Shinerama

by Chris Wilson

Once again students from NAIT and the U of A are supporting Shinerama to raise funds for Cystic Fibrosis Research.

Through research there has been incredible advances in CF treatment. Since the early 1960's the median age of survival of babies born with CF has increased from under 4 to over 30 due to new drugs and improved treatment.

This in itself is incredible considering CF takes the lives of more Canadian children and young adults than any other inherited disease; primarily attacking the lungs and the digestive system.

Some other facts about CF:

- 1 in 25 Canadians carries the gene for CF
- Those living with CF must undergo rigorous therapy programs just to stay alive
- Most importantly there is no known cure for CF
- Thanks to advances in treatment and research, 35.2% of all people with CF are over the age of 30.

You can help fight this hereditary disease by volunteering for Shinerama, a national fund-raiser event involving more than 60 campuses across Canada representing 20,000 students. Through this campaign \$ 675,356 dollars was raised nationally to help fight CF. This year NAIT is striving to reach an ambitious goal of raising \$15,500 dollars.

Shinerama week is going to be from September 10-16, with a variety of events being planned the week beginning September 12.

SHINERAMA EVENTS

Saturday, September 10

- Car wash at Kingsway Garden Mall

Monday, September 12

- To be announced.

Tuesday, September 13

- Barbecue at noon
- Country Bar Shoe Shine

Wednesday, September 14

- Barbecue at noon
- Country Bar Shoe Shine

Thursday, September 15

- Barbecue at noon
- Shiners meeting in H005 (Little Theatre)
- Beer Gardens/Barbecue in the Naitrium (After Shiners meeting)

Friday, September 16

- Downtown Shoe Shine (11 a.m. until 1 p.m.)

Saturday, September 17

- Breakfast in the Nest
- Hit the streets to shoe shine
- Return to school for wrap up
- Pub Crawl for volunteers

Also planned is a 50/50 Draw, so remember to buy your tickets.

So sign up for Shinerama if you want to take part in these activities and have some serious fun.

If these are not good enough reasons to sign up, did I mention there are lots of GREAT PRIZES and FREE FOOD, along with T-SHIRTS and the opportunity to go on the biggest PUB CRAWL of the year!

BUT MOST IMPORTANTLY YOU CAN HELP GIVE THE BREATH OF LIFE TO SOMEONE WITH CYSTIC FIBROSIS.

For more information about Cystic Fibrosis or to sign up, stop in room E133 and talk to Chris or Dean. See you on September 17 at SHINERAMA!

CAMPUS CRIME STOPPERS

"FOSTERING PRIDE IN OUR COMMUNITY"

HOW DOES IT WORK.....

* A crime is committed in or in relation to the NAIT campus.

* You know who is responsible.

* Call Campus Crime Stoppers at 429-8336 or Toll Free at 1-800-661-8336.

* Your information will be taken in strict confidence. Your anonymity is guaranteed. You never have to give your name.

* You will be given a Tip number. You must keep this secret to ensure anonymity.

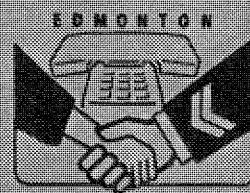

* After three weeks, call Campus Crime Stoppers, refer to your secret Tip number and you will be updated as to the progress of your tip.

* If your tip leads to the apprehension of the person(s) responsible, you qualify for a cash reward, if desired.

HOW CAN I GET INVOLVED.....

* Stop by the Students' Association Office (Room E133) and contribute your time and ideas.

* Sit on the Board of Directors and be involved with allocating rewards, organizing campus activities and fund-raisers, and contributing to the overall wellbeing of NAIT.

CRIME STOPPERS

**We're Watching....

WIN! WIN! WIN!

The publications you received at registration automatically make you eligible for great prizes. All you have to do is hang on to them and read *The Nugget*. This is how it works:

The NAITSA Pamphlet you received has a page of discount coupons, and on the back of the coupons are entry forms for draws for prizes. You can win by filling out the coupons for the Student Store, Games Room, or the Nest and enter to win. All results from the draws will be published in *The Nugget*.

FREE CALENDAR! FREE DAYTIMER! FREE NEWSPAPERS!

Did you get your NAITSA publications at registration? This is what you should have received, and what they are for.

1. Activities Calendar

All NAITSA activities and intramural times are in this handy locker-sized calendar. You will be able to know at a glance what days are important and when all the parties are.

2. The Handbook

This is your life line to NAIT. Everything you need to know is in this book, such as charity events, sports teams, and health services. It also includes a daytimer, to keep you organized and on time.

3. The Nugget

Our student newspaper is written by and for students. It keeps you up to date on what is what and who is who through out the year. It is distributed every Thursday morning throughout the campus. Your suggestions and submissions are welcome. Chris Chelmick is our Editor-in-Chief, and his office is located at E128.

Cool Stuff at NAIT

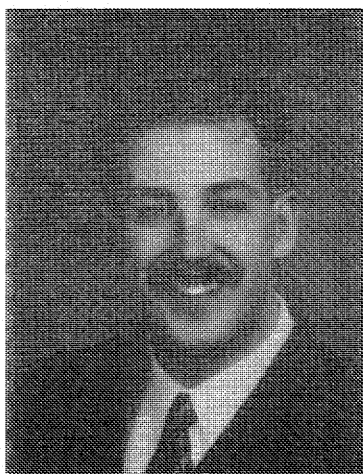

So you've made it to N.A.I.T., you've registered and you are happy. Then you realize that you forgot to buy some paper. No problem! The NAIT student store is open to serve you at E123. The student store carries basic school supplies, locks, locker shelving units, calculators, and backpacks. In addition to that they also carry greeting cards, lottery tickets, stamps, transit passes, memorabilia, and practically everything else you might need for your term here at NAIT. There is a second student store located in Plaza 2, inside the Engineering Annex. This store has undergone renovations to make more room for extra stuff, including more drafting supplies.

Alright so now you've got your school supplies, registered for your classes, and things are going good. But, you can't handle the stress. Why don't you check out NAIT's own games room. Located in E021 in the basement of Main Campus, it is packed full with stuff to help take the pain of school away. It has brand new bowling lanes, an assortment of video games, and pool tables. There are two other games rooms, one in the Engineering Techs Annex, and the Westerra Campus.

So after you've relieved some stress in a furious game of bowling you need the social interaction that only a lounge can supply. Good friends, good food, and after 3:30 pm (3:00 pm on Fridays) you can enjoy good brews. That's right, NAIT's own student lounge "The NEST" is ready to serve you an assortment of food and drink while you kick back and relax with your friends. On special days you can even enjoy listening to live music as The NEST gets a variety of bands for your auditory pleasure. The NEST is open from 7 am until 10 pm.

President's Corner

Dean Andres

This week the President's Corner is being written by acting President Chris Wilson.

WELCOME BACK ! Just because your back in school doesn't mean the real world won't be there when you graduate. Remember all those student loan forms you filled out and mailed away, and how the money magically appeared in your bank account after signing your name a few times. You should because it will have to be paid back after graduation.

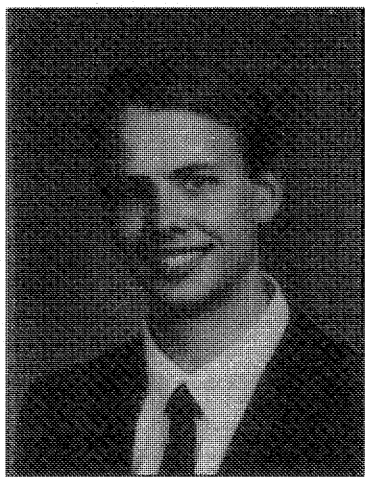

Did you know in the near future the student loan program is going to be privatized and administrated by the CIBC? Well its happening. What this means to you is that it "really" has to be paid back at terms agreed upon by you and the bank. Repayment can occur six months after graduation. In addition, 18 months of interest relief are available before you negotiate your repayment. You have a maximum pay back period of 9.5 years to pay back your student loans and you can select two basic types of interest rates:

- a) a floating or variable rate of prime plus 2.5%
 - b) a fixed rate of prime plus 5.0%
- (You are also allowed to change from a floating rate to a fixed rate once)

If you're curious or want to know more about the student loans and their privatization stop by the NAITSA offices in room E-133 and talk to Chris or Dean.

We hope to see you all in the NAITSA offices sometime this year and good luck with your studies.

Academic Vice president

Chris Wilson

WELCOME BACK

I'm Chris Wilson, your Academic Vice-President on the NAIT Student's Association.

I hope you were able to endure the long line ups and waiting during registration and at the book store.

To help with taking your mind off of this and the pressures of school NAITSA has planned lots of activities and events for the first two weeks of school, so be sure to come check out a few of the events in your sapre time.

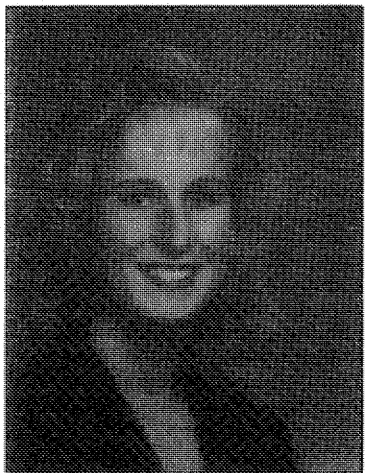

Beyond planning activities NAITSA represents the views and concerns of students to administration and government. To find out more about our jobs stop by the NAITSA offices in room E133 to talk to any one of us and see what we do in a day.

On a lighter note, remember if you're like me and start school on August 29 make the most of your last free weekend, and if you're in a business program and start September 6, I hope to catch you on campus.

Oh yeah - Don't forget! Shinerama day is September 17, starting with a breakfast at The Nest and a pub crawl to follow.

Catch ya later!

Communications Vice President

Lorraine Sitter

Howdy! My name is Lorraine Sitter and I am your Communications Vice President. To start off I want to Welcome everyone to NAIT. This is going to be a busy year for you, but at the same time one of the best you will ever have. The NAIT Student Association has been planning and organizing all summer in order to make this an exciting year for everyone. I want to encourage you to take advantage of all the activities and services we have to offer you. We make school a lot more fun!

As Communications VP I am responsible for internal and external public relations relating to NAIT students. This includes all student publications (i.e. The Handbook, Activities Calendar, *The Nugget*, etc....), as well as any publications we would release outside of NAIT.

As you can see from *The Nugget* we have a perfect start to the year. I want to thank Chris Chelmick (Editor-in-Chief), Christopher M. Hayes (Assistant Editor), and Sherry Hillis (Production Manager) for all the hard work they put into this edition. They have done an excellent job, and they did it without a staff.

We have terrific people working on all our publications at NAITSA, but if you have suggestions/submissions or you want to try your hand working for *The Nugget*, I want to hear from you. My office is in E133 (ph: 471-7607), and my door is open to anyone at anytime.

Let's have a great year!

Administrative Vice President

Angie Getzinger

Hi there!

Welcome back to another exciting year. If you think it's not exciting...then you're just doing it WRONG! (Bet that's not the first time you've heard that!?!)

There are lots of ways to make the school year more than just classes, work, and studying. There are numerous clubs that meet throughout the year, and the Students' Association (NAITSA) has different committees and activities going on that can always use extra volunteers (looks great on a resume too!). Take a lunch hour and go down to your tech reps' office and volunteer your time or ideas for your technology.

If you feel like something a little more upbeat, come out and watch NAIT's sports teams. There's always a good basketball or hockey game happening. Or, come and check out all the events that NAITSA puts on —like cabarets, pub crawls, comedians, charity events, and other entertainment. Every week there's something new happening!!

If you want to keep up with everything happenin', pop by the NAITSA office (Room E133) and talk to your NAITSA reps!! We're regular students like you, and can use your advice!

See ya around!

Activities Vice President

Carolyn J. Sitter

Welcome fellow students! The summer was a sizzlin' one. I sure hope you took advantage of those hot summer evenings. Since this will be my one and only editorial in The Nugget this year, I'd like to pause for a minute and reflect on my first few months here last year. To be perfectly honest, I was overwhelmed and basically uninformed as to what actually was available to me as a student. There is a really good restaurant/bar on campus called The NEST. We have a student store that supplies many quality items for a very reasonable price. There is a games room where you can play pool (cheap), bowl, or just use the arcade machines. There is a weight room for those who would like to work out. (free)

When I started here I didn't even know what a Students' Association did, and now I am an active part of it. I was intimidated by the offices that seem to always have a hub of noise and people flowing

through. My advice to YOU is this: *get involved*. Walk up to the elected representatives and introduce yourself. Ask questions. Become informed. The more people you know the more fun you'll have. Shinerama is a good example of how to get involved. You volunteer your time, and in return you party with a lot of wild and crazy men and women

The NAITSA staff are here for you. We want your ideas and advice. I'm just a normal person who wants to make a bit of a difference this year. I want the activities to be more fun, more exciting and more creative. I can't do that without you.

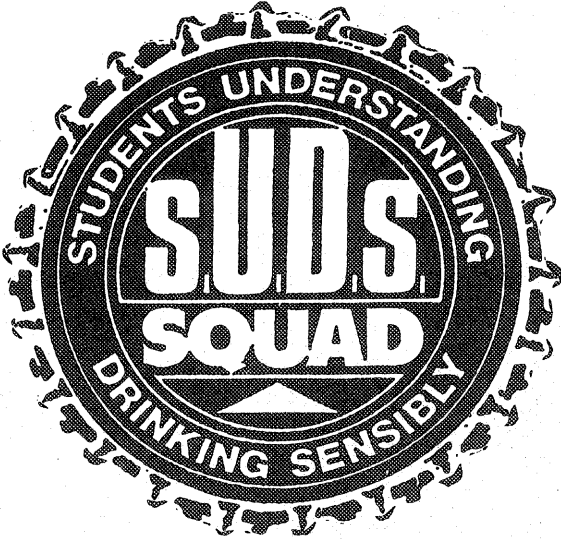

Don't forget to read the rest of the paper for the details on all of the great parties and activities. And oh ya, see you at the BACK TO CLASS BLAST!!!

WELCOME WEEK!

Hey Everyone! Here's the scoop on all the best places to eat, drink, and be merry. Be sure to be there because random prizes will be given away at these exciting events.

Athletics Vice President

Mike Bitz

The NAIT Athletics program offers opportunities for every student to pursue their competitive and social interests. A broad range of intramural activities, special events and campus teams will be organized to ensure that your academic year at NAIT is enjoyable and memorable. You are encouraged to participate and we look forward to addressing your needs.

Highlights of the year ahead include:

a) **Intramurals** - Competitions in racquet sports, gymnasium sports, hockey, curling, archery, golf, swimming pool activities and many more. We welcome suggestions.

b) **Campus Teams** - Your support as an athlete or spectator will assist to provide excellence. Enthusiastically promote NAIT through encouraging our hockey, soccer, volleyball, basketball, badminton, swimming, curling and numerous other teams.

The athletic facilities here at NAIT are here for your enjoyment and I hope that you will take full advantage of them.

As your Athletic Vice President I hope to make this a great year for you. I look forward to any ideas or suggestions on improving NAIT's athletics.

Intramurals!!!!

by Christopher M. Hayes

NAIT has a wide range of intramural activities ranging from hockey to bowling, broomball to soccer. So it doesn't matter whether you are male or female, NAIT has everything you would possibly need. If you prefer to work out with the opposite sex, NAIT also has a co-ed program. NAIT has a long history of excelling in sports so get involved and work up a sweat. So if you or anyone you know is interested in signing up for an activity, here is an open list of events, when they start, and when the deadline for entries are:

Have you ever wanted
to dress up in a air
conditioned owl body
suit?

Well, if you have you are
in luck!

Here at NAIT our grand mascot is the mighty OOK. The OOK is an owl, not just any owl mind you, this owl needs a human counterpart to help inspire our sports teams. So sign up, don the mantle of feathers, and jump around!!! (By the way, this IS a paid position!) If you are interested or want to ask any questions about being an OOK, drop by the NAITSA office, located at E133, and ask for Mike.

HELP WANTED

Do you like working with people who smell like soup? Did you laugh when Ol Yeller died? Can you remember if you or any member of your immediate family ever suffered from amnesia? If you enjoy the simple things in life that can only be accomplished by sucking up to your superiors, then we want you!!! That's right, NAIT's hardest working newspaper *THE NUGGET* is looking for people to experiment on. Yes this is a paid position so it isn't all bad. Currently we are looking for the following positions to be filled:

News Editor
Entertainment Editor
Sports Editor
Typesetter
*Photographers
*Cartoonists

Now the photographer and cartoonist positions are very special because they are basically freelancers. Cartoonists are wanted on a volunteer basis as our budget does not have a place for that expense, but if you submit a cartoon and it makes its way into our paper, you get a byline. For photos that get in the paper we are willing to pay, but we don't want to disclose the surprise amount so come down and talk to Chris Chelmick at E128.

\$\$ NEED MONEY \$\$

• security cashiers
• referees LOOK
• NAIT foundation
• NUGGET staff
If you want to make some extra cash while you go to school, apply at E133.

Volunteers needed for the following boards:

- Environmental committee
- Crime Stoppers
- Academic Council

If you are interested in sitting on one of these committees please sign up at E133.
