

Dear Friend,

"Let everything that hath breath praise the Lord. Praise ye the Lord." Psa 150:6. It has been one year that we have been in the Philippines. So much has happened and the future is so bright that it is a joy to send this report. Your regular monthly support offerings have been gratefully received and we are thankful for your prayers. "Prayer power is the strongest power in the world."

Royal Rangers

Royal Rangers

You have helped to organize the first RR Outposts of many areas—printing the books, locating where patches, emblems and uniforms can be made at reasonable prices. Training of leaders is the important task. Seminars are being conducted. 2 National Training Camps have graduated over 40. Three more are scheduled as the weather permits. Pray that God will choose a National leader to take over as National Commander.

The Cross and Switchblade

The drug traffic is apparent here with little or no help available to those who are in desperate need. Now in preparation is an illustrated pocket edition (144 pages). It is completely pictured (comic style) made attractive—easy to read and understand. Pray for the second stage of publishing.

Churches Built

Every week the requests are received for funds to build and complete native style churches. Pray that funds will continue to be sent in so these monuments for the worship of the true God may be constructed. Many redeemed ones through this ministry will join in that Beautiful Home in Heaven.

Christian Children's Fund

Through the "sponsorship program" over 100 children are being helped by Cagayan Family Helper Project. Care for the physical, the spiritual, the mental and social development of the child is given. This program was founded in 1938 and as God has prospered it has extended this help to thousands of needy children. There are thousands yet to be helped.

Congress on Evangelism

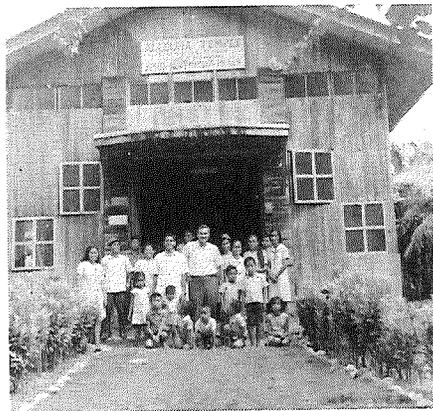

July 10 saw over 100 workers—waiting to get involved—come to our city in the interchurch congress "Christ the Only Way." No ordinary request: Believe with us for a great revival and saving of souls in these islands. Laymen and ministers alike are praying and working together "Lord, give us souls."

News Briefs

Summer vacation over—Happy is back in Manila Faith Academy. Moved to a new location—Mrs. Edna Ahlberg arrives Aug. 20th. Floyd went to states on a business trip—attended Texas Dist. Council. A pleasant and safe trip and happy to be back. Louise keeps busy with household routine, office work, organizing ICI (International Corres. Inst.) clubs.

Your daily prayer is needed for:

God to open the door completely for a Christ-centered ministry in the Del Monte plantation and packing plant. Establishing Bible clubs studying the Assemblies of God ICI course.
