

Good Day Leaders:

I am excited to see who will achieve the “Outpost of Excellence” award this year! The Outpost of Excellence initiative utilizes a system that allows outposts to accumulate points throughout the year. The major categories where points can be earned are:

- Chartering
- Attendance of leaders at trainings (local and national)
- Outpost attendance at Royal Ranger Network events
- New Frontiersmen Camping Fellowship (FCF) recruitment of boys and leaders
- Attendance of boys at camps such as Academy and Security Color Guard Camp

The points culminate at POW WOW, where outposts can earn more points that will be added to overall points that were earned throughout the year. It will be these total accumulated points that will determine the award for the top Outpost of Excellence for the year. The top Outpost of Excellence will be recognized at the end of POW WOW.

This Outpost of Excellence initiative uses a percentage methodology that is based on charter numbers so that outpost size is neutralized to allow all outposts to be competitive. The “Outpost of Excellence” award also aligns the SNEMN Royal Rangers with Regional and National Royal Ranger initiatives. We are excited to continue this challenge and hope that you use it as a method to spur your young men toward being READY.

If you have any questions please feel free to contact me, or use QLC at our web site www.sneministrynetwork.org/departments/royal-rangers

District Director

Format:

POW WOW has traditionally been a place of fun and activity with spiritually based evening messages. We have learned that it is imperative that every activity be focused like a laser on our purpose. In other words, if the activity doesn't support our purpose, why are we doing it? Keeping this concept in mind while listening to your feedback over the years, we have shifted how we are doing a few things. The activities will involve more individual competitions, providing the opportunity for individual awards while contributing to the Outpost points. We will also have an Extreme Orienteering course that continues the elements of "danger" that boys dream about yet within a well controlled environment so safety is maintained. We will continue to have other self-starting activities that allow greater fellowship among the boys across outposts. They can choose their level of participation in these activities. We want the weekend to be both relaxing and fun for your Outpost. Let's partner together to make this a fun and spiritually challenging event for our boys.

Extreme Orienteering:

On Saturday we will have the main event EXTREME Orienteering to emphasize to the leaders and boys that "with God's help" we can do our best to build up! To emphasize this we will focus on the scripture in 1 Peter 2:4-5 "You are coming to Christ, who is the living cornerstone of God's temple. He was rejected by people, but he was chosen by God for great honor. And you are living stones that God is building into his spiritual temple. What's more, you are his holy priests. Through the mediation of Jesus Christ, you offer spiritual sacrifices that please God." We want your outpost to have the opportunity make the main event exciting by having it create a BMX bike, and a cardboard and duct-tape boat to race as an Outpost! There are other legs to the race that incorporate rock climbing, and shooting flaming arrows! So you'll want to practice archery, but first you'll need to teach them how to start the fire!

Final things:

If this will be your first POW WOW, contact Brian Constantino brian_con2000@yahoo.com (Outreach Coordinator) before POW WOW to arrange for a campsite.

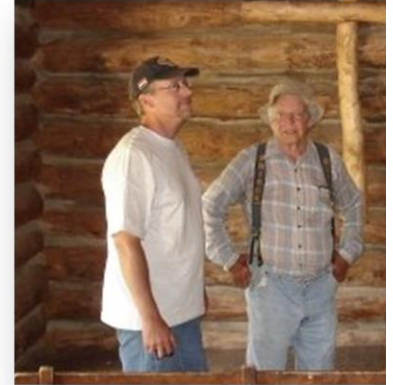

Begin praying, now, for POW WOW. Many young men and leaders are touched by the Holy Spirit at the altar services every year. I believe we reap what we sow. Sow prayers now. Pray with us for a great POW WOW!

Thanks for your service and dedication to mentoring future men to become life-long Christ-like servant leaders. I look forward to seeing you there!

-Pastor Brent Maracle

Our Speaker: Pastor Brad Whipple

Rangers has always been important to Pastor Brad Whipple. Whether backpacking for 3 days up Mt. Greylock with Buckaroos, sprinting to the finish line at a POW WOW race or serving as a “Junior Commander” in Groton, Connecticut’s old Outpost 8 at age 15, Rangers holds a special place in his heart. As the founding pastor of Seaport Community Church in Groton he has made Rangers a priority knowing the value of the leadership lessons he gained at the hands of godly commanders.

**Pastor Brad Whipple
Seaport Community Church**

“PB” as he is frequently called, grew up in a home where his carpenter father used building illustrations to communicate spiritual truths. For nearly 10 years Pastor Brad worked every summer and vacation in the construction trades in a variety of roles. Although he doesn’t build very good Ranger Derby cars he did build a full size 1929 Mercedes replica kit car.

One of the joys of his life is riding motorcycles. He has taken motorcycle trips across most of the western US as well as the Swiss and Italian Alps.

One of the great honors of his life was serving as the Director of Youth and Christian Education for the Southern New England Ministry Network for 7 years. His current passion is planting churches and serving as the pastor of Seaport and it’s 3 campuses with at least 2 more coming.

The invitation to speak at POW WOW is a profound privilege. He covets your prayers for God’s blessing and power to be present at this year’s POW WOW event.
