

CHAPTER NAME !

The North Texas Chapter F.C.F. now has a name. The " SHAWNEE TRAIL ". The National office gave us the "OK" on this name and you members said it was "OK" with you. The SHAWNEE TRAIL started somewhere around Waco Texas came north through the Dallas Ft. Worth area and on north into Oklahoma

This trail may not be as well known as the Chisholm trail, but this one went right through the North Texas District. What can be more representative of our area than that. The LONG TOM will still be the name of our chapter however.

More information about the SHAWNEE TRAIL will be printed in future papers. It may be that you have something about the SHAWNEE TRAIL and you want to pass it along to the others, send it in so we can publish it.

Col. Jim Lewis has resigned as District Commander as of June 30-1971 and the new District Commander will also be Chairman of the F.C.F. by virtue of office.

Maj. Trumon Davis has also resigned as President of our F.C.F. chapter. Lt.Col. Bob Tate is the Vice Pres. and will be in charge until election time

All positions will be up for election as of Aug. 10-1972. The officers now in office will not be up for reelection as they have been in their positions since Aug. 10-1968. The bylaws will not let them hold their offices any longer. The men will elect the Pres. Vice Pres. & Scribe. The boys will elect the Scout & asst. Scout.

" CHARTER "

I just got a charter enrollment from Springfield for good old north Texas and found out that we had 172 groups that had been chartered in the past. Of that 172 only 54 are now current chartered. 118 are late, which group does your outpost fall in? If we could get all 172 chartered and present at the district pow-wow this June 8-10 we could be the biggest and best District in the whole nation. What say fellows lets pull together for a good cause.

Let's work while it is yet day.
