NEWS & FEATURES

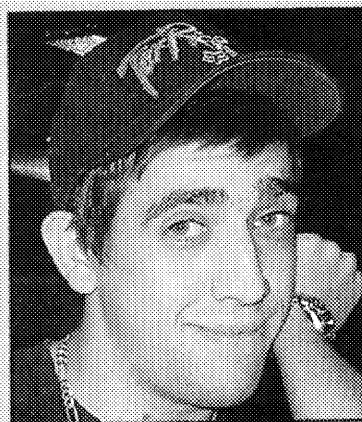

'It's all about the elbows'

Mouthing OFF

By SACHA KOLOTYLUK

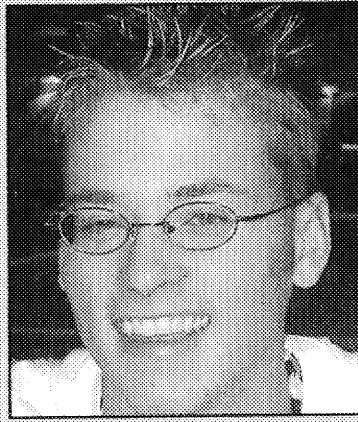

When asked, "What is the most attractive feature / quality of the opposite sex?" NAIT students had some interesting things to say...elbows anyone?

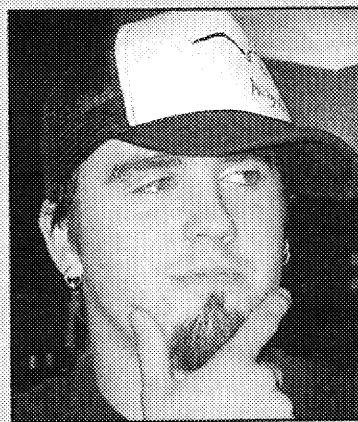

Stefan Hee, 20
I won't lie...I have a bit of an elbow fetish. It's all about the elbows.

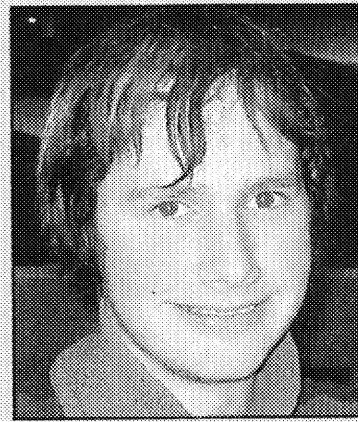

Ashley Vivian, 20
Nice rocky, washboard abs.

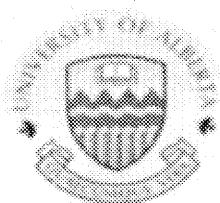

Stephen Quinton, 21
I find the most attractive part of the woman - the booby.

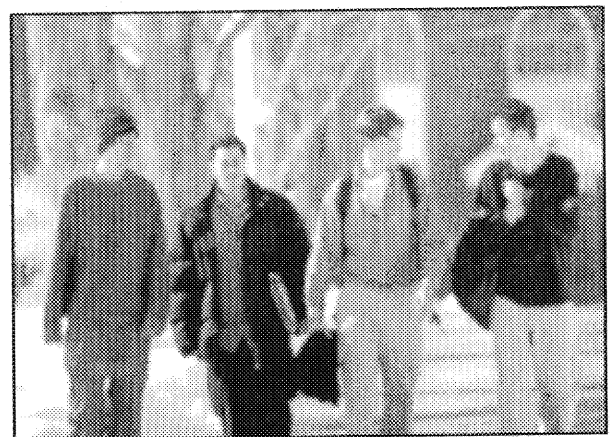

Dylan Cuvilier, 18
I actually have a new girlfriend... and what I really like about her is the fact that she appreciates my personality and likes me for who I am.

Marc Laviolette, 18
I'd have to say personality and the way a girl talks. You can be the hottest girl in the world but if you're like a total bitch, then I don't want to be around you.

GRAPEVINES

(Care to give someone the business? Got a crush on a hot guy or girl? Ticked off at something and want to get it off your chest? Send your rants here to:

nuggetgrapevines@hotmail.com)

I like beer. Do you like Beer? Let's go to the bar. Let's get some beers. Maybe some rye, but mostly beers.

- Buddy Weiser

To the dolt in the second year avionics program that can't keep his hands out of his fucking pants! What are you on? It's not cool to scratch your nuts in front of people. A polite baseball scratch is acceptable, but getting in there up to your elbow is kind of disgusting.

- A grossed out NAIT student

Hey missblueglow - I know someone who would love to hook up with you who is in the same situation you're in. ssmymano@hotmail.com!

I love body break! Your body makes me la...la...la.

To the stupid blonde B***H who turned left right in front of me this morning (Oct. 27) in the white car just before 10 a.m...wake the hell up, or take off your sunglasses (There is no sun in the damn sky this morning anyways!)

Next time I hope someone creams your sorry ass! You are the reason girl drivers like me get a bad name.

- Annoyed driver

Okay, so what is with people who wear clothes that are obviously not for their body type? If you've ever been in the Annex, you'd know what I'm talking about. Clearly, this person does not, let alone do they care.

Whatever happened to leaving things to the imagination? A little mystery is a hell of a lot more appealing and sexy. Putting it all out there for everyone to see is just plain slutty!

To the bitch who made the comment about me caring about my hair, well I'm sorry that you're a crack smoking whore from Vancouver who thinks it's okay to go looking around like a scruff maybe its time you pulled your head out of your ass, just because some of us care about what we look like. We're not all like her guys really, and P.S. wearing a fucking hat would defeat the purpose of doing your hair in the first place you stunned bitch.

- Waterlogged

Anyone interested in buying one ticket to see Dierks Bentley at Red's on Oct. 27? If so, email andwekissed_christina@hotmail.com.

Dear Roller-shoe Guy,
Might I ask, how did you get Toys 'R' Us to order you a size 12 of those super-cool shoes with the wheels in them? I wanted to get a pair, but my parents told me that it said ages eight and under on the package. One of these days, as you are zipping through the halls, I'm going to run up and clothesline the living hell out of you.
Yours Truly, Shoe-luvR
P.S. Do those bad boys use real laces? (Or the safety version that is less sharp, flame retardant, non-toxic and Velcro?)

Wanted - parking permit for zone B - parkade or zone Q or zone Z. If any information, email andwekissed_christina@hotmail.com

My locker was broken into on Oct. 18, between 11:45 to 12:30 in the HP Centre on the third floor. My jump Drive and cell phone and a HTML book were stolen. If anyone has any info on the dirt that took my shit email me at: eveandi2002@yahoo.com. So I can kick their fucking ass!

- Dawna

To the girl with the initials T.B. in first year electronics engineering: my feelings have been welling up inside for so long. You make my loins quiver whenever I pass you in the hallway. Just seeing you soldiers all my connections. I hope that one day you could rewire my circuits.

- Ufie

Ok, I know a million people have written in and said like the same stuff, but have you seen those guys down at like the mechanical end of the school?

Those hallways heading down towards the Fresh Express are full of cheesecake! Yes cheesecake! Woohoo for hot NAIT guys! You guys kick the U of A's Ass!

- Wowed

I'm sick of the pre-tech. Why the hell does every other technology have fundraisers and cool trips and we get dick all...we may be special ed...but come on! Someone get it together! P.S. Fuck anyone in the tower...muwahaha

Mike, I can't fight my feelings for you any longer. All those MOPAR shirts and hats you wear get me so hot. Court in session. That bastard Ian better keep his eyes off of you.

Signed Your-Want-To-Be-Lover Kurt
P.S. Thanks for all the rides home. I hope you enjoyed the "Road Head."

Hey Ryan, this is me saying hi to you in the Nugget.....HI RYANNNNNNNNNN!!!!!!

- From you know who....

Dusty is a sexy beast!

- From Wachachi and Purr

To the husky guy in H wing: you just shaved your head recently and you have a very hot accent, I wonder where you are from? You're always calling people your bitches, maybe I could be your bitch? You're large and in charge. Next time I leave bus tower I'll be sure to come your way.

- Bigboysbitch

Meeting a good guy or gal can sometimes not be as easy as it seems, especially if you have been unlucky enough to contract an STD. If any women of Nait with the misfortune of herpes are interested in meeting a good man in the same situation, email me at maverick_174@hotmail.com

Pickle fight! This one's for you Toby! I heart you and we need to start naming our 1003 children...man we're whores!

P.S. Dusty is HAWT! But Dan, you're pretty...pretty sexy.

-Wachachi

Wachachi is a sexy beast.

- Tobes

Hey, my name is Matt and this is my first semester in NAIT. I don't have many friends here cause I used to live in St. Albert, so I was wondering if any girls would wanna hang out at a bar or something. Well, I'm outta here for now.

- Matt

Okay, we all get the point that wheelie backpacks are annoying...NAIT is a school and not an airport. They take up room in the hallways and make little annoying wheelie noises, whine, whine, bitch, complain. I know they're annoying but some people need them! My friend was in an accident a couple years ago, which resulted in a rod in his back. He's almost constantly in pain...and yes he uses a wheelie backpack to ease his burden...so shut up already!

Signed,
"you people can be so immature."

EF Ferrari girl...where have you been? You still haven't figured me out. I said glasses to throw you off. I miss staring at your face...

- The guy with the warm smile.

I think everyone should learn to respect the trades people...if you think about it, without them nothing would exist, nothing would get built...so all you desk jockeys can go fuck off and maybe learn to get a real job...and just because you wear a suit and carry a briefcase doesn't mean you make loads of cash...in fact, I think it means less.

What's up with all the bitches in this school that never hold the door for me? Seriously, show some courtesy.

- Love Scott.

To Mr. Clean,
Spring cleaning should be done in April.

To the Back Combers in the business tower:

1) Your mullets went out of style in the 80s

2) Stop overdosing on the hairspray, it's bad for the environment

3) Stop hogging the fucking mirrors in the bathroom to backcomb your ugly-ass hair!

P.S. - To the Rod Stewart look-alike, can we have your autograph?

To the first year ORA girl, with the white fuzzy boots! Stop back-combing your hair in the halls. You're not hot. Your hair looks REALLY bad. And since you are such a fashion queen, you should know that you don't wear white shoes after Labour day! Especially those damn boots. And welcome to college. Flipping off people for no reason is ridiculous. A little maturity wouldn't kill you.

- Irritated ORA Ladies

Whuts up...any girls from outta town? Alright, take it easy.

- Steve & Doug Butabi

P.S. Yes, we are brothers, *high five* oh man.

To the guy with all the tattoos in the "E" wing, you kind of remind me of a cue ball, why don't you go stick your head up your ass and eat shit. By the way, no I won't go out with you.

- From Concerned white girl

I agree that upgrades are necessary for the fitness centre. This is a "world class facility." So how come my high school gym was more advanced...?

Does your little buddy still need looking after? Two gorgeous females with 15 years plus experience in domination would be happy to take over where you left off with your training. Does he have any weak areas that need improving? Does he take commands well, because we love to give them.

- Awaiting your reply.

To the dark handsome man who has his locker in the mechanical building. I brushed against you in the hall way and my heart stopped for a moment. I think about you all the time and want you more by the second. You could be my black stallion. I want to ride you into the sunset of bliss. I love to watch you.

- Your far away lover

Dear 'crazy Tyrone:
Hey 'dawg' How about you learn some fucking English? I don't understand how you purposely go out of the way to make yourself sound like an inbred idiot. I'm sure your superior English skills get you lots of 'hos.' I never knew NAIT offered an ebonics program.

- Grammar Man

The only reason that Paul Coffey's jersey was retired is to remind the Oilers' fans of what was and what will never happen again. I mean, let's face it...the Oilers suck now and they always will suck.

- Johnny Bravo!

P.S. Oilers lick monkey nuts

To the short good looking lady who drives a silver cougar N and parks over at the municipal airport... wow you catch my eye every time...but where have you

been recently? It's been awhile...I dunno if you've noticed me, but well I get alotta weird looks 'cuz of a bizarre haircut I've got...do you know who I am? Holler back cougar.

All the promises that I make to my baby girl well always seem to turn into lies. Each of these lies would always bring tears to my baby girl eyes. And each time I make my baby girl cry. It makes me feel that I should drop dead and die. I really wish that we could work things out like we did in the past. But we both know deep down that it would never last. I would always treat our love as nothing but a game. But now the game is over, it brings me so much pain.

What the fuck! There was no Jello wrestling in room E117. Now I'll admit I did walk by the room to see if it was happening, but that's beside the point! Follow through with that shit!

To the Hate Dude...
Wheelie backpacks are cool, especially if a person has back problems or just had surgery! Be more empathetic man...If they are in your way just dodge them. You've got legs, use them!
Anyway, if you want to settle the issue, I'll fight you in the gym...my wheelie against your crappy backpack!

- The Love Girl

It's an unfair life, so many girls so little time.

- Bizzybee

To our local trade's program tough guy, it seems while most of us within the business program and NAIT are working hard toward our prospective degrees. You have already obtained yours. The M.B.P.H.D. Shorthand for the "Momma's Boy Playa Hating Degree." It is pretty sad that you had to reduce your standards to cutting up a girl. But than again you're pretty much a telephone tough guy begging for some action. My tip is you stick to the begging beacon strips you feed your dog. As you fill your head with dreams of grandeur at sleepy time.

Proopz!

"Tha Business Blasta"

Problem # 2: Computer Commons:
All right, so the computer commons is always full of peeps doing homework. What pisses me off is that I have a lab assignment due and I can't seem to use a computer thanks to those damn gamers, especially poker players. Yes, that's right you know who are. Why can't these damn gamers use the commons after school?

Next week, Problem # 3 The Nait Weight room facility
Nugget Boy

Second year personal fitness trainer student looking for an artist or a digital and interactive media design student to help design logo for business cards and flyers and maybe web page, get back to me ASAP, email back with previous works. Right now its just business card and flyer design to powerhouse_v_jackson_01@yahoo.com.

To the guy who smokes outside H-wing with the baseball hat - How come I only see you on campus on Fridays? As I passed by you once, I heard you say you were a trucker...OMG...that is so hot!! I hope you're single, baby, 'cuz I wanna ride your Big Rig!

- J. Deere Babe

To the girl that have a locker on the second floor of the business tower. That wears jeans and white sweaters almost everyday. I want to say a poem to you: I can feel your heart in motion, deep down in your mind and passion.

Life goes on and on, we like each other in the sadness of time.

- Mu-La-Flaga

To all hot, lonely, clean chicks out there: I am a lonely single guy who is in des-

perate need of some female attention. I am pathetic to begin with and it doesn't help that I am in the fucking sausagefest Annex. I am handsome, confident, creative and kind, but no gorgeous girl seems to want to talk to me. If there are any hot ladies out there who just want some action, I will pleasure them and not even expect to get it back. That's right, you lonely ladies, I could help you out and not even expect to get it in return! For ladies who are interested, you can contact me through the grapevines and we'll see if your lonely times can turn into wild times. Ladies can address me: D. Desperate Guy

What a howl!

It has become known as arguably one of the best parties in the city. It's the Bear radio's Halloween Howler. This past Friday the weird and wonderful came out to party at the Shaw Conference Centre. Everyone tried to outdo each other with funky costumes. The place was jammed. The Trailer Park Boys were there as were The Trews. Verdict: Best party of the year. Photos by Kerry Diotte
