*3rd Camporama 2000.
Wow!*

*It wasn't too long ago
we were at the 2nd
Camporama. Time
really flies when we are having so much fun.*

*It has been 18 years since the Royal Rangers started
in Malaysia. We have seen rangers from the Straight
Arrows, Buckaroos or Pioneers grown and matured
in the Lord who are now serving as leaders.*

*When I was approached to do the magazine for the
camp, I recruited these very young men and women
to be in the team. It has been my pleasure to be able
to put this magazine together with this dedicated and
creative team. We pray that you will be blessed by
this labour of love.*

*We would like to thank everyone who had con-
tributed in one way or another to make it a success.
Our special thanks goes to those who went out on
their way to bring the advertisements, articles,
testimonies and other tid-bits to make it an enjoyable
reading.*

May His Blessing be on you all!

Dear Royal Rangers & Commanders:

On behalf of the Executive Brethren of the Assemblies of God of Malaysia, we rejoice with you on the launching of the Royal Rangers Camporama 2000, which will be held from May 31 to June 4, 2000 at Ampang Pecah, Selangor Darul Ehsan.

I highly commend the Royal Rangers movement of our nation and am greatly encouraged by the zeal and commitment of its leaders in instructing, challenging and inspiring our children and youth in their spiritual, physical, mental and social development that will clearly make them better men and women who will take the Gospel of our Lord Jesus Christ to the nation and beyond.

I exhort you therefore, *"encourage the young men to be self-controlled. In everything set them an example by doing what is good. In your teaching show integrity, seriousness and soundness of speech that cannot be condemned..."* (Titus 2:6)

Together with the executive Brethren, I believe that this Camporama will be another milestone for the Royal Rangers Ministry. May God use all of you through the in the various churches to experience breakthroughs and to move forward in faith and in the direction of God's purposes.

God's richest blessings be upon you all!

Sincerely,

Rev. Datuk Dr Prince Guneratnam

MESSAGE FROM THE NATIONAL DIRECTOR, ROYAL RANGERS MALAYSIA

This is our third Camporama and in this new millennium, it is good for us to reflect on the goodness and faithfulness of our Lord Jesus. When we first started eighteen years ago, we were few in numbers and now we have of twenty-two outposts stretched across this land and even one in Sabah. We dare dream of reaching out to all the young people because He said, "Ask of me and I will give you the nations." (Ps. 218)

Let us not keep the good news to ourselves. Let us be the good and faithful servants that the Lord will find when he returns. As you know, the enemy is targeting the young people and their families. The increase in violence against the youth, media seduction through the television and the internet, and the murder of babies on the unholy altar of women's rights are all attacks against our young people and against God's people. Stay alert Royal Rangers and be faithful, as He is faithful.

As the National Director, I urge you leaders to give your utmost in service to Him. I congratulate you on your work produced by faith, labour prompted by love and endurance inspired by hope in Christ Jesus. And Royal Rangers, be holy as He is holy so that you can proudly carry his badge on you.

So let us enjoy ourselves in His presence at this 3rd Camporama and "Call on the Lord and He will answer you and reveal to you great and unsearchable things you do not know." (Jer.33:3)

NATIONAL ROYAL RANGERS

More Than Camping

Camping offers a variety of natural experiences for a child.

By just being in the great outdoors, a child's senses will take over.

He can feel the fresh air in his face

And smell the sweet wild flowers as they bloom.

He can see birds flying from tree to tree,

Insects fluttering across the top of the grass

And squirrels leaping from limb to limb.

Pitching tents.

Gathering and chopping wood.

Building a fire for heating, cooking and roasting - and a place together for visiting and worship.

Gazing at the sky.

Taking in the many wonderful smells of nature.

Seeing the many wonderful sights that God has made.

It is this great outdoor experience, which God has provided that is one of the most effective tool for evangelism.

"O Lord, our Lord, how majestic is Thy name in all the earth." (Psalm 8:1)

Royal Rangers Camporamas, held every fourth year, are always very special experiences for children and their leaders across the nation. This year's event scheduled for May 31 through June 4 will be even more exciting than usual.

The Camporama 2000 kicks off the "New Millenium" with the camp theme "Jesus Dot Com - Get connected to Jesus" and celebrates the 18th year Royal Rangers in Malaysia. 1,000 young people and leaders are expected to attend and an estimated 30% of that number are non-Christians campers.

The harvest is plentiful and ripe - Get connected Now!

**MESSAGE FROM THE CENTRAL DISTRICT SUPERINTENDENT
ROYAL RANGERS MALAYSIA**

Dear Rangers,

You are a part of an outstanding ministry and belong to a uniform ministry that speaks of character, a disciplined mind and a sense of purpose. You can definitely be confident and strong in your spirit and mind because your savior, Jesus Christ, lives within you.

Paul in Tim.4: 12 exhorted Timothy, the young man saying " Let no one despise your youth, but be an example to the believers in word, in conduct, in love, in spirit, in faith, in purity."

Be an example to others in your character. It is this aspect of you that will serve as a foundation of all that God is going to build upon your lives in the days to come. As you take care of your character, God will establish your reputation.

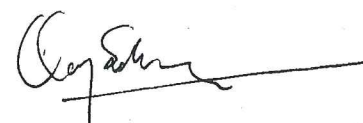

Timothy was also exhorted to be bold when Paul said, "For God has not given us a spirit of fear, but of power and of love and of a sound mind." (2Tim1: 7)

God has given you the power of the Holy Spirit to be all He has called you to be and do all that He has purposed for you. Get yourselves baptized in the Holy Spirit. Ask God to fill your hearts with His love for Him, your fellow Rangers and the lost. The Holy Spirit will bring divine love into your hearts. (ROM. 5:5)

A disciplined mind is not only full of knowledge and wisdom that comes from God but is a focused mind. Pay attention to the vision God has given to you. It will draw the anointing and favour to your lives.

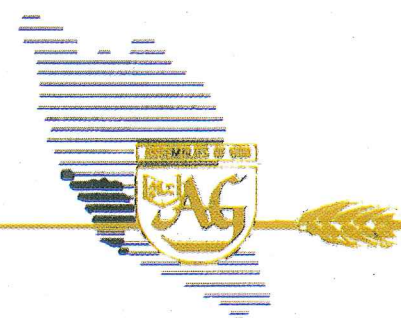

God Bless all of you as you serve Him faithfully.

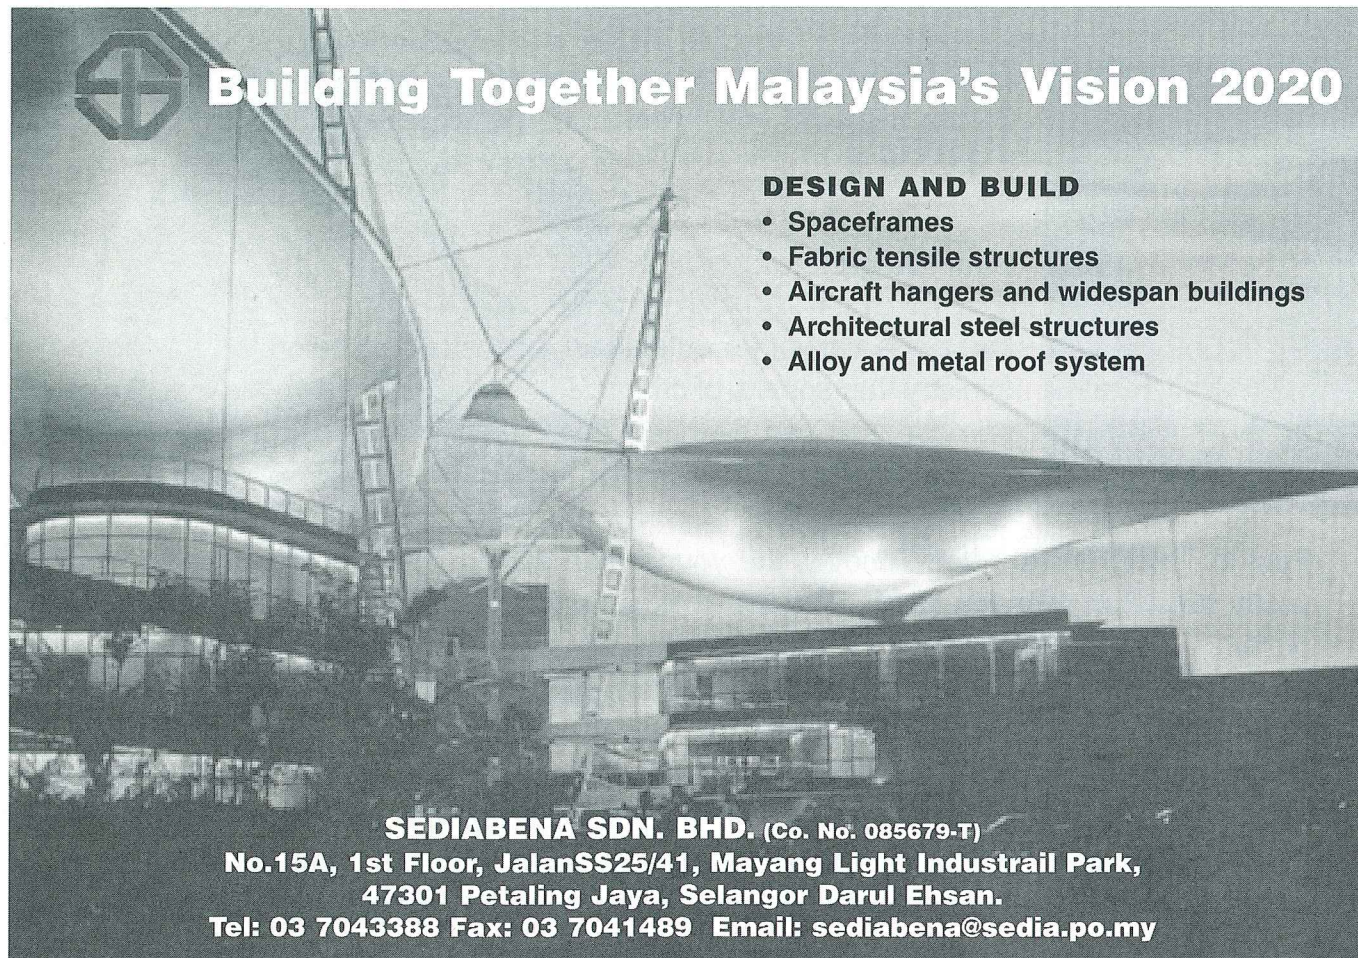

For the Harvest,

REV. ONG SEK LEANG

Camporama 2000- what does that name make you think of? I have been in Royal Rangers for over 30 years and have attended at least nine Camporamas in at least three countries. I have shared a tent or cabin with other National leaders and even US-Indian style wig-wam with the late founder of the Royal Rangers, Johnie Barnes. Camporamas therefore for me remind me of standing in front of many thousands of Royal Rangers but better still of getting to know individuals on a one to one basis.

What do I see when I meet such Royal Rangers? Well in my Long life many things have changed-for instance when I was a child-there was no television, no video games, nor CD walkman, let alone computers, McDonald hamburgers, air-conditioned cars, office and even homes. Most people did not have a telephone in the house- let alone a mobile phone. One would have seem able to walk the streets of Malaysia safely without the threat of being run over by a car or a motorbike in one of Malaysia's busy street intersections. I can remember the first day I received a bicycle-now I can really travel. Imagine not having to learn about all these things?

However many things have not changed. The pleasure of being able to hike into the hills, and go swimming in a water hole that contained cool water from the mountain spring. Or the pleasure of visiting a beach or river and fishing or catching crabs or prawns-taking one catches to the fire and enjoying fresh seafood, better than it does ever taste from the shop. Or the pleasure of paddling a canoe an 'off beaten track' rendezvous and camping under the stars, just as it was done 1000 years ago. Or again the pleasure of being able to lie in your tent at night (with the mosquitoes outside, of course) and hear the sounds of animals and insects moving around the campsite. Or the pleasure one experience of being able to help a small child or old person and one receives a very warm smile and quietly spoken 'thank you'.

What do I see when I meet such Royal Rangers? I see boys and girls, some small and some teenagers who are alive-in all four aspects, that is mentally, physically, socially and spiritually. I can enjoy talking to them about things that interest them, whether it be their computer or their swimming hole; I can't always match their ability to climb, and indulge in other healthy activities-but I can share their enjoyment in these: I love the social contact as I find Royal Rangers are friendly people, whether they are six or sixteen years old; but most importantly I fellowship with them and discuss how God is moving in their lives. I can share their great excitement in what God has done and is doing as their Christian experience grows.

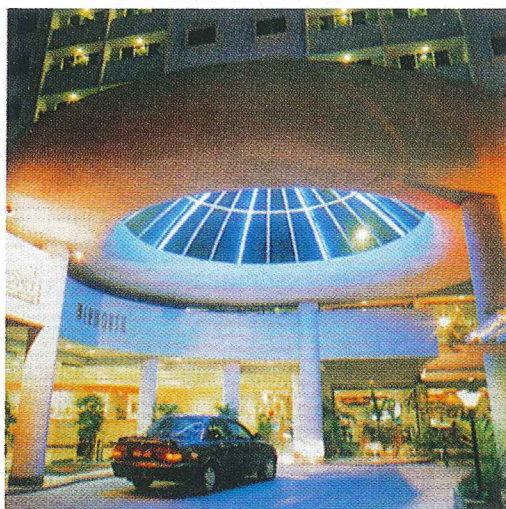

So as this is the first Camporama 2000, aim to make the most of your time there. Make new friends- don't just find out the new friends name, but also where they come from, how big their outpost is, what they do at Royal Rangers meetings, what they enjoy and what they dislike. Make really good friends. A good Royal Rangers friend can stick closer than a brother can! I have friends in Royal Ranger whom I have first met over thirty years ago-I count some of them closer than a brother. I also have friends that I made at the very last camp I attended in March 2000. Go away from Malaysia's Camporama 2000 with many friends who you did not know when you arrived.

But most importantly share what Jesus is doing in your life-you will never know how much you can encourage other Royal Rangers (and even the leaders in your Outpost).

Make sure you leave the Camporama with the Lord Jesus in your heart.

Gold Medal of Achievement	8
Frontiersman's Christian Fellowship	7

It has been a glorious 18 years of great fun and accomplishment for Selangor #1. We estimated that close to a thousand boys and girls have gone through this great ministry through the years in our outpost alone.

What the Royal Rangers have done and still doing, is building a unique and ever growing bond between a child and his commander. Such a bond bring about love, honour and respect in the lives of every boy and girl.

God has graciously provided capable and committed leaders, young leaders who have grown from within the ministry itself, to accomplish what He has set forth for all of us to do - to Reach, to Teach and to Keep our young people for Christ.

We give thanks to God, for it was not by our might nor by our strength, but by His anointing, blessings and favour, that Selangor #1 has become what it is today.

GRACE ASSEMBLY
KLANG

SELANGOR # 7 GRACE ASSEMBLY, P. J.

Senior Commander Samuel Chen

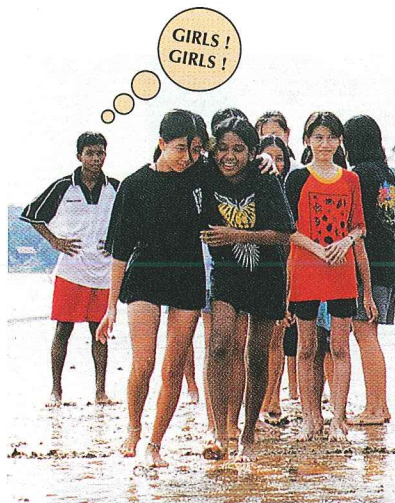

Spearheaded and Founder of the Royal Rangers ministry and Sel #7 is Rev .Dr.Henry Ramaya. Sel# 7 was formed in January 1998.

Our 1st Senior Commander was Nelson Roche, since then we have had 2 Senior Commanders.

We started the outpost with 25 rangers and 5 leaders, and now the Lord has blessed us with 110 rangers and 29 leaders.

Through the years, 9 leaders have achieved the Leader Medal of Achievement, 29 leaders attended the National Training Camp, 18 leaders attended the Advanced Leaders Training Camp, 6 leaders participated in the First National Training Trail conducted by Trainers from the United States. We have 9 active FCF'ers, and 11 Trailrangers have attended the Junior Leadership Training Camp.

After many years we have finally have first National Best Ranger, 1998.

There are 7 rangers who are also FCF'ers. We have 5 active outpost namely the Straight Arrows, Buckaroos, Pioneers, Trailblazer and Trailrangers.

God has been really blessing His outpost, He has been sustaining and grooming the outpost (the leaders and the rangers) and we continue to see his faithfulness as He raises up new leaders to carry on the fire and vision for this ministry.

To Him be all the Glory!

SELANGOR # 8 P.J. ASSEMBLY OF GOD

Senior Commander Magaret Eng

In August 1988, Pastor Tong and Senior Commander Brother Tang Chee Seng started the Royal Rangers Selangor #8 with five commanders in the Pioneer and Trailblazer outposts. Since then, we had two senior commanders; Commander Wendy George and the incumbent Commander Margaret Eng.

Our primary objective is to instruct, challenge and inspire our children in the areas of Bible doctrine, Christian service and good moral conduct in order that they will be testimonies of God's love to society.

It is heartening to see our Rangers coming through as commanders and potential leaders in the church. For all this, we give thanks and glory to our Lord Jesus for His grace, faithfulness, guidance and protection and we believe fervently and look forward for greater and more exciting things happening in our Outpost.

"Each of you should look not only to your own interests, but also to the interest of others."

Philippians 2:21

KUALA LUMPUR # 1 CALVARY CHURCH

Senior Commander Jim Guneratnam

Our Outpost started by Senior Pastor Prince Guneratnam and our first Senior Commander Lim Chin Kee.

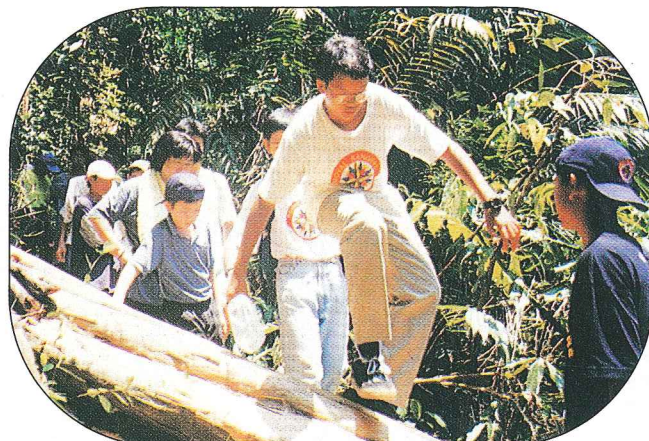

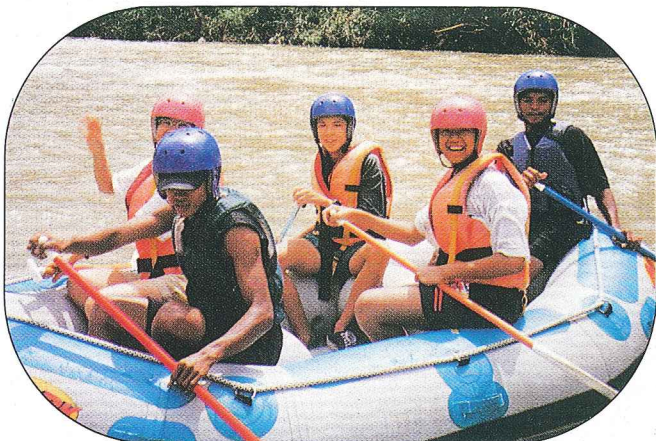

The KL# 1 outpost was formed in August 1982. Since then the outpost had the opportunity to be under the leadership of four Senior Commanders. The present Senior Commander is Jim Guneratnam.

Our outpost in its humble beginning had 25 rangers and 6 leaders. As time and years went by the outpost grew to the strength of 120 rangers and 17 leaders.

Three of our leaders have achieved the Leaders Medal of Achievement. 17 have attended and completed the National Training Camp. 5 leaders attended the Advanced National Training Camp. 2 leaders attended the National Training Trail. 1 leader is a member of the Frontiersman Camping Fellowship.

We have 5 active outpost. They are the Straight Arrows, Buckaroos, Pioneers, Trailblazers and Trailrangers. All our rangers are boys.

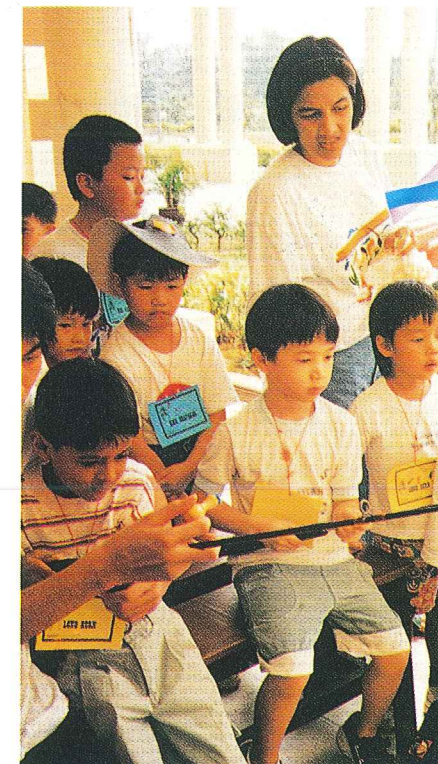

KUALA LUMPUR # 10 FULL GOSPEL TABERNACLE

Senior Commander Gurmit Singh Jassal

This young Outpost started on the 8th February 1998, with 10 rangers and 2 leaders. We praise God that the numbers has increased to 30 rangers and 8 leaders.

Pastor Rev Michael Song, formerly the National Director, started this Outpost with the present Senior

Commander Gurmit Singh. Presently Pastor Rev. Ronald Ooi shepherds the ministry.

One leader has achieved the Leaders Medal of Achievement, two leaders have attended the National Training Camp, and the Advanced Training Camp. We also have one leader who is the member of the Frontiersman Camping Fellowship.

Six of our Trailrangers have attended the Junior Leadership Training Camp.

Currently, we have the Pioneers, Trailblazers and Trailrangers outposts in our rangers programme.

Praise God that this ministry has made a difference in the lives of the Rangers since it was established in this church.

My prayer is to see the Straight Arrows and Buckaroos programme established in the near future.

As the scripture says, we can plant and water but it is

*God who brings the growth, so at the end of the day
let God's name be glorified, Amen.*

KEDAH # 1 FULL GOSPEL CHURCH

Senior Commander Simon Chow

The Kedah Outpost under Full Gospel Church, Alor Setar, spearheaded by Pastor Elisha Foong It was formed in May 1991 with 51 rangers and 5 commanders.

The first Senior Commander was Bro. Moses Chua. Since then we have had 3 Senior Commanders and 17 leaders. Now we have 9 leaders and 24 rangers: 7 in Buckaroos, 9 in Pioneers, and 8 in Trailblazers.

We want to thank God for the Royal Rangers Ministry. Many a life has been touched by it physically, spiritually, and socially.

We believe the children who have gone through the ministry have somehow learnt something that might come in handy when

they grow up and work in the society.

Praise God for His faithfulness in meeting the many needs of our outpost.

Glory to God always.

MALACCA # 1 CALVARY LIFE ASSEMBLY

Senior Commander Vivegananthan

The outpost started in 1992 with 25 rangers and 1 leader. Our Pastor James Krishnan had a desire to see the young people of the church involved in wholesome activities. Together with our first Senior Commander Les Lee, our outpost was born.

Since then the ministry has grown to 40 rangers and 10 leaders. We have 4 leaders trained at the National Training Camp and 1 leader trained at the First Buckaroos Straight Arrows Conference.

Currently we are actively running the Buckaroos, Pioneers and Trailblazers Outposts. We praise God that our God is faithful. We are seeing tremendous spiritual growth in the life of our rangers. There is an increase in the attendance of non-christian children to our meetings.

We thank God for the good feedback from the parents, on how the ministry has helped their children. They are able to see the fruits of the ministry through the life of the children.

We strongly believe and know that God has a special purpose in this ministry. We are praying for further growth.

PRAISE THE LORD

SABAH # 1 CALVARY CHARISMATIC CENTRE

Senior Commander Chandra Kelvin

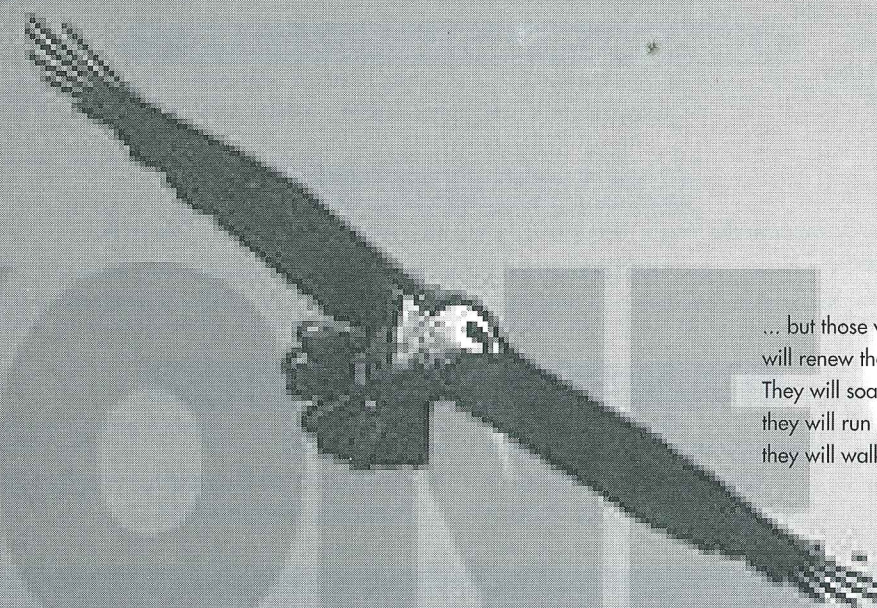

In The Land Below The Wind, our outpost Sabah #1 started in November 1999, by Senior Pastor Rev Allan Das.

Our 1st and current Senior Commander is Chandra Kelvin. The outpost current strength is 30 rangers and 5 leaders. Only our Senior Commander has attended the National Training Camp and the Advanced National Training Camp conducted by the Trainers from the United States.

Currently we have the Trailblazer and Trailranger outposts. We are planning to start the Pioneer outpost next year. We would like to give thanks to God for all the support received from our leaders in helping to start this outpost. God has been gracious to our outpost by allowing us to attend Leaders Training Course in a short period of time, conducted by leaders from SEL#6. We had our first outdoor activity with the First Sabah Adventure Camp.

We are looking forward for an increase in the number of rangers, we are praying for more leaders to come in and to be trained so that we could fulfil the need of these boys and girls.

TESTIMONY BY MRS. DEANNA LEE, MOTHER TO RANGERS HOSANNA AND DENISSA LEE

I am a mother of four children and two of them are Royal Rangers. I would often ask Hosanna (8) and Denissa (6) why they love to be among the Rangers in church. They would never hesitate to mention about how friendly and loving the leaders and older Rangers are.

What they have said are not far from the truth. From my own observation, I often find the older Rangers setting good examples to the younger ones. Young children can be boisterous and yet older Rangers can handle them the way God designed them to be.

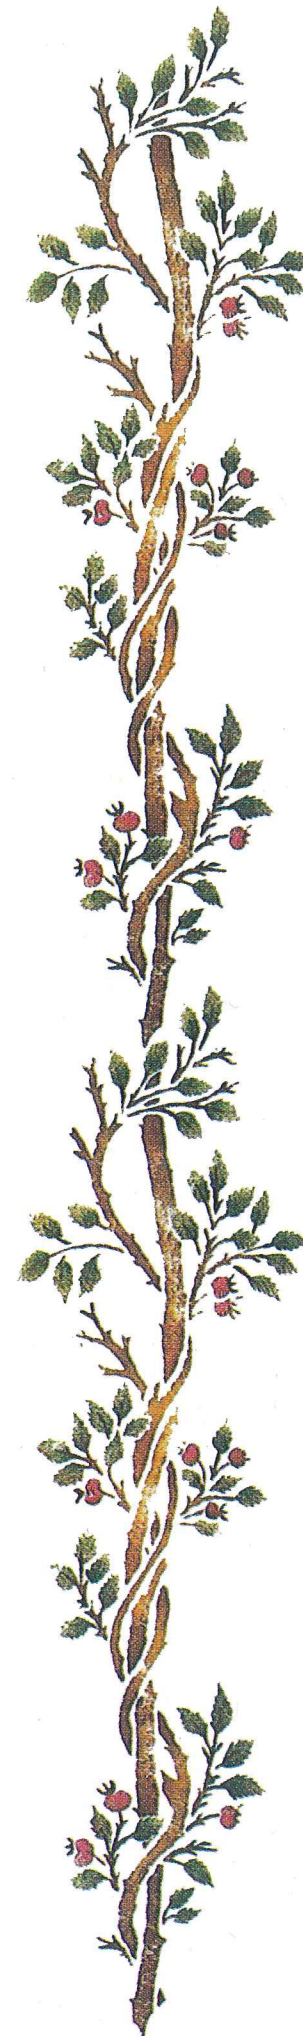

Why do I appreciate the older Rangers so much? It's because in today's world, people of their age group do not bother much with respect, care, love and sacrifice. Our older Rangers really exude warmth and caring nature towards others in the church.

I would often ponder as to the reason why they've qualities in them. Could it

be that most of their parents are actively involved in the leadership of the Royal Rangers? Being a leader does not mean holding a high post in an organisation. Take a moment. Look at the leaders of the Rangers. Who is the one more often than not, wipe the dirty tables after lunch hour at the canteen? Take a peek at the kitchen. Who is most likely to toil at the sink to wash the cutlery and cups? Were they not Uncle and Auntie Chew, Uncle Sonny and Auntie Maggie, Uncle Choe, Uncle Patrick, Uncle Teoh and others?

These people really set good examples to us parents with younger children. They open our eyes to the real meaning of leadership by example. Nothing they've done is too lowly in the eyes of our loving Father. For He too, set the highest example by sacrificing His Son to die at the cross.

**GOD MAY CONCEAL THE PURPOSE OF HIS WAYS,
BUT HIS WAYS ARE NOT WITHOUT PURPOSE.**

Please Hear What I Am Not Saying

Don't be fooled by me
Don't be fooled by the mask I wear
For I wear a mask
I wear a thousand masks
Masks that I'm afraid to take off, and none of them is me
Pretending is an art that is second nature with me
But don't be fooled
I give the impression that I'm secure
That all is sunny and un-ruffled with me, within as well as without
That confidence is my name
And coolness is my game
That the waters are calm and that I'm in command
That I need no one
But don't believe it
Please don't
My surface may seem smooth
But my surface is my mask
My ever varying and ever conceding mask
Beneath lies no smugness, no coolness, no complacency
Beneath dwells the real me
In confusion, in fear, in loneliness
But I hide this
I don't want anybody to know it
I panic at the thought of my weakness being exposed
That's why I frantically create a mask to hide behind
A nonchalant sophisticated façade to help me pretend
To shield me from the glance that knows
But such a glance is precisely my salvation
My only salvation, and I know it
It's the only thing that can liberate me from myself
From my own self built prison walls
From the barriers I so painstakingly erect
But I don't tell you this
I don't dare
I'm afraid to
I'm afraid your glance will not be followed by love and acceptance
I'm afraid you'll think less of me, that you'll laugh and that your laugh will kill me
I'm afraid deep down inside I'm nothing
That I'm just no good and that you'll see and reject me
So I play my games, my desperate pretending games
With a façade of adherence on the outside
And a trembling child within
And so begins the parade of masks
The glittering but empty parade of masks
And my life becomes a front
I idly chatter with you in suave tones of surface talk
I tell you everything that is really nothing
Nothing of what's crying within me
So when I'm going through my routine

Don't be fooled by what I'm saying
Please listen carefully
And try to hear what I am not saying
What I'd like to be able to say
What for survival I need to say
But I can't say
I dislike the hiding, honestly I do
I dislike the superficial phony games I'm playing
I'd really like to be genuine, spontaneous and me
But you have to help me
You have to help me by holding out your hand
Even when that's the last thing I seem to want
Each time you are kind and gentle and encouraging
Each time you try to understand because you really care
My heart begins to grow wings
Very small wings, very feeble wings, but wings
With your sensitivity and sympathy and your power of understanding
I can make it
You can breathe life into me
It will not be easy for you
A long conviction of worthlessness builds strong walls
But caring is stronger than walls
And therein lies my hope
Please try to beat down the walls with firm hands, but gentle hands
For a child is sensitive
And I am a child

Who am I you may wonder?
I am someone you know very well
For I am every man, every woman
Every child, every human you meet.

GARDENING GOD'S WAY

Plant three rows of peas:
Peace of mind
Peace of heart
Peace of soul

Plant four ways of squash:
Squash gossip
Squash indifference
Squash grumbling
Squash selfishness

Plant four rows of lettuce
Lettuce be faithful
Lettuce be kind
Lettuce be obedient
Lettuce really love one another

No garden without turnips
Turnip for meeting
Turnip for service
Turnip to help one another

To conclude our garden we must have thyme
Thyme for God
Thyme for study
Thyme for prayer
Thyme for family

Water freely with patience
And cultivate with love
There is much fruit in this garden
Because you reap what you sow.

A man was wandering in the woods
pondering all the questions of life, universe
and his own personal problems. The man
could not find any answer and so he sought
help from God.

"God! God! Are you there, God?", he
shouted.

God responded, "What is it my son?"

"I have a few questions; mind if I ask?"

"Go right ahead, my son. Anything," God
said.

"God, what is a million years to you?"

God replied, "A million years to me is only a
second."

"Hmmm", he wondered. Then he asked
again, "God, what is a million dollars worth
to you?"

God said, "A million dollars to me is only
worth a penny."

The man lifted his eyebrows and proceeded
to ask a final question.
"God, can I have a penny?" And God
cheerfully said, "Sure!! In a second"

Channel 23

The TV set is my shepherd, my
spiritual growth shall want.

It maketh me to sit down and do
nothing for His name's sake, because it
requireth all my spare time. It
leadeth in the paths of failing to attend the
evening worship service and doing nothing
in the Kingdom of God.

Yea, though I live a hundred I
shall keep viewing my TV as long as it
will work, for it is my closest
companion. Its sounds and its
pictures they never comfort me.

It presenteth entertainment
before me and keepeth me from doing
important things with my
family. It fills my head with ideas, which
differ from those set forth in the Word of
God.

Surely no good thing will come
of my life because my TV offereth me no
good time to do the will of God; thus I
will dwell in my spiritual
poverty all the days of my life.

So the next time you reach out to switch
on the TV think twice.

THE MAGIC PEBBLES

One night a group of cowboys were
riding across a streambed one
evening when suddenly a great light
surrounded them. They knew they were
in the presence of a celestial being.

With great anticipation, they
waited for a heavenly message of great
importance that knew must be
especially for them.

Finally the voice spoke. "Stop and
gather as many pebbles as you can. Put
them in your saddle bags. Travel a day's

journey and tomorrow night will find
you glad and it will find you sad."

After having departed, the cowboys
shared their disappointment and anger
with each other.

They had expected the revelation of a
great universal truth that would enable
them to create wealth, health and
purpose for the world. But instead they
were given a menial task that made no
sense to them at all. However, the
memory of the brilliance of their visitor
caused each one to pick up a few
pebbles and deposit them in their
saddle bags while voicing their
displeasure.

They traveled a day's journey and that
night while breaking camp, they
reached their saddle bags and
discovered every pebble they had
gathered had become a precious jewel.
They were glad they had these precious
jewels.

But they were sad they had not
gathered more pebbles.

When we look upon souls as
precious jewels being won for Christ. It
makes us sad that we didn't pick up
more precious pebbles for Christ in our
life.

**As Royal Rangers, we need to
gather as many souls for Christ as
we can and do our best to reach,
teach and keep boys for Christ.**

ASAP!

What a wonderful new
meaning for ASAP!
Always say a Prayer. (A.S.A.P)

There's work to do, deadlines to
meet; you've got no time to spare.
But as you hurry and scurry,
always say a prayer.

In the midst of family chaos,
'quality time' is rare.
Always say a prayer.

It may seem that your worries are
more that you can bear.
Slow down and take a breather.
Always say a prayer.

God knows how stressful life is;
He wants to ease our cares and
He will respond a.s.a.p.

ALWAYS SAY A PRAYER.

CHILDREN ARE BORN WITH IT

A radio station told this story which I thought you might like to hear...

A child was born to a couple who were atheists. For five years they never spoke of God or of anything about any kind of faith. One night the father came home and in a rage, shot and killed the mother and then killed himself. All this happened in front of the child. The police took the shocked child to the welfare centre, which cared for her and finally found a foster home in which she could live.

The foster couple had a religious background and took the child to church and put her into the Sunday School class. They told the teacher that this child had never heard of God and knew nothing of the Bible. The teacher, knowing the situation, decided to start the class easy. She took up a picture of Jesus and asks if anyone knew who this was? To her surprise, the little girl held up her hand and said that she did.

The teacher said, "and who do you think this is?" The little girl said, "That's the man who held me the night my parents died."

..... TEAMWORK

A famous organist was giving a recital with an organ that was supplied by air by way of a hand pump. A young boy was hired to pump the organ for this occasion. All was going along fine until the lad put his head along the side of the organ and whispered, "We're doing pretty good aren't we?" "What do you mean by 'we'?" objected the organist. A few minutes later, in the midst of a beautiful strain, the organ suddenly stopped playing music. Desperately the organist tried all the stops. No use. Then again he saw the head of the boy around the corner, a broad smile on his face. He said, "Now do you know who I mean by 'WE'?"

BASIC BEAUTY HINTS

Healthy Skin – 10 Useful Hints:

ONE: Detox Drink:

Start your day with a cup of boiling water laced with the juice of half a lemon. This drink flushes out any impurities that may have built up in your system overnight. Lemon also acts as a gentle cleanser for the liver.

TWO: Faddish Foods:

Apart from piling on the pounds, certain fats actually accelerate ageing because they increase free radical activity within the body. Avoid polyunsaturated fats, which are found mainly in processed foods and in peanut, sunflower and corn oils.

THREE: Keep Smiling:

On average children smile 400 times a day, while adults only manage 15. Smiling tightens the supporting connective tissue around your mouth, which helps to maintain the shape of your face. It also sends feel-good signals to your brain.

FOUR: Inner Health:

Improve skin condition from within by taking a cod liver oil tablet once a day. Cod liver oil is a rich source of vitamins A and D and essential fatty acids, all vital for a radiant complexion.

FIVE: Eye Bath:

To treat puffy eyes, brew a pot of tea, leave it to cool and then use it as a soothing eye bath. Alternatively, place two stainless steel spoons in the freezer for a couple of minutes, and then place them over your eyes to reduce puffiness.

SIX: Stub It Out:

Smoking half a packet of cigarettes a day for two years can double the rate of premature facial wrinkling. If you give up smoking, ease withdrawal symptoms by taking a high potency vitamin B complex supplement.

SEVEN: Humidity Control:

Air-conditioning robs the skin of essential moisture and can aggravate dryness. If you live in an air conditioned home buy a humidifier or place a bowl of water in the room. This will boost the moisture content in the air.

EIGHT: Helping Hand:

If you have a youthful complexion then aged hands can give the game away. Always wear hand cream enriched with sun filters. Before washing up, slather on hand cream, then put on the rubber gloves. The heat of the water will intensify the activity of the cream.

NINE: Health Brew:

Research confirms that green tea can have a significant effect on the ageing process. It is a rich source of anti-oxidants, which mop up free radicals within the body. For the maximum benefit, leave leaves or tea bag to steep for three minutes.

TEN: Sleep Well:

How you sleep can affect your looks. Dermatologists can identify which side of your face you sleep on by looking at your wrinkles. To help overcome this, sleep on a big, soft non-synthetic pillow with a satin pillowcase.

BASIC BEAUTY HINTS

Healthy Hair - 10 Useful Hints

ONE: Brush Strokes:

Before shampooing, brush your hair to remove surface dirt and any tangles. Forget the myth that brushing 100 strokes daily is beneficial. Over vigorous brushing can tear and generally weaken your hair shaft.

TWO: Cleanse Ease:

Take short cuts to remove any build-up of styling products in your hair. Massage shampoo into dry hair and rinse it out with warm water. This will be sufficient to remove impurities and your hair shouldn't need another wash.

THREE: Scalp Treat:

Massage your scalp to boost circulation, improve hair health and reduce stress. Knead your scalp gently using the pads of your fingers. Start at the front of your head and work down to the nape of your neck.

FOUR: Moist Hair:

Only apply conditioner to the ends and mid-lengths of your hair, (the hair near your scalp should have enough natural hydrating oils). Applying conditioner near the roots will make your hair feel greasy shortly after washing.

FIVE: Final Rinse:

Boost hair shine and remove tangles by using vinegar as a rinse after shampooing. Dilute one tablespoon of vinegar in 600ml tepid water and pour it over your hair. Comb it through and then rinse it out with warm water.

SIX: Water Works:

Hot water causes the cuticles to swell, creating an uneven surface and making locks appear dull. Use cold water to rinse your hair. The coldness of the water will close the cuticles, ensuring all over hair shine.

SEVEN: Squeeze Ease:

Never towel-dry your hair, as it robs the locks of moisture and destroys elasticity. Squeeze excess water from the hair using your fingertips and then blot hair with a towel. This helps to retain vital moisture.

EIGHT: Tangle Free:

Never brush wet hair. It is swollen to twice its normal size and is susceptible to damage. Use a wide-tooth comb and work through wet hair in sections, starting with the ends. Comb your hair until it is completely tangle-free.

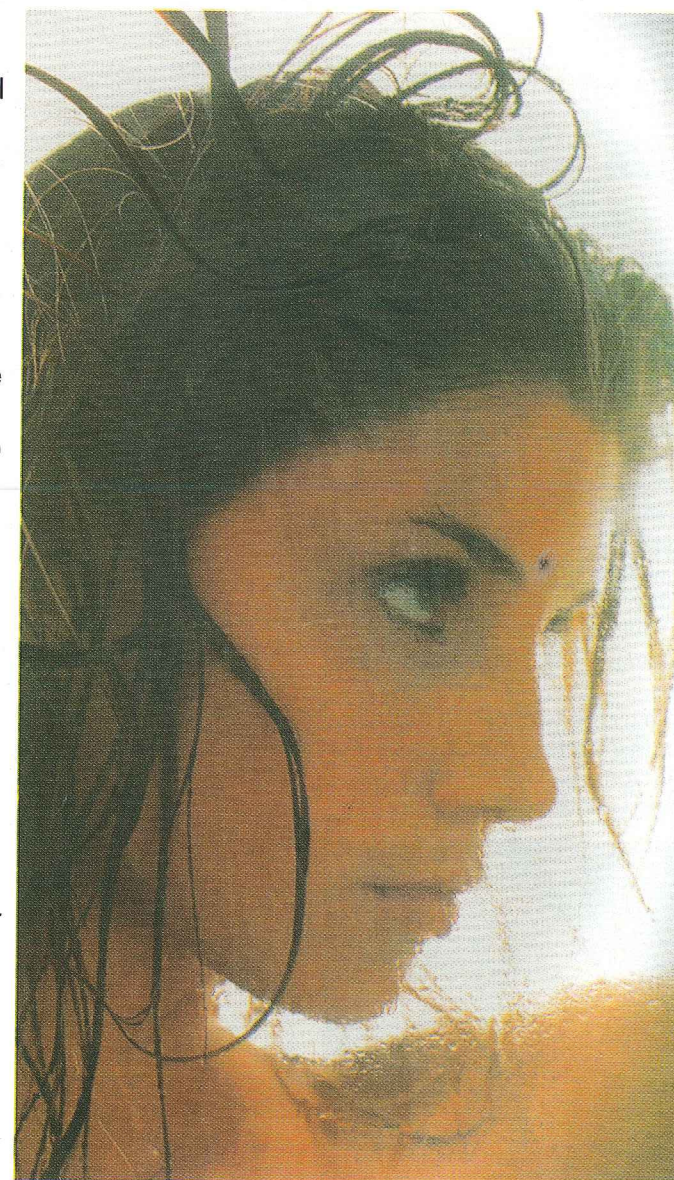

NINE: Styling Sense:

Leave your tresses to dry naturally, as heated styling appliances damage your hair shaft. Twist long hair into a topknot and leave it to set as the hair dries. Apply a small amount of gel to short hair and comb it through.

TEN: Cuticle Tamer:

Once your hair is dry, spray a fine mist of hair spray onto a comb and

run it through your hair. This will tame any stray cuticles of flyaway ends and give the hair a neat, polished finish, ensuring long-lasting perfection for your hairstyle.

LOSING WEIGHT – IS THERE A MAGIC DIET?

By Rekha Naidu Consultant Dietitian

If there were this magic weight reducing diet, then obesity world wide would be decreasing. Unfortunately, the statistics in US, UK and Asia show that obesity is increasing, so all these wonderful diets, supplements and drugs which claim that you can lose weight have had no impact on the global obesity problem. In a series of articles, I will be discussing the various diets, drugs and supplements that have been tried over the last two decades. It is interesting to note the various diets; drugs and supplements, which hit UK in the 1980's, have now surfaced in Asia. I recall the Cambridge diet, which was used on very obese patients in the 1990's, was successful only to find that a few patients suffered from side effects resulting in heart problems. High protein diets come and go like the meal replacements. The truth is that long-term weight loss requires lifestyle changes, which people often find difficult to change. It is possible and with a few changes people are surprised with what they can achieve. It is a challenge for both the patient and the dietitian.

Which High protein diet have you tried?

Dr Atkins diet
The Zone Diet

One of the reasons that high protein diets have been popular is that people lose weight quickly but it tends to be water. Stored carbohydrate contains large amounts of water and changing to a high protein, low carbohydrate diet results in the loss of these carbohydrate stores plus additional water and not the fat stores.

What about the side effects?

1. Constipation, fatigue and insomnia.
2. Dehydration and hypotension resulting from sodium loss and water imbalance
3. A high protein diet tends to be high in saturated fat and can increase atherosclerosis. Thickening of the blood arteries which can lead to a heart attack.
4. Excess protein can not be stored by the body, which means that kidneys require more water to excrete the urea. It is essential that enough water be drunk.
5. Uric acid levels can increase which may lead to gout.

Remember the British Diabetic Association, American Heart Foundation and the British Dietetic Association to name a few, all recommend fewer animal products and more complex carbohydrates and fibre.

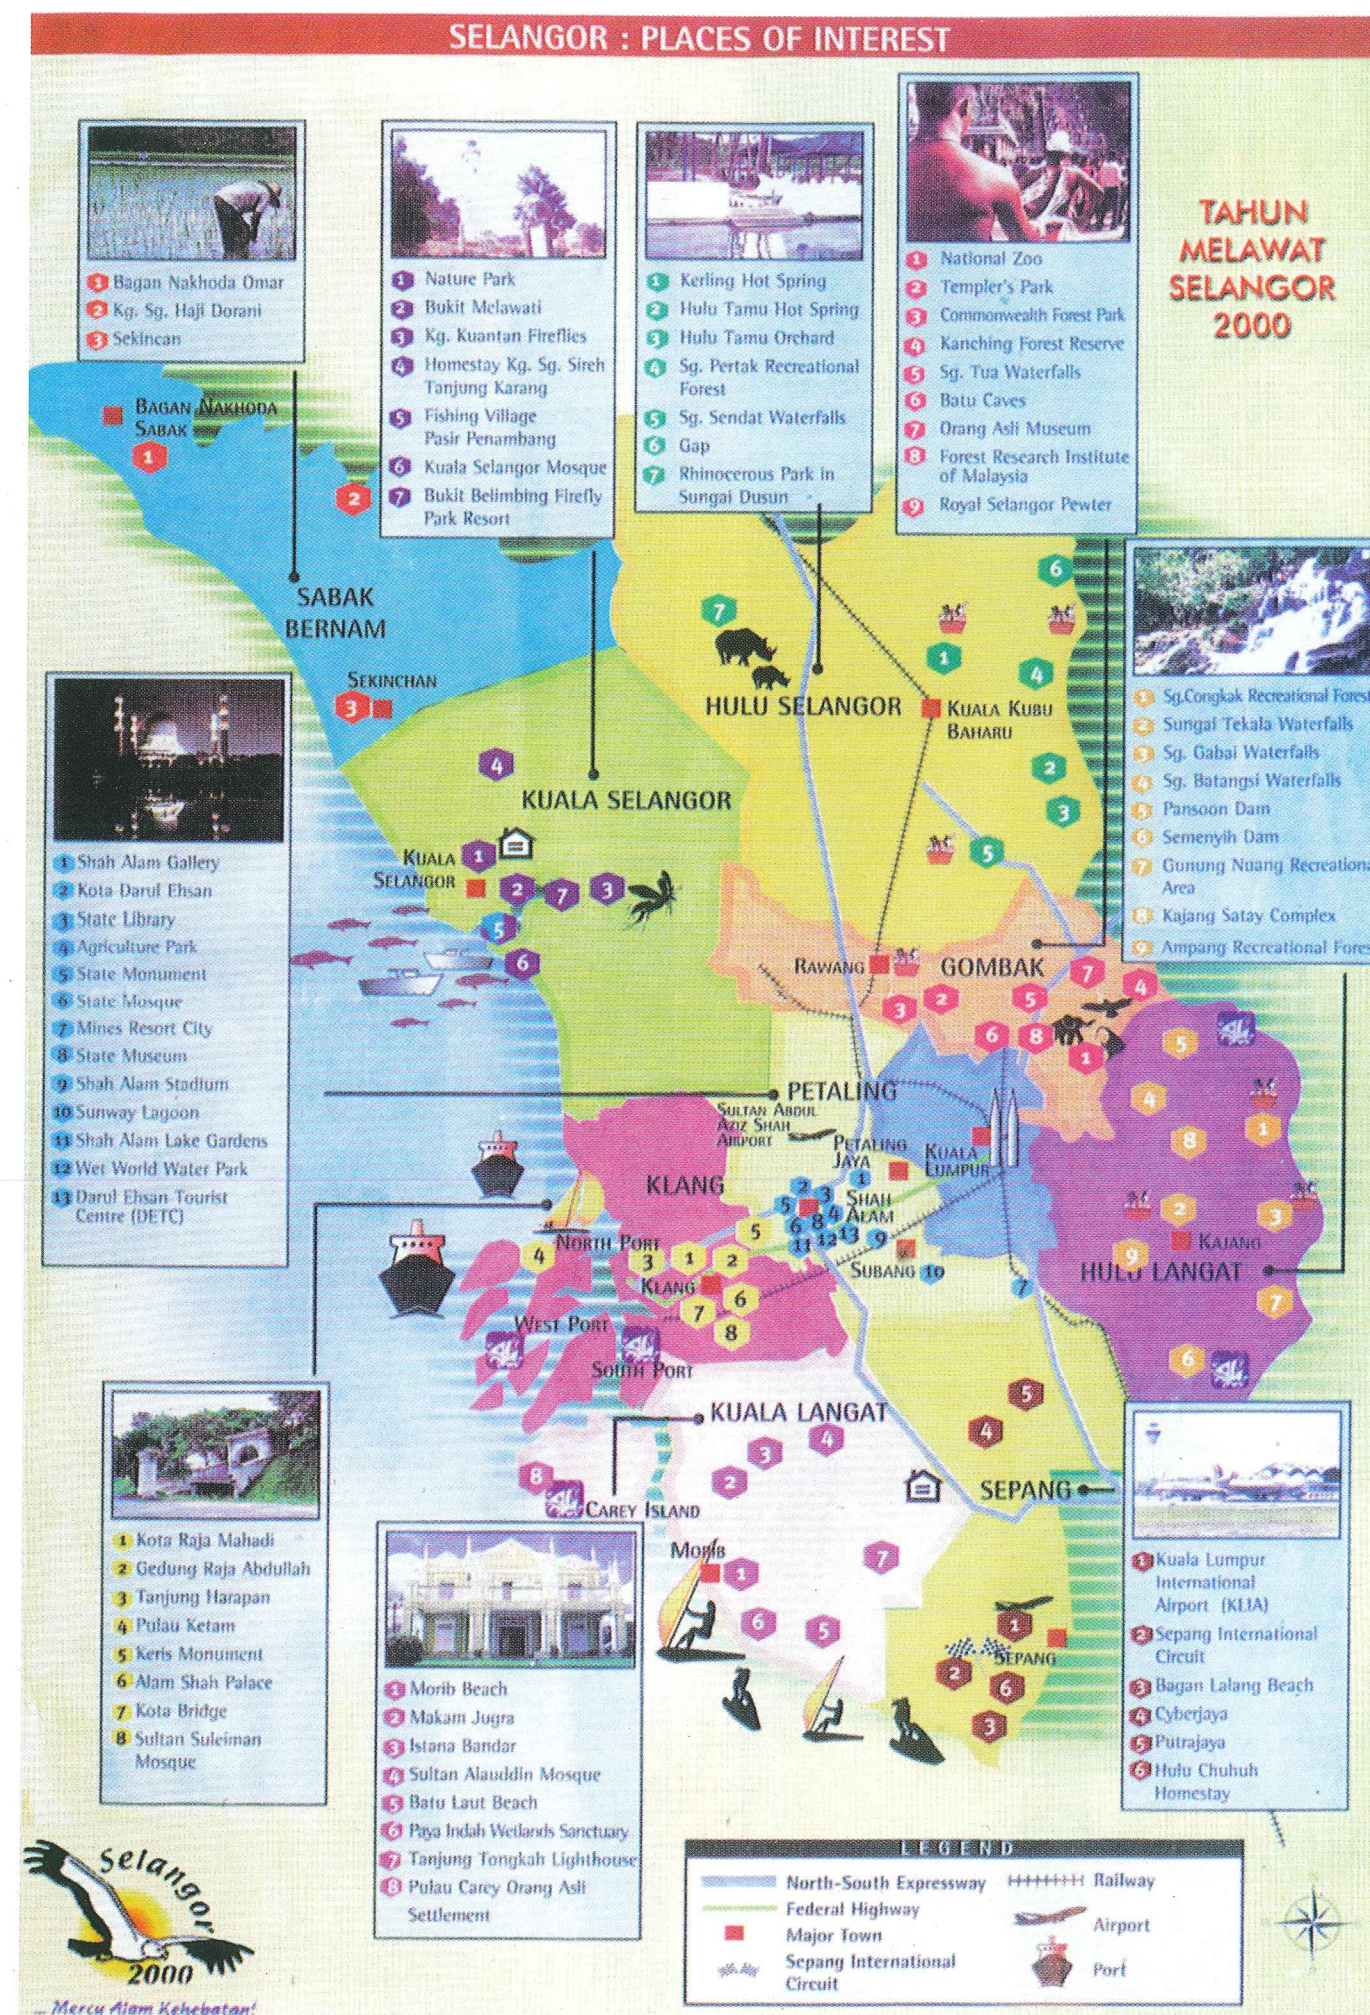

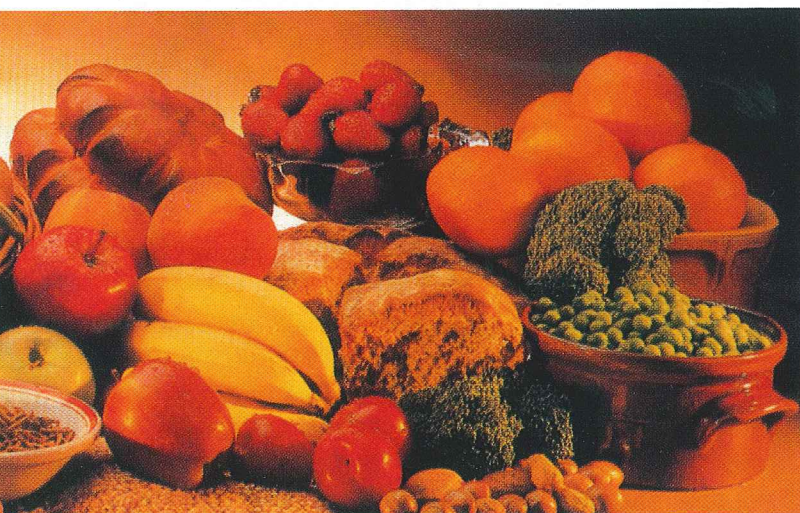

Protein Damage

Protein is metabolized by the liver and excreted by the kidneys into the urine. As you get older, kidney function decreases and eating too much protein will affect the kidney's function. Even for diabetics, it is now recommended that they should eat less protein, 0.8g per kg rather than the normal 1g per kg recommended for adults to minimize renal complications later on in life. For e.g.. A 70kg adult would require 70g Protein per day.

2 eggs	14 g
6 oz (180g) Meat	42g
6oz (180) Meat	42g
1 glass of Milk	7g

High protein diets can cause serious metabolic changes that lead to bone loss and kidney stones. The Nurses Health Study found that women who consumed 95g of protein compared with those that consumed less than 68g a day have a 22% greater risk of forearm fractures.

Message: High Protein Diets can damage your Health
