CAMPORAMA

JULY 18 - 22, 2016 • EAGLE ROCK, MO

GREETINGS FROM THE NATIONAL DIRECTOR

If you thought Camporama 2012 was awesome, wait till you see what's in store for 2016!

Our last Camporama was the largest one in the history of Royal Rangers. As we gear up for 2016 we fully expect that this pattern will continue. What's 2016 going to be like? Think summer camp on steroids, multiply by 10 and hit it with a couple shots of Red Bull for good measure!

Think about it, Dad! In 2016 you can go on an ordinary vacation or have an extraordinary experience with your son! Commander, you can put together some regular outings for the summer or blow it away with something spectacular your boys will talk about for the rest of their life!

Camporama 2016 is "The Ultimate Event for Guys"! Every day will be filled with more activities than your boys can do. You say you're competitive? There will be more competitions than ever before; paintball, sports, shooting, video games, fine arts, the list goes on and on! Trade pins and barter with men and boys from all around our nation as well as the world. Join in with literally thousands of men and boys as their voices 'shake the wilderness' worshipping God. Hear dynamic messages just for guys while sitting under the stars. Experience the transformation of having the Creator of everything whisper directly to your heart because you set aside time just for Him!

... or you can stay home and cut the grass!

Camporama2016 is going to happen (short of the rapture)! Thousands will experience this event like no other, but your participation will be what makes this a reality for you. If you're a dad or commander, your participation is what will be necessary for your son or the boys of your outpost to be able to experience this. Determine now to not just make a difference in your life but theirs as well!

This packet is provided to you to answer many questions and give you tools to make it happen. You also have a great source of information at the official Camporama web site www.nationalcamporama.com. Please check it often for the latest news and information.

Start making your plans now to be part of this Ultimate Event for Guys. Registration for Camporama opens December 1, 2015.

Let's do this to influence more men and boys than ever before...I can't wait to see you there!

Registration Process At-a-Glance

Registration for Camporama may be completed by mail or online. An application is available on the Camporama web site for use in gathering information on each camper. These applications may then be mailed in with your registration fees or entered online with a credit card payment. Regardless of the registration method used, a Participant Agreement & Medical Record (also available online) must be completed for each camper (boys and leaders) and mailed to the address below in advance of the camp. A Participant Agreement & Medical Record must be on file for each camper before they will be allowed to enter the campgrounds at Camporama.

We recommend that outposts retain a copy of all Participant Agreement & Medical Records for emergency use while traveling to and from Camporama. Originals should be mailed to:

Convention Services Group
1445 N. Boonville Avenue
Springfield, MO 65802.

If paying by check, include check payment with the forms. Your registration will not be complete until we receive your registrations (online or by mail), the completed Participant Agreement & Medical Records, and full payment. Once we receive all three, you will receive a letter confirming your registration is complete.

Online Registration

Online registration is a simple 4-step process:

1. Gather the information you will need to fully complete the registration process (see above).
2. Go to the National Camporama web site, www.nationalcamporama.com, and follow the links to the online registration site. Enter the required information for each camper.
3. Select one of two payment options - check or credit card. If paying by check, please include the names of the people and the amount for each that the payment covers. Payment amount is determined by the date on which the payment is received. If paying by credit card, payment amount is determined by the date you enter your credit card information. Paying by credit card ensures your online application and payment is processed immediately. You may pay for more than one person with a credit card in one transaction when completing the online information.
4. Each person will be camping with his district. Because of this, some districts may require a separate registration process for attendees to register with them (additional fees may apply). Some districts may also provide an optional transportation package to and from the event. If you are unsure of your district contact information, please e-mail rangers@ag.org to find out.

Refund & Substitution Policy

Campers who are unable to attend Camporama may request a partial refund of fees paid. Requests must be submitted in writing to Convention Services Group (see address above). Requests received more than 30 days before the beginning of camp will be refunded in full less a \$75.00 fee. Requests received within 30 days of the camp will be refunded less a \$150.00 fee.

In situations where a registered camper is unable to attend, an alternate camper may be substituted in his place provided the alternate meets the participant qualifications (see below).

Refunds on fees charged by districts are decided by each district and may differ by organization.

Medical Record Information

In addition to the registration process, all participants must submit a completed Participant Agreement & Medical Records. Health and safety are of utmost importance. Camporama can be physically demanding. Many activities are physically strenuous and may result in special medical support consideration. Therefore, it is necessary that the medical staff be aware of participants who have certain physical conditions requiring waivers. Such physical concerns and should be noted on the medical record portion.

Health & Medical topics:

- Each participant's immunization shots should be current. Immunization requirements are based on recommendations of the U.S. Public Health Service.
- Any allergies, recent surgeries, medications being taken, or other relevant health information must be included on the medical record form.
- Cardiovascular problems requiring medication
- High or low blood pressure
- Diabetes requiring treatment
- Marked obesity
- Bronchial asthma (acute or severe) under treatment during past 24 months
- Anemia, hemophilia, or other severe blood problems
- Food allergies
- HIV infection
- Epileptic seizure having occurred within the past 12 months
- Under current psychiatric treatment
- Severe physical disability of any type
- Sleep apnea
- Other communicable diseases

The district director must retain a copy of each district participant's Participant Agreement & Medical Record while traveling as a group to and from the Camporama site.

Persons who have any of the above or precautionary conditions are requested to consult with their physician and seek his/her opinion on whether or not they should attend Camporama. You may also be required by the national office to obtain a physician's statement of approval to attend Camporama. In some cases, you may be required to present a release of liability waiver. There may be instances where emergency medical support at the Camporama site is very limited, if not impossible. Under such circumstances, participation may be denied.

Required Release Signature Information

Required release signatures must be obtained before you are considered registered for Camporama. A boy under the age of 18 (and who will not turn 18 on or before July 22, 2016), must have his parent's or legal guardian's signature. Any other Camporama registrant who does not meet this criteria will need his personal signature AND his pastor's signature to attend Camporama.

Boy Qualifications

Boys may attend the Camporama who meet the following qualifications:

- Be at least 9 years of age on or before July 18, 2016 (no exceptions to this rule).
- Must complete online registration and the Medical Record and Release Form (located in Appendix B).
- If young man becomes 18 years old by July 22, 2016, he must acquire his pastor's signature on the Medical Record and Release Form.

Adult Qualifications

Men may attend Camporama who meet the following qualifications:

- Must be 18 years old by July 22, 2016.
- Must be approved by his pastor.
- Must complete the registration process and submit the Participant Agreement & Medical Record form.

All registered campers must be of the male gender (with the exception of registered, international female Royal Rangers). Otherwise, females may attend as visitors during the regular visitor hours. All visitors may attend the Thursday evening service.

Fundraising

Ideas for fundraising may be available on the Camporama web site at www.nationalcamporama.com.

Disabilities

Any special accommodations required for a seriously disabled person should be made known to the national Royal Rangers office at the time of online registration. The national Royal Rangers office may seek to provide special accommodations. However, in the event the national Royal Rangers office is unable to provide those special accommodations, that person's application may not be approved.

Child Abuse Prevention

Every adult attending Camporama must have on file with his church a Church Worker's Clearance Form. The pastor of any adult wishing to attend must sign the leader's Camporama application Form, indicating the leader is a competent and qualified church worker with no known facts or allegations that raise any question concerning the leader's suitability for working with minors in any Royal Rangers activity.

All suspected child abuse at Camporama is to be reported immediately to the Camporama director or Camporama coordinator. Child abuse will not be tolerated. Child abuse reports will be kept confidential and alleged offenders will be confronted appropriately.

Leaders should refer to the free booklet Preventing Child & Substance Abuse found on the national ministries web site (www.royalrangers.com; under "Programs" then "Policies & Guidelines") for more detailed procedures for protecting children. Some examples include:

- Follow the two-deep leadership guidelines.
- If a leader needs to counsel a child, this should be done in a private area but in view of another adult or other individuals.
- Respect the dignity and sanctity of every child. Privacy in bathrooms and swimming areas, for example, must be respected. The only time a leader should infringe on a child's privacy is if that child's health or safety is in jeopardy.

NOTE: During Camporama, boys and men will have separate restroom and shower facilities. Boys and men will be expected to only use their designated facilities.

Insurance

Accident and sickness insurance will be provided to all Camporama participants (as part of the Camporama fee) as a secondary policy. It will act as a primary policy in the event the participant does not have a primary personal accident insurance policy. Each individual district will provide additional insurance coverage for travel to and from Camporama if traveling as a group.

Transportation and Personal Vehicles

Each district director is requested to offer a group transportation plan for his delegation to and from Camporama. Those coming by commercial transportation need to provide transportation to Camp Eagle Rock. The district Camporama coordinator may begin setting up their encampments on Sunday, July 17, at 1:00 p.m. Areas, such as the Johnnie Barnes Lodge and Stanekville, will not be open until scheduled times. Parking and traffic safety guidelines will be enforced as stated in the Campground Rules.

Meals

To receive meals, colored ID cards must be shown. Colored ID cards will match the color of the food station where the camper is assigned to eat for the duration of Camporama. Camporama meals begin with supper on Sunday evening, July 17. Meals will be served at different locations (see map for locations). Bring a water bottle and your camp stool because food stations are not equipped with chairs. Meals are served by regional grouping - see schedule at regional HQ.

Special Dietary Needs

The Camporama Food Service Group is not able to satisfy all of the many special dietary needs of those attending Camporama. If you have special needs because of medical reasons (such as food allergies), you should be sure the information is documented on the "Medical Record and Release Form". You must plan to meet this need on your own by bringing a supply of non-perishable food products (as you would medication). You may also purchase food at local supermarkets in and around the Cassville, MO area. Only non-perishable food items required to meet special dietary needs may be brought to Camporama.

Peanuts and peanut oil will not be in any prepared meals served at Camporama. Peanuts will be in some candy, such as Snickers, for sale at the snack bars. Boys and their leaders who know they have food allergies should not purchase foods that contain those products. Menus and snack bar items will be published on the National Camporama web site (www.nationalcamporama.com) before the event.

Concession Stands

Camp Eagle Rock
28879 FR 1162
Eagle Rock, MO 65641
Attn: Recipient's Name, _____ District

Telephone or Internet Communications

Because of the limited facilities for telephone communications at Camp Eagle Rock, all incoming calls to participants will be handled on an emergency basis only. For use in the event of serious emergencies only, calls are to be made to 417-271-3900. Messages will then be delivered to the Camporama participant. Cell phone reception is very limited or spotty on the Camporama site. The national office is

looking into the possibility of offering wireless Internet hook-up for a reasonable fee. More information will be available on this subject later.

Morning Devotions

The spiritual emphasis is the most important aspect of the National Camporama. To get the day started off right, each region will hold morning devotions (Tuesday-Thursday).

Camp Chaplains

There will be camp chaplains available at each region headquarters and the main camp hospital. They will be available for meeting the spiritual needs of the campers 24 hours a day. They will help to oversee the altars at the evening services.

Activities

Most activities will be located in and around the large field in front of Johnnie Barnes Lodge. The Camporama events are too numerous to list fully. Check the Camporama web site for updates and announcements. A sampling of activities include:

- Shooting sports competitions (archery, air gun, trap, black powder rifle)
- Ranger Derby
- Static displays
- Mountain biking
- Paintball
- Extreme inflatables
- 5K Ranger Race
- Sports competitions (soccer, flag football)

....and a whole lot more!

Camporama Products/Awards Station

Each camper will need to show his camper ID card at the Camporama Store to receive their Camporama t-shirts, souvenir pin, patch, and camp stool, which are included with camp registration. Awards distribution for competitions will be handled at a designated location.

Cool Down

Misting tents and/or fans will be strategically placed throughout Camp Eagle Rock. Many water-based activities (including swimming pools) will be available.

Camporama Store

The Camporama Store will be open with a well-stocked inventory of Royal Rangers items such as novelties, Camporama t-shirts, Camporama mugs, Royal Rangers mugs, mini-fans, t-shirts, ponchos, caps, patches, Camporama postcards, and much more.

Individual Vendors

Numerous items will be offered for sale from vendors located on Vendors' Row. Each vendor selling products (including vendors in the FCF Village) must acquire a vendor's license from the national Royal Rangers office. All vendored items being sold cannot be similar in nature to those being offered by My

Healthy Church or the Camporama Store. For more information about being a vendor (including cost and other requirements), please go to www.nationalcamporama.com and click on “Vendors.”

Traders’ Row: One or more areas will be designated for trading items (no money can be exchanged for these items). Only boys will be allowed to swap items of interest with other boys, such as patches, novelty items, craft items, and state souvenirs. Men will not be permitted to swap items with boys unless the boy is accompanied by one of his responsible leaders to approve the trade.

Foreign delegations will be assigned a booth in the main activity area to display and trade items from their country of origin. This will allow many to meet and learn about Royal Rangers abroad. This will be a rotating schedule so you will want to visit it often.

Ministries such as BGMC, LFTL, Men’s Ministry, and Speed the Light may operate booths and may have information, souvenir pins, and/or other giveaways.

Security

Security personnel (uniformed and plain-clothes police officers) will be present before, during, and after Camporama to ensure the safety of all campers. These individuals are professional law enforcement officers who serve in their local outposts. Please give them the highest respect as they serve us. Please note that you will need to provide the name of each vehicle’s primary driver along with vehicle ID information at registration to receive your parking permit. This will help us locate the drivers of vehicles if needed.

Registration

Royal Rangers, Royal Rangers’ leaders, foreign delegates, Camporama workers, vendors, and visitors will be required to go through registration located at the Eagles Lodge at the Eagle’s Resort area, the first time they come onto Camp Eagle Rock. Each person will be required to go through registration to receive the appropriate ID card. YOU MUST HAVE AN ID CARD for security to allow you to proceed through the secure campground gates. If you do not have an ID card, you will not be allowed onto the campground site. Visitors, workers, and guests will receive a colored “Visitor ID Card” and will need to sign in and out of the campground as they travel back and forth. This rule is to provide safety for our campers. You will be required to give your vehicle license number and primary driver information to the registration office to receive a parking pass.

Registration items must be picked up at the Camporama Store by each individual camper. Campers are not permitted to send someone else in their place to receive their registration items.

Trash Policy

Trash maintenance is necessary to keep the camp clean and sanitary. Cooperation by all participants is requested to help ensure trash is disposed of properly. Trash dumpsites will be designated.

Parking/Traffic Safety Policy

Motor vehicles will be used to transport materials and supplies by an approved group of staff workers throughout the Camporama site. The following guidelines are for the best interest of all participants:

Pedestrians

Campers are asked to abide by the following rules when walking on camp roads:

- Walk on the left shoulder of the road in a single-file, facing traffic, and carrying a flashlight at night.
- Stay off roadways and bridges when footpaths are available.
- Cross roadways only at established crossings.
- Give emergency vehicles the right of way.
- Obey traffic signs

Motor Vehicles

Motor vehicles in use on the campgrounds during Camporama must be used in accordance with the following standards:

- Use of motor vehicles on the Camporama site is by approval only.
- Always buckle your seat belt.
- Travel slower than the posted speed limits.
- Truck beds/tractors may not be used for transporting passengers.
- Give right-of-way to emergency vehicles, security, and security vehicles.

On Sunday, July 17, beginning at 1:00 p.m., vehicles may be driven to assigned campsites for unloading gear. You will be allowed two hours to unload, and then you must move your vehicles to the assigned parking lot. No vehicles may be parked outside the designated parking areas. For safety reasons, no personal vehicles including any motor-propelled unit will be permitted for transporting people or equipment in the camp after Monday, July 18, without permission from the Camporama director or Camporama coordinator. A tow truck will be on site to move illegally parked vehicles. Anyone wishing to use their vehicles off site during the Camporama dates should use the designated parking area outside the secure campground gates. Please designate only one vehicle per group for this purpose and park all other vehicles in the designated regional parking areas.

Special Activities

Some activities are open only during designated activity periods. These activities are off-limits during non-designated activity hours.

Going Off Site

Every individual must notify security when entering and exiting the campground. Each district and foreign delegation will be responsible for the care and liability of the boys and leaders in its group. Any leader wishing to leave the campground after he has registered and before Friday morning end of camp, must fill out a Release and Hold Harmless Form and present it to security at the main gate. Forms are available at registration, national headquarters, regional headquarters, and at the main gate (see page 37).

Water Conservation

Please practice water conservation and use only biodegradable soaps and shampoos.

Fire Safety

Ground fires are prohibited. All fires must be in a container a minimum of six inches off the ground. Proper fire safety equipment must be present. No fire may be left unattended.

Buddy System

Every person 17 or younger must remain with another individual. At all times use the “buddy system.”

Banned Items

Tobacco, alcohol, illegal drugs, fireworks, and firearms are not permitted. (Fireworks and firearms may be used only by appointed personnel when approved by the national office for event activities.) This policy will apply to all applicants, vendors, and service personnel. In addition, no conceal-and-carry is permitted at the National Camporama.

Dehydration

Drink sufficient amounts of liquids to avoid heat-related injuries. Frequent drinks and rests in a shaded area are necessary. If you drink large amounts of soda without the proper water intake, you can become sick. FREE water will be available throughout the camp at designated locations. You will need to provide your own water bottle. Please remind boys to drink lots of water. Our wells have chlorination systems and have been tested for safety. Do not drink water from the creeks. Drink only from authorized water areas.

Power

Because of a limited supply of gas and power, participants will be permitted to bring only such items as electric razors and hair dryers. No large household-size electric or gas appliances will be permitted. Generators are not permissible unless authorized by the national Royal Rangers office. The power outlets at the shower houses are primarily for grooming purposes although cell phone, video, and camera battery chargers may also use these outlets. The national Royal Rangers office assumes no responsibility for theft or damage. No alteration of electric systems will be allowed. All other power outlets are for Camporama operations only.

Laser Pointers

Laser penlights are prohibited at Camporama.

Flashlights

Flashlights are recommended for all campers while walking on roads or trails at night. Replacement batteries may be purchased at the Camporama Store. Flashlights should not be used in the Amphitheater while evening services are underway.

Service Attendance

All registered campers are required to attend the evening services and morning devotions.

Early Arrivals

The earliest you will be allowed to register and set up camp is Sunday, July 17, 2016, at 1:00 p.m. Certain areas, such as the Johnnie Barnes Lodge and Stanekville will be off limits until Tuesday, July 19, at 9:00 a.m. The first service is Monday, July 18, at 7:00 p.m. Please plan to have completed camp set-up before the opening service.

Family Campgrounds

Family members (non-Camporama participants) may wish to camp or stay in a resort area near Camp Eagle Rock. For information contact the following: Branson Chamber of Commerce at 417-334-4136, Roaring River State Park at 417-847-2330, Cassville Chamber of Commerce at 417-847-2814. For individuals staying in Springfield, Missouri, call the Springfield Chamber of Commerce at 417-862-5567.

Visitors & Visiting Hours

All visitors must check-in at the registration office at Eagle's Lodge in the Eagle's Resort area. There is no charge to visit the Camporama. You must receive a Visitor ID badge to enter camp. A snack bar will be available to visitors who wish to purchase food during lunch.

At no time are female visitors permitted in the district campsites. These are the men's and boys' sleeping quarters so please respect their privacy.

Visitors Hours: *Monday-Wednesday 9:15 a.m. to 5:00 p.m.*
 Monday-Wednesday Evening services are closed to visitors.

Only specially invited guests, such as National Leadership and Resource Center (NLRC) personnel, foreign delegates (to include both male and female), and specially invited pastors and their family members (to include both male and female) are permitted to attend the Monday-Wednesday evening services.

Thursday: 9:15 a.m. to end of service. All visitors may attend this special closing service.

All activities are for registered campers only. The Camporama Store, Vendors' Row, Traders' Row, static displays, and many other activities are open to visitors.

Portable Toilets

Portable toilets will be strategically placed through the camp. These toilets will be serviced daily. Do not place trash or bottles in the toilets.

Insects

Precautions need to be taken to avoid ticks and chiggers ("red bugs"). The use of insect repellent and avoiding high weeds and wooded areas will help prevent infestation. In the event ticks or chiggers infest a person, he should immediately go to the regional first aid center for treatment. OFF brand repellent (with 25% Deet) has been found to be an effective insect repellent. Use of Chigirid has also been found to be effective.

All common areas, paths, and camping areas will be treated prior to Camporama. Campers should avoid tall grass and apply repellent as needed.

Snakes and Wildlife

Do not confront or touch snakes and animals. We are visitors in their environmental home. If a snake or animal bites a person, he should report immediately to the closest first aid station. We have never had such an incident because our campers are wise. We are, however, prepared to handle emergencies that arise with animals.

Injuries

We are fully staffed and prepared to create a safe environment and to respond to injuries. Injuries should first be reported to the regional or activity field area first aid stations. The seriousness of each injury would determine if the patient should or should not be transferred to the Camporama field first aid station. The medical staff will take appropriate action in the event someone becomes injured. An adult leader must accompany sick or injured boys from his district to and from the regional first aid station, Camporama first aid station, or local community medical center.

Emergency Evacuation

In the unlikely event of a forest fire, tornado, flood, or other unexpected hazards, all delegates should quickly return to their district campsites. All national headquarters staff will report to the Johnnie Barnes Lodge for evacuation directions.

Prohibited Use and Sale of Firearms

The national Royal Rangers office of The General Council of the Assemblies of God has adopted the following policy regarding the use and sale of firearms at any Royal Rangers activity: Firearms, including black powder firearms, may not be sold, awarded, traded, or conveyed by any means as personal property to anyone under the age of 21. This policy, however, will not prevent the person under age 21 from being in possession of black powder firearms at a Royal Rangers activity if the individual is properly supervised.

Prohibited Use and Sale of Knives

The national Royal Rangers office of The General Council of the Assemblies of God has adopted the following policy regarding the use and sale of knives at any Royal Rangers activity: Knives, including folding knives, may not be sold, awarded, traded, or conveyed by any means as personal property to anyone under the age of 18 who does not have written parental/legal guardian consent. The possession or sale of any knife that opens by spring action or centrifugal force (i.e., switch blades, butterfly knives, etc.) is expressly prohibited at any Royal Rangers activity.

Emergency Contacts

The following emergency contact numbers are available during Camporama if needed:

DISTRICT PREPARATIONS

The role of district is very important in the planning of Camporama. Your efforts will go a long way not only in making this a fun event for the men and boys in your district, but also in making this the biggest, most well-attended Camporama! To help you, we have developed a checklist of the things you need to be working on between now and Camporama.

District Registration

- Camporama attendees may need to register with their district to attend. If districts choose to offer an additional registration process, they must come up with an efficient process that works best for your district. The process should include how the district registration fee (if applicable) and optional transportation package monies will be collected.
- Beginning in January 2016, district directors will be e-mailed a registration list of the people who have registered for your district. This list will help you determine who has and who has not registered with your district. If you have a question about who has registered or the number of registrants, please contact Convention Services at conventionservices@ag.org.

Travel

- Plan and announce your district transportation package, if applicable.
- Ensure that the leader of the district transportation has copies of the Medical Record and Release Forms for all people on the vehicle.
- Remind leaders to check with the local church to make sure groups have the proper insurance.

Volunteers

The success of our National Camporama depends in large part on our volunteers. We need volunteers, both full-time and part-time, from each district to fill critical roles. The information below explains more about the differences between a full-time volunteer and a part-time volunteer. Every adult attending National Camporama as part of a local outpost will be asked to volunteer in some capacity.

Full-time Volunteers

Generally speaking, full-time volunteers have specialty skills needed for the success of National Camporama. Skills, such as plumbing, carpentry, electrical, medical, and security, are only a few of the skills needed. Full-time volunteers devote days, not hours, at National Camporama to make sure tasks are completed. This time is either fulfilled before, during, or after the event. Full-time volunteers are unable to spend time with their local outposts because of their full-time commitment to the National Camporama.

Those interested in volunteering ***FULL-TIME*** should be directed to the following website to complete their initial application: www.surveymonkey.com/s/2016corvolunteer. More information for full-time volunteers may be found on page 38.

Part-time Volunteers

Adult leaders who come as part of an outpost (and are responsible for the care of the boys from the outpost) are expected to volunteer for at least two 4-hour shifts from Sunday, July 17, through Friday, July 22. A shift is defined as one 4-hour time slot. Volunteers may be asked, for example, to help run an activity or help distribute food at a food pavilion.

Once your outpost has completed the on-site check-in process, you will be directed to the volunteer check-in station to receive your assignments. Outposts will not be permitted to set up their campsites until their leaders receive their volunteer assignments. Outposts that only bring two leaders will not be expected to volunteer their services, keeping in mind the two-deep leadership principle.

When adult leaders have completed their assignment(s), they will need to go back to volunteer check-in to receive a token for their service. The more shifts a volunteer helps with, the more tokens they receive. In the past, tokens have included one-of-a-kind patches, t-shirts, and hats available only to volunteers.

Promotion

You will need to aggressively promote Camporama in your district. Beginning May 1, 2015, you may order several items to help promote this event. Camporama Promotional DVD (item #729206), Camporama brochure (item #729200), and a Camporama poster (item #729077). Please contact My Healthy Church at 800-641-4310 and reference the item numbers provided. There is no charge for any of the promotion items. The Camporama DVD is also available to download at www.nationalcamporama.com. Regardless of the promotional items available, nothing takes the place of personally inviting each and every outpost in your district to attend.

Hatpins or Tokens

Each district should pass out a hatpin or other token that represents the district or state. Please make sure to bring enough for each Camporama participant to receive a hatpin or token to trade with others. This should be made available at the hat pin exchange area—not the campsite.

Leadership

- Attend the District Director's Orientation and other required meetings. Please set the example for your district by attending all devotionals and evening services.
- Have your district camp coordinator check in on July 16 (Saturday) or July 17 (Sunday) with his respective regional coordinator to be given camp location. Make sure he has a list of how many outposts are coming from the district. He can begin to layout your camp in a logical order and get familiar with the surroundings. As outposts arrive, he can direct them where to set up. He may be able to set up some of your camp also.
- Ensure the safety, well-being, and conduct of your delegation to, at, and from Camporama.
- If an outpost needs camping equipment, work with them to find some to meet their needs.
- Ensure everyone from your delegation attends the morning devotionals, evening services, and follows all Camporama rules and guidelines for their safety.
- Make sure everyone is having FUN!

Campsite

Make sure the district camp coordinator coordinates your camp within the region. He should arrive before all the other outposts. The campsite should be set up in an orderly and safe format. There should be ONE entryway with some type of district identification. Your district flag and a camp schedule are some items to include in your camp. Remember to bring adequate shade awnings for your group.

Miscellaneous

If the district director is unable to make it to Camporama or is fulfilling another staff responsibility, he may assign another leader to fill his place and responsibilities.

Districts will receive a \$15.00 rebate for all pre-registered campers. This rebate is designed to help supplement revenue normally generated at the district's annual camp (e.g., powwow). District rebates will be paid after August 2016.

Districts may earn awards for the following (awarded within their region except the largest district in attendance):

- Best District Entryway
- Best District Camp
- Best District Flag
- Best District Spirit
- Largest District Attendance

Evacuation plans will proceed by assigned regions.

Severe Storm Plan

Severe storms may include the following:

- Electrical storm
- Tornado
- Earthquake
- Heavy rain over an extended period

The following actions shall be taken when an immediate possibility of a severe storm (as defined above) is present.

Threatening Tornado

In the event of a threatening tornado, move quickly to the lowest area nearby and lie flat on the ground. Sirens will blow, providing time permits. Remain in place until the "all clear" signal is given via the public address system or a siren. Take roll following the "all clear" signal. Contact the national headquarters, located in the Johnnie Barnes Lodge, concerning persons missing or injured.

- All pool, water activities, and all other program activities shall be immediately terminated.
- All campers shall be sent back to their respective campsites.
- All staff members shall immediately report to camp headquarters.
- Each district director shall respond to his respective regional headquarters.
- All loose equipment, tents, awnings, etc., shall be made as secure as possible by staff members without jeopardizing the safety of staff personnel.
- Each district camp and camp staff shall take roll to account for all persons.
- The use of electricity and telephones should be limited during electrical storms.

- All activities at the pools, water activities, and program areas may continue only after the Camporama director or his designee has given the “all clear” signal.
- When the “all clear” signal is given, each camping unit shall immediately take roll. The regional coordinator will gather the reports from each district and report back to the Camporama coordinator or his designee.

Flood Plan

The following steps should be taken when the possibility of flooding at Camp Eagle Rock occurs.

- All water activities shall be terminated.
- All campers shall be sent back to their respective campsites.
- All water activities staff shall relocate canoes and boats to high ground, making them secure. Special precautions should be taken by staff in emergency procedures to not endanger themselves.
- The camp coordinator shall make a determination that all staff and campers are accounted for.
- After flooding danger has passed, the camp manger shall inspect all waterfront areas, making a determination as to condition and advisability to resume or not to resume activities.

Fire Response Plan

Reporting: When fire is discovered, its location, extent, and type (i.e., woods, grass, building, etc.) shall be reported to the camp manager immediately. All communications utilizing 911 (emergency number) will be placed only by the camp manager. It is the responsibility of the camp manager to notify the Eagle Rock Fire Department and/or to place any 911 calls.

Organizing to Suppress the Fire:

- The first staff members to reach the nearest Camp Eagle Rock fire-fighting equipment location will pick up the fire equipment, form buddy teams, and proceed to the fire scene with the camp manager. The remaining camp staff will stay at the Johnnie Barnes Lodge to assist in first aid, sending messages, or as a relief crew.
- The camp manager will notify the entire camp by activating the emergency alarm system.
- When a camp alarm is sounded for a fire, all campers shall return to their campsites. Camp staff should be prepared to be picked up, along with fire equipment, by the camp manager.
- Each camping unit will send two responsible persons to the camp headquarters to act as runner/messengers. The use of such runners is the responsibility of the camp manager.
- A runner/messenger from the fire scene will meet with the camp manager, directing him and others to the scene of the fire.
- The Eagle Rock Volunteer Fire Department may be called upon to assist. This fire department will be informed and assisted by the camp manager. Determinations will be made by them as to how to proceed.
- The fire department may ask camp staff and other volunteers to continue to assist in fire fighting or may request that the staff and others return to their respective campsites.
- Each camp is expected to respond with all available manpower and equipment requested, proceeding quickly and safely and obeying all speed limits and traffic laws.
- As soon as the danger is over and the “all clear” signal has been given, all staff and campers may continue the day’s activities.

Additional Manpower/Equipment

- The camp manager or his assigned representative (designee), who is the first to arrive at the fire scene, will determine the following:
- If additional manpower and/or equipment is needed.
- If the Eagle Rock Fire Department should be called.
- The information shall be communicated to the main national headquarters, located at the Johnnie Barnes Lodge.
- The camp manager or designee is authorized to request additional manpower. This will be known as the ALERT SYSTEM.

NOTE: Remember that all staff will take directions from the fire department officers until such time the fire is declared extinguished. It is possible that the fire department officers will not want the staff to continue fighting the fire. If so, the staff will return to their respective camps and await orders.

The support staff shall prepare and deliver drinking water for fire fighting personnel at the fire scene. The kitchen/dining hall staff shall prepare to feed the fire fighting personnel (as directed by the camp manager or his designee) after the fire has been extinguished.

When the fire department officer in charge of the fire scene declares the fire to be “under control,” this information will be relayed to the national headquarters, located at the Johnnie Barnes Lodge, by the camp manager or his designee.

When the fire department officer in charge of the fire scene declares the fire to be “extinguished” and releases all personnel, the NRRC camp manager or his designee at the fire scene will radio this information to the communication headquarters.

When an “all clear” is received at camp headquarters, the camp manager or his designee will notify the Camporama director and advise him that the camp may return to normal operations.

As soon as it is practical after the fire is extinguished, a critique of the operation shall be conducted by the camp manager. The following points shall be considered:

- Manpower at the scene - Enough? Too many? Proper response?
- Manpower response - Timely? Obeyed traffic/safety laws and considerations?
- Communications - Good? Bad? Adequate?
- Equipment - Enough? In good repair? Correct type?
- Other considerations?

PARENT/LEGAL GUARDIAN CONSENT

The signature of a parent or legal guardian is required for a minor to attend and participate in the activities at the 2016 National Camporama at Eagle Rock, MO, July 18 - 22, 2016. The parent's or legal guardian's signature below also gives permission to administer medical attention to the minor in the event of a medical emergency.

Food service at National Camporama will not be able to meet special dietary needs (food allergies, vegetarian, etc.). If you have special dietary needs you must plan to meet those needs on your own. Peanuts and peanut oil will not be used in any prepared meals served at this event. However, some food products may be produced in a factory where nuts and peanuts are used and therefore allergen contamination of these products may occur.

I understand that participation in National Camporama activities involves a certain degree of risk and can be physically, mentally, and emotionally demanding. I have carefully considered the risk involved and have given consent to my child to attend and participate in all National Camporama activities, including but not limited to hawk and knife throw, rifle & shotgun shooting, archery, paintball competitions, swimming, blacksmithing, high and low ropes course, and hiking.

I verify that my child is or will be at least 9 years old by July 18, 2016. I also understand that participation is entirely voluntary and requires participants to abide by applicable rules and standards of conduct. I release the General Council of the Assemblies of God, national Royal Rangers office, all employees, the activity coordinators, volunteers, and related parties, or other organizations associated with the activity from any and all claims of liability arising out of this participation. In case of emergency involving my child, I authorize the use of emergency medical care at the discretion of the adult leadership at this event. I further acknowledge my understanding that media footage, including audio, video and photos may be recorded at this event for future promotional use by Royal Rangers or the General Council and hereby consent to the use of such items containing images of my child in any form and relinquish all rights of ownership or compensation. It is further understood that acceptance of these terms is a condition of my child's participation in this event.
