortitude to run for office is a winner.

### Spring?

Is it spring yet? When is spring, anyway? Is it just a date on the calendar, or is it something more indefinable? My friends, co-workers and I have compiled a Signs of Spring list.

#### You Really Know It's Spring When...

- The air smells fresh and different.
- It rains instead of snowing.
- It's light outside after supper.
- It's warmer, finally.
- Little kids race boats in the slushy runoff down the side of the road.
- You have the urge to be outside all the time, and are tempted to leave your coat on the hanger.
- Grass peeks out, the tulips are up, and some of the pavement is bare.
- Uncle Nicky gives away a free chick or baby rabbit with each test drive.
- You tend to speed, and you can see that you're not the only one.
- You're always out of windshield wiper fluid.
- Police cars sun themselves like gophers on the side of the road.
- You notice dogs and cats are sniffing other dogs and cats of the opposite sex.
- Seed catalogues are more captivating than your textbooks.
- Every girl you see has a new outfit, and skirts look as big as wide belts.
- You have the sudden impulse to throw every single book you own out the window and run away with your boyfriend.
- You have a project due in every course.
- Graduation seems so close, and yet so far away.

Decide for yourself whether or not it's spring. I'll know it's really spring the day I burst out of my last final exam and yell, "Where's the beach?"

Dear Editor:

Praise to Jeff Riddle and his crew who put on an excellent swim meet during NAIT Open House, 11 March 1989. It was my pleasure to have helped as a timer, and make friends with people I wouldn't have otherwise met.

The fellowship and comradery on the pool deck as well as at the gathering at the Nest was great fun. My thanks to everyone for welcoming me and my family.

My daughter's team from Camrose Lutheran College won the meet -- a fine achievement -- over the host club!

## Natrium Closed

by Barry Gabruch

On Tuesday, March 28, at 9:38 a.m., the registrar's office received a threat that a bomb was to go off in the Natrium, in the ensuing half hour. Immediately security were notified, and the Edmonton City Police were called onto the scene.

People in the Natrium, as well as those in adjacent offices and classrooms, were asked to vacate the area. The upper and lower levels of H-wing were also taped off.

The hour-long search turned up nothing suspicious and the police have no idea who may have been behind the act. Aside from the odd inconvenience, activities in the area around the Natrium were returned to normal by 10:40 a.m.

## Blizzard Clean-up Costs NAIT

by Barry Gabruch

On January 30th of this year, Edmonton was hit by one of the most severe snow storms to ever hit this area.

The city estimated a 3 million dollar price tag. NAIT had its own budgeting to do and it is now estimated that the week cost our institute \$34,450.

The \$34,500 includes hauling expenses and equipment costs of \$18,900. Wage expenses of 263 regular hours, 56 hours time and a half, and 185 hours double time totalled \$14,350. Miscellaneous expenses of \$1,200 rounded off the costs for a total clearing expense of \$34,450.

## Taking Stock

by Molly Letkeman

### Definition: Mutual Funds:

These are some of the most popular investments available today and for good reason. A mutual fund is a portfolio (collection of investments) which is managed by professional portfolio managers in accordance with the legally enforceable objectives and restrictions which the managers set out. These regulations must receive the approval of the Canadian Securities Commission (in Canada).

In order to make the investments, the Mutual Fund (Fund) needs capital. The capital is raised by selling shares, known as units, to private and corporate investors. Thus, when you purchase a unit of the Fund, you are buying ownership into a pro-rated portion of all the investments within that fund.

For example: If a person owns a portfolio consisting of 10 different stocks, each in lots of 100 shares (total 1,000 shares), then sells half the portfolio to someone else, it can be said that each person owns half of each of the stocks—not 5 stocks each. A Fund operates on this same principal.

**Advantages:** Professional

managers control the investments, and a "medium risk" fund typically shows an average annual compounded return of between 15 to 20 per cent. Because your funds are distributed throughout the portfolio, a single incorrect investment decision need not be overly costly. You own a variety of stocks and share in their capital gains and dividends--thus, you can achieve wider diversity, particularly if you have limited funds to invest. Mutual Funds generally are compounding in nature, although you can elect to receive dividends/interest if this option is available. A variety of funds is available, with different risk factors, types of investments, etc.

### Disadvantages:

Commissions range from 0 per cent (no load) to 9 per cent--most are negotiable, so do shop around. While losses tend to be minimized, so are the gains which one stock may achieve. There may be a long delay in receiving your funds should you choose to liquidate. Mutual funds are more suited to long-term planning.

**Next week:** Mutual Funds in an RRSP -- Spectacular returns!

# Red Rider

by Martin Maltby

On March 18, Tom Cochrane and Red Rider closed out their "Victory Day" tour at the Jubilee Auditorium with the Edmonton Philharmonic Orchestra. The concert was a repeat of the March 17 performance and contained songs from each of Red Rider's albums including six songs from the "Victory Day" album.

The concert showcased the group's talents and demonstrated why Cochrane was selected as Composer of the Year at this year's Junos. It also provided a break from the synthesizer and drum machine based pop music of so many of today's groups. The act opened with "Sons Beat Down" and continued with such songs as "Victory Day", "White Hot", "Lunatic Fringe" and "Big League".

At the end of the Friday night performance, I hooked up with a group of teenagers to get photos, autographs, and an interview with Tom Cochrane. Despite not having press or backstage passes, we managed to catch every member of Red Rider, and then at 1:00 a.m., we met Tom Cochrane himself.

Despite having played for almost two hours and then spending three more at the after concert reception, Cochrane and his cohorts were down-to-earth, polite, and very friendly. There was no sign of exhaustion, even though the road manager was trying desperately to get the band back to the hotel.

Ken Greer, Red Rider's guitarist, who greeted us in the hallway, talked briefly about future plans. A compilation album or possibly a live album (with tracks from the Edmonton concerts) could be out around Christmas. A new studio album will hit the stores in early 1990. That's all just "possibilities".

Well that's it for me, see you again next week. Ciao?

Well all you happy campers out there in newsprint land. Glad to see that you are still with us! Just remember, there are only 30 more days till we are free! Just think of how the air must smell on the outside. We'll be able to see sunlight without the bars. Take a walk down the street without worrying about projects, or home work. All we have to do is get a job. A piece of cake compared to what we've been through! Ah yes, but now to the task at hand. This is were I tell you all that I now about the goings on in this town (should be a short talk).

It's become a tradition, so I guess I'll start off with the plays at the Citadel. "Ma Rainey's Black Bottom" is on the Shoctor Mainstage. This one is about a black singer and promises to be an enjoyable piece of work. "Angry Housewives" is in the Rice Theatre. This one should be quite hilarious, judging by the title. My advice, go on down and check it out for yourself. For more information on Citadel plays, call the Citadel box office, 426-4811.

For all you vicious types, war games is coming again this summer. Watch your Nugget next week for more details. What a gas, running around playing Rambo. Beats stayin' up till three doing blocking charts! Well now on to.....

## Ma Rainey's Black Bottom

If you're a blues fan, this play is definitely an evening of good entertainment for you. Even if you're not a blues fan, the play still has a lot to offer.

This play runs the entire spectrum from being loud and abrasively funny to light and witty to soberingly serious.

The play looks into the life of Ma Rainey, a 20's blues singer, and her band. The set is a recording studio during a session. The characters give us some insight into what it might have been like to be a black performer during the roaring 20's.

Ma Rainey's Black Bottom is now playing at the Citadel on the Shoctor Mainstage. Check it out.

## Way to Go Ooks!

Well, it was a profitable week for the NAIT Athletics program during Nationals. The men's curling team of Hugh Clar, Karl Myziuk, Neil Odegard, and Kevin Ouellette won a silver medal, and the men's badminton duo of Rick Kosowan and Bruce Clarson also added a silver medal. Then the men's basketball team and the hockey team completed this medal filled weekend with golds.

## NAIT Starts Nationals with Victory

by Remi Racine

NAIT's first game of the 1989 Canadian College Men's Basketball Championships Final 8 Tournament was held before a near packed house on Wednesday, March 15, at 9 p.m.

Their opponents were Trinity Western University from British Columbia. The Trinity team had a distinct overall height advantage over the Ooks, but no near the same ball-handling skills.

Trinity scored the game's first basket as they jumped out to an early 10-2 lead as the Ooks looked tight and were mishandling the ball a bit.

However, strong defensive play helped spark the Ooks offensive game and then they used their brilliant passing game to open up a 37-29 half-time lead.

congratulate all those who participated on the teams and those who came out to cheer them on. Special congratulations go out to Brian Lazariuk and Adrain Toppin of the basketball team and the members of the hockey team who will not be returning next year. To all the other athletes who competed for NAIT this year, I extend my congratulations and may next year be as successful as this one has been.

After the half, the Ooks started slow, missing a few shots, and Trinity closed the score to within one point (38-37) by the 17:05 mark.

Brian Lazariuk (who had been sitting on the bench due to early foul trouble) then returned to the game and his pounding offensive board game helped put NAIT out in front 52-39.

The Ooks then used their cross court passing game to open up a 71-53 lead with 3:30 left to go. In the meantime, the Ooks Hockey Team began chanting "warm up the bus."

The Spartans closed the score a little at the end, but fell well short as the final was 73-62 for NAIT.

Dexter Amour led NAIT's scoring with 19 points, while Wayne Grant chipped in 14.

by #11,  
Marty Volcan  
Welcome back to another edition of "Off the Post". This week I

will be talking about the Canadian College Nationals which took place here at NAIT from March 14th through the 18th. What can you say, it was the biggest five days of my life, and that's an understatement!

Sit back and relax because in the next few paragraphs I would like to share this great experience of mine and the other members of the NAIT Ooks.

The Road to the Cup started on Tuesday, the 14th. On the 14th, we had a light skate to get some of the pre-game jitters out of the system, to fine the powerplay, and to talk about the penalty killing.

The skate was a good one and lasted about 45 minutes. I knew we were ready.

After the skate, we went into the room for a short meeting Perry had a few last words for the boys. I don't know, but to me he was different. I remember Perry walking into the room with confidence. The music was turned off and the dressing room was quiet. Perry handed out the scouting report and began to pick Mount Royal apart. When Perry was closing, I remember him saying, "Anyone can say they want to be champions, but the team that sacrifices the most, takes a punch in the face, and turns the cheek will be national champs." I looked at some of the boys around me--John Hart, Randy Wong, and Troy Arndt--and you just knew that we were going to perform a little magic and pull a national championship out of the hat.

## OFF THE POST

In the evening, we scored an 8-3 win over Mount Royal.

On Thursday, March 16th, we played the Humber Hawks of Ontario. Humber was ranked number one in the nation over the year. During the regular season the Hawks were 29 and 0. They had to be good, but were better and went on to win 8-3.

On Friday, March 17th, we were in the semi-final against the Palliser Campus Beavers of Saskatchewan. We skated to a 12-4 victory.

On Saturday March 18th, it was time for the real Battle of Alberta--Red Deer and NAIT nose to nose for a rematch. I asked Lonnie Spink what was going through his mind before game and he answered, "All I was thinking was how bad I wanted to win. It was tearing me apart." That's the truth. The tension in the room was unbelievable, but it was nice to know that there were guys in the room that had experience at the nationals like Darren Schmidt, Scott Melnyk and J.C. McEwan. Darren told me about his thoughts before playing in his second championship game "As this was my last year, this was my chance to take a national championship." There would not be a better place to do it than in your front yard (Darren being from Ft. Saskatchewan).

In the final, we played the best game of our lives and 5-4. (Just in case you didn't know, Red Deer beat us 5-4 in double overtime to take the ACAC League title.

You know the old saying is true? "What goes around, comes around." So stick that where the sun never shines Red Deer!

BEHIND THE NET: I would like to thank you--the readers--who read "Off the Post". I'd also like to acknowledge the people that made this column possible--Dellia Tardif and Brian Stein. Finally, I would like to thank the guys from the 1988-89 Ooks for making this the best year of my life: Rob McKinley, Don Davidge, Bill Davidson, Randy Wong, Troy Arndt, Blaine Peerless, John Curran, Murray Yewchuk, Trevor Semeniuk, Jeff Wildeboer, Lonnie Spink, Scott Melnyk, Myron Feser, John Hart, Ted Bradshaw, Brad Fenton, Kent Maltais, Craig Sterzer, Robin Dubé, Cory Siermachesky, Murray Bokenfohr, Mike Pawlenschuk, Vince Ashton, Ivan Krook, Darren Schmidt, J.C. McEwan, Perry Pearn, Darrell Bokenfohr, Rick Carriere, Randy Repchuk, Cleo Rowein, Manny Fernandez, Todd Peerless, Bert Carriere, Terry Baumgartner, Dr. Bill McBride, Dr. Barry Bergh.

NAIT's Running Team Competes in Red Deer

NAIT's road Racing Team This is a good race to end competed in the Red Deer the competitive running/cross College 10 km road race on country skiing season for the Saturday, March 18. athletes and a good way to begin training for the road racing season ahead.

Three NAIT students and two staff members competed in the -7 degrees Celsius The NAIT results were: sunshine at the Red Deer Willie Woods, 3rd in 39:11; College campus. The course John Reeves (staff/coach), 5th utilized Red Deer College's in 40:46; Frank McNamara Ring Road, which had to be (staff/coach), 6th in 41:42; circled 5 3/4 times to complete Fred Noddin, 10th in 44:56; the 10 km course. and Elaine Patchell (first and only woman), 12th overall in 55:07. The race winner was Mark Staniforth of Red Deer in 33:52.

There was a small turn out this year mainly because of the weather, with only 13 racers starting the event.

The Road to Hockey Finals

The final game of the Canadian Colleges Athletic Association National Hockey Championship was a dream come true for the NAIT Oaks. The Oaks avenged their loss to the Kings in the ACAC Hockey Championships on home ice by winning the national title.

The challenge to get to the final was a formidable one for the Oaks. The turning point for the Oaks at the Nationals occurred when they downed Humber on Thursday night.

On Tuesday, March 14th, the NAIT Oaks of Edmonton downed the Mount Royal College Cougars of Calgary 8-3 to win their first game of the Nationals.

Craig Sterzer and Murray Bokenfohr each tallied twice for the Oaks. Robin Dube, John Hart, and Darren Schmidt rounded out the NAIT scoring. Garth Lamb chipped in a pair and Kent Oczkowski added a single for the Cougars at the CCAA Hockey Nationals in Edmonton.

The Oaks outshot the Cougars 49 to 28 and held period leads of 1-0 and 5-2.

On Thursday, March 16th, the NAIT Oaks exploded for five powerplay goals en route to an 8-3 triumph over the Humber Hawks of Rexdale, Ontario.

Robin Dubé sparked the Oaks with four goals. Scott Melnyk tallied twice for the Oaks while Blaine Peerless and John Hart added singles. Gino Lostracco, Chip Crandall and Steve Ewing replied for Humber.

Outshooting the Hawks 43 to 24, the Oaks held period leads of 2-0 and 8-2.

On Friday, March 17th, the NAIT Oaks advanced to the final of the Canadian Colleges Athletic Association National Hockey Championships with a 12-4 victory over the Palliser Campus Beavers of Moose Jaw, Saskatchewan in one of the semi finals.

Soett Melnyk's one goal and six assists paced the Oaks to the win. J.C. McEwan completed the hat trick and John Hart chipped in a pair for the Oaks. Ivan Krook, Darren Schmidt, Murray Bokenfohr, Troy Arndt, Marty Volcan, and Randy Wong rounded out the NAIT scoring. Peter Anderson chipped in a pair for

the Beavers. Neil Elmslie and Dean Rowley also tallied for Palliser.

Outshooting the Beavers 54 to 20, the Oaks trailed 3-2 after one but led 8-3 after two.

In contrast, the Kings took a slightly easier road to the final.

On Thursday, March 16th, the Red Deer College Kings advanced to the semi finals with a 9-1 victory over the British Columbia Institute of Technology Cougars from Burnaby.

On Friday, March 17th, the Kings scored six unanswered goals in the first two periods on their way to a 6-3 win over the Humber Hawks of Rexdale, Ontario to advance to the championship.

Bronze Medal Thriller

by Remi Racine

The Trinity Spartans faced B.C. rivals Douglas College in an end-to-end nail biter in the bronze medal final.

Both teams were evenly matched and played wide open with little emphasis on defense for the first part of the game.

Trinity then picked up their defensive pressure and opened a 31-20 lead with six minutes left in the half through strong offensive rebounding. The Douglas team then used their three-point shooting skills to tie the game 32-all and then took the lead 35-32 with another three-

point shot at the 2:11 mark. Douglas held a slim 38-33 lead at the half.

In the second half, Douglas pulled out to a 51-37 lead by the 16:54 mark. Trinity then slowly chipped away at the lead until they tied the game at 59-59 at the 5:40 mark. The game then went back and forth until the score was tied at 68 with 13 seconds remaining in the game.

Paul Chaffee of Trinity hit 1 for 2 at the foul line to put Trinity ahead 69-68. Douglas inbounded the ball and went downcourt buzzer as the Trinity team celebrated it bouncing off the rim.

Scooter Hockey MVP

Three for three. In 1985, in 1986 and 1989, the NAIT Oaks won national championships. Each time Scott Melnyk was a part of the team.

At the 1989 Canadian Colleges Athletic Association National Championships, Melnyk was selected as the Tournament's Most Valuable Player scoring 15 points in three tournament games.

Two Oaks were named to the All Tournament Team--goaltender Rob McKinley and forward J.C. MacEwan. Two Red Deer College Kings defence were also selected to

the squad--Garth Premak and Bob Duchak. Forwards Matt Kabayama of Mount Royal and Steve Ewing of Humber rounded out the All-Tournament team.

## Canadian Rock History Challenge by Labatt's

Acknowledging the influences of Gary Glitter and The Police, among others, this band began its rapid rise to fame in 1983. The release of a seven song EP, the largest selling in Canadian history, drew the attention of a major record label and with the addition of four new songs, the album "Standing In The Dark" went on to sell double Platinum. With three singles released from that disc, including the title track, the lads garnered a Juno for Best New Group.

In June 1985, the single "Crying Over You" sold Gold in one month and the subsequent album "Alien Shores" sold an astonishing five times Platinum. The Labatt's sponsored Alien Invasion Tour that year was one of the biggest in Canadian history. Other singles released included "Somebody Somewhere" and "Situation Critical." The band was again honored with Juno nominations for Best Group, Best Song and Best Album.

In 1987, Los Angeles was their workplace although they returned to Toronto to finish this, their most recent album. "Contact" was released in 1987, and six singles were released throughout 1987 and 1988 including the title track and cover of The Ohio Players "Fire."

**Mr. Trevor Petroleum**  
(corporation # )

I've been noticing your assets with great enthusiasm. I'd like to form a merger whereby we can pool our natural resources. Are your hidden retained earnings as appealing as the rest of your corporation? Contrary to the popular belief, bonds maturing in a shorter term can yield high returns (this is due to the inverted yield curve). Please let me know if you wish to peruse my portfolio.
