## Royal Rangers Charter Time

In August we will kick off our annual charter period. Every church that uses the Royal Rangers ministry is asked to charter their leaders and boys every year. This financial support helps the national and district Royal Rangers offices, and it gives your outpost valuable benefits in return, including a 15% discount on all Royal Rangers merchandise from GPH, a 15% discount on all national and district Royal Rangers events and

training courses, a copy of Rangers Now magazine for every boy and leader, and an outpost promotional DVD. To charter your outpost for the 2012-13 charter year, visit the national Royal Rangers website at [www.royalrangers.com/programs/chartering](http://www.royalrangers.com/programs/chartering)

## Fundraising Opportunity for Royal Rangers Outposts

Chartering, awards, uniforms, handbooks, curriculum, activities . . . all of these are needed for a successful Royal Rangers ministry, but they also take money. The national Royal Rangers office has partnered with National Teamworx Group to offer an outstanding fundraising opportunity to every outpost across the country. This fundraiser asks businesses, friends, and family members to redirect some money that they are already spending

each year to purchase a better product from the Royal Rangers. If your outpost could use several hundred dollars, or more, each year to help fund the Royal Rangers ministry in your church, have your Royal Rangers leaders check out [www.royalrangers.com/makethecase](http://www.royalrangers.com/makethecase) for more information.

## Upcoming Events

Complete details about each of these events may be found on the district Royal Rangers website at [www.ntxrr.org](http://www.ntxrr.org). Your boys and leaders will enjoy participating in the following events this fall, and you don't even have to have a Royal Rangers group in order to send your boys and leaders. All three of these events will be at The Royal Rangers Camp at Lakeview:

- Ranger Kids Day Camp, September 22. This day-long camp is designed for boys in grades K-2. It will be full of fun activities, food, and a special devotional time for the boys.
- FCF Family Days, October 19-21. This family camp is for the entire family. The Frontiersmen Camping Fellowship hosts this camp and all of the events are based on activities from pre-1840. But families are welcome to come and camp "modern." This is a great opportunity for families to fellowship with one another, and if you don't know much about Royal Rangers, this is an ideal place to get your questions answered.
- Winter Camp, November 9-11. This camp-out is an opportunity for Royal Rangers groups to join with other groups in a large camp. Special activities are planned throughout the day, and special services are held each night and Sunday morning where your boys will hear the Gospel message.
