We're glad that your group is interested in Springfield and the Ozarks! Springfield is a wonderful destination. Springfield's moderate room costs and excellent geographic location make it the best choice that a group such as yours has. We extend our hospitality to you and your group! It is our hope that you will have a wonderful time while here.

TOUR AND CONVENTION CONSULTANTS is a specialist in the Ozarks for reunion and convention activities. We have a combined experience of 20 years in sightseeing tours. We work with persons that plan reunions, conventions, and business meetings. We make arrangements for transportation, hotel reservations, meals, sightseeing for either in Springfield, Branson, or Eureka Springs. Tickets to Silver Dollar City, Shepherd of the Hills Play, country music shows, Passion Play, etc. are available too. TOUR AND CONVENTION CONSULTANTS are experts with coordinating details of the activities. Our policy is to offer activities at wholesale costs plus 10% for a handling fee for us. We can offer this to you because we have the ideas, know where to go, how much it costs, and have the background to put it all together! We want your group to have a great time while visiting the Ozarks.

We work with all of the hotels/motels in the Ozarks and enjoy an excellent reputation at the Springfield Convention and Visitors Bureau and Chamber of Commerce of Springfield. Enclosed are references from the past years that we have planned activities for their group. We want to hear from you soon if you have any questions about certain ideas and prices. We offer package ideas and customized ideas. Of course bus transportation is always assured by us...shuttle service included. Thank you for your time in reading of our services. Your job as meeting planner is not an easy one. We would enjoy helping to make it easier!

Sincerely,

Beverly Lines

INTERNATIONAL CAMPORAMA FOR ROYAL RANGERS:

Our services include picking up the individuals at the Springfield Regional Airport on those dates indicated, June 25, 26, 1990. We will greet and oversee the departure for the Eagle Rock Camp. During the time that our tour escorts are on the bus with your group, we will briefly describe the area that we are driving through. A light refreshment of lemonade or soda will be served as we drive to Eagle Rock. We will assure that the bus is free of paper cups by picking up those articles before arriving at Eagle Rock. The cost for our services, bus transportation, etc. is based upon the hours of usage. The cost for the bus to Eagle Rock from Springfield is \$240 for an eight hour period. Our services are approximately \$3 to \$5 per person, including refreshments and complete coordination of transportation by our tour escorts. A flat rate of \$75 per day for a 10 hour time period could be chosen instead of the cost per person for our services alone (excluding transportation).

The cost per bus from Springfield to Eagle Rock (to pick up the group); and take them to the Eureka Springs Passion Play is \$320. The play is closed on Monday and Thursday nights. The cost per ticket is \$7 to \$9, depending upon the area our seats are located in. Our services include having ticket reservations, transportation coordination, and escorting the individuals to and from the Play area. This cost would be approximately the same as mentioned above.

The cost per bus from Springfield to Eagle Rock (to pick up the group); and take them to the Silver Dollar City and Branson area is \$348. The cost of tickets to Silver Dollar City is \$13 for the 1989 season. An increase of \$1 to \$2 per ticket may occur for the 1990 season. Other activities in the Branson area could include riding the Ducks (the amphibious vehicles), White Water, Shepherd of the Hills Homestead and evening play. Our services include securing tickets, transportation coordination, and escorting the individuals to and from the Branson area. This cost would be approximately the same as mentioned above.

We will make every effort to work within a budget. Our prices are the wholesale prices quoted to our company, plus a 10% fee for our services. We have several professional tour escorts that are trained for tours. We guarantee our services and hope that we may work with you.
