### Royal Rangers Salute Our District Superintendent

*Superintendent Dubose has been a great advocate of Royal Rangers. He has seen the need to help us and let us build and run our camps. Through his help, we have the # 1 camp for Rangers in the U.S.*

*With his foresight, we now have national camps at our campground and we generally run two of these a year.*

*Our men have gotten behind us in our endeavors to make Rangers the best in the nation. Our men know that Brother Dubose has been with us in body as well as financially.*

*We salute you, Brother and Sister Dubose for all your help. This one paragraph will not tell all that he has done for me and Royal Rangers in this district. Only eternity will reveal that. Thanks!*

*In His service,*

*Paul Patterson*

*District Commander*
