**Jonathan Trower**  
Royal Rangers  
Commander

## Save These Dates

**September 13 – Sectional Ranger of the Year** The Ranger of the Year program is being suspended by the national Royal Rangers office after this year, so this is likely your boys' last chance to earn Ranger of the Year honors for the Section, District, or possibly even the nation. Contact your sectional Royal Rangers commander for the location and fees for participating in the Sectional Ranger of the Year process this year.

**September 25-28 – National Training Camp at Lakeview Camp** This national training event is for men who work with Discovery, Adventure, or Expedition Rangers. It provides in-depth hands-on training in Royal Rangers camping skills, and teaches the use of the patrol method in the Royal Rangers ministry. Application forms are available at [www.royalrangers.ag.org/training/registration/](http://www.royalrangers.ag.org/training/registration/)

**October 25 – District Ranger Kids Field Day at Lakeview Camp** It has been many years since we held a Field Day for Ranger Kids on a district level. This day-long event will be held at the Royal Rangers camp at Lakeview. It is open to all boys in grades K – 2 and their leaders. Additional information is available on the district Royal Rangers website at [ntd.royalrangers.net](http://ntd.royalrangers.net)
