The Royal Rangers History website (www.royalrangershistory.org) exists to help preserve our Royal Rangers history. Since Johnnie Barnes founded Royal Rangers in 1962 there have been untold thousands of different Royal Rangers events across the United States and around the world, and for most of those events there have been commemorative patches issued. This site is dedicated to helping to preserve and catalog those patches and other information about events and activities of Royal Rangers around the world.

Thank you to everyone who has contributed patch scans and other information to the Royal Rangers History site. This site would not be possible without the contributions of many individuals from across the country. If you know of additional patches that should be added to the History database, you can send scans to history@ntxrr.org. In addition, if you have information on the number of patches made, number of people who attended, who the designer was, or other information about an event, we would like to add that information to the database as well.

With a project this large it is likely that some mistakes have been made in identifying a patch or with some of the descriptive information about the patch. If you see a mistake, please send corrections to history@ntxrr.org so that the database can be updated. This is a volunteer effort so it may take some time before updates occur, but your contributions are definitely appreciated.
