

## National Camporama Parent Information

National Camporama is a Royal Rangers event conducted once every four years at Camp Eagle Rock at Eagle Rock, Missouri. Royal Rangers groups from all across the country will gather for a week-long, camping-based event. Situated in the heart of the Ozark Mountains, Camp Eagle Rock is the ideal location for Camporama and the 2016 National Camporama is sure to be the best one ever!

Groups will begin arriving on Sunday to set up camp. The event will then officially kick-off Monday evening with a celebratory rally at the camp amphitheater, a huge outdoor theater with state of the art lighting and sound. Camp activities will begin Tuesday morning and continue through Thursday afternoon. Each day will conclude with an exciting evening rally with contemporary worship, family-friendly comedy, and challenging messages by nationally-known guest speakers. Camporama will officially conclude with a final assembly on Thursday evening, followed by a world-class fireworks demonstration. All groups will begin breaking camp Friday morning after breakfast and will be off site by early afternoon on Friday.

Additional information about this event can be found online at [NationalCamporama.com](http://NationalCamporama.com).

### Participation Requirements

All boys (ages 9-17) attending Camporama must meet the following qualifications:

- Be at least 9 years of age on or before July 17, 2016. Exceptions to this rule cannot be granted.
- Complete the online registration process (or register by mail) and submit a personal medical form.
- Any boy who reaches 18 years of age by July 22nd must register as an adult (see below).

All registered campers must be of the male gender (with the exception of registered international female Royal Rangers). Otherwise, females may attend as visitors during the regular visitor hours (see Camp Schedule). All visitors may attend the Thursday evening service.

### Meals & Snacks

Camporama registration will include 14 meals beginning with supper on Sunday July, 8 and concluding with breakfast on Friday, July 13. Snack bars will be open during designated times for use by visitors and campers.

Please note that food service at Camporama will not be able to meet specific dietary needs (allergies, vegetarian, etc.). If you have specific dietary needs, you must plan on meeting this need on your own. Peanuts and peanut oil will not be used in any prepared meals served at Camporama. However, some food products may have been produced in a factory where nuts and peanuts are used.

### Health & Medical Issues

All prescriptions must be registered with the Camp Hospital upon check-in. Some medications may be required to be kept at the hospital while others may be kept by the camper's leader or parent in the campsites, depending on the medication or situation involved.

Please note that Camporama is an outdoor, camping-style event conducted over a large area. Trails and roads are not paved, and only limited transportation will be available between areas of activity. Campers should, therefore, be prepared to walk considerable distances to fully participate in all events and activities.

## **Handicap Access**

Handicap access is currently very limited at Camp Eagle Rock. Roads and trails are not paved, and buildings and restrooms may not accommodate wheelchair access.

## **Emergency Contacts**

Limited telephone service will be available at the camp. Due to the mountainous terrain, cell phone coverage is generally weak. Detailed emergency contact numbers may be found online at [NationalCamporama.com](http://NationalCamporama.com).

## **Dress Code**

Typical summer weather shorts, camp t-shirts, etc. are the norm. Muscle shirts (sleeveless) are acceptable for men and boys to wear. Bathing suits must be modest for the camp setting (no Speedo's please). Sturdy walking shoes are strongly recommended. Artwork or logos on shirts and shorts must be consistent with a Christian environment. Female visitors to camp are asked to dress modestly during their visit to Camp Eagle Rock.

## **Uniforms**

Utility or dress uniforms are not needed at Camporama. All campers will receive camp t-shirts for use at assemblies and when taking group photos.

## **Visitors & Non-Campers**

Visitors are welcome at Camporama during designated visiting hours. Although no fees are required for visiting the camp, all visitors are required to check in with security upon arrival. Non-campers, such as bus drivers, are welcome to visit the camp but no overnight housing will be available. The nearest hotels and lodging can be found in Cassville, MO.
