SPRING 1998

District Awards Two Gold Medals of Achievement!

Mike Hoffman with his parents

(This has been quite a spring for the Northern New England District Royal Rangers as we presented not just one but two Gold Medals of Achievement)

On Saturday April 4th, Mike Hoffman of Outpost 34 - Vergennes Vermont was recognized for his outstanding achievement.

The event began with a great musical prelude presented by the South Burlington Middle School Orchestra. The church was impressively decorated for this very special event. Following the music, the many guests were welcomed by Mike's pastor, Dennis Marquardt (assistant district superintendent). Following this, Mike was escorted into the ceremony by the previous

I love a parade, and so did
these rangers.....See page 6

On the evening of June 13th, amidst the glow of candles and the soft sounds of piano specials, Joshua Philbrick was awarded this district's sixteenth Gold Medal of Achievement. The Master of Ceremonies (Dep. District Commander Jay Hoffman) conducted a very meaningful ceremony, which was both rich with symbolism and sprinkled with humor.

The speaker for the evening was Rev. Gary Stearn. His message communicated the fact that though someone's recognition or "moment of glory" may seem to arise suddenly, there is usually time, effort and energy expended leading up to that moment. The Lord trains and prepares us all

A Note From the D.C.

Mark A. Blanchette - District Commander

Greetings Commanders! I trust that all is going well in your outpost. As we continue to march through this year it seems that "Building" the staff is the theme. During the May presbyters meeting a district staff position was unanimously voted on to accept Kevin McCullough as the new Training Coordinator for our district. I am very excited and pleased to have Kevin on board our team. He and his wife were featured in the last issue of the Pony Express and you can catch his heart in that article. On another note, I have sadly accepted a resignation letter from a long time sectional commander of the White Mountains. George Tusi, who was awarded the Outstanding Service Medal this past February, has decided to step down from this position to spend more time with his family. George has done an outstanding job as sectional commander and has been faithful to this ministry. I want to publicly thank George for his support and prayers of this staff and district. He will remain active in FCF so I'm sure that we will see George "Two Feathers" Tusi around.

On July 10th the NNED will be heading out to Eagle Rock, Missouri with 53 rangers for the 1998 Camporama, Let Freedom Reign. Please pray that God will give us traveling mercy to and from Camporama and that God will do something special in each of us. We will have a report and pictures when we return for the next issue of the PE.

I am really looking forward to this years Pow Wow; Pirates of the High Seas. So far we have 21 outposts that will be attending! This year we have joined our efforts with Southern New England to bring you, what I feel, is going to be one of our best Pow Wow's ever. Our guest speaker is Kenny O'Bert, the SNED District Commander. We have talked several times on the phone and at national council and we are both excited about this years Pow Wow. Last year we had a dynamic move of God in the hearts of the boys and commanders and I feel that with the message(s) that will be brought forth will challenge us and we will see the hand of God move in our midst. I want to encourage you to begin to pray for this event as "The Pirate, The Enemy" would love to steal our treasure and have us all be shipwreck. It is only the Master Ranger that can keep us on course until we meet Him.

The Pony Express is a quarterly publication of the Northern New England District Royal Rangers, Mark Blanchette - District Commander. The Pony Express is an excellent way to promote what is happening in your outpost, section and district. We welcome you to submit articles, photos, etc. Please send your articles to the address found on the back page. Articles may also be send to us via the internet at READYPGE@sover.net

While a subscription to this newsletter is sent free to the senior commander of each chartered outpost, any offerings to help defray the cost of this publication would be appreciated. If you, or anyone in your outpost would like their own copy, subscriptions are available for \$5.00 per year. Subscription requests may be sent to us at the address found on the back page. Checks should be made payable to N.N.E.D. Royal Rangers.

Choice Christian Greetings to all my brothers & sisters in Christ,

Well the ole Wooly Bear has moved to a new den and is still trying to get there. My new address is Sid Bean, 2 Canal Street, Farmington NH 03835 and My phone # is 603-755-8927, I'm not on-line at this time but hope to be in the future.

Now to bring you up to date on what's been happening with the King's Pine chapter. The Family rendezvous was fun and very blessed. I know I say if you missed it you missed a blessing, but it is so true. As usual we had fun and great fellowship. It was a laid back time for us and we only ran into the events that the brothers and sisters wanted to try. This year we had a woods walk and *Firebird* did a great job on setting it up except it was a might long. The food was great again and we had turkey, ham, roast for the meat and *Griz* made his bean-hole beans (done to perfection I must say). Along with the side dishes, nobody went hungry. The only thing missing was some of the older brothers & sisters, but we had lots of new brothers & sisters there. Sure did miss the older ones though. The teens started a game of rugby and before you knew it, *Smoke Signal, Lighting Bolt, Nightwind, Empty Lodge, Crazy Dog* and the wives were in there beating up on each other, (just kidding, they really had a great time). Watch out for Katie, she can tackle with the best of them. Now for the best part of the whole rendezvous, which was Sunday service. We had a guest speaker (Bob Elliott), but the Lord impressed on him to have a prayer service. We lifted each other up to our Lord and when He touched us, what a feeling. Hurts were healed and hearts were mended. Tears fell but the joy of Jesus was there on the faces as he touched each one as they were lifted up to Him. It seemed like Jesus

Continued on page 3 - FCF

was waiting for each person to be the center of the prayer circle, and He reached out and touched him or her. I guess this is what the family rendezvous is really about. We receive blessings from the fellowship among the brothers and their families plus the touching from our Lord, Jesus Christ when we lift each other up in prayer. Guess that is why I can say you missed blessing if you missed the rendezvous. Make room on your calendar for next years rendezvous to be held on Memorial Day weekend.

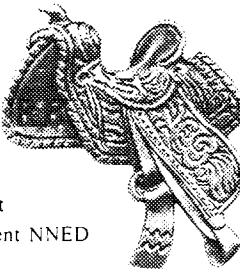

In June the King's Pine held the Phase I testing for 1998. Praise God, we had 15 take the test to join FCF, and out of the 15, 12 passed and will go onto the Frontier Adventure in July, (July 14th - 15th). I must say that everyone who tested had the spirit we are looking for in FCF and with a little more studying will make a great King's Pine brother. The other good news is that out of the 12 that passed, 7 are boys. Praise God for bringing them in. We are a ministry for boys after all. Some of the "Greenhorns" can really cook and will fit right in with the rest of us. They brought Dutch ovens and knew how to use them. They made venison stew and a chicken with rice & broccoli that melted in your mouth. *Crazy Dog* is quite a cook and together we made an Orange Chicken with wild rice that tasted pretty good. I got the recipe from Commander Duane Wheeler from the state of Washington.

The King's Pine chapter has elected an Assistant District Scout (Steve *Turkey Feather* Corum) and a new Buckskin representative by the name of Jim *Firebird* Auchmoody. Congratulation to both of you and I know you will do your best. If you are going for Buckskin this year, please contact *Firebird* or myself. I know there are some brothers who said they wanted to pass Buckskin this year. We need your help at the Frontier Adventure to instruct and test the Greenhorn this year. At the business meeting there were lots of hands raised to help. Let me know if you want to take a certain class or what you want to do.

I want to say thanks to the brothers who have made the events (clean-up, Rendezvous, Phase I test) and I really do enjoy the help. You don't realize how much

FROM WHERE I SIT...

Rev. Dennis Marquardt
Assistant Superintendent NNED

Recently at the District office a change of job portfolios occurred which has put Royal Rangers under my office. I am very grateful for the wonderful job Gregg Randall has done through the years working with Royal Rangers. I count it a privilege to work with our Ranger program. I am doubly grateful that I already had gone through the LTC training when I was a Presbyter, and believe this will prove to be very helpful now! Rangers is a great program and has enormous potential for the development of our boys throughout our District.

I thought I would share a short column to introduce myself to the Rangers of our District. I am a 3rd generation Assemblies of God Pastor. Two men have played a huge role in my life. My Dad exemplified what a Christian man can be and stamped into my heart a love for God and His Church. My Mom and Dad just celebrated their 53 wedding anniversary and I still consider them an important part of my life. My grandfather was one of our Assemblies of God pioneers back in the earlier part of this century, and he played a big role in my spiritual

of a burden you take from me by your commitment, thanks Brother.

The Lord is bringing new brothers to us to train and He has placed them in our care to be a mentor to them, not only in FCF but also in fellowship with him, The King's Pine (FCF) is a tool to Teach boys for Jesus, let's use the tools He has given us. (Our hearts, our Christian walk, our fellowship, and ourselves), We are going to be used by Him more and more as we grow in not only brothers but in Him. Hope to see you all at the Frontier Adventure on July 24th & 25th. Also we have been invited to go on a Pathfinder trip with the George Washington chapter. The information is being put in the mail to me right now, so if you feel led to do this, please let me know.

Wooly Bear

development as a child when he retired from ministry due to 13 heart attacks and lived near my mom and dad. I have an Uncle who served for many years as the German District Superintendent, the district I grew up in. I have been blessed with many fine men to guide me. Royal Rangers certainly ties into this very important concept, for it is men living for God and steering the lives of young boys to become men of God. I was a young boy when the Lord called me into full time ministry. The ministries of my home Church and those who worked with us children continued to stamp on my heart a love for God. There is nothing more important in our society than this kind of ministry. After Graduating from Central Bible College in Springfield, Missouri my wife and I moved to North Dakota where I pastored a Church my grandfather had pioneered back in 1935. I was there in 1975, 40 years to the year that he had planted this new Church. I was struck with the sense of God's unique gift in having a grandson return 40 years later to pastor the same Church! Royal Rangers is all about men transferring a love for God from one generation to another. We can find this in Scripture also. I have always been fascinated by Abraham and his son's example in Genesis, it states that they each traveled a great deal, and when they stopped they always did 3 things: (Gen. 26:25) "BUILT AN ALTAR, PITCHED A TENT, AND DUG A WELL". These are the 3 great priorities for us men: (1. "Build an Altar" means to establish as priority our own relationship to God. The altar was always built before the tent was pitched or before digging a well! We do our best leadership as men when we live godly before our boys first! (2. "Pitched a tent" has to do with the home. The second thing they did was establish the home, making it a safe place and a comfortable one. Here they shared life together. (3. "Dug a well" has to do with work. Work was the third priority, not the first! The order is quite important in these three.

Rangers gives men a great opportunity to impact the boys who will become the leaders of tomorrow. I look forward to working more closely with the Royal Ranger program of our District and its leadership. Let's take another generation for Christ!

Dennis Marquardt
Assistant Superintendent NNED

PHILBRICK

for the time he has appointed us to carry out His purposes. All our life experiences are able to be tools for training, if we will but steadfastly follow the Lord and trust His hand to guide us through our future.

District Commander (Mark Blanchette) made mention that the evening could very well have been a cause for great sorrow, citing a recent incident Joshua was involved in while transporting some of his siblings. A driver who fell asleep at the wheel and slipped into the oncoming traffic lane caused Joshua to narrowly avoid a head-on collision, and certain tragedy. It was the Hand of God that saw fit to have Joshua stand before those gathered that evening as he received his award.

Those attending the ceremony were blessed to hear Joshua's sister, Elizabeth, playing the piano during the actual pinning, and Joshua himself played a moving piece in dedication to his parents. Following this time of recognition, there was a wonderful time of fellowship around a meal fit for a king and celebratory cake.

As we are left to bask in the glow of this young man's achievement, let us ask ourselves if we are cognizant of the fact that our current trial may be molding us to be able to fulfill some future plan, and that our days are not free for the spending, but rather limited and numbered. Are we "applying our hearts unto knowledge" and facing new challenges with an attitude of winning and joy at the opportunity to have character developed in our lives? Yes, through much work and persistence boys are able to earn the Gold Medal of Achievement, but, for those of us that are called leaders, it is that same effort and persistence that is needed to develop true Christ-like character in our own lives so we may effectively continue to reach, teach, and keep boys for Christ.

C. Blanchette

DC

Pow Wow is the biggest district event of the year where the boys can show their skill learned, have some good fun and where all Rangers, this includes commanders, can get a special touch from the Master Ranger. Although, I believe that the commanders and dads are going to have a lot of fun too! However, despite all the fun we may have, "catching up" with fellow rangers from across the district. The most important thing is for God to move in our hearts. I don't want a single boy, dad or commander to miss out on this. I want you to know that this commander wants you to come to Pow Wow! I am aware that some outposts have boys that don't have two pennies to rub together, that's okay. Bring them anyway and if you make us aware of any financial constraints we as a district will remove that obstacle. Now all you have to do is bring the boy, feed him and give him a place to sleep. There is no price for a boy to be touched by God but there is a high cost for one to be lost.

The scriptures tell us that "Unless the Lord build the house, they that labor, labor in vain" God is building the Royal Ranger ministry around the world, in our nation and right

Mike Hoffman (GMA #15) and Anthony Weed (GMA #14)

here at home in our district. It isn't the hand or minds of men that are putting the plans together or building the "house" but rather God himself is planning and building this ministry. We are just tools in His hands serving the King. I can see that God is blessing our district and I'm looking forward in see-

HOFFMAN

two GMA recipients (Anthony Weed and Steve Corum). Mike became only the 15th Gold Medal of Achievement recipient in our district and the 3,499th ranger overall. A special treat of the ceremony was the participation of straight arrow Josh Rollet, Buckaroo Aaron Cass, Pioneer Dan Rueger and Trail Blazer Bryan Schmidt.

District Commander Mark Blanchette presented Mike with his GMA as well as a variety of gifts. One special gift was a United States Flag that had been flown from the top of the capital in honor of Mike by Senator Patrick Leahy of Vermont. Many letters of congratulations were also shared. Perhaps one of the most special items of any GMA ever came as Mikes dad came to share a blessing on his son. Citing the scriptural basis of a father blessing his son, Jay Hoffman first expressed his love and pride in his son and then prayed that the Lord would richly bless Mike. After all of the presentations, gifts, readings and praise, the evening concluded with an outstanding banquet in the fellowship hall.

ing what God is going to do. Let's not forget to glorify and praise His Name! Until then, peace be your journey.
His bondservant,

Mark A. Blanchette
District Commander

ROY

98 Regional Ranger of the Year Wrap-Up

Greetings, this spring the district has been very busy. In April, Kevin McCullough and myself took Anthony Weed - Outpost 33, Steven Corum - Outpost 40, Seth Masterson - Outpost 40 and Jonathon McCullough - Outpost 36 to Ghent, West Virginia. We had a great time on this year's trip. On the way down the boys saw a lot of deer and turkeys in New York and Pennsylvania. The trip took us 14 hours with the boys sleeping most of the time.

The Appalachian District did a great job of hosting this very busy event. We stayed at their District Hotel plus all the testing was held at the dorm and the district office this year. The test was done in record time. Praise The Lord.

On Saturday we all went on a tour to the Youth Museum, Coal Mine Tour, and the New River Gorge Bridge. This Bridge is a engineering marvel. It's the longest single arch, steel span bridge in the world - 3,030 feet long with a 1700 foot arch. The bridge also strides 875 feet over the gorge. This was truly one of the boys' favorites. Penn-Del District and Potomac District took this year's Regional Ranger of the Year Event.

On a personal note I would like to encourage all commanders to participate in Ranger of the Year Testing. It has truly been a blessing for me to see what comes out of the regional testing. In 1997, 2 of the 4 boys received the Gold Medal of Achievement, the third boy is still working toward that goal this year. We sent 2 GMA to Regional Testing while the other two, Jonathon and Seth, have seen the vision and they both want the GMA. The friendship that also came from this trip is great. So to wrap this letter up, I HIGHLY recommend R.O.Y. Testing.

Thank You.

Donald R. Filena
Deputy District Commander
of New Hampshire

Fun(d) Raiser

Dear Pony Express,

Greetings from your brothers in Christ at Outpost #2, Bethlehem, NH! I just wanted to share how God loves the Royal Ranger program and supplies all our needs according to his riches and glory through Christ Jesus. On Sunday, March 29th, we had a pot luck dinner and a rent-a-ranger fund raiser after our service. After a wonderful lunch, we started our rent-a-ranger auction. My policy was hire 2 straight arrows or buckaroos for two hours, 1 pioneer for 3 hours, 1 trailblazer, challenger or commander for 4 hours. The minimum bid started at five dollars.

I was the auctioneer and carefully explained what the money would go for and how powerful the ranger program is in reaching boys for Christ. I also shared some of the exciting things God has done in our outpost. I then began the bidding with the youngest kids. I described the boys attributes and skills and told about the many things that they could do for the buyer including raking, sweeping, washing cars etc. After that, I auctioned the pioneers, etc. Not surprisingly, the older boys got higher bids than the young ones and the commanders were auctioned off for even more. One commander was auctioned for \$85.00! We also had three other men in the church volunteer to be auctioned off to help raise money.

It was a lot of fun and the best part is that the body of Christ was able to show their support for the ranger program. After all the auctioning was done, we had raised \$712.00! Praise God, I was shocked and just praised the Lord because he is the Master Ranger. Maybe you might want to try this fund raiser sometime!

God bless you all
Kenneth Hatch
Outpost Commander
Outpost #2

Fun Day

It was a beautiful sunny day on June 6th in Plymouth New Hampshire as eighty six Straight Arrows, Buckaroos, commanders, moms and dads came to the New Hampshire & Vermont Fun Day to tour the Polar Caves.

It was told to us that the Polar Caves were formed as glaciers moved southward over New Hampshire's White Mountains. As the ice thawed, great blocks of granite cracked and loosened from Mt. Haycock. They fell at the base of Hawk's Cliff forming an amazing series of caves and passage ways through which you can walk on a self guided tour.

The Rangers from New Hampshire and Vermont did just that, they explored the Polar Caves Park and discover a Rock Garden, peaceful nature trails that lead to the Rainbow Cascades and nestled into the woods was a Maple Sugar Museum. Also, many took advantage of feeding the Fallow Deer and a large flock of friendly ducks.

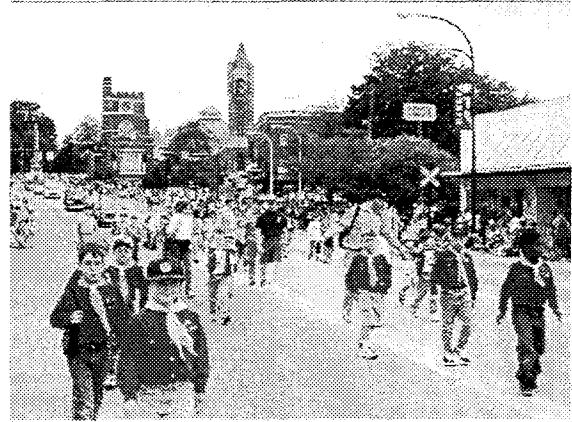

After the fun of touring the caves and of course eating a picnic lunch, Jerry Love of Outpost 36 gave the afternoon devotional. However, with Jerry's humor he lead everyone in a "Ravioli" song. I think we'll have him lead the entire district in that hit song. Jerry spoke on "Footprints" and how God is with us in every situation and when times get difficult He will carry us through. Each person got a piece of paper with a footprint on it and were encouraged to write a name of someone they knew that didn't know the Lord. He then had everyone form one long line, stand on their paper footprint and he lead us in prayer as we all claimed the victory for those souls!

I'm sure that we will be hearing some testimonies of how God moved and answered the prayers of many that day. Some of us might never know until we reach the other side. I want to thank everyone that attended and for those that helped make this event such a success.

Mark A. Blanchette
District Commander

Rangers March in Parade

NASHUA, New Hampshire (PE) With an eye on the weather, over forty rangers from Outpost 43 turned out for the Nashua Memorial Day parade. Commander Bob Jackson's organizational skills were put to the test as the parade formation got under way and wound its way from Holman Stadium down main street to the Elm street school. The initial concerns about the distance disappeared once the boys started the parade route. We were very proud of all the Royal Rangers that marched in the parade, especially the Straight Arrows, who seemed to have the most fun waving to the crowds.

The onlookers really appreciated the cold drinks that were offered by two of our leaders who wore camel water packs. When the parade was finished many of the boys were excited and wanted to do it again but we told them they would have to wait until next year. The Royal Ranger ministry left a very positive image with the community and many comments were heard expressing appreciation for both the Commanders and Boys. We invite all Royal Rangers in the District to join us next year for this fun event where, not only did we get a chance to honor America's heroes; we got to honor the Master Ranger.

Security Camp

This past Memorial Day Weekend Northern New England joined forces with Southern New England down in Camp Collier, in Gardner Mass. They held their third annual Security Camp. This particular camp is held every two years. The boys were dropped off on Friday May 22 and then the camped closed with a drill demonstration and a family lunch buffet on the 25th of May.

They were drilled in marching, color guard and security patrol. On Friday watching those Rangers on the field they were having a tough time with close order marching. But by Monday they looked VERY impressive. They were doing Flanks, Columns, and to the Rear Drills.

On Color Guard they were placing the flag on the halyards and you can hear the snapping of the flag when raised. While I was taking the pictures, boy was I very proud of

these boys. The following boys from N.N.E.D. were picked for raising the flag on graduation day, they are Chad Franz Outpost 5, Brandon Kale Outpost 29, Seth Masterson and Danny Ludwick Outpost 40. The following commanders were part of staff Paul Mead, Ken Bustard and myself.

I personally want to thank each boy who attended this camp Andrew & Brandon Kale, Steven Waldron, Keith Mead, Chad Franz, Seth Masterson and Danny Ludwick Jr. Job well done. This truly was a great camp and I personally am looking forward to the next one. At this year's Powwow you will see the Color Guard and Security Guard from NNED and SNED at work. Thank You and God Bless.

Donald R. Filena
Deputy District Commander
of New Hampshire

Pray...

Want to see God move in a mighty way at Pow Wow?

Want to see new commanders in your outpost?

Want to see new boys come to your meetings?

Want to see God transform YOUR life?

Here is the answer to your problem!

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land"

2 Chr 7:14

The Invitation

Seminar Outline

Registration Form

Congratulations!

May the Lord bless you for

stepping out to meet the challenge presented in

the *Royal Rangers Leadership Training Seminar*.

This weekend Seminar has been prayerfully designed to instruct and train men and women who have a real interest and burden for

working with boys. It is our desire that this

course will develop your full capacity and top efficiency as you lead young lives to a deeper walk in Jesus Christ. *The Royal Rangers Leadership Training Course* has been divided into

five sections, and is a full weekend commitment (Friday evening to noon Sunday). Bring your

sleeping and personal gear. You will be responsible for ordering your LTC course, Age group book, Pocket New Testament, FCF Handbook

and a Leaders Manual. Please read the Leaders and age group books prior to the course and complete as much of the assignments, located in

the LTC book, as you can. Additionally, all trainees will be required to wear a Royal Ranger

T-Shirt. An order list been included in this brochure in order to help you order your material. I'm looking forward to seeing your registration and if you have any questions please call!

On-the-job first aid skills for camping

SECTION I • ORGANIZATION

This section is a trip through the land of UNDER-STANDING AND COUNSELING BOYS. Christian principles and methods are put into simple, easy to understand terms that will enable you to deal with boys of today.

SECTION II • COUNSELOR

Major points of this section will be the philosophy of a successful meeting, planning and laying out of the weekly and monthly meetings, plus a detailed look at the ingredients of a successful Royal Ranger meeting.

SECTION III • COORDINATOR

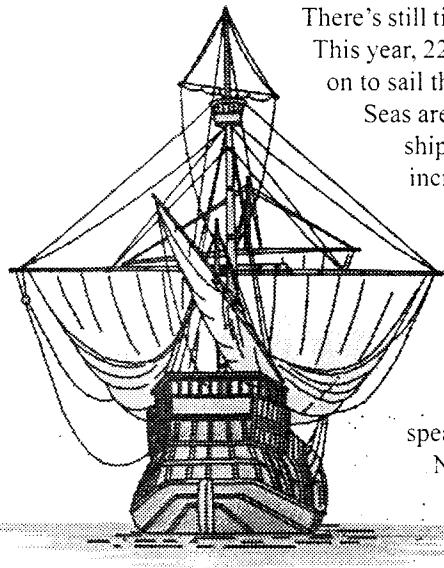

This program will help you learn the "whys and wherfores" of the camping program. You will see the Christian "building blocks" that can be taught through camping and learn the steps in planning a camping trip. You will gain information on outdoor health and safety in camping and acquire

SECTION IV • CAMPING

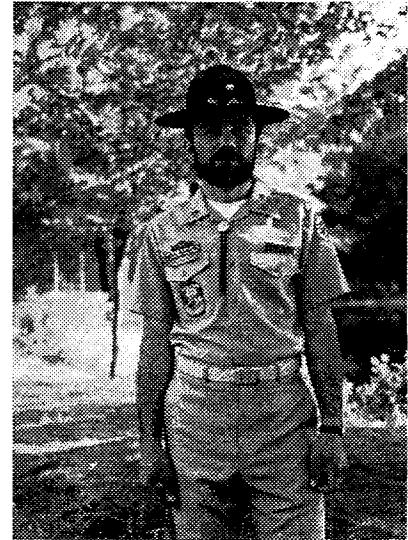

This section is designed to prepare leaders as instructors in Royal Ranger outpost meetings. It is designed to provide you with the basic tools to help you to become an effective teacher and communi-

Don't Miss the Boat!

There's still time for you to come to the Largest Pow Wow Yet! This year, 22 of your fellow Outpost Commanders have signed on to sail the seas of High Adventure. The Pirates of the High Seas are still looking for more men and boys to sign on as shipmates. Not only will you and your boys have an incredible time, but there's a real good chance that the boys will find treasures far beyond anything they could image. The staff has planned this Pow Wow for the purpose of *Helping You Lead Your Boys to Christ, Helping You Introduce Your Boys to the Baptism in the Holy Spirit and to Challenge Your Boys to Live for Christ*. We are greatly honored to have Ken O'Bert as our Pow Wow speaker. Ken is the District Commander from Southern New England. Many of you have seen him over the years, helping us out in any way he can. Now, why not come and hear what the Lord has laid on his heart *for You*.
