

CALLED TO FINISH...

Whether Jesus returns before this century draws to an end or far into the century beyond, there is one thing that remains clear: we are called to finish... called to finish the work He has given us to do, called to stand for what is right in a world that is so dark, called to lead lives to Him. Our 1999 Pow Wow will be a time of yielding to God's calling.

Young men yielding to the Holy Spirit's call

Men and boys seeking God

We want boys to know that God has not called us to the least we can do or to just get by in our service to Him; He has called us to finish the work. Please pray with us for the sweet wind of God's Spirit to blow over the camp and ignite a flame in the hearts of men and boys. This year's Pow Wow will be held June 4 - 6 at Lakeview Camp in Maypearl. Pastors have a special invitation to attend our Council Fire on Friday evening at 9:00 p.m. (please arrive by 8:30). It is our prayer that you will join us for this time of worship and waiting upon our Lord.

Make plans now to join us for our work day on Saturday, May 8th. We have many projects needing completion and campsites that need clearing. It is important that we have as many men as possible out to help us on this day so that we can prepare the campsites and buildings for all the campers that will be arriving for Pow Wow. Only those outposts who come on this day will be pre-assigned a campsite for Pow Wow. Come prepared with the work tools that you have available, if you don't have any work tools then bring the best one of all...a willing spirit.

Before we can play there is much work to be done!

The District would like to take the time to thank all of the pastors who have supported the Royal Rangers program in their churches this past year by ensuring that a vital ministry is in place. On your behalf, we recently accepted a national award naming the North Texas District as #1 in having the most churches with Royal Rangers. Thank you for reaching, teaching, and keeping boys for Christ!
