Rendezvous Meals

National Rendezvous is next week. If you are attending Rendezvous but you did not purchase a meal plan for camp, we are recommending that you go to Wal-Mart and get MRE's in the camping section for three meals per day for five days plus two gallons of water to cook with and paper plates and plastic utensils. We will bring trash bags and cooking equipment to boil the water. Concession stands are also an option for meals, but this will be a more convenient and cheaper option,

Thanks,

Eli Harris

Ramp Built by FCF Members

You may have seen the recent prayer requests for Tom Schlipp's daughter Sandra who is battling a recurrence of cancer. This latest bout has already put her in a wheelchair. The front door to her home is 5 feet above the ground, and the rear door 3 feet, so there was no easy way for her to get into and out of her home. Yesterday Eli and Jeremy Harris went down to Copperas Cove and spent the day working with Tom to build a wheelchair ramp at the house, using funds for materials provided by the North Texas FCF.

Some money was given specifically for this need at the JLTA last month, and the rest came from funds that are raised at our auctions at Family Days and the Christmas banquet. When you donate items to one of these auctions, or when you purchase one of those items, you help support projects like these.

Special thanks to Eli and Jeremy for spending the day building this ramp!

Keep Sandra in your prayers. She is home this week but will be going back to the hospital every three weeks for another round of chemo. Also, the blood clot in her leg is getting smaller but she still needs prayer for that as well.
