CONTENT: An annual report from each Regional Coordinator.

PROPOSAL: That the Executive Committee meet twice a year.

CONTENT: The Camporama Publicity
Committee, Program Committee, and
Site Development Committee will make
their report.

PROPOSAL: That the national office prepare a anniversary patch to be used during our Silver Jubilee Celebration. Each district will be encouraged to conduct some type of silver anniversary event (or emphasize at their pow wow), between August 1986 to August 1987. Each person who participates in one of these events may wear the Silver Anniversary Patch. These patches would be available only through the national office. Districts would not produce their own anniversary patch. (This would not affect the production of their own pow wow patch.) These patches would be available for purchase by the districts at the 1986 Camporama.

PROPOSAL: That an established suggested procedures and guidelines be developed for individuals, other than the national office personnel, who travel outside the U. S. to participate in R. R. training events.

PROPOSAL: To review a Ranger of the Year document with consideration given to making it useable for the total Royal Rangers program.

CONTENT: A report from each region on their Stake-A-Claim goals. Plus suggestions on how to create more participation.
