

## MEMORANDUM

---

---

**TO:** Royal Rangers Executive Committee  
**FROM:** Ken Hunt  
**DATE:** January 23, 1990  
**SUBJECT:** Constitution and Bylaws

Greetings!

Enclosed is a copy of the Constitution and Bylaws of the Royal Rangers National Council. You will note that several addenda have been added.

According to the September, 1989, Executive Committee Meeting, the national office agreed to peruse the old minutes of councils, etc., pulling out actions that possibly altered the Constitution and Bylaws. Please note: to date none of these actions have been sent to our Assemblies of God Executive Presbytery for their ratification.

This list is our best attempt to provide you this information. Although these addenda may not be totally clear since they have been removed from their context, they should make sense to any future Constitution and Bylaws committee, who will be cross-referencing the minutes from which these addenda came from.

Each of us owe Don Franklin a debt of thanks. He spent hours upon hours of his time researching documents and compiling this list.

Please do not share this information with others outside our committee. Our next best course of action is to appoint a Constitution and Bylaws Committee.

See you in March!
