Welcome to the 2006 National Camporama

I welcome you to the 2006 National Camporama where together we will *Explore the Adventure of God's Plan for Our Lives!* It is always a true pleasure to gather with fellow Royal Rangers from across the nation and around the world for the ultimate Royal Rangers experience—National Camporama! We're glad you could join us and we look forward to a great week of exciting games, demanding competitions, inspiring evening rallies, and a variety of other activities here at Camp Eagle Rock, Missouri. Let's get READY for a great week!

Richard A. Mariott

National Commander

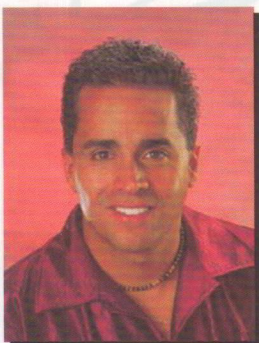

Let the Games Begin!

National competitions begin today at the archery range, rifle range, BMX bike course, and mountain bike course. If your team is pre-registered for archery or BB-gun competition be sure to check the schedule for your shooting time. If you would like to participate in the BMX or mountain bike competition just drop by those areas and show'em what you can do. Preparations for the Pinewood Derby competition will also begin today with the registration of cars. Races will begin at 9:00 a.m. tomorrow. In addition to the national competitions a great number of other games and activities are available for campers to enjoy. Look over your Camporama map and schedule for times & locations.

HUNGER?

When your belly starts growling like a Siamese at a dog show, you know it must be time for dinner. All meals will be provided at three food service pavilions conveniently located near your camping area. But don't forget...you can only eat at the pavilion of your assigned color: red, blue, or green. If you're not sure which color you are, just take a look at your name tag and WHALA! You're on your way to vittles. If you're just visiting and are not a registered camper, check out the snack bars in three convenient locations. They're sure to have something to calm your cat.

Group Photo & Inspiring Message at Tonight's Evening Service

Exploring God's Plan for Holy Spirit Power!

Tonight's evening service is sure to be a memorable event. We will begin the evening by gathering in close for our annual group photo. So be sure to wear your Camporama T-shirt & hat. (Deodorant would be appreciated.) After the photo we will be led into dynamic worship followed by an inspiring message by our fellow Royal Ranger and nationally-known evangelist, Randy Ruiz.

Randy was a Royal Ranger as a boy and now travels the nation sharing the message of Jesus Christ with young and old. Tonight his message will focus on the work of the Holy Spirit and His transforming effect in our lives. This is sure to be an event you won't want to miss!

Trader's Row

Got some hat pins you'd like to trade? Looking to find some new patches for your collection? Check out the Trader's Row just north of the shower house at the east end of the activities field. Men and boys can meet to swap valuables (and maybe a few tall tales) in a fun and friendly atmosphere. But remember, this is for good, old-fashioned trading only. No money can be exchanged for these items. Boys may exchange freely with other boys but must be accompanied by an adult to trade with other adults.

EMERGENCIES & MEDICAL NEEDS

Although our hope is that everyone will have a safe and healthy experience this week, we're prepared for any emergency. If you need medical assistance the hospital in the basement of the JB Lodge is open 24-hours a day and is equipped to handle nearly any medical need. Additional medial stations are available at each regional headquarters for more convenient use during the nighttime hours. If you encounter an emergency of a non-medical nature go to the JB Lodge, a security check-point, or contact any Camporama staff member for assistance. Staff may be identified by their bright green or yellow T-shirts. Also, remember to drink plenty of water to prevent dehydration.

National Championships Continue

The National Championships competitions continue today at the rifle range, archery range, BMX & mountain bike courses, and the Pinewood Derby. Some events require scheduled participation times so be sure to check the schedules posted at these events for your allotted time.

The activities at the rifle range are being sponsored and conducted by Daisy Outdoor Products, the world leader in the manufacturing of air guns & related equipment. The archery competition is sponsored by Mathews, Inc., the parent company of Brennan Industries, maker of the Genesis bow.

Many other corporations and business have teamed together with Royal Rangers in sponsoring the various activities at Camporama. For a complete listing of our sponsors, see the camp map & schedule foldout.

But don't forget...*showers are still recommended!* Visit your regional headquarters or see the bulletin board next to the JB Lodge for a schedule of swim times for your district.

Dave Roever Featured Guest at Evening Service

Exploring God's Plan for Healing & Restoration!

Dave Roever will be our guest speaker at tonight's evening service. Dave is an internationally known speaker and former Vietnam veteran who suffered severe injuries and physical deformities as a result of combat operations in Vietnam. Today, he travels the world sharing with others the message of God's comfort and healing

power in the midst of life's greatest tragedies. This evening Dave has come to Camporama to share with us a powerful message from the World of God. So come expecting God to do great things in your life as we together are blessed by the ministry of Dave Roever.

HAT PIN TRADING

A Camporama Tradition Continues

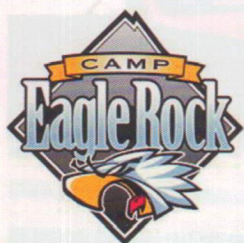

Hat pin trading has long been a tradition of National Camporama. Districts, regions, and even many outposts have special commemorative hat pins made just for Camporama. Many campers make it a personal priority to accumulate as large of a collection as possible. Visit the booths at the activities area to find pins from various groups, ministries, and the international delegates. A special hat pin is also available in the FCF village.

Visit the GPH Trading Post near the FCF Village for all your standard Royal Ranger gear, or shop online at

An Exclusive Global Report for Evangelism Force Members

Volume 1, Issue 3 — 2006

Growing and Moving to Reach the Nations

by Doug Marsh, RRI Director

As director, I am excited to announce that Royal Rangers International is growing! As a result we are moving our Global Ministry & Resource Center.

Since 2002 RRI has been a guest of National Commander Rich Mariott in the Royal Rangers office complex. In order to expand our missionary staff and to enhance our ability to serve the nations, we have undertaken a two-phase move to a warehouse in Ozark, Missouri.

I wanted to personally let you know this exciting news, give you our new address, and invite your participation! You are welcome to involve yourself in our two-phase transition plan to reach the nations:

PHASE ONE: Underway right now! (June-August).

Involves painting, carpeting, re-wiring, and adding onto the existing office space. Help us make this immediate move. For just \$6/square foot you can advance RRI to the next level of effectiveness.

Please send your tax-deductible offerings to: Royal Rangers International, 1445 N. Boonville Ave., Springfield, MO 65802; Credit to: AGWM-RRI Acct. #6054936(40).

PHASE TWO: Will take place late-2006 through early 2007.

Mike King, PathFinder Missions President, will lead bronze level construction teams to Ozark, MO to build the additional 1,500 square feet of ministry space. Skilled volunteers and \$10,500 in project funds will be needed. Contact Mike for details— E-mail: mikeking5@bellsouth.net; Phone: 931-381-4491.

I hope you will share my enthusiasm for this stage of ministry growth and want to participate in these two phases. Let me thank you in advance! Be sure to follow our move on the web—www.RoyalRangersInternational.com.

BE INVOLVED!

Add, subtract, divide, and multiply so that Royal Rangers can grow around the world.

Add—Place RRI on your prayer list. Pray Psalm 2:8, that “God would give us the nations.”

Subtract—Replace our old address, phone, fax, and e-mail in your contact directory.

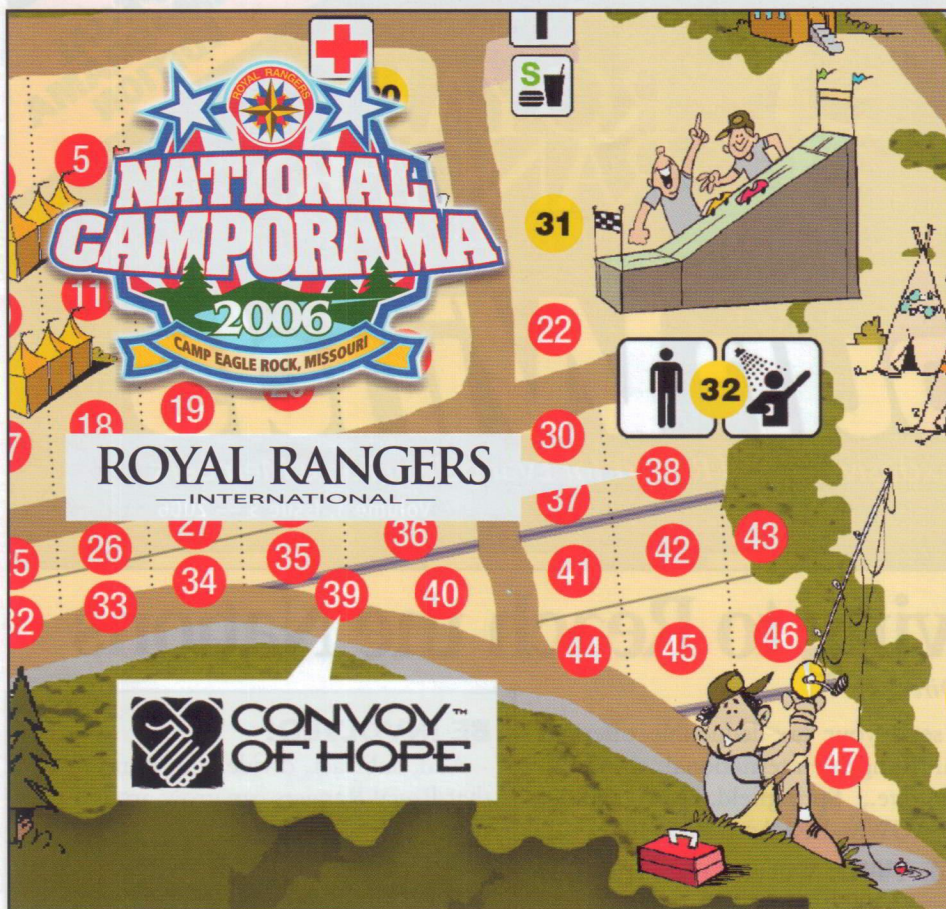

Divide—Shoulder a portion of the costs associated with the first phase of the move. \$6/square foot will position us to be effective.

Multiply—Help us multiply God’s Kingdom in one of two ways: 1) Volunteer to be part of a Bronze PathFinder Missions team that will complete phase two. Contact Mike King for information— E-mail: mikeking5@bellsouth.net; Phone: 931-381-4491; 2) Support the “RRI Ready Evangelism Force Fund” \$35/month. These funds enable RRI to expand Royal Rangers into new nations. Visit the RRI website for information.
