## HANDWORK PACKET (FIRST YEAR)

The handwork in this packet is designed to be used with the first year's lesson material in *The Leader's Manual*, Volume 1. The commander will need one set of handwork for his own use and a set for each boy. Pages are numbered and will be given to the boys as indicated in *The Leader's Manual*.

Packets should be kept by the commander or in the meeting room and pages handed out as needed. *Do not* give an entire packet to a boy at one time. If a boy should drop out of the program for any reason, his packet can be used by another boy who may join the outpost.

To make birds for mobile, trace body on lightweight cardboard. Cut out and color. Trace wing and tail on folded sheets of colored paper, keeping folded part on dotted lines. Cut out. Attach wing and tail to bird by inserting fold of wing and fold of tail into correct slits on bird's body. Attach long piece of thread to bird and hang on mobile.\*

If you do not wish to make a mobile, bird may be hung from ceiling, light fixture, etc.

Fish can be used for mobile too.
