

A Word From The President**GET INVOLVED**

I want to encourage each of you to become involved with the F.C.F. program in our District. Be proud of being a member of the F.C.F. YOU are part of an elite group and "Looked up to" by other boys and men. So be an example to those that are watching your every move. As part of an elite group, we should try to attend all F.C.F. activities, keep dues paid up and encourage others to become F.C.F. candidates.

I was real glad to see the new Phase I and Phase II procedures that the National office supplied us with since last years initiation. I believe that each candidate should be tested in various areas, and if failed, wait until next initiation to be tested again. Otherwise how can we be an elite group?

Regardless of how much we get involved with F.C.F. activities such as camping, hikes, games, etc., let us always remember this is part of Gods work, and if we leave Him out of it, we are completely off course.

Our last District Rendezvous did not produce very much response, so lets get involved and we could become not only the greatest, but the most active F.C.F. chapter anywhere.

**F.C.F. CANDIDATES**

Ten leaders and three boys have applied for membership in the Frontiersmen Camping Fraternity. These candidates will receive their Phase I testing May 26, 1973, at the National Grass Lands near Decatur, Texas. The Rangers that pass the Phase I testing will be given the Phase II testing at the District Pow-Wow June 7 at Brazos Ranch.
