The Royal Rangers History website (www.royalrangershistory.org) exists to help preserve our Royal Rangers history. Since Johnnie Barnes founded Royal Rangers in 1962 there have been untold thousands of different Royal Rangers events across the United States and around the world, and for most of those events there have been commemorative patches, coins, coffee mugs, and other items issued or sold at these events. This site is dedicated to helping to preserve and catalog those collectibles, and information about the events and activities, for Royal Rangers around the world.

Thank you to everyone who has contributed scans or photos of coins, patches, and other collectible items, and scans of newsletters, event packets, and other items to the Royal Rangers History site. This site would not be possible without the contributions of many individuals from across the country and around the world. If you know of additional items that should be added to the History database, you can send scans or photos to history@ntxrr.org. In addition, if you have information on the number of items made, number of people who attended, who the designer of the item was, or other information about an event, we would like to add that information to the database as well.

With a project this large it is likely that some mistakes have been made in identifying an item or with some of the descriptive information about that item. If you see a mistake, please send corrections to history@ntxrr.org so that the database can be updated. This is a volunteer effort so it may take some time before updates occur, but your contributions are definitely appreciated.
