EDITOR'S NOTE

I have the honour of writing the editor's note to commemorate Royal Rangers Malaysia's 30th anniversary. Truly capturing the heritage and impact of the Royal Rangers ministry has been a journey down memory lane and of gratitude to the imprint it has left in my life. In this 30th anniversary edition, I will try to commemorate the past and leave some nuggets for the future.

This year is particularly significant to me even as I write this note, I am reminded that Royal Rangers Malaysia and I share the same birthday (yes, I turn thirty this year although I may not look or feel like it!!:) Looking back at thirty long years, I knew that God had in His great plan for me to be part of this ministry. I gained valuable and priceless lessons of life, leadership and faith in my years as a Ranger. I learned that ministry is not the activities we organize, but it's the relationships we build and foster. I experience first-hand that a family that serves together sticks together. I recognize that a life is not worth living if it's just for ourselves, but that meaning comes when we put God first and others second. I've grasped the evidence of the great Truth that "whatever you sow, you will also reap" – I've seen its fruits! Finally and (very important indeed), I found my soul mate, best friend and husband in this ministry! *big grin*

Yes, thirty years have come and gone. As I reflect on my life and ministry, I'm reminded that if God through the Royal Rangers leaders and rangers have made such an impact in my life, it too has made the incredible impact on the lives of hundreds and thousands of people who have been part of this God ordained ministry. And indeed as we celebrate thirty awesome years, we recognize lives are continually change, transformed, mentored, challenged – because impact causes a ripple effect.

I hope you will enjoy thumbing through this booklet as much as I've enjoyed putting it together with my team.

To infinity & beyond for His Glory,

Deborah Chan

BIG GUY DOUGH MARSH

On behalf of Royal Rangers around the world, Greetings! It is a great pleasure for me to celebrate with you 30 years in the ministry.

God has great things planned for you in the coming years. Jeremiah 29:13 says, "You will seek me and find me when you seek me with all your heart." So make every effort to earnestly seek God and you will find Him.

Be expecting great things from God in the coming years. As He has carried Royal Rangers Malaysia through 30 years of ministry, He will carry you towards greater things too!

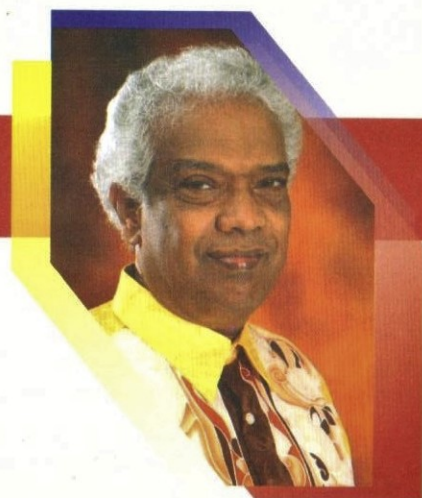

Sincerely,

Doug Marsh

BIG GUY REV. HENRY K. PILLAI

To all Commanders & Rangers,

This 30th Anniversary celebration time, we recollect pleasant memories of the faithfulness of the Master Ranger – our Creator God and Saviour, the Lord Jesus Christ. Thousands of young boys and girls have come into His Kingdom and many are in full time ministry. With his strong and tested foundation, the theme “Towards Greater Things” (Haggai 2:9) is fitting and focused.

May the blessed Master Ranger grant you to “be filled with the knowledge of His will in all wisdom and spiritual understanding” (Colossians 1:9) to fulfill this God given prayer and vision.

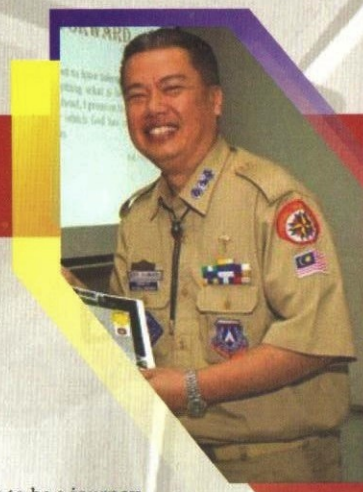

Towards Greater Things,

Rev. Henry K. Pillai

National Director of Royal Rangers Malaysia

1986 - 2006

BIG GUY REV. GIDEON LEE

Dear Rangers & Commanders,

Greetings in the most wonderful name of our Master Ranger, Jesus Christ!

This year 2012 has been an epic year!! As we celebrate 30 years of Royal Rangers in Malaysia, it is going to be a journey to remember, reflect and rejoice on God's bountiful goodness & faithfulness as we move "Towards Greater Things" which incidentally also our theme for the year & Camporama 2012 based on Haggai 2:9 - "The glory of this latter house shall be greater than that of the former, says Jehovah of Hosts. And in this place I will give peace, says Jehovah of Hosts."

Our theme "Towards Greater Things" is taken from the little book of Haggai which was written to encourage the Jews to rebuild the temple that had been destroyed during the time of the Babylonian captivity. The temple lay in ruins. Haggai confronted the governor, the son of the high priest, and the remnant of Israel that was left and he asked them a question: "Who is left among you that saw this house in its former glory?" Then he followed this question with another: "How do you see it now?"

The nation of Israel had been scattered. The holy temple had been reduced to rubble. That was the past. The question Haggai posed was not about the past, but about the future. How do you see the Royal Rangers ministry now? How do you see it in 5 years time? How about in 10 years time?

Many of us who have been in the Royal Rangers ministry long enough have seen "the house in its former glory" but unfortunately life does not give us the privilege of living in the past. We now need to build on what our predecessors have done so that the "glory of this latter house" will be greater! Mind you we are not in competition with what has been done in the past but using the past achievements as a yardstick we want to move forward! Let's use our rich history as a springboard for the future!

Once a Ranger, Always a Ranger!

FRIENDSHIP

ROYAL RANGERS INTERNATIONAL

Dear Royal Rangers Malaysia,

Congratulations! On behalf of Royal Rangers Asia Pacific let me wish you a blessed 30th Anniversary!

It is indeed an honour for me to be part of this celebration because 30 years ago, I was one of the boys at the first Royal Rangers meeting. With limited resources and training, it was the Commanders love for God and the Rangers, their dedication and commitment to the ministry that made an impact in my life. Today, we are blessed with better resources, training and a national ministry but it continues to be the love, dedication and commitment of the Commanders that are impacting the lives of the next generation.

I have seen the ministry grow and develop from a few outposts in Klang Valley to reaching, teaching and keeping the children and youths all over Malaysia for Jesus Christ. Royal Rangers leaders from Malaysia have also contributed to the growth of the ministry in the Asia Pacific region. We thank God for the many dedicated leaders who have pioneered and led this ministry. It is wonderful to see a new generation being raised up and taking leadership in the ministry, with many of them having grown up in the Royal Rangers.

Even as we celebrate this significant milestone and rejoice for all God's blessing these past 30 years, I know that our Master Rangers has even greater things in store as you continue to evangelize, equip and empower the next generation of Christlike men and women, and servant leaders.

May God richly bless you!

ROYAL RANGERS INDONESIA

Congratulations Royal Rangers Malaysia on 30 awesome years in ministry!

Royal Rangers in Indonesia first started in 2009. Pioneering this ministry in Indonesia has been possible with the partnership from Royal Rangers in Malaysia. We received spiritual, morale and financial support. Cmdr. Jim Guneratnam with his team conducted the commanders training in 2009 in Bedugul. There were at least 50 participants at the training and we were truly blessed. In April 2010, Pastor Mike Kuna, Cmdr. Lim Kwang Yew, Cmdr. Ivan Kok and Cmdr. Sathiaraj Francis again blessed us with another visit to Indonesia to conduct the Outpost Council Training and Council Fire Training. On top of that, Pastor Mike Kuna also helped trained in other places such as Menado and Surabaya. The time and attention given to us by all these individuals and the Royal Rangers Malaysia ministry as a whole helps encourage and motivate us to serve.

There was many things that we have been learned from Royal Rangers Malaysia. We wish that the ministry relationship will continue to build and develop for the future of Royal Rangers.

God bless,

Ps. Salmon Girsang

ROYAL RANGERS SINGAPORE

Dear Royal Rangers Malaysia,

In the last 30 years, we saw your unwavering commitment and faithfulness to reach and mentor the many Rangers that God placed in your hands. Lives have been changed and many outstanding church leaders, pastors and missionaries were raised and have been impacted by your dedication in serving our Master Ranger, our Lord Jesus Christ.

I believe that the theme being Toward Greater Things (Haggai 2:9) will see even more Rangers and leaders challenged, inspired and achieve spiritual breakthroughs in their lives. Am praying that God will establish stronger bonds of friendships and dedication to each other and to Him so that you will be ready and in faith to step up to a new season and build your life and Royal Rangers Malaysia Towards Greater Things.

Blessings,

A JOURNEY BACK TO OUR ROOTS

WHERE IT ALL STARTED MILES AWAY IN THE USA

Ever wondered how the Royal Rangers ministry started? We celebrate 20 years of Royal Rangers in Sel 7, but did you know that Royal Rangers has been around for the world for 40 years. Let's look at history.

The founder, an American by the name of Johnnie Barnes was born on August 1927, in Texas. His life was is a great inspiration. Let me tell you why. He was a...

DREAMER - His love for books and vivid imagination got him in trouble. He made ridiculous statements like "Someday, when I grow up, I'm gonna' get on an airplane and fly around the world, or paddle a canoe down the Amazon, or hike the Alps in Switzerland..."

WORLD CHANGER - His friend remembered him as a young man with a burning desire to change the world. What a great way to be remembered!

MINISTER - At college, , he became a Christian, and "received a call" to become a minister.

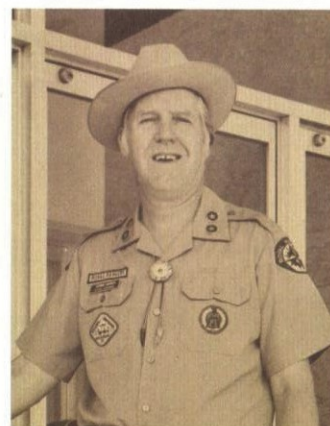

FIGHTER - Because of his dream to develop a program to meet the needs of Christian boys, he fought through social norms, discouragement and doubts and made it happen.

PRAYER WARRIOR - He sought God every step of the way. "Sometimes the job before me was so enormous I was frightened... because the ministry could affect the life of thousands of boys, I felt that everything had to be right. Too much was at stake to make a mistake." So he prayed!

When Royal Rangers was officially launched in Arkansas, USA in October 1962, the response was outstanding. Everybody was eager and excited. Today the Royal Rangers ministry is reaching out to boys and girls in over 65 countries around the world.

Rev. Johnnie Barnes passed away in 1989 leaving behind a legacy of 27 years in the ministry. Then Rev. Richard Marriot continued this legacy of impacting and changing lives for Christ. Today Doug Marsh continues to blaze the trail for raising leaders for the future.

Johnnie once said, "I have a dream of an army of youth around the world... lifting high the banner of Jesus Christ... making an impact on their generation for God. That dream is now a reality."

JONNIE BARNES
FOUNDER & FIRST RANGER

DAWN OF ROYAL RANGERS MALAYSIA

The Royal Rangers program of Malaysia had a very early beginning. The seed of thought was planted by Pastor Henry K. Pillai in 1975 but his desire did not come through to have a boys and girls program for the church until 1980. In that year, bro. Rajandran and bro. Albert Ong approached Pastor Henry and he willingly gave them his full cooperation support and encouragement to start Royal Rangers Malaysia.

Contact was made with Singapore rangers, Senior Commander Steven Teo from Bethel Assembly. Contact was also made with the Australian and USA Royal Rangers department in 1981. Rev. Johnnie Barnes replied on 15 March 1982 and so did Will Thorne on 6 March 1982.

22 enrolled in the leadership training course in Australia on 23 March 1982 and there was no stopping after that as the leaders found it important to be trained. On 31 August 1982, Selangor 1 (Grace Klang) became the first Royal Rangers outpost in Malaysia, followed by Kuala Lumpur 1 (Calvary Church Damansara). 27-28 August 1982, 5 leaders attended the leadership seminar held in Singapore by Bethel Assembly. Johnnie Barnes was there to speak.

The first Selangor Pow Wow was held on 12-15 April 1984 and the first National leaders Rendezvous was held on 13-15 April 1985. After ten successful years, the first Camporama was held in 1992 at Ayer Keroh, Melaka.

From then on, the ministry continued to grow and at the recent 6th Camporama in June 2012, we had more than 800 participants from all over Malaysia.

Royal Rangers Malaysia has also attracted the eyes of the Ministry of Youth and Sports, with the then deputy minister, Datuk Ong Tee Keat commenting that he believes the Royal Rangers program will develop future leaders for our nation.

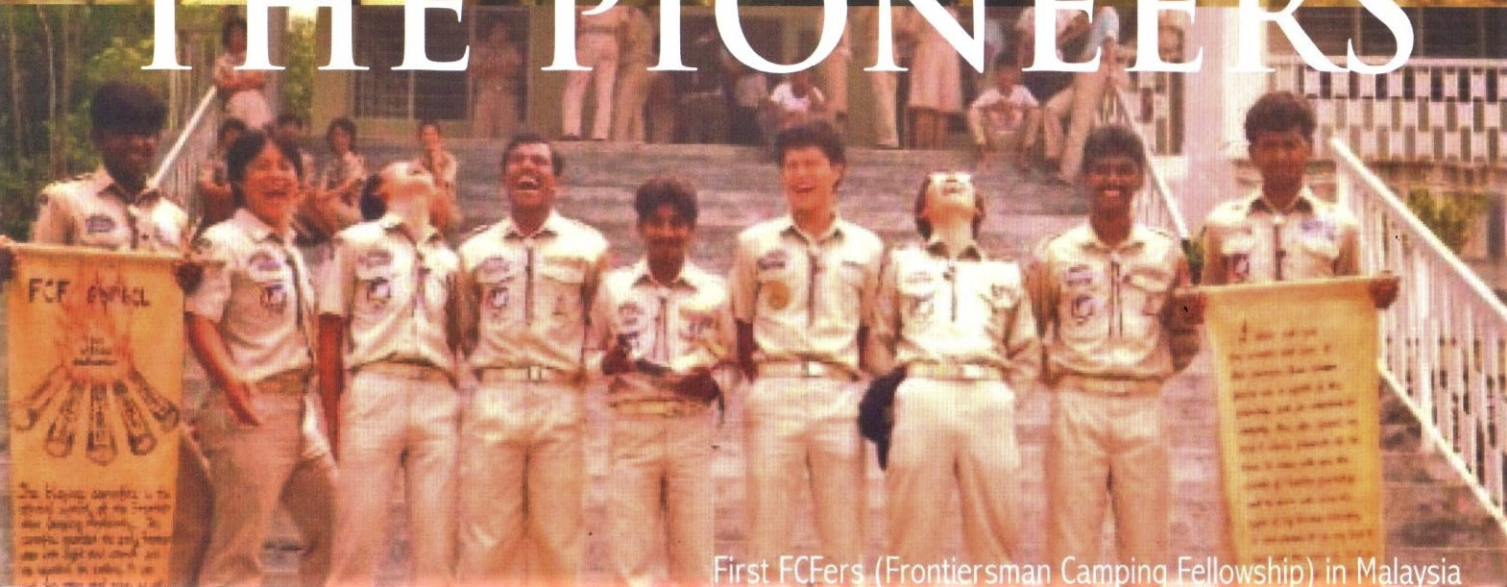

Indeed it has.

GRACE ASSEMBLY, KLANG OUTPOST SELANGOR #1

currently active

The seed of thought was planted by our Senior Pastor Henry K. Pillai in 1975. However, it only began to grow in 1982. Commander Rajendran and Commander Albert Ong approached Pastor Henry to establish contact with the Royal Rangers founder, USA National Commander Rev. Johnnie Barnes and Commonwealth Commander, Will Thorne. In August 1982, 5 leaders attended the Royal Rangers Leadership Seminar held in Singapore where Rev. Johnnie Barnes spoke. On 31st August 1982, a decision to go state chartering was made and Selangor #1 was established as the first outpost in Malaysia. Senior Commander Albert Ong was elected to lead the outpost.

What started as a seed of thought has now bloomed and is bearing fruit. The Royal Rangers ministry caught the fire and spread throughout Malaysia. Many people got to know about the ministry and more importantly, the saving knowledge of Jesus Christ through the Royal Rangers ministry.

In 2007, Selangor #1 celebrated our Silver Jubilee Anniversary. The greatest testament of the ministry is rangers grow up to be men and women for God. Throughout the years we have produced GMA holders, Pastors, Youth Leaders and more. We have grown leaps and bounds with God's strength.

GLAD TIDINGS ASSEMBLY, KLANG

OUTPOST SELANGOR #6

currently active

Royal Rangers Outpost Selangor # 6 was started by Pastor Roy Tan and Commander Alvin Tan, then under the leadership of Senior Pastor Rev. Dominic Chan, on 9th September 1987. The inception of this ministry into the church presented the start of an exciting phase and providing the church an opportunity and means to reach out to the youths and children through an exciting and structured mentoring-biblical teaching-leadership training- and outdoor based activity program.

25 years down the road, we have seen this ministry grow in numbers and strength. Through God's blessings, Selangor # 6, today is one of the main Royal Rangers outpost in the Central District with some of its leaders serving in Royal Rangers Malaysia National Committee and taking up leadership positions at various National / District Royal Rangers events. Over the years, we have seen more than 350 rangers and leaders come through this ministry and we thank God for the many life-changing experiences. We also thank God that through this ministry, many godly and dedicated leaders have been raised to serve in various ministries / departments in the church, the marketplace and the community and have left behind their footprints in our outpost history . The strength of this ministry is seen through its leadership development, mentoring programs and the mission emphasis.

Over the past 25 years, Selangor # 6 has participated in many Royal Rangers National / District events and training camps such as Camporamas, Central District Pow-Wows, Royal Rangers Leaders Conferences, RKTC, JTC, NTC & ANTC. Our leaders have been recognized by Royal Rangers Malaysia and have earned their Leaders Medal of Achievement (LMA), Leaders Service Award (LSA), Outpost Commanders Award (OCA), Outstanding Service Award & Medal of Merit . Throughout our history, Selangor # 6 has produced a total of 14 top notch rangers who have earned the highest award in the Royal Rangers ministry the Gold Medal of Achievement (GMA). We are proud to have in the history of Royal Rangers Malaysia the 1st girl GMA recipient (Carol Lim Lay Geok) and also the youngest GMA recipient at age 15 (Reuben Ponniah) with their names written in the Royal Rangers Malaysia Hall of Fame .

Under the guidance of the present leadership and Royal Rangers Council, our prayer is that God will continue to use Royal Rangers Selangor # 6 as a tool in the Master's hand; to Evangelize, Equip and Empower the next generation of Christ-like boys and girls for lifelong servant leaders for Christ. Comdr. Jason Ponniah is our 7th Senior Commander. His service began in 2011. The current active membership of our outpost stands at 100 rangers and 25 leaders.

GRACE ASSEMBLY, PJ OUTPOST SELANGOR #7

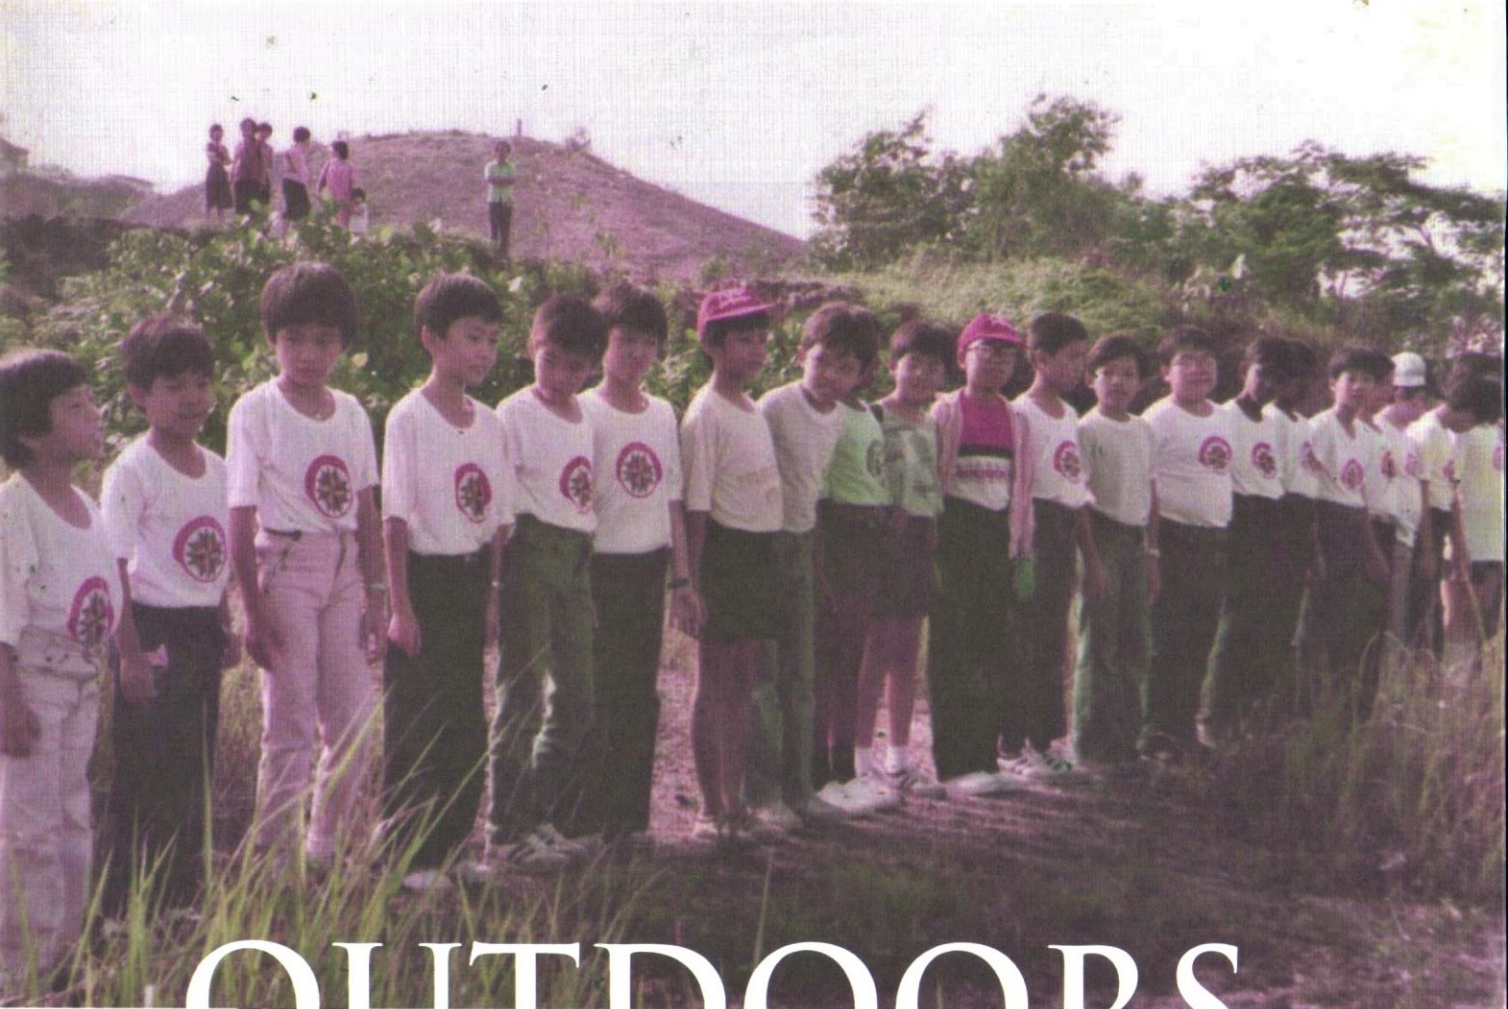

currently active

Selangor #7 found its humble beginnings in January 1988 where 25 rangers and 5 leaders gathered for the first time at SS4, Petaling Jaya. Our then Senior Commander, Nelson Roche was appointed to lead the ministry. Since then we've had 5 Senior Commanders take on the challenge of leading a robust team of Commanders and Rangers. They are, Commander Raymond Thomas, Commander Gurmit Singh, Commander Samuel Chen, Commander Theresa D'cruz and our current Senior Commander Terence Ooi.

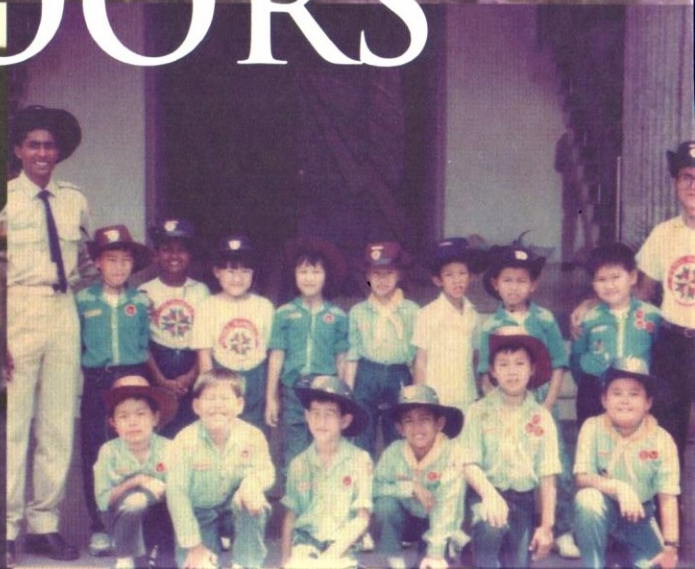

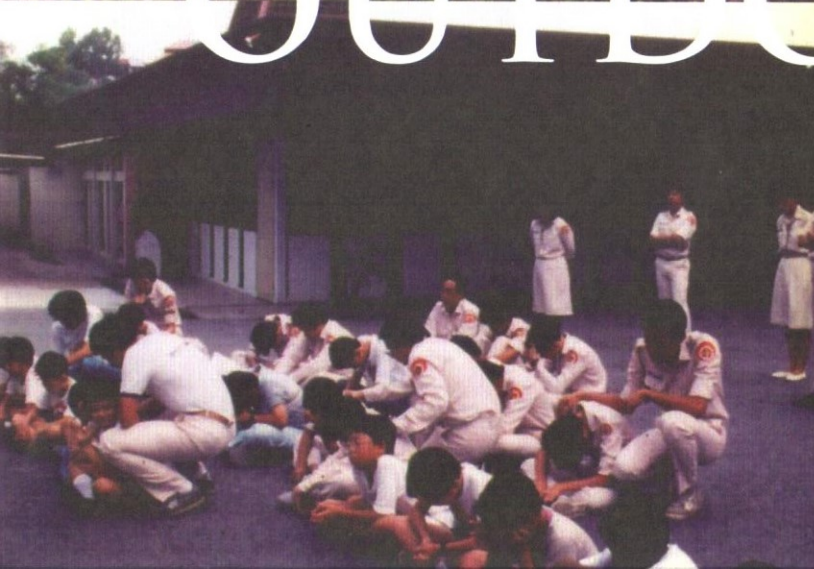

With every step of faith, our Master Ranger has led us through years filled with precious rejoicing. We started with a handful of Rangers and now we have 220 Rangers under our wings and 40 leaders paving the way for the next generation. Our joy is in witnessing a new generation of Rangers from yesteryears now taking their place as leaders in this outpost. As we reflect on the awesome wonders the Lord has done for us in the past, we are propelled to look ahead to greater things yet to be accomplished as an outpost, a family, an army for the Lord – to empower the next generation for Christ.

OUTDOORS

GLAD TIDINGS, SUNWAY OUTPOST SELANGOR #13

currently active

The Royal Rangers is a uniformed ministry and our outpost is manned by a group of very dedicated and committed commanders and councilmen & councilwomen who love Jesus, believe in the mission and ministry of the Royal Rangers and who unselfishly give their time and resources. While we may not have the required skills in the area of camping and craft nor possess the “creative juices” to come out with ideas for every time we meet, we are where we are because of His purposes and plans for the ministry and the lives of His children. We serve the Master Ranger. Selangor #13 has grown from the 2 faithful rangers in those pioneering days to over 30 strong rangers present today.

CROSS POWER TABERNACLE OUTPOST SELANGOR #18

currently active

Selangor #18 started in April 2010. The idea stemmed from Commander Victor Vijandaran, who was once a Ranger in his former church. The outpost started from 5 dedicated leaders, 3 councilwomen and Pastor Ann Tan as Chaplain and a few newbie Rangers. Since then, it has grown leaps and bounds giving an avenue to predominantly Myanmar refugee children to experience God and adventure. The outpost continues to meet weekly at Cross Power Tabernacle church in Taipan with Senior Commander Luke Teong helming the ministry.

CALVARY CHURCH OUTPOST KUALA LUMPUR #1

currently active

It all began in August 1982 through the vision of our Senior Pastor Prince Guneratnam and 6 men – Lim Chin Kee, Tony Luk, Peter Goh, Clifford Lee, Robert Kuan and Lim Sew Hok, the Royal Rangers ministry of Calvary Church was birthed. With 25 boys collectively in the Buckaroos, Pioneers and Trailblazer Outpost, they met on Saturday afternoons at the educational block and from its humble beginnings the programme provided both fun and accomplishments for the boys. The following year the Trail Rangers and Straight Arrows were added to the outpost.

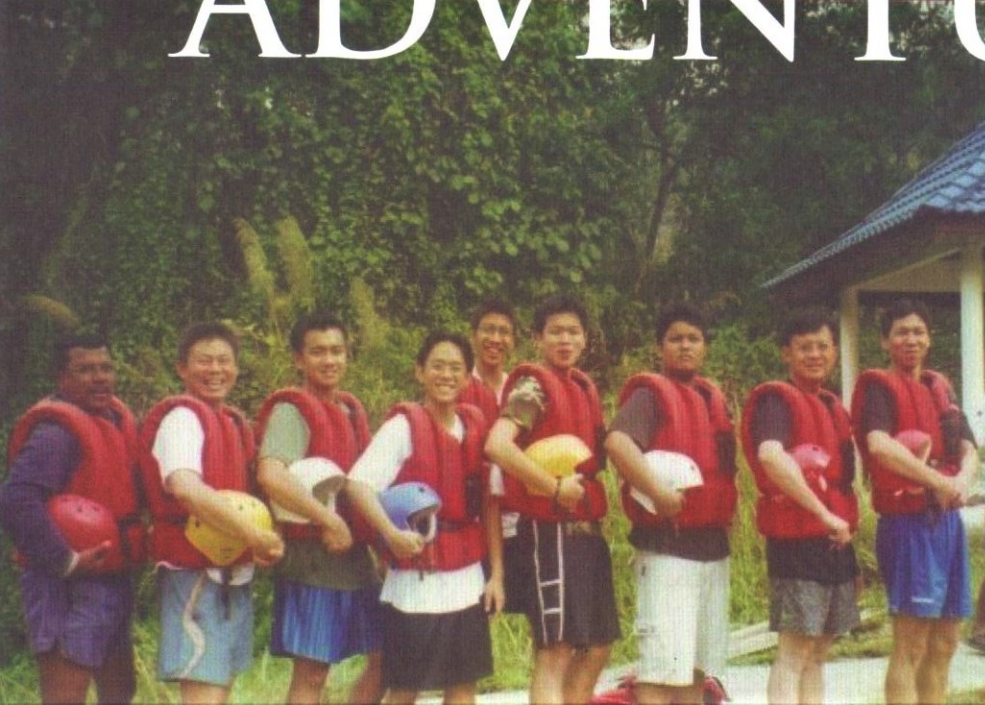

As the ministry grew, meetings were held on Sunday evening to coincide with the Worship Service. Under the guidance of our Senior Pastor and the able leadership of the Senior Commander together with the Commanders, the outpost has grown and expanded to include many exciting programmes and events for the boys and for the whole family.

SEL #7 MISSION TRIP TO CAMBODIA MARCH 2011

In March 2011, a group of 20 leaders from Selangor #7 set out on a mission trip to Battambang, Cambodia. Working alongside Pastor Sam, who runs The Legacy of Hope International (LOHI) a school dedicated to teaching English, the leaders of Selangor #7 organized new activities and lessons for the student and teachers. Riding on Motorcycles for almost 2 hours the leaders also went out to minister at the churches in various villages in Battambang, sharing testimonies and personal experiences on hope, love and faith in God. The leaders got to connect with people from the community, through both teaching and ministry. The main highlight of this mission trip was to help lay the foundation for what would be a new three storey building which will provide new and extra classrooms for the school. The team gave their best in giving back to the community of LOHI in Battambang Cambodia, so that they may also have the chance to learn and know how great God really is.

SEL #6 MISSION TRIP TO SARAWAK DECEMBER 2006

In December 2006, a total of 28 leaders and rangers from Sel #6 headed to Sarawak for a mission trip. They set out to minister and share with the Iban people, many people from the church and different longhouses nearby attended the meetings and were blessed by God's word. Travelling in four wheel drives and longboats they ventured to different longhouses and villages in Sarawak. The team spent time with the locals, spreading God's love and good news ministering to adults, youths and children sharing stories of God's greatness. All of them had the opportunity to conduct children and youth ministries filled with activities that highlighted Jesus as the reason. Building a relationship with the people having Jesus as the one connection the team from Sel #6 saw the hunger for God in Sarawak, answered the call and experienced the greatness of God in the lives of the Iban people.

KL #1 MISSION TRIP TO PHILIPPINES OCTOBER 2011

In October 2011, a team of two leaders from KL #1 and six leaders from Singapore headed out to Cebu Philippines to conduct the Leadership Training Academy held at the Mt. Olives Christian Academy. The team conducted the training course which covered the Ranger Fundamentals, so that the trainees will have the necessary foundation to start a local outpost in their various churches. The team challenged the trainees to serve with faithfulness, stirring their passion for God and the Royal Rangers Ministry. This training left all 87 trainee leaders challenged to reach their full potential and ready to establish the Royal Rangers Ministry in Philippines. A job well done!

REFUEL

LET'S BUILD!

by Doug Marsh (taken from Doug Marsh's blog - April 2009)

Nehemiah has just cast a convincing vision and the people responded by saying, "Let us rebuild the wall of Jerusalem!" Nehemiah's vivid description of their preferred future moved them to action. What unfolds over the next 7½ weeks is nothing short of amazing. In just 52 days the security perimeter of the city is re-established. All that in less than two months!

But don't be naïve! The 52 days of construction was to Nehemiah what harvest time is to the farmer. Make no mistake, harvest is hard work but it only represents the final relatively short portion of the growth season. If a farmer harvests it is because of disciplined work and patience that goes unnoticed except by a few—that is, until harvest time! For months and months before, the farmer has laboured in anonymity. Such is the case with Nehemiah. He led the people and together they erected the walls in an impressively short period of time.

But I repeat, don't be hoodwinked into thinking all this was microwave fast. Before the first stone was set in place, Nehemiah had been on the job for months, likely even years. He had been observing, learning, planning, praying,...quietly laying the foundations upon which the entire plan now rested securely. Nehemiah had:

- Heard from God, instructing him to move from cupbearer to builder,
- He had asked for God's favor and blessing,
- Received the king's approval and resources to proceed,
- Planned how to organize the work,
- Prepared for conflict and braced for the inevitable opposition that would come,
- Presented the vision convincingly,
- And so much more!

Nehemiah had planned his work in prayer, then at harvest time, he worked God's plan. And that is how wise leaders roll. Jesus spoke of good planning on many occasions, one being in Luke 14:28, "Suppose one of you wants to build a tower. Will he not first sit down and estimate the cost to see if he has enough money to complete it?" Success demands forethought.

Management is about today but leadership is about tomorrow. The best Ranger leaders are both good managers and good leaders. Godly leaders are futurists. They discern what God is about to do, how he is about to do it, and they get themselves and those around them right in the middle of it. That is leadership.

If you want to hear those around you say, "Let's build," as Nehemiah did, that is, if you want to rally those around you to achieve a brighter future for boys and young men, then you too must be prepared to put your heart and soul into the front

end to gain that harvest on the back end. Leadership requires disciplined time in obscurity seeking God's direction, favor, and future.

You and I know that a growing business or church or ministry is not the result of luck. It is the result of a long series of private victories won long before anyone noticed the grand public victories. In Royal Rangers our victories are won as we spend time in God's presence, investing time on our knees, in God's Word, by seeking godly counsel, by fully developing the talents God has gifted us each with,.... As we do, God will shape and use our lives for something big and noble and worthy of his Kingdom; He will lead us on an exciting and expectant adventure.

Take it from Nehemiah. He recognized the need, talked to God about it, carefully laid the groundwork, and then met the need. But meeting the need was only the tip of the iceberg. It was preceded by strategic efforts unknown except by a few. How about your favorite television program? Behind that broadcast stands an entire studio that invested thousands of hours in that 30-minute program. That half-hour sermon your pastor delivers each service represents hours and hours of disciplined preparation and prayer.

If our Royal Rangers ministry –if your ministry– is to truly meet the needs of the boys [and girls] and young men [and young women] in your church and community, it will be only because you let the Holy Spirit lure you into God's presence to hear his heart on the matter. It will be because your pastor was part of the process and it complements his vision. It will be because others equally bought into the cause. It will be because you refused to passively hope for good and began to actively pray and plan for it.

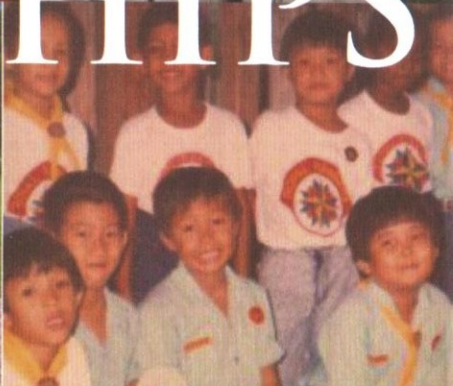

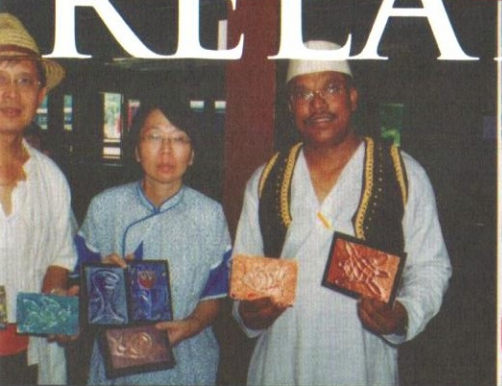

It was no accident that the people said to Nehemiah, "Let's build." It was planned for. It was obvious to everyone that God's hand and timing was at work because one man had submitted himself to God and had paid the price to prepare the stage for success.

As we look across the nation, the stage is set for Royal Rangers to flourish at a new level—for us to "influence more boys and young men than ever, more effectively than ever." What are you doing to prepare for the greatest harvest you have ever seen? Look around you, what are the needs you can meet that will further your pastor's vision for the community as you focus on future men? Talk to God, talk to your pastor, and get ready!

God is looking for Nehemiah-like Ranger leaders who listen to him and are prepared to pay the price for God's purposes to be accomplished. Rangers, let's build!

THE LIVES WE HAVE TOUCHED

TESTIMONIES

I would dare say that Royal Rangers and missions go together like two peas in a pot. Whatever experience I gain as a ranger, is an experience applicable to that in a mission team.

It is simple, missions is all about leaving your comfort zone, stepping outdoors, roughing up, walking the talk, and loving people. Don't we all do that as a ranger? Definitely.

First off, leadership and responsibilities. Being a ranger all these years have granted me a fair share of leadership roles as well as the handling of responsibilities. All of which I would say I needed in the participation of missions, to work with the team, to ensure a successful trip, even the simplest of roles and responsibilities, matter.

Although the core of missions is of spiritual substance, it would be a lie to say that we can simply participate without any form physical preparation. This is one important aspect, where being a ranger has assisted me in missions. The survival outdoors, to hours and hours of hiking in the wilderness, to being vigilant in a foreign land, to the mere skill of good backpacking. What is there not to apply as a Royal Ranger in a mission trip?

Most importantly, being a ranger is all about sharing the love of God. Blessing others just as how I am blessed. I believe that all these I must carry to the mission field, where the reward of us stepping out of our comfort zone, is to see people being touched by God's love, to witness genuine smiles of joy at the little blessings they appreciate, to give and give and give, because "with God's help, I will do my best."

The great thing about Royal Rangers is that it gives emphasis on every aspect of life. A ranger is shaped physically, mentally and spiritually; supported by the Rangers code. As for myself, this ministry has molded me into a better person. Knowing that we, as Christians have the duty of sharing the Good News to those around us, Royal Rangers has played a big role in helping me reach out to the unsaved.

One obvious aspect of Royal Rangers that has helped me greatly in missions is leadership. The many opportunities to lead combined with the guidance of my commanders have taught me to be a leader as much as a follower. Being leaders, we should hold on to the key principles of listening and encouraging which are all the more important when doing His work. I truly thank God for commanders who have led well by example.

On the other hand, this ministry has also made me accustomed to the great outdoors, especially in missions. I remember my past few experiences of being in a mission team to the longhouses of Sarawak. The slippery trails and tough hikes were physically and mentally challenging. However, the experiences as a ranger enlightened the load and boosted my confidence because Rangers had taught us some knowledge of hiking. It also gave me the assurance that I was able to pull through that difficult situation. After all, I had already conquered the many hikes and survival camps in Rangers!

Last but definitely not least, the commanders' constant urge for the rangers to remain in God's presence was what brought us to have the heart for missions. Indeed, it is God's command to us "to be His witnesses" everywhere we go. Royal Rangers has equipped me well with God's Word not just for missions but in every situation.

I have learnt much and am still learning from every part of being a ranger. I thank God for enabling me to go beyond my potential and to exceed my limitations through this ministry. Truly, Royal Rangers is a great blessing in my life.

Deborah Lam

It was back in January 2001, I reluctantly went for my first Royal Rangers meeting after much persuasion from the parents. Lugging a hello kitty sling bag without any acquaintances and bagging a bagful of anxiety, my journey as a ranger began. I slaughtered my first live chicken in survival camp, received the Gold Medal of Achievement, helped in construction works in mission trips, shared in a language that I am less fluent in in a different country, had my first encounter with the Holy Spirit, made so many great friends, and so much more, as a ranger.

11 years later, I am now a lieutenant commander serving in the Ranger Kids group. From a shy, timid girl that did not have the courage to order food without her parents' accompaniment, I have definitely come a long way to be who I am today. This ministry does not change oneself overnight, of course, but it is a gradual process that has an expiry date only the Master Ranger knows of. Something as simple as listening to a 7 year old boy telling you about his week and believing in a 10 year old girl in her ambition in becoming a missionary and encouraging her means a whole lot more than what we think! It is the faith and passion my leaders had in me back when I was a pioneer girl that made a whole difference in my life. It is impossible to share stories and testimonies I have accumulated throughout the years in a few lines but to sum it all in six words: God is good, ALL the time.

Renee Koo

I can vividly recall the first time I walk to a room full of kids my age wearing red listening to an adult speaking in front. This was my first time at Royal Rangers and at a tender age of 9 this was something different. The first few meeting was always me dragging my feet to the still in the room while pretending to look attentive waiting for the time to go leave. Slowly this whole notion of being a Royal Ranger got into my system and I was running around just like how I would in a playground. I was me again, only this time Royal Rangers became a part of me and it will always be a part of me.

Right now 10 years passed in a blink of an eye, and from a hyperactive young kid(I'm sure almost all commanders remembers me for this) I am now teaching the the exact some kids like how I used to be. My journey being a Royal Ranger has been far from mediocre. Royal Rangers not only gave me awesome camping skills and knowledge about God but it provided me with great experience and even greater friends. Sundays just don't seem right without Royal Rangers, and I am sure that many would concur. The friends I grew up with in Royal Rangers stick closer than a brother and we often do awesome stuff together. We are like the fellowship in Lord of the Rings in our own way, we all have a differences yet the bond will always be there. I would never trade my 10 years of experience for anything. Now let the 10 years add on another 10 and another 10 and in the same way I hope everyone would be able to experience a very special experience like I did.

MINISTRY

The Royal Rangers ministry has been a part of my life for the last 12 years. Without a doubt, much of whom I am today has been the result of the seed that the people of this ministry have sowed into my life. Royal Rangers have given me invaluable experiences and opportunities which I will always treasure.

To the leaders serving currently, do not give up in doing good. Boys like me have been greatly blessed and is reaping the good seed planted in my life. We may not see the fruits of our labour now, but through perseverance and the favour of God, we will see this ministry and this nation moving on to the next level.

Lee Yu Tjin

The Royal Rangers ministry has taught me countless amounts of things, ranging from the skills learned to the merits, to fundamental attributes such as independence and further grounding in the word of God.

The weekly bible quizzes and spirit challenges that I participate in have truly taught me new things, and allow me to search and go deeper into my faith. Events like the Junior Training Camp have strengthened me mentally, and I have learned how to handle pressurising situations a lot better. Through the camps that I have gone through, I have learned to be physically tougher, and I have learned survival skills I would not have learned elsewhere. And lastly, the friendships I have made and strengthened through years of being together with my fellow rangers and commanders have been a real blessing to me. I am truly glad to be able to have walked a part of my journey with my fellow rangers who are always willing to encourage and uphold each other as a body of Christ.

Through my 9 years in Royal Rangers, I can truly and wholeheartedly say that this ministry has impacted my life, and has helped me grow spiritually, mentally, socially, and physically.

Wow! Its 2012! Its 30 years of Royal Rangers Malaysia and Selangor 1!

Royal Rangers has been and will always be a part of me. I became a part of this great legacy when I was 4 years old and Royal Rangers has been an essential tool which had help to reach, teach and keep me for Christ. Learning how to build a tent, how to start a fire, attending numerous camps and learning to never give up. I guess I should thank the rangers and the leaders for helping me to be who I am now. Helping me to grow as a teenager to an adult with great balance of social, mental, spiritual and physically.

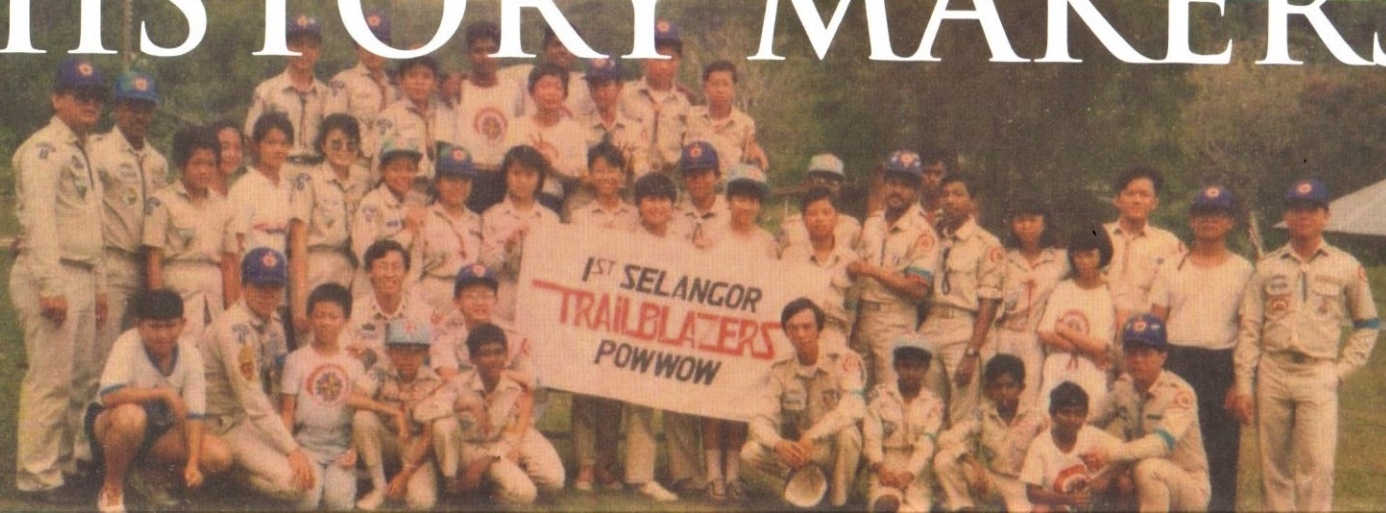

I still remember when I had my operation to remove my tumor on my right thigh few years back. The doctor asks me. Why am I cool and not worried about the tumor? I just replied that I have an awesome God and he will never forsake me. I guess Royal Rangers did help me to be that cool dude.

I believe this ministry had helped me to be what I am now. I would like to thank all the leaders and rangers of Royal Rangers Malaysia for helping me to be part of this ministry. I grow up as a ranger and now I am living the dream of being a leader. Thank You. Happy Birthday, Royal Rangers!

HISTORY MAKERS

I thank God for Royal Rangers (and all the wonderful and dedicated commanders), through which I have learned independence, and valuable skills socially and spiritually, physically and mentally. This was so important for me because I am a homeschooler – studying, literally, at home. No other single place would have given me all that I have learned.

When I first joined, I was shy and reserved, and indoor-preferring, dreading everything new– and Rangers was VERY new to me. I would get very worried and nervous, ‘what if’s and fears of the unknown running around my brain and giving me butterflies in my tummy. And so, for the first few years, I’d pray (and pray and pray) about every new thing and experience that came along in Rangers. And I saw God answer my prayers. Both in tangible, and more subtle, ways. From those years, I’ve learned to cover everything I’m apprehensive about in prayer, which in turn has brought me closer to God. And of course, I’ve learned many other things through the programs themselves. Praise the Lord for such a wonderful ministry!

Sarah Chin

I’ve been in Rangers since I was 8 years old. I have learnt many things and have many fond memories of being the naughtiest and most mischievous boys in my Buckaroo outpost then. I remember that in Royal Rangers, discipline is done differently. Being a disturbance to the group at that time, my outpost commander made me a senior guide when I was 9 years old. I felt a sense of responsibility at that point of time. Since then whenever I put on that Rangers uniform I wear it with pride - knowing that I’m serving the Master Ranger. I have acquired many relationships and gained a lot of role models, people that I look up to and admire. I grew up in the rangers spending every Sunday from 1.45 till 3.45pm in church. Never failing to look smart in my uniform.

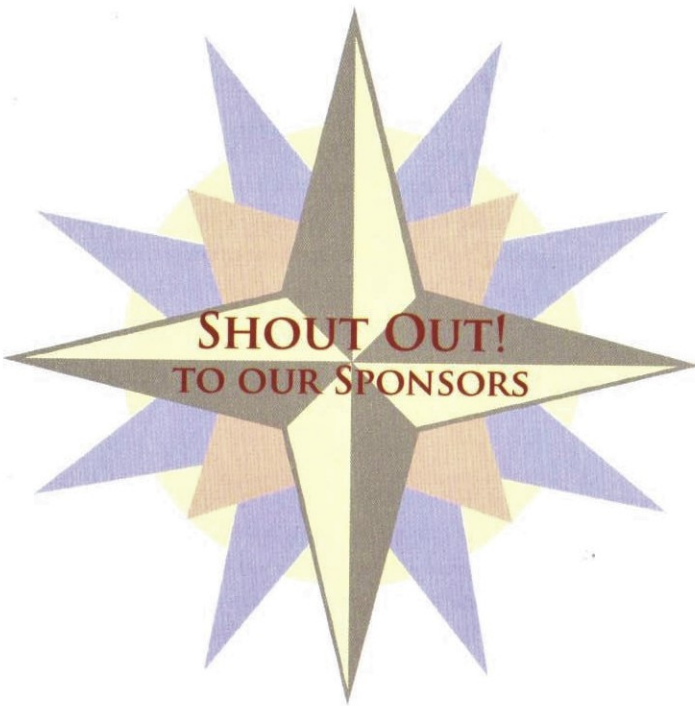

At that time the awards were given in metal pins which we pinned onto the left side of our uniforms. It was a healthy competition to see who had the most medals but we never failed to help a fellow ranger get an award. It helped us to work in a team and to care about each other without looking at our colour or where we came from.

The greatest time for me was when I got my FCF pin in front of my church congregation. It made my parents proud. From camps, to advancements trails and to outings, there was always something to look forward to. Throughout all the competitions and rivalries we have between each church, we always laughed and joke about the things we did after the camp. Special bonds were made through them. Being a ranger I always learnt that the important thing is to reach, teach and keep. I was reached to when I was a kid, I was taught many things by my commander and I was kept in the ministry by them.

Now it’s my turn to give back to the rangers that has given so much to me. Finally I would like to say that being a ranger has taught me so many values and skills, which till this day I use in my daily life. I would like to say thank you and appreciate everything that Royal Rangers have given to me.

Once a ranger always a ranger.
