TRUMON DAVIS PRESIDENT P.O. BOX 15023 DALLAS OLLIE HENLEY EDITOR

NORTH TEXAS CHAPTER F.C.F.

"DISPATCH"

Did you know that the Dispatch was the Official Royal Ranger Publication? Do you receive the dispatch now? If you have chartered or rechartered you do. If you are a new outpost and have not as yet chartered let me urge you to do so. This book will help you so many ways in your Royal Ranger meetings. If you would like to subscribe to this book, write to DISPATCH 1445 Boonville Ave. Springfield, Missouri
The cost is \$1.00 per year.

F.C.F. CAMPOUT

We are in the thinking and planning stage for a F.C.F. campout later in the year, what is your ideas on this? We are also thinking about starting yearly dues on some set date, 5¢ for each year you are old, what's your idea's on this? This would go to printing your F.C.F paper stamps ect.

CAMP OUT TIME

2nd and 3rd at Bedford ranch is the North Texas District roundup. This camp should get your camping program started on the right foot this year. This pow-wow will have a wide choice of subjects in the classes that are put on. They will include such subjects as first aid, sanitation, water safety, rope craft, knots, boating safety, ect. Be sure to attend this important camp as our national commander General Johnnie Barnes will be here.

We have noticed some of the leaders have worn their commander bars on the collar. This is not the place for them. Commander Barnes said that we should all wear them alike, on the sholder as shown in the handbook

We will be haveing a F.C.F. initiation at the district pow-wow. Bro. Barnes will be working with the F.C.F. in this initiation. We are expecting about 28 men and boys to be initiated at this time. Sence the F.C.F. is not self sustaining at this time, boys are urged to bring \$1.50 and men \$3.00 for initiation fee.

How many of you know the Royal Ranger March? How many of you will be able to sing it by the May 2 roundup?

See Attached Song

NEWS NEWS NEWS

The F.C.F. paper is your paper, it needs NEWS, it needs IDEAS, it needs old west or frontiersman type JOKES or riddles. What do you "know" that could or should be passed on to other outposts.

"THANKS FELLOWS"

The North Texas FCF was working for a N.T.C. in the Texas area. We were not disapointed, for we had 27 men show up for N. T. C. The response was good, the spirit was better.

Any news paper needs reporters, you be the eyes and ears for your paper. As Texans we can brag a little and say we think our F.C.F. chapter is the best

Many words could be said for and about this N.T.C. None could be more fitting than God was real in every heart and life, men were drawn closer to the Lord. Many things were endured to learn how to lead and help the boys that we work with. Ask any one who went I don't think it is too early to start your plans for N.T.C. for next year. "N.T.C. IS GREAT"
