Quote of the week:
We make a living by what we get, but we make a life by what we give. Winston Churchill

Presidential Position Update By: Dwayne Williams

What a rollercoaster of a Summer! I don't think I've personally ever had to keep track of so many different projects at one time! Though in the end, it was all worth it! Early in May, my vice presidents and I came out with a goal of things we need to tackle to keep to our campaign promises and make 2004-2005 the best year for the students at NAIT...we have accomplished many of our goals, and we are only just getting started!

Before we get into the humdrum of changes you can hear about but not see, let's talk about the changes you can see! For those of you who have had a chance to swing by our newly renovated student office here on Main Campus you will see that structure of old has been replaced. A snazzy new front desk and layout awaits you as you enter the new office, and you will quickly notice the brand new student lounge that has been added. Here you will find a friendly and inviting fireplace to relax in front of while studying, or perhaps you would be more interested in the new television placed in there for student enjoyment!

A quick walk down the hallway to the activities centre will take you to NAITSA's own student pub, the Nest. For those of you who saw this little joy

last year, you are in for quite the shock. We smashed down the wall in the Nest! That's right folks, and get ready for some crazy events to be held in the Nest to kickoff its brand new look!

But obviously we couldn't spend the whole summer smashing and rearranging stuff, so NAIT Students' Association got down to the nitty-gritty of what needed to be done around campus to improve the situations around ALL of our campuses. So whether you are here in Edmonton, Fairview or Grande Prairie, everyone will get represented fairly!

Such changes include new ideas brought up by you, the students, in regards to the Nugget—NAIT's official student newspaper. As a result of your feedback, this will trigger some cool new changes to the paper! We have also updated the NAITSA website to keep it more current and reliable for all those who rely on us for information.

Technologies will have more accurate financial tracking and monitoring allowing for better fundraisers and more wild grad parties! We have also doubled the amount of scholarships administered by NAITSA to our members, officially breaking the \$20,000+ mark for this year!

There is plenty more too, but we'll let you see them as they come! Stay tuned to the Nugget and the NAITSA website for more information! Please feel free to swing by and see the NAITSA execs at anytime, our doors are open for your comments!

Vice President of Finance and Administration Position Update By: Elaine Devine

Hello everyone! I am Elaine Devine, your VP Finance and Administration for the 2004-2005 school year.

As VP Finance and Administration, I will be dealing with all of NAITSA finances, preparing next year's budget, and helping technologies and clubs plan fundraisers.

This summer I have been working on a variety of projects as Shinerama, OOKFEST, and Tech-Banking.

If you are looking for some extra cash or just want to help out, I am always looking for people to help out at all of our NAITSA events, such as OOKFEST and Shinerama.

Feel free to stop by our newly renovated offices at any time. If you want to get involved, bring me your resume and I will hook you up.

This will be an awesome year, so don't be shy, drop by and make your self part of it.

Check you later,
Elaine Devine
VP Finance and Administration

Vice President of Student Affairs Position Update By: Aleesha Jex

Welcome Back! My name is Aleesha Jex and I am your VP Student Affairs. Over the Summer, I have kept myself very busy. Some projects I have been working on include:

• Speak Out! Forms

These are forms that you will find on our poster boards and on our NAITSA website (www.naitsa.ca). If you have a problem, idea, or solution for things around NAIT, jot it down on a Speak Out! Form. I will be using your feedback to try and make changes around NAIT. These forms are in the process of being completed right now, so keep your eyes on the Nugget to find out when they are done.

• The NAITSA Student Handbook

During registration, you should have received a Student Handbook. If you have not received your copy, please drop by the NAITSA office (E131).

• Shinerama!

Read over Jen's write-up for information on what activities are going on in regard to Shinerama, in September.

• The Nugget

Over the summer I looked into ways of improving the Nugget. We will now be publishing student submissions and letters to the editor weekly. Also, we have a comic strip each week, and much more! Be sure to check out the Nugget, online!

Remember to come and see me (E131J) if you ever have a problem with your instructor or program. We will work on a solution together.

Aleesha Jex,

Vice President of Campus Life Position Update By: Jen Grundke

Welcome back to NAIT! I hope you all had a fantastic summer. While all of you were away, I have been very busy. I have been spending my time making sure your first month at NAIT will be the best one ever! NAIT already has a reputation of being one of the biggest and event oriented schools in Canada, and we are going to make sure we uphold this reputation!

So as your VP Campus Life... what have I been doing to make your campus life at NAIT great while you were away? Well, I have been spending much of my time planning Shinerama. Shinerama is NAITSA's charity fundraiser where we plan to raise \$40,000 for the Canadian Cystic Fibrosis Foundation. How are we going to do this? Well let me explain...

We have a few projects on the go, one being the Shinerama VIP Card. This card has all the big nightclubs in the city. Most places offer no line and no cover charge but some offer even better deals like drink and food discounts. Make sure you check out the website for more information on the VIP card at www.naitsa.com.

We are also working on a project similar to the TV show 'Pimp My Ride.' For every hour of time you donate, you will get a ballot to win, or you can buy tickets for \$3 each. The draw will be made Wednesday, December 1, 2004, so make sure that you get your name in before it's too late.

Shinerama week has been scheduled from September 19-25, 2004. During this week we are planning a series of events to raise money for Cystic Fibrosis research and treatment. The schedule is as follows:

• September 19, 2004 Shinerama Show n' Shine

This is a chance for students to show off their vehicles and win awesome prizes. It will be held in the K parking lot (behind the HP Centre). There will be corporate vehicles decked to the nines. Make sure you get your registration forms at the NAITSA office.

• September 21, 2004 Shinerama BBQ Blitz

NAIT will be hit with the biggest BBQ ever. Make sure you get your burgers! Corporate sponsors have donated all the food so all the proceeds will be going to Shinerama. There will be BBQ locations all over campus so make sure you fill your belly there!

• September 22, 2004 Shinerama Biz Hall

Large sponsors of the Shinerama Campaign will have the opportunity to showcase their product in the south lobby. Make sure you wander through to win tons of awesome prizes.

• September 23, 2004 Shinerama Pancake Breakfast

In the South Lobby, the Shinerama Committee will be selling pancake breakfasts from 7A.M.-11:00 A.M.

• September 25, 2004 Shinerama Day

Shine day is the day where we call on all NAIT students to volunteer to eat a free breakfast, help out with washing cars and shining shoes, raise a little money and then go out and PARTY!!!! It is a really great activity to add to your resume, not to mention it's a lot of fun and a great way to meet new people!

I have been working around the clock, this summer, on the logistics of all these events. All of this coupled with training on how to be a great VP Campus Life and student executive. Other projects I have been helping out with include the NAITSA policy manual, hiring committees, negotiating contracts, leading meetings, developing strategic plans, amongst many other things. If you have any ideas about the upcoming year, just give me a call (780-491-1320) or stop by my office, anytime.

So now that you all know how I have spent my time... what have you been doing with yours? Talk with you soon!

Free Donuts Every Second Week...

Okay, there's a catch. You have to be a Tech Rep, but it's not so bad...actually it's kind of fun.

What's a Tech Rep, you ask? Well, you would be part of a committee that would represent your technology (program) at meetings that deal with issues that affect you – like how NAITSA spends your student fees...and the type of parties we plan for you this year.

NAITSA Rules Again!

Listen up ladies and gentlemen! Here's a story about four brave adventurers who went on a mission and conquered the enemy. What enemy you say?

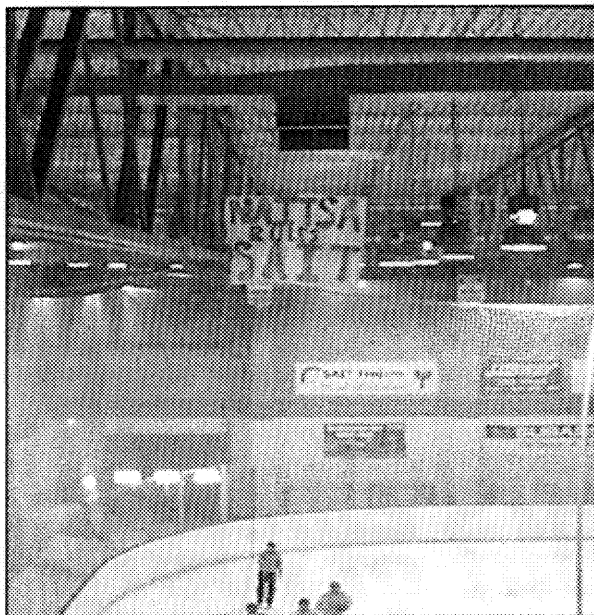

Well the enemy known as...SAIT! (Southern Alberta Wannabe-As-Good-As-The-Northern Institute of Technology).

The history on this little rivalry? Well...for one they think they can compete with the amazing students up here in E-town! But mostly, they stole something from NAITSA several years ago...something dear to our hearts...that's right folks...they stole our gavel!!

We could not let this go unpunished, so this summer during our visit to the SAIT campus for a conference of the Students' Associations across Alberta. We decided to play a prank on these southern yokels. But what could we do? We (the executives) thought, pondered, and devised a plan...then during the process of setting up the plan, we stumbled upon an amazing opportunity we

could not pass up!

It seems that SAIT does not like to secure their campus very well! This led to us ending up in the ice arena's maintenance room...located above the ice rink. We quickly devised a plan. While a hockey game played beneath and spectators watched in the stands...NAITSA took action, and the results are clear for you to see!
