# Chapter Greetings

By Gary "Wild Wind" Bierschwale

Greetings All !

Hasn't it been a weird August? I have never seen rain and mid 80's at the end of August... ever!

Well, since August is gone fall events will start happening! I will try to touch on all the things we will have going on so you can make plans to attend some of them.

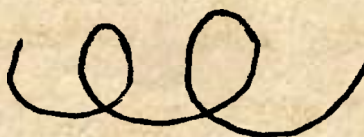

Family Days Camp will be October 21-23 at Lakeview Camp. We will start the camp Friday night with a gathering under the pavilion with music, devotions, and an auction for gear & pies! Make sure you bring your best pie or sweet to enter into the auction. Also, you members need to bring some of your hand made gear to auction off. All proceeds will go into our "Raise the Village" fund. Saturday will start out with a devotion from the Prospector and then all kinds of family activities and games. I hear Mrs. Rene has some really fun games for the little ones! There will be an FCF type wedding in the afternoon behind the Ollie Henley Lodge, if you want to attend. In the evening we will gather and have a meal together under the pavilion. After we return to our camp, a circuit-riding preacher will be making his way around the campground. We will be doing the Saturday evening meal a little different this year by not having a pot luck. Bring enough food to feed your family and to invite a guest or two to your table. We will still be eating together at the pavilion... it just will not be pot-luck. After the preaching and eating there may be a Round Robin going on... Sunday we will hear a word from Prospector, break camp, and head back home. This is a great camp to bring your family to and have a good old pre-1840 time! Please make plans to come and have a good time with us!!

This year FCF will be planning and running the Winter Camp, Nov. 18-19. The theme will be Highland Strongman Games. We will be portraying the Scottish Highland games, only on a smaller scale for you young bucks. The games will include caber toss, stone put, hammer throw, weight toss, and Maide Leisg. We ask that all you "wanna be" Scots wear a kilt and act the part of a true Scotsman. There will be a prize given for the best looking Scotsman outfit! So be working on your weight lifting and outfits so you will be ready to take the Prize!

If you want to be a part of the canny crew or just would like to learn more about artillery, there will be an artillery camp Jan. 20-22 called School of the Piece. This camp will teach you all you need to know in order to safely shoot and service a cannon. You will be able to see, shoot, and learn safety rules on several different pieces. If you have ever wanted to shoot, buy, or just see different artillery pieces, you should come join us at Lakeview Camp.

Well, this is all I have to say right now. Please read the rest of the letter and join us at some of these events we have planned for you. See you down the trail!

# Upcoming Events

By Frank "Jawbone" Super

Shawnee Trail:

I wanted to fill you all in on 2017 future events that you really need to put on your calendars and make plans to attend. Here they are:

1) Brush Poppin' Trace 2017: March 10-12, 2017 at the FCF Village at Lakeview Camp. Brush Poppin' Trace will have the theme of "Come Join the Adventure", based upon the Book of Matthew, Chapter 14, verses 22-33. This scripture recalls the account of Jesus walking on the water, calling out to Peter to join Him, and then Peter stepping out, sinking, and then grabbing hold of Jesus to remain above the water. All of us FCF members have been called to step out of the boat, or put another way, to get out of our comfort zones. What is Jesus calling you to do in 2017 that might feel uncomfortable to you? What about those non-FCF Rangers and Commanders who want to join FCF but are worried about the unknowns of "walking on the water". At the 2017 Brush Poppin' Trace, FCF members can seek God's will and determine to break out of the everyday and increase their commitment to Christ. There will be a Frontier Adventure during the Brush Poppin' Trace, so all you Rangers and Commanders who want to get out of the boat can come to camp and go back in time to the pioneer days. You never know what you might find, but I guarantee you that you will find adventure and a closer walk with the one and only Savior.

2) Frontier Brigade Camp (FBC) 2017: June 21-25 during the Junior Leadership and Development Academy (JLDA) at Lakeview Camp. A wonderful opportunity to come enjoy the outdoors and learn outdoor related skills and adventure. The FBC will teach required skills needed for the FCF experience such as: knife and hawk throwing; flint and steel fire making; Outdoor, Pioneer Style Cooking, and good old time camp fun. A Frontier Adventure will also take place during FBC.

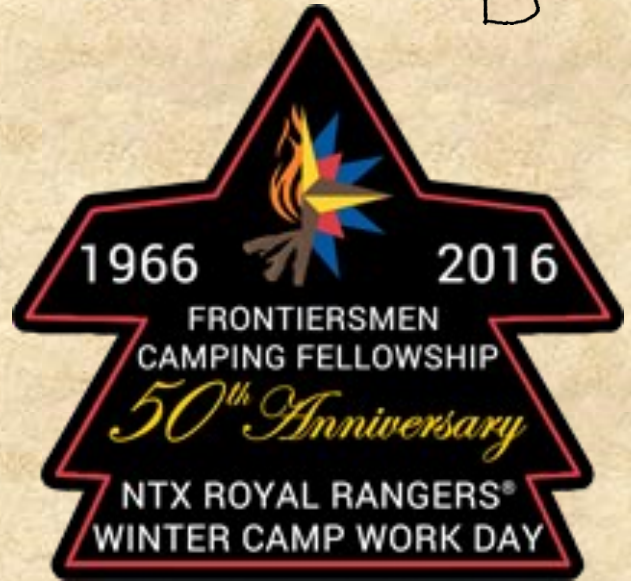

3) 2017 Territorial Rendezvous: July 12-14, New Mexico Mountains. To all you Texans who want to take a break from the summer heat of Texas, this Rendezvous in the mountains of New Mexico is your chance. Come to the mountains and enjoy cool, dry air, cool nights, and mountain solitude. The Territorial Rendezvous is a great adventure to go outside and employ all of your primitive skills. There will be challenging skills competitions for knife and hawk throwing, archery and black powder shooting. The courses at the New Mexico camp are always the best and most creative and getting to enjoy them in the cool dry air in the mountains makes the whole experience that much more enjoyable. The Council Fires up in New Mexico are delightful, with the clear skies and twinkling stars overhead a clear reminder of our Heavenly Father. Hot and cold running water is at the showers, and the water is always hot or cold depending on what time of the day you take your shower. Start making plans now to go to New Mexico. Its a long trip but absolutely worth it. I hope to see you all there.

# Winter Camp Work Day—Nov 5

By Frank "Jawbone" Super

Shawnee Trail - "To give and to serve" in North Texas and beyond.

Hey fellas, we need help to clean up our camp, again, so come and give your time and service to our district. It rained a lot this year, and as a result, the Lakeview Camp weeds, grass and trees exploded. This last weekend I drove through the camp and was astonished to see weeds that were higher than the top of my pick-up. I brush hogged that area down to the ground in April. Wow! Nature is so impressive. So bring all your cutting tools, chain saws, flat-bed trailers, and energetic young men and help us clean camp.

The work day is the best time to prepare your individual camp-site for Winter Camp.

Work Day will start at 8:00 am Saturday morning, November 5, lunch at noon, and then all hands can turn to their outpost camp-site after lunch.

## Picking a Trade for FCF

By JD "Lawman" Smith

Now that you are in FCF, what will your trade be. What is a trade you ask, well a trade is you making goods or providing services to others as a means of making money or bartering for things you need or want to complete your persona or just to have because you think it would benefit you in some way. There are many different trades for you to pick from. The best way is to check the FCF website to see what trades are available. Then what are your interests? How much money do you have to spend on supplies and equipment? What equipment do you need? This will be two of the biggest factors in choosing what you want to do. What are your skills? Is there someone already doing the craft in FCF that could mentor you in your start-up? Is there a market for your trade?

These are just some of the questions you have to ask yourself and others in FCF. The trade you start with, may not be the trade you end up with. Cost, space, time, difficulty and interests will dictate what you end up with. Talk with others, watch others while they do their trade and ask questions.

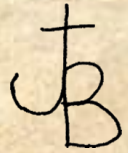

There is a wide range of things to do. Some things are already being done by others somethings are not, but that shouldn't stop you from doing them, if that is what strikes your fancy. Go for It!!!

Everyone that has gone before you are willing to help you and welcomes your questions.

# District Winter Camp

By Frank "Jawbone" Super

To the Shawnee Trail Fur Trading Company:

I hope that all of you have heard about the big Winter Camp coming up. The event takes place November 18-20 at Lakeview Camp in Maypearl. The theme of the camp is celebrating 50 years of the Frontiersman Camping Fellowship (FCF). Because of the special theme, I encourage all of you Old Timers out there to rig up your wagons and set up the time traveling machine to head back in time once again to the days of our pioneer forefathers. The FCF Village at Winter Camp will need to be HUGE!! We need to string up as much canvass as we can fit out in the old North 40. What a great time of year to camp outside in a canvass tent!!

I heard that Wild Wind plans on wearing his kilt at camp and showing off his ancient Scottish heritage and leg hair. He's trying to get all of us to wear kilts too. I'm thinking about going for it! Don't you all want to come out and wear a kilt outside and not get in trouble? So get your Scottish thing going and come out and have some fun at Winter Camp.

The FCF Village will be the site of numerous games and activities, so we need to haul all of our Young Bucks out of their houses, off of their entertainment systems, and get them plugged back into the wilds of Lakeview Camp. The FCF Village will host a cookies and hot chocolate mess after Saturday evening service, so make sure that you have all of your candle lanterns lit, and put on your best fur trade era duds to celebrate 50 years of FCF by enjoying hot chocolate and cookies with all your fellow Royal Ranger brothers. Word has it that their might be special prizes for the first 100 visitors in the FCF Village that night after service.

Don't forget that you need to bring your own cooking gear out to camp so you can cook your own meals. Please use a fire ring, brazier, or other "above ground" item for your fire. The reason for this is that the field needs to stay green without depressions or holes in it. Ground fires always leave a scar, no matter how careful you are. If you have any questions about fires and cooking please call me. There are many alternatives to ground fires.

When you arrive and head to the FCF Village, please check in with me before you start pounding stakes into the ground. The village will have a layout, and we want to see the layout adhered to as best as possible.

Thanks Shawnee Trail.

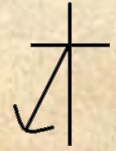

May God bless you, your family and your outpost and church.

In Christ's Love,

Frank "Jawbone" Super

# Prospector's Gold Nugget

By Lee "Prospector" Fogleman

Greetings brothers and sisters in Christ,

I pray everyone is doing well! Summer is about to come to a close. Are you ready to go back to school as the weather becomes good camping weather? Young bucks as you go back to school be ready to witness and talk about Rangers. We all need to grow as followers of Christ. All of us are called for a purpose. We need to step up and answer the call God as on our life.

A great warrior has left us, Robert Jimenez, known in FCF as Two Belts. I'll never forget when he came to a North Texas Pow Wow and spoke. Two Belts talked of how his pastor asked him to be over Royal Rangers. He accepted the call. He told us how that he felt that he was never really saved but agreed to answer his pastor's request. Then God entered his life by a young boy who led him to Christ! This man, Robert Jimenez, became a mighty warrior for Christ. He went to Arizona and became a missionary for the Indians. We will never know how many souls he led to Christ because a little boy witnessed to him. His name Two Belts should be changed to Two Hearts. I was so glad I went to Camporama this year because when I saw Two Belts I ran up to him and shook his hand. I felt the power of the Holy Spirit all around him. He was a man full of testimonies and miracles that had flooded his life. I know I will see Two Belts again, when I too am called Home to be with our Master (Jesus Christ).

Let us pray:

God we ask for you to enter into our lives, we know we cannot make it without you! You are our gold and silver! We ask to become "prayer warriors" to lift one another up and put our trust in You! We ask this in Jesus' name, Amen.

Wolf (Wife Of Lee Fogleman) and I are looking forward to Family Days October 21st - 23<sup>rd</sup>. Come ready to trade, enjoy the fellowship, and worship of the Lord. The Holy Spirit will be there waiting for you. He invites you to come! Answer the call!

In His Service,

Prospector

**2016 North Texas District  
Pastor's Certification Form**  
(For everyone 18 years old or older)

Why a background check and pastor certification?

Our children are under attack. Therefore, we must take extraordinary stapes to protect them from abuse. Our purpose is not to eliminate parent involvement in outings, but rather to provide the safest environment possible by requiring background checks on all adults (men and women, 18 and older) attending. Because of the large number of applicants, it is impossible to check references on every applicant. As a result, great reliance is placed on the representation of each applicant's pastor to insure the applicant's suitability for working with minors.

Each adult who is registering for a district Royal Rangers event during 2016 must have one of these on file with the district for the year. The form may be signed by the senior pastor or a staff pastor who is familiar with the adult who is attending the event. The church is responsible for completing the contact information, church information and performing the background check.

**Form must be completely filled out and signed by your pastor to be valid.**

**Pastor's Certification for Church Worker/Adult:** I am personally acquainted with the adult applicant for the North Texas District Royal Rangers camps, and in my opinion he is a competent and qualified youth worker. I know of no facts or allegations that raise any questions concerning his suitability for working with minors in any Royal Rangers activity. The church has on file the applicant's youth workers screening form. I acknowledge that my certification of this church worker/adult is good from now through the end of 2016.

**Reproduce this form as needed; one copy is needed for each adult attending an overnight event**

# Camp Rules and Information

- You may set up anytime on Friday.
