#2

...a bird's eye view of what's happening!

The Symbol Of Adventure

The Johnnie Barnes Lodge, center of activity for the National Camporama and the National Royal Rangers Training Center, was dedicated in ceremonies yesterday.

Johnnie Barnes is the founder of this world-wide ministry to boys, which is now being used in 42 countries of the world.

The lodge is a fitting tribute to our founder and National Commander, who has himself worked many long hours to get ready for this event.

The lodge will be utilized in many ways in time to come for such activities as the National FCF Rendezvous in 1988, and the 1990 International Camporama. It will also be used for training events and camps, adventures, and other special programs.

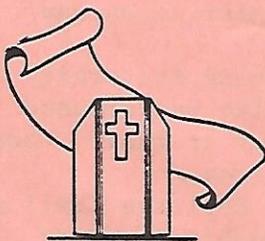

Johnnie has always had a dream like this, and, at last, we see it coming true.

Farwell Chapel

FARWELL CHAPEL is something very nice & interesting. It is in honor of the Farwell Family, who sold the land to Royal Rangers. The chapel, which is on the tour, has wood seats, a pulpit made of a tree trunk; two doors, five windows, and eighteen pews. I would like to go to church here.

*The light of God surrounds me,
The love of God enfolds me,
The power of God protects me,
The presence of God watches over me,
Wherever I am,
God is!*

We already have tomorrow's clue, but we can't print that yet.

SPECIAL VISITOR

Among our VIP's yesterday was Juanita Barnes, wife of our National Commander.

When asked about her reation to all this she replied, "Terriffic, awesome!" Twenty-five years ago, she probably didn't expect something like this to happen.

Bits and...

The physicians on staff say be sure to drink plenty of liquids. Gatorade is the one they recommend. (Say, isn't it nice to see so many medical doctors in UNIFORM?!)

The Royal Rangers marching in review was an awesome sight. You really looked great, fellows. The National Commander is very proud of you!

The lodge is for Headquarters Staff and those on special business only, such as medical reasons.
