

FRONTIERSMEN CAMPING FRATERNITY

Brotherhood of Royal Rangers

John Eller, National President
866 S. Cavalier Drive
Springfield, Mo. 65802

December 1, 1970

Dear Frontiersmen:

Greetings to you in the name of brotherhood!

Recently, the National Royal Rangers office took steps to expand the scope of the Frontiersmen Camping Fraternity. Whereas we have operated on a district and territorial level, it was recommended by both the Aides-de-Camp and the District Commanders that FCF be set up on a National level.

As your newly-appointed National President, I am very anxious to proceed with the work at hand. But we must first have an up-to-date mailing list of the FCF members in your district. It is very important that we have this information.

We plan direct contact with our estimated 1,000 members after the first of the year. Please help us make contact with them!

May I also introduce our four territorial representatives who also hold the title as National Vice-Presidents. They are: Oliver Dalaba, Eastern; Ralph Palmerton, Southern; Elton Bell, Midwest; and Paul Johnson, Western. These men are ready to assist you in the organization and promotion of FCF in your district.

Please help us serve your district better with that mailing list of FCF members right away!

Fraternally yours,

Colonel John Eller
National FCF President
