This history time line contains the history of the Wisconsin Northern Michigan District, North Central Region, and National Program.

Reverend Johnny Barnes, Royal Rangers National Commander 1962 -1989

1961

NATIONAL NEWS

In this year the Executives of the Assembly of God made a decision to begin a program for boys. In the fall of 1961 Howard Bush, Executive Director of the Men's Fellowship contacted Johnny Barnes for Texas to become the

leader of this boys club. Johnny Barnes moved to Springfield in January of 1962.

1962

NATIONAL NEWS

In February W.H. Scott suggested the name “Royal Rangers”. In mid year the first Ranger Outpost was formed at Central Assembly of God in Springfield, MO. In September of this year Ranger materials were issued.

DISTRICT NEWS

Rev. Lyle Curtis pastor of the Wisconsin Rapids Assembly of God Church, and a National Executive Presbyterian asked Johnny Barnes the newly appointed Royal Rangers National Commander to come to Wisconsin to introduce Royal Rangers. Johnny Barnes traveled to Merrill, Green Bay Wisconsin Rapids, Milwaukee Calvary, Alma Center and Milwaukee Parklawn, where the first six Outposts in the Wisconsin Northern Michigan District were established. Wisconsin Rapids had started a program called “Christian Cadets” Reverend Curtis instructed his church in Wisconsin Rapids to stop this program and start Royal Rangers. Howard Kuehl was the Senior Commander, and Gene Morrison the Lt. Commander. Ranger meetings were held in the fall of this year.

1969

DISTRICT NEWS

Reverend Curtis asked Gene Morrison what was needed to get the whole district involved in Royal Rangers, he gave him two ideas first was to choose a District Commander, and secondly to hold some type of district event for all boys and leaders. George Kupfer Milwaukee Park Lawn was appointed Wisconsin Northern Michigan District Commander by the District Presbyter Board. Reverend Roger Dissmore - Wisconsin Rapids, Gene Morrison – Wisconsin Rapids, and Milo Beuthien – Milwaukee Calvary were also appointed to serve on the Royal Ranger District Staff.

DISTRICT COMMANDER #1

George Kupfer, District Commander

George called a meeting for the newly appointed staff to talk about the future of our district, One of the main items discussed was to hold a Pow Wow, Sharon Morrison (Gene) and Georges work secretary Dorothy Forrester were also present at this meeting held in the Kupfer home in Milwaukee, this meeting was held in late July plans were made for a fall camp. Sharon and Dorothy made plans for awards, the awards were hand made, Reverend Roger Dissmore was asked to be the speaker, and the camp was to be held at Spencer Lake Bible Camp in the softball field area. Packets were made and mailed out for the event.

DISTRICT COMMANDER #3

Chuck Gamm

1972 was Chuck Gamm's first full year serving as District Commander.

Wisconsin Northern Michigan's first person awarded the National Medal of Valor was awarded to Phil Parsneau, Wisconsin Rapids, Reverend Roger Dissmore was appointed to the position of Deputy District Commander.

(Open letter dated July 20, 2005 from Commander Chuck Gamm to Commander Gene Morrison)

I believe it was 1972 when you (Gene Morrison) offered my name to the District Presbyters as a recommendation to be the District Commander after Roger Dissmore resigned. As you know (Gene Morrison) you recruited me to be the Section 6 Commander after you conducted a Sunday night service at our church in Waupaca. I believe that was in the winter of 1969. I was approved by the presbyters to take the responsibility and served in the position as District Commander for 1972 – 1981.

It was a time of pioneering for both of us (Gene Morrison) you were on the National Staff as the Aide de Camp to the National Commander Johnny Barnes assigned to this district by the National Aide de Camp Council to help introduce Royal Rangers and assist the District Commander in accomplishing his goals. You have been the ultimate role model and mentor for keeping ones eyes on the prize. That is to reach, teach, and keep every unsaved boy in our district for Christ.

At first most of the Section Commanders in the WNMD were pastors appointed by the presbyters and were more of namesake position as advisors. We waited on the Lord to rise up qualified Royal Ranger Commanders to fill those important positions. In a short time we had 10 laymen filling those positions of responsibility.

Our next step was to develop an effective working district staff and train them for the task at hand. I know that we visited many churches for special presentations about the Rangers ministry and spoke in regular services and special banquets, and campouts. My family traveled with me and Chris and Cory helped me set up the displays and show the slide presentations. We worked at building a quality infrastructure based on high standards in personal commitment, appearance, and preparation. We took a professional military type of approach to our discipline and it paid off.

Some of the administrative accomplishments were the annual staff meeting held at the district office, setting up the district self-chartered procedure, and holding our first annual district commanders and wives conference. We also promoted the first regional commanders and wives conference. We also hosted three National Training Camps at the YMCA Camp in Wisconsin Rapids and served together on the staff as instructors and advisors. I even served one year as the Senior Guide. God was gracious and helped me fill my role. I remembered, one man thought I must have been a Marine Drill Sergeant.

I became a certified Instructor Trainer alone with Gene Morrison in Springfield, MO. For teaching the Ranger Leadership Training Course. We then trained a staff of Certified Instructors in the WNMD and conducted a five-week LTC course each year, in multiple locations, with a Leaders campout each May at Spencer Lake. Many men went through this training and became effective leaders. Rev. Frank Cole, David Hanson, Harry Gamm, and Phil Blohm served as training coordinators.

By 1972 Gene and I had already attended the first NTC in the Region together as recruits. On the trip back from that experience in the car with Pastor Wally Zastrow and Lyle Campbell, we made a commitment to operate nothing but a top shelf District Royal Rangers Ministry without compromise. I remember that we wanted many boys to go home from the Powwow's with quality ribbons and trophy's that they could be proud to wear and display, and memories of connecting with a living God. To this day we, the WNMD, maintain national recognition in the Assembly of God for having one of the most effective and fruitful Royal Ranger programs in the country. Much of the National training curriculum and training camps are modeled after programs developed in this district.

The Lord gave us favor with the WNMD leadership and they provided an office for the District Commoner in the District Office. Rev. Lyle Curtis and Rev. Harley Olson were two District Superintendents who were especially supportive of helping us get an effective Royal Ranger ministry and cover the expenses of training and our staff trips to Springfield, MO. We were not yet into an ongoing self-supporting mode. During that 10 year time, the WNMD supported the Ranger ministry to the tune of over \$30,000.

In 1974 Commander Cecil LaBine from the Upper Peninsula of Michigan coordinated and made the trip with a group of District Rangers to the first National Camporama at the Air Force Academy in Colorado. We could not attend but we let the group use our blue Checker station wagon. From the "get go" we were determined to support and participate in every National and Regional Ranger event.....

During that time, you (Gene Morrison) also took on the assignment of developing the District Ranger of the Year Program and planning and expediting the trip to the 1978 National Camporama in Farragut, Idaho. You (Gene Morrison) traveled on the coach line with the boys and men and the rest of us drove our own cars, campers and Motor homes. It was a highlight for our families and the district. During those years we also promoted the FCF at every Friday night service with Commander Bud Bobo as FCF President. We used a ball and chain that demonstrated the burden of sin that a man carries before putting his trust in Christ. Mel Jensen also served as FCF President during those years.

Because of doing FCF on Friday night along with the initiation, most of the staff pulled an "all-nighter". We also stayed up most of Saturday night completing the judging and preparing awards for Sunday morning. I remember, by noon on Sunday, we were completely exhausted. I believe that FCF grew in these early years because there was public introduction to the program at the Friday evening service each Powwow. The Rangers got just a little taste of the mystery and antics of FCFers and it whetted their appetites.

I remember out "Commanders only" conference you (Gene Morrison) put together in Wisconsin Rapids where each commander brought a quart of his own chili for the pot. I remember our workdays at the Bible camp to help rake leaves at the youth camp premises. We cooked chili for the entire group of more than 100 men and boys.

Commander Doug Hinthier was the Deputy District Commander at the time we developed the present camp wilderness property. It was his family and my family, with the help of others that cleared the land initially and cleared out the original camp sites. Paula my wife drove the camp dump truck as our kids helped us to move tons of brush to clear the parade area and amphitheater. I hired a bulldozer and driver for one day to carve out the amphitheater and a tree remover to place pine trees around it to give us some privacy. I think some are still standing today. Together we made about 25 campsites in just one season.

I am overwhelmed with the blessings God has bestowed on me and family for being connected with the Royal Ranger Ministry all these years. We have made friends from all over the world. I have tried to retire and give up this part of my life but God has a hold on me and He is not through yet.....

With sincere appreciation and thanksgiving,

Respectfully,

District Commander Chuck Gamm 1773 - 1981

THE VISION

Gene Morrison went to Israel with Reggie and Sarah White on a holy Land tour, the last night on his way from Jerusalem to the airport God gave Gene a vision for the future of the WNMD, list below is what God showed Gene He wanted done in the WNMD

1. *Start inter city Outpost in Milwaukee – Outpost #160 City on the Hill established 2004*
2. *Build a 40 x 60 Training Center – Training Center built 2001, in 2005 a 40 x 30 addition was attached to the TC it has two bathrooms, warming kitchen, office, and utility room, both buildings are heated and are used for winter activities.*
3. *Put on full time staff – Brian Schmid and latter Gene Morrison full time paid staff.*
4. *Sponsors Convoy of Hope in Milwaukee inner city. – Brian Schmid coordinated this event which was very successful.*
5. *To establish a full time District Commander position – Gene Morrison was put on district payroll in 2006*
6. *To establish full time district staff positions – Brian Schmid was put on district payroll in 2000*
7. *To hold a minimum of one Leaders Training Class each year and one NTC in the WNMD- Several LTC are held each year, in 2005 quarterly training sessions have been offered at Camp Wilderness. Several NTCs have been held in Wisconsin it is National police to hold NTC in different area of the Region.*
8. *To Train Section (Area) Commanders – this has been done, it is an on going training session.*
9. *To enlist ten Junior Light for Lost boys each year – this has been done it is required that boys become JLFL members as they advance.*
10. *To establish five new Royal Ranger Outposts each year – this has been a struggle, several new outpost have been chartered each year, the numbers have not increased because of churches not recharter or dropping Rangers.*
11. *To hold and support an inner city camp at Camp Wilderness – 2005 the City on the Hill Outpost was established in 2006 they attend their first district event 20 Rangers attended.*
12. *To have a prayer tent at every Camp event – this has been done, the results has been the salvation on many boys, and the infilling of the Holy Spirit.*

CONVOY OF HOPE – MILWAUKEE

Royal Ranger Patch for Convoy of Hope

Milwaukee Central City

WNM Royal Ranger sponsored the first Convoy of Hope in the state of Wisconsin. Over 800 children and adults accepted Christ as their personal Savior.

On August 19th over 70,000 pounds of food and household products were given away during the Convoy of Hope that was held across the street from the Urban Ministry Center, 2323 West State Street, on the parking lot of the old Sinai Samaritan Hospital of Aurora Healthcare.

Royal Rangers at the PowWow brought enough food to fill a semi trailer.

Over 1,000 volunteers were present to serve over 7,000 guests from the community. Nearly half of the volunteers were Ranger family members.

Free hair cuts, kid's activities zone, 3,500 pounds of toys were given away to the children, prayer tent, medical tent, job fair and much more.

The following day school backpacks filled with school supplies were given away at participating churches.

Milwaukee Police estimate outside crowd at 30,000 plus

Brain Schmid, Deputy District Commander coordinated the event.

As the result of this event the WNMD was given the old Sinai Samaritan Hospital facilities, the single larges gift ever given to the Assembly of God movement.

GOLD MEDAL OF ACHEIVEMENT

WOMEN/MEN WHO HAD AN INPACT ON THE WNMD ROYAL RANGERS PROGRAM

Lori Barth, Port Edwards

Lori started her career in Rangers by becoming the Straight Arrow Commander at Christian Life Fellowship Church in Port Edwards. She attained the Leaders Medal of Achievement, and was given the District Medal of Merit. Lori was appointed to be the Camp Commander for the District Buckaroo Straight Arrow Round Up. She also conducted seminars at the annual District Leadership Conference. Working in the concession stand and assisting in cooking meals at Summer Camps for many /years are a few of the other areas she volunteered for. Lori worked at the Convoy of Hope in Milwaukee.

Lori was awarded the District Outstanding Service Award by DC Gene Morrison.

Mary Binkelman, Waukesha

Mary volunteered to run registration for Summer Camps and Ranger Kids Camps, and the District Leadership Conference. Also totaling scores for events and games at these camps. She assisted Brian Schmid for many

years in the Ministry Resource Center in Milwaukee, filling orders and doing the billing. Mary for several years has worked for the National Office during the National Royal Ranger Council. She has been awarded the National Outstanding Service Award, and the District Medal of Merit.

Mary was awarded the District Outstanding Service Award by DC Gene Morrison.

She volunteered to be the District Chartering Coordinator for Many years. Mary assisted Brain Schmid in organizing the Convoy of Hope in Milwaukee.

Paula Gamm, Waupaca

Paula, the wife of District Commander Chuck Gamm. When Camp Wilderness was developed the entire Gamm family help cut trees, carried brush, Paula drove dump truck for this project. Paula is a craft person and has donated craft items for Leadership Conferences for drawing. She traveled With Chuck through out the district promoting Royal Rangers.

Dorothy Forrester, West Bend

Dorothy was the Sectary to George Kupfer the first District Commander of the WNMD she attended church at Milwaukee Evangel. She typed up all correspondence for starting a District program during the years of 1969 – 1972. She developed the first two PowWow packets and policies and procedures for our district. She assisted in making the awards for the first two PowWows. Dorothy took pictures during these years of service.

Sharon Morrison, Wisconsin Rapids

Sharon the wife of District Commander Gene Morrison 1990 – 2012, was at Gene's side when he pioneered Royal Rangers in the WNMD in 1962. Traveling to Springfield, Missouri down Route 66 they made many trips to the National Aide de Camp Council. In the year of 1969 she traveled to Milwaukee with Gene to meet the newly appointed District Commander

George Kupfer in August to plan for the first District Pow Wow to be held in October of that same year, between her and Dorothy Forrester they planned and made the awards for best Outposts. Over the years Sharon supported Gene in every facet of his ministry. On two occasions Gene was appointed as Supply Coordinator for National Training Camps, Sharon purchased all the food for these camps. She also assisted Gene in planning and organizing the District Leadership Conferences, after Gene become District Commander she organized and planned a special time for the women that attended the Leadership Conferences. In 1989 Gene was appointed District Commander, Sharon started shopping for groceries for PowWow's later to be called Royal Rangers Summer Camp, Ranger Kids Camps, and Junior Leadership Training Camps. Sharon drove hundreds of miles in order to get the best prices for goods and materials. She made sure that wherever Gene was working at his local Outpost that the boys had treats for holidays and a gift for Christmas. Sharon was awarded the District Outstanding Service Award by DC Gene Morrison.

SHARI MURRAY, Ishpeming, MI

Shari is the wife of Gordie Murray (Public Relations Coordinator) Shari assisted Gordie in stuffing mailings, addressing them and seeing that they were mailed. Shari hand crafted quilts for Camp Wilderness, and has always made quilts and other items for a prize for the Leadership Conference. Shari assisted in cooking meals, for many Summer Camps. She has worked in the Concession Stand and is always ready and willing to help in any way that she could despite poor health in the 2000's. Sherri was awarded the District Outstanding Service Award by DC Gene Morrison.

VICKI & JIM OLSON, EauClaire

In the early 2000's I asked Jim Olson to coordinate then called Straight Arrow and Buckaroo Round Up together and run it fully, Jim did this but not with the help of his wife Vicki, as a family they would bring their son Josh with them several day prior to the event and set up the in the camp and basically run it by themselves with great success. They did this for several

years. Vicki is another one of those ladies who would stay up late preparing the meals for Summer Camps, and up early in the mornings cooking them. After the Ranger Kids camps were over Vicki, Jim, and Josh would stay and clean up before they went home.

Vicki was awarded the District Outstanding Service Award by DC Gene Morrison.

BETTY RAKOWSKI, Crivitz

Starting in the early 2000,s Betty started planning meals for Summer Camp, assisted in cooking them, purchasing food, and serving meals. Without her work the meals would not have been possible for Summer Camp. Betty also has spent more hours then one would care to count applying transfers to PowWow (Summer Camp), and Ranger Kids Camps Shirts. Betty and Shari Murray, and Sharon Morrison would stay up late into the night putting the meals together for all the camps then are up before anyone else cooking them, and supervising serving two meals per camp. In 2006 meals were served for Ranger Kids Camps.

Betty was awarded the District Outstanding Service Award by DC Gene Morrison.

CHRIS WEFEL, Wisconsin Rapids

Chris started helping her sister Lori Barth as a Straight Arrow Leader now (Ranger Kids) she is very crafty and would always have a craft for their group of near 20 boys. When Sharon Morrison started the Ladies event at the Leadership Conference Chris took the leading role in this event most of the time coming up with a craft, always being the leader at the event. Chris a sewed many patches on men's and boy's uniforms. She has made many crafts for prizes for the Leadership Conference. Chris married Rob Wefel who in 2002 was appointed the District Training Coordinator, for several years Chris made the Saber Frogs for the Junior Leadership Training graduates. Chris works in the concession stand during Summer Camp, helps

prepare Summer Camp meals and is Lori Barth's Assistant Ranger Kids Camp Coordinator at Port Edwards Outpost 117. Chris was awarded the District Outstanding Service Award by DC Gene Morrison.

BRIAN SCHMID

Brian an unsung hero, always there to assist in any way he can. Took over all book keeping bill paying banking duties. Opened a book store that raised thousands of dollars for Rangers. In the late 1990s he lost his job and went back to school to become Reverend Schmid. Brian had a vision for boys and soon became many boy's father. Not only in his local Outpost but in the inner city of Milwaukee. Brian shared my vision of reaching the inner city. As a team, we met with the Convoy of Hope people and started planning for this event in Milwaukee. He secured the parking lot of the old Milwaukee Hospital Aurora Health care had used the hospital and shut it down, police estimated the crowd to be around 30,000, as a result of his and WNMD Rangers the next Monday Aurora met with Brian and gave us the hospital and a whole city block of land now known as City on A Hill, he works there as program coordinator. Many inner-city boys still treat him as dad. He served Gene Morrison faithfully for 22 years as registrar coordinator for all Ranger events also as Public Relations Coordinator for the District

ROB WEFEL

In 1991 FCF was not doing really good Rob was appointed as FCF President, he turned this ministry around for future leaders to follow the base that he established.

Soon after his role in FCF he was appointed as Academy Coordinator at this time only one came had been established. He interduce Basic Camping, Advanced Camping, Hiking, Canoeing, and Wilderness survival camps. Set procedures for boys to earn their graduation saber which were awarded at an Academy banquet. He further introduced advanced Leadership and

Senior Guide Camps. In the year of 2012 one of the graduates served as Academy Coordinator near 100% of staff graduated from the Academy. The National office sent for two years in a row a representative to monitor our Academy, from their experience they wrote guide lines for other Districts. Boys came from around the USA and even some foreign boys attended one or several of the camps.

Rob worked closely with Commander Morrison putting on pageants for Summer Camp and ranger Kids Camps. He emceed many events and was appointed District Training Coordinator.

TOM HARVEY

Tom was Camp Wilderness caretaker from early 1990s till 2012. Tom mowed the lawns, repaired anything that needed repairs, Supervised Spring and Fall Camp Work Days.

During the building of the Training Center and bathroom addition Tom spent countless hours working on these two buildings. Fighting cancer most of this time Tom assumed the position of SR. Commander at Stevens Point, Wisconsin where they produced several Gold Medal of Achievers. He was the type of person that you did not have to ask to do something he was usually ahead on what need to be done.

Tom would open and close up Camp after and before used.

This was all done out of the kindness of his heart.
