"How much more can I do in 84"

COMMANDERS CORNER

"Be Prepared" Why be an F.C.F member if you are not going to take part of meetins, ect.? Why be saved if you are not going to go out and win others to the LORD? We need you, you need to work.

Did you know that you influence 16 people every day? How is your influence on them? For the good I pray. I saw something at the B.R.T. the other day we Comm's need to pray about. Let us bind together in LOVE for one of our fellow Commanders who has a habit of smoking who wants and needs to be delivered from this habit.
