Frontiersmen Camping Fellowship (FCF) is a special program of Royal Rangers that provides boys and men with additional opportunities to develop specialized outdoor skills based on the lore and traditions of the early American frontiersman.

Royal Rangers is a mentoring ministry for future men, providing Christlike character formation and servant leadership development for boys and young men in a highly relational and fun environment. Snacks may be purchased at any of our concessions locations, identified on the camp map in the center of this visitors guide. Meals are available at Snack Bar #1.

FIRST AID STATIONS

Report injuries and illnesses immediately to the first aid station, located on the ground level of the Johnnie Barnes Lodge. The medical staff will make an assessment and take appropriate action.

DEHYDRATION

Drink sufficient water to avoid heat-related injuries. Frequent drinks of water and resting in the shade are necessary in high temperatures. Potable water fountains are located throughout the activity field and outside shower houses. Do not drink water from the creek.

LOCAL HAZARDS

Avoid walking through high weeds or wooded areas where ticks, chiggers, snakes, and poison ivy are common. Do not disturb the wildlife unless your safety is directly threatened.

INSECT REPELLENT AND SUNSCREEN

For your protection and comfort, please wear insect repellent and sunscreen at all times. For your convenience, both are available at the Rendezvous Store.

EMERGENCY RESPONSE

An Emergency Alert System has been installed around the camp. The alarm will sound in the event of a natural disaster, such as tornado or fire. Campers will return as quickly as possible to their campsites and wait for instructions. In the event of a sudden severe thunderstorm or tornado, take the following actions:

- Try to get inside and seek out a small, protected space with no windows.
- If protected space is not available, lie in a ditch, ravine, culvert, or low-lying area not prone to flooding.
- Use your arms or a piece of clothing to protect your head and neck.
- Do not enter a grove of trees.
- Do not seek shelter under any large tent or pavilion located at National Rendezvous.

Once the emergency is over an "All Clear" message with any additional information or instructions will be broadcast over the EAS.

PORTABLE TOILETS

To promote good sanitation, please do not use the woods or nearby trees as a bathroom. Toilets are serviced daily. Do not discard trash or bottles in toilets.

RESTRICTED AREAS

To protect campers' privacy, female visitors are kindly requested not to visit the campsites since they are the men's and boys' changing and sleeping areas.
