2009 Winter Camp Recap

The weekend of November 13-15 found 463 Royal Rangers (and a few aliens) at Lakeview Camp for our annual Winter Camp. The theme this year was "I am an alien" and boys were encouraged to make sure that heaven is their home, not earth. Our speaker was Raphael Mnkandhla, a SAGU student from Zimbabwe. He did a great job as our speaker. Over 30 boys responded to the salvation call during the Friday night

service, and over 100 responded to rededicate their lives to Christ. On Saturday night scores of boys and leaders were at the altar seeking the infilling of the Holy Spirit. If your boys missed the 2009 Winter Camp, they missed a great weekend of fun and spiritual growth.

Royal Rangers Charter

Royal Rangers is unique among Assemblies of God ministries – we have an annual charter fee of \$11 per boy and \$13 per leader. This is the funding mechanism established in the early days of Royal Rangers to help fund the national and district office. But we are also unique among Assemblies of God ministries in that churches that charter their outpost receive a 15% discount on all Royal Rangers materials ordered from GPH. Chartered churches also receive a 15% discount on all district and sectional Royal Rangers camps and activities. And all chartered boys and leaders receive the new publication *Rangers Now* and each church receives an annual media kit for Royal Rangers. If your church has already chartered for the 2009-10 academic year than you are already benefitting from these benefits; if you have not yet chartered and you are using the Royal Rangers ministry in your church, you too can obtain these benefits by visiting the national Royal Rangers website at RoyalRangers.ag.org and completing the charter form online.

2010 Pow Wow

Our annual Pow Wow – the district-wide camp-out for all boys and leaders – will be held at the Royal Rangers camp at Lakeview Camp April 23-25. Our theme will be GI Joe – but that will stand for "Gospel Inspired, Jesus Offers Eternity." A complete packet of information about Pow Wow will be mailed to every chartered leader and every church in January. They key for now is to help make sure that every boy has the opportunity to attend this fun, exciting camp. They will be challenged physically during the activities on Saturday, but they will be challenged to be part of God's army during the services Friday night, Saturday night, and Sunday morning.
