Candidates for President

Jeremy Coules

Hello everybody, my name is Jeremy Coules. I am currently the VP Communications for your students' association. I have had a wonderful year and I would like to thank all NAIT students for the educational experiences that I have encountered so far. I have enjoyed my experience on NAITSA so much that I am running for President in the upcoming NAITSA election. I would like to see NAITSA become

more accountable to its members. By electing Jeremy Coules, you will get the accountability that you deserve in a student leader. I will fight to bring you more useful services that will make you feel that your Students' Association dollars are well spent. There is more to NAITSA than just parties. ALL students must be represented equally. As President, I would be responsible for presiding over all NAITSA General Council and Executive Council meetings as well as dealing with various situations that come up from time to time. So on Thursday March 13th, choose experience and dedication and vote for the best ambassador for your students' association. **VOTE JEREMY COULES FOR PRESIDENT.** Thanks for your support!

Ryan Smallwood

Before I tell you about what I hope to accomplish, let me tell you a little about myself. I am a second year business student, majoring in management. Outside of school, I get involved by: working for NAIT within the business tower computer labs, being a volunteer firefighter, working towards my pilots license and I also play on one of the NAIT business hockey teams. I also have work experience as a crew supervisor for an irrigation firm and as project manager with Canadian Hunter Ltd's international division. You're probably asking yourself, "Why do I care about what you've done?" Well I believe my previous academic

and work experience has given me the skills and knowledge to meet and exceed the responsibilities of being the NAITSA President.

Furthermore, I believe that we are at school not just to learn but to participate in as much of campus life as possible. NAITSA already puts on amazing events like Shinerama, Ookfest and various concerts; yet I believe there is the opportunity to do even more. NAITSA needs to find more ways to convince us students to become active around the school. For instance, I would like to see more interaction between technologies, such that we have the chance to meet as many other students as possible.

As President, I would also monitor how our money is spent. We all work hard for our money and in return we deserve to receive the best benefits possible. My focus would be on ensuring that we receive the best possible instruction and that we have up-to-date technology within our classrooms. I also want to look at moving

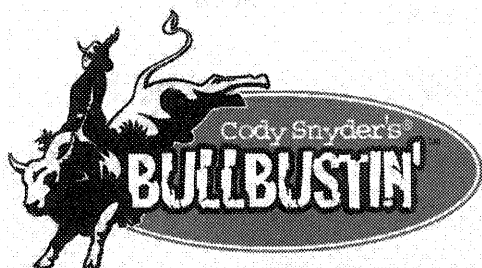

towards offering more textbooks on-line, and working with the Edmonton Transit System to lower bus pass prices for students.

More importantly though, I want to encourage all of you to let me know what you think. NAITSA is here for the students and if you don't make your opinion heard then NAITSA isn't going to be able to work as hard for you as it should. I will be going around the school trying to talk to as many of you as possible and making sure that you get the chance to have your say. Another way to voice your opinion is to vote. Come to the speeches, talk to all of the candidates and decide for yourselves who you believe will be able to best represent you within the NAITSA executive. You may think that your vote won't make a difference, but by not voting at all you guarantee it won't.

Lastly, I look forward to meeting many of you in the near future, and hopefully representing you as your new NAITSA President in the coming year.

Candidates for V.P. Communications

Amberlea Hupka

My name is Amberlea Hupka and I am a candidate for Vice President Communications. You want and deserve representatives on NAITSA executive council that are committed to your interests, aren't afraid to take a few risks, and know how to party, right? If that's the case, I'm your girl! I have enjoyed my two years as a full time student here, and would be thrilled to have the opportunity to return and devote a year to making NAIT an even better place for all of you.

You might be wondering why I think I can do this job. Well, I was heavily involved in student government in the past and my experience as a marketing student has given me many skills that would help fulfill the communications aspect of this position. I am an active member of the Advertising Club of Edmonton and I often participate in volunteer activities around the city. Most importantly, I am friendly, hard working, and 100% committed to serving the students of NAIT.

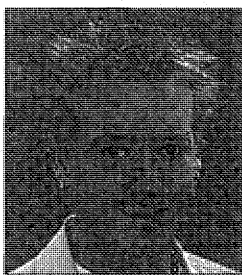

I believe that this election should matter to every single one of you. Elected representatives need to be committed to the entire student body and not just their technology or class. I will ensure equal and fair representation of all students. Because what good is a students' association that doesn't work for all of the students?

If elected, I also intend to strengthen the image of NAIT students in the community by seeking out more positive press for NAIT and the activities that we participate in. This will benefit all students and alumni of NAIT, improving our already respectable image. So even if you are graduating this year I will be able to serve you as VP Communications by making NAIT students even more sought after by potential employers.

Keeping you informed of what's going on around NAIT is a big part of this position, but I believe an even bigger aspect is making sure that you have a say in what happens. The Nugget has always been a voice for NAITSA members and I hope to help expand its potential as an outlet of expression by encouraging more

student submissions. NR92, the Station For the Students, also shows great potential for growth in the future. Using these two valuable tools, the students of NAIT will have a greater voice in the future and will continue to be well informed of NAITSA events.

I look forward to talking to as many of you as I possibly can during the next week. Feel free to track me down if you have a suggestion, a question, or just want to say hi! And be sure to check out one of the election speeches occurring around campus this week; they should be a lot of fun. On March 13th express yourself and vote Amberlea Hupka for VP Communications!

Terence Fitzgerald

Hello everyone, my name is Terence Fitzgerald and I am running for the position of VP Communications. Many of you may recognize me from on-campus beer gardens and pub crawls where I've worked as NaitSA's Head of Security for this past year. I've met and got to know many of you very well and now I want to do even more for the entire student body!! You may ask "Hey Terence, what does the VP Communications do?" Well first of all I would be charged with organizing and collecting all the data for the handy little NaitSA handbook that you write all your homework in. Secondly I would be directly involved with coordinating and putting out the Nugget news paper every Thursday. Third of all I would help inform all of the stu-

dents about all the new and exciting events here at Nait. I know that college is not just about hard work and studying, it's also about relaxing with your friends and making memories. I think that having a representative in the SA that understands and listens to the students is very important. I want to do this for you all. And since this is the start of campaign week, these are my promises to you:

- I promise to do every job to the best of my abilities.
- I promise that every decision I make will have the best interests of the students put first.
- I promise to listen to you, the students of Nait, for your ideas and opinions about the Nugget, or anything else that is bothering you. My door will always be open.
- I promise to be the best VP Communications EVER!!!!

So to sum it all up, I am outgoing, honest, a very hard worker, and I want to be YOUR voice this year in the student association. I wish all the NaitSA candidates good luck and I encourage EVERYBODY to come out to a polling station to cast their vote.

Candidates for V.P. Communications (continued)

Travis Schwenneker

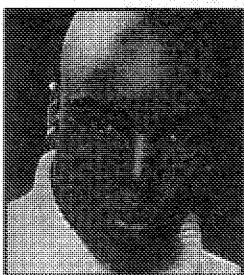

Hi, I'm Travis Schwenneker and I'm running for V.P. Communications.

Throughout my high school years, I served as Yearbook Editor for two years and served on the Students Council for three. As Yearbook Editor, I took care of some external communications with the yearbook company and all of the communications with students about their complaints, concerns and ideas about the current yearbook and how it could

become better. As well, I managed the yearbook staff to meet all required deadlines for publication. In the student council, I planned many activities and doing all the communications work necessary to complete the tasks at hand. I also worked with the staff to facilitate the implementation of new ideas and changes in the way the school operates. Also, I took many business type courses and attained the highest average among my graduating class.

I am excited about the upcoming year and look forward to being your V.P. Communications. If you have any questions or concerns, please be sure to ask me during campaign week. On March 14th, let your voice be heard and remember to vote (preferably for me).

Thank you,
Travis Schwenneker

Dwayne Johnson

How about I skip the usual "singles ad" and get right down to the chase. I'm Dwayne Johnson and I'm running for VP of Communications!

I'm planning to make this one of the most memorable years for everyone as much I can, but I will need all of you to help me out. As your VP of Communications

I will be responsible for public relations regarding NAIT; and I plan to show NAIT off as the best school around! The Tech Charity points and prizes would be administered by myself, and should be a blast for everyone. I'd be the first Student Union representative from the newly built HP building, which has had its fair share of problems, some of which haven't always received the proper attention; so I know what it's like to not have your voice heard, this would definitely be fixed up right away. Last but definitely not least has to do with The Nugget. Based on some of the conversations I've had with some you so far, it seems not too many people care to read The Nugget (who I suppose won't see

this !). As your VP of Communications I plan to touch up The Nugget enough to make it interesting to all of the technologies. There is such a great mixture of student's with different tastes at NAIT that if everyone gives me feedback, we can definitely have the best school newspaper around. I will be walking around school for the next week or so gathering input about your concerns with NAIT and what can be changed, as long as any ideas you have for The Nugget, so if you see me just come up and tell me what YOU think will make NAIT GREAT this year! I will do my best to make sure everyone's ideas are made a reality so Vote for Dwayne! See you around :)

Candidates for V.P. Activities

Chrissy McLeod

Hi my name is Chrissy McLeod, I am running for Vice President of Activities. For those of you who don't know me, I am a first year student in the Office and Records Administration program. I'll be 23 in April, and I am fun, friendly and outgoing. In my spare time, I like to kick back, have a beer and enjoy an Oiler's game, or

hit the clubs with my girlfriends and go dancing. If you have ever been witness to this, you would know that I am a bit of a rowdy. My initial fear of public speaking almost stopped me from running. Come out and watch me deliver my speech, it should be good for a laugh. I finally decided to run because I believe that with my creative input and party hard attitude, I will help improve the social side of college life at NAIT. So if you see me in the hallways don't be shy—say hello. Ask me any questions you might have, or tell me what events you'd like to see happen next year. Make your voice heard; be sure to vote on March 13.

Trevor Bannert

Alright, alright, alright I'm Trevor Bannert and once again I'm running for the position of VP Activities. I've had a great time planning the activities and meeting the people who attended our Hanger Banger, Fan Bus, and New Years Ski Trip etc. There are still ALOT of my fellow students that

I have yet to meet, but I am looking forward to talking to as many as possible so you will see that I am most qualified to do the job. Now you might be wondering what exactly I do and that's easy I organize the events that you attend and maybe party just a little bit.

This up coming year is going to be off the hook with even bigger events then over this past year with bigger bands and even more parties. And if any of my fellow students have any ideas as to how we can make our year better feel free to come and talk to me I am open to any suggestions. So on Thursday March 13th vote Trevor Bannert for VP Activities.

Candidates for V.P. Operations

Carla Granger

Hi everyone! The V.P. Operations position is mainly accounting related, and being an accounting student at NAIT, I'll gain experience in my field while helping

the students to raise money for their graduation! I'll also expand my horizons toward learning technologies deficiencies and needs to better your educational experience. If I am elected V.P. Operations I promise to dedicate my time to the students as a representative of the student body in a positive and professional manner. I will act with a knowledgeable attitude about the events and activities that arise on campus. Next year will be a martyr year for NAIT, so remember to vote on Election Day!

Matt Woroschuk

My name is Matt Woroschuk and I want to be the next V.P. of Operations for NAITSA. The other day a friend of mine asked me, "Matt, why would you want to be V.P. of Operations?" "I

am perusing a career in Human Resources" I said. "By being part of the NAITSA staff, I will gain valuable office experience that will help me to reach that goal."

I have worked many different jobs throughout my life. Whether it is flipping burgers at McDonalds, selling athletic apparel at Forzanis, helping customers at Wal-Mart, running high school programs at the Y.M.C.A, or teaching English in Egypt, I have gained valuable life experiences from each opportunity.

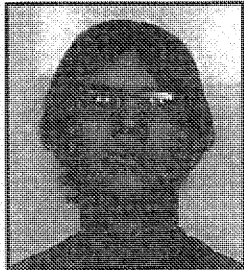

On March 13 vote Matt Woroschuk for V.P. of Operations.

Elaine Devine

Hello, my name is Elaine Devine; I am running for VP Operations. Right now I am taking Pre-Technology and in fall I will be taking Business Administration. Earlier this year I helped to organize Naitigras II that was a very successful party. VP Operations would be a great job for

me, because I am an honest and trustworthy person, I work well with large amounts of money. I am extremely outgoing, polite and responsible. Also I am a great team member because, I get along very well with others. I am very willing to work extremely hard, to make sure that we all have a great year. Hopefully now that you know a little bit more about me, you can see why I would be excellent for the job of VP Operations. So on March.12, remember to bring your student I.D. card to one of the many voting stations and vote Elaine Devine for VP Operations, and let me work hard for you. Remember, the Devine way is the best way.

Francisco Jose Sarango

Hey Everybody!! Francisco Jose Sarango here with you, and I'm running for VP Operations. I believe that accountability to the students is a key issue. Being involved with different events and organizations has allowed me to understand their operational efficiencies and inefficiencies. I am a

very active member of the community, in and out of school. I have been largely involved with student governments since Junior High. Here at NAIT, I have been elected as a student representative to the Academic Council. I regularly attend General Council and enjoy the community of student leaders.

I am the Secretary of my technology, and I am currently handling ticket sales for upcoming events. As well, I am currently working with a classmate to plan and organize our grad party. Apart from all that, I do upwards of 120 hours of volunteer time each fall and spring, for a total of about 250 hours a year, mostly on weekends.

I participate in intramurals, enjoy spending time at the Nest, and had a great time at Ookfest.

I am a devoted individual, who is confident that I would be best suited for this position. I am willing to work long hours, and keep my doors open for any student who has a problem, just wants to talk, or simply hang out. Any ideas you have to improve NAIT would be gladly received. I know I would enjoy this job, and given the opportunity, could excel in it. In other words, I would do all that I can to ensure a great year for the rest of you here at NAIT. Thank you, and please remember to vote on Thursday, March 13. (P.S. VOTE FOR ME!)

Candidates for V.P. Academic

Wade Babiuk

Hey there everyone, well I hope your school year has been a great one so far. Well there is only a couple of months left and elections are here again. My name is Wade Babiuk and I am your current VP Academic. I will be seeking re-election to the Academic position. You are probably asking

yourself, why would I vote for that guy. Well here are a few reasons you should vote for me. This past year I was the Shinerama Director and the campaign raised over \$45 000. That is a new Cystic Fibrosis record for all schools west of Ontario. I also organized all Blood Donor Clinics, and we had our highest turnout ever this past February. I also dealt with all student grievances to the best of my ability. These are some of the things I accomplished this past year along with sitting on Academic council, and several sub-committees. I hope that on March 13th you vote Wade Babiuk for re-election to VP Academic.

Sherry Bontkes

My name is Sherry Bontkes and I'm running for VP Academic Council. As an adult student, I see

many issues that some students are presented and have to deal with. I am a mother and a wife that sees some family orientated events are necessary here at NAIT. As a new student and a future member of member of council I give you a choice to make. My duties involved will carry on the tradition of NAITSA as well as seek out the much-deserved family events for our growing adult student population.

Candidates for Board of Governors

Allison Williams

ELECTIONS. This word is known to some, but unknown to many. It's unfortunate that not every student is aware that these take place each March. And even then, there are those of you who know about them and still dread this time of year. Everyone who runs seems to want you to vote for him or her. When in reality, you may not be too interested in having your voice heard, or in voting. This shouldn't keep you from choosing who you think would best do

the job -Especially for the Board of Governor's student position. While we all dedicate only a few years to this Institution of ours, it is our responsibility to help keep it running as smoothly as possible for many years to come. This is where I come in. I was fortunate enough last March to have the majority of voting students believe in my abilities to make it on Board. I have spent my term learning what being a Board member of NAIT is all about - and I still have a lot to learn! There are two student positions on Board, and to have a trained student return would be extremely beneficial.

The purpose of the Board of Governor's student position is to represent the students of NAIT, be it by reviewing tuition, parking needs, or approving new buildings, to name a few. Another fairly important responsibility is to be an

ambassador for NAIT. Since this September, I have realized that I truly am an excellent candidate for the position and still thoroughly enjoy being in the know. The experience that I have gained is from taking hold of opportunities that have come my way, as I believe that the only way to gain experience is by taking risks and opportunities. I am confident that I will not disappoint, for I am more than capable of fulfilling the requirements of this position, and I will represent the students of NAIT in an intelligent manner. I hope to continue to be an asset to the Board and provide them with a fair representation of the high calibre of students at our fine Institute! It is here that I challenge each of you to come out, talk to the candidates, vote for Allison Williams, and make a difference in the future of NAIT!!!

Harmen Van Andel

Hello fellow students! My name is Harmen Van Andel and I'm running for the Board of Gov-

ernors. I'm 35 years old and will be attending NAIT for the next three years. My age brings with me many years of personal and professional experience: When I was 23, I attended Okanagan University College and participated in the Business Administration Program. I then pursued a career in the Hospitality Industry as the General Manager of numerous Restaurants and Night Clubs in Alberta and BC. After some soul searching, at the age of 32, I decided

to move my career in a different direction. The medical field was always interesting to me so I tested the waters as an EMR in the oil and gas industry. A few years later I decided to enroll at NAIT for their Respiratory Therapy Program. If you're looking for a mature and honest representative with strong leadership skills, and someone who's not afraid to speak up when necessary, I'm your man! Vote Harmen for Board of Governors on Thursday, March 13.
