## I WELCOME

Welcome to the 1998 National Camporama. You are privileged to attend the seventh National Camporama. We are anticipating this will be the largest Camporama ever—with over 5,000 in attendance.

The 1994 Camporama was directed at the boy and his place in the Decade of Harvest. This 1998 Camporama finds us at the conclusion of the Decade of Harvest, standing on the edge of a new millennium. Should the Lord tarry, another 1,000 years will pass before another “millennium” Camporama will be held. So this is a once-in-a-century opportunity!

This national 5-day camp will include six theme parks—each having its own theme, decor, and activities. Each theme park will be a Pow Wow full of fun in itself. Be prepared to be blessed by the FIRE OF THE HOLY SPIRIT and challenged by days of fun and adventure.

To fully enjoy this camping experience of a lifetime, it is important that you carefully read the entire contents of this booklet.

## II GETTING ORIENTED

Now that you are registered, one of the first things to do after you have set up camp is to get oriented to the campsite. The Camporama map (see pages 16 and 17) gives you the location of all major facilities and activities. Signs have been placed to identify these major areas.

## III CAMPORAMA MEALS SCHEDULE

- Wrist bands must be shown to receive meals and to participate in activities.
- All Camporama meals—beginning with breakfast Tuesday morning, July 14—served in the large food tent (see map for location).
- Meals served during three shifts.
- Bring camp stool—food tent not equipped with tables and chairs.
- Districts will be assigned specific shifts in which campers can eat (see your group leader to learn when your group will be eating.)
