

STRAIGHT ARROWS

HANDWORK PACKET (SECOND YEAR)

The handwork in this packet is designed to be used with the second year's material in *The Leader's Manual*, Volume II. The commander will need one set of handwork for his own use and a set for each boy. Pages are numbered and will be given to the boys as indicated in *The Leader's Manual*.

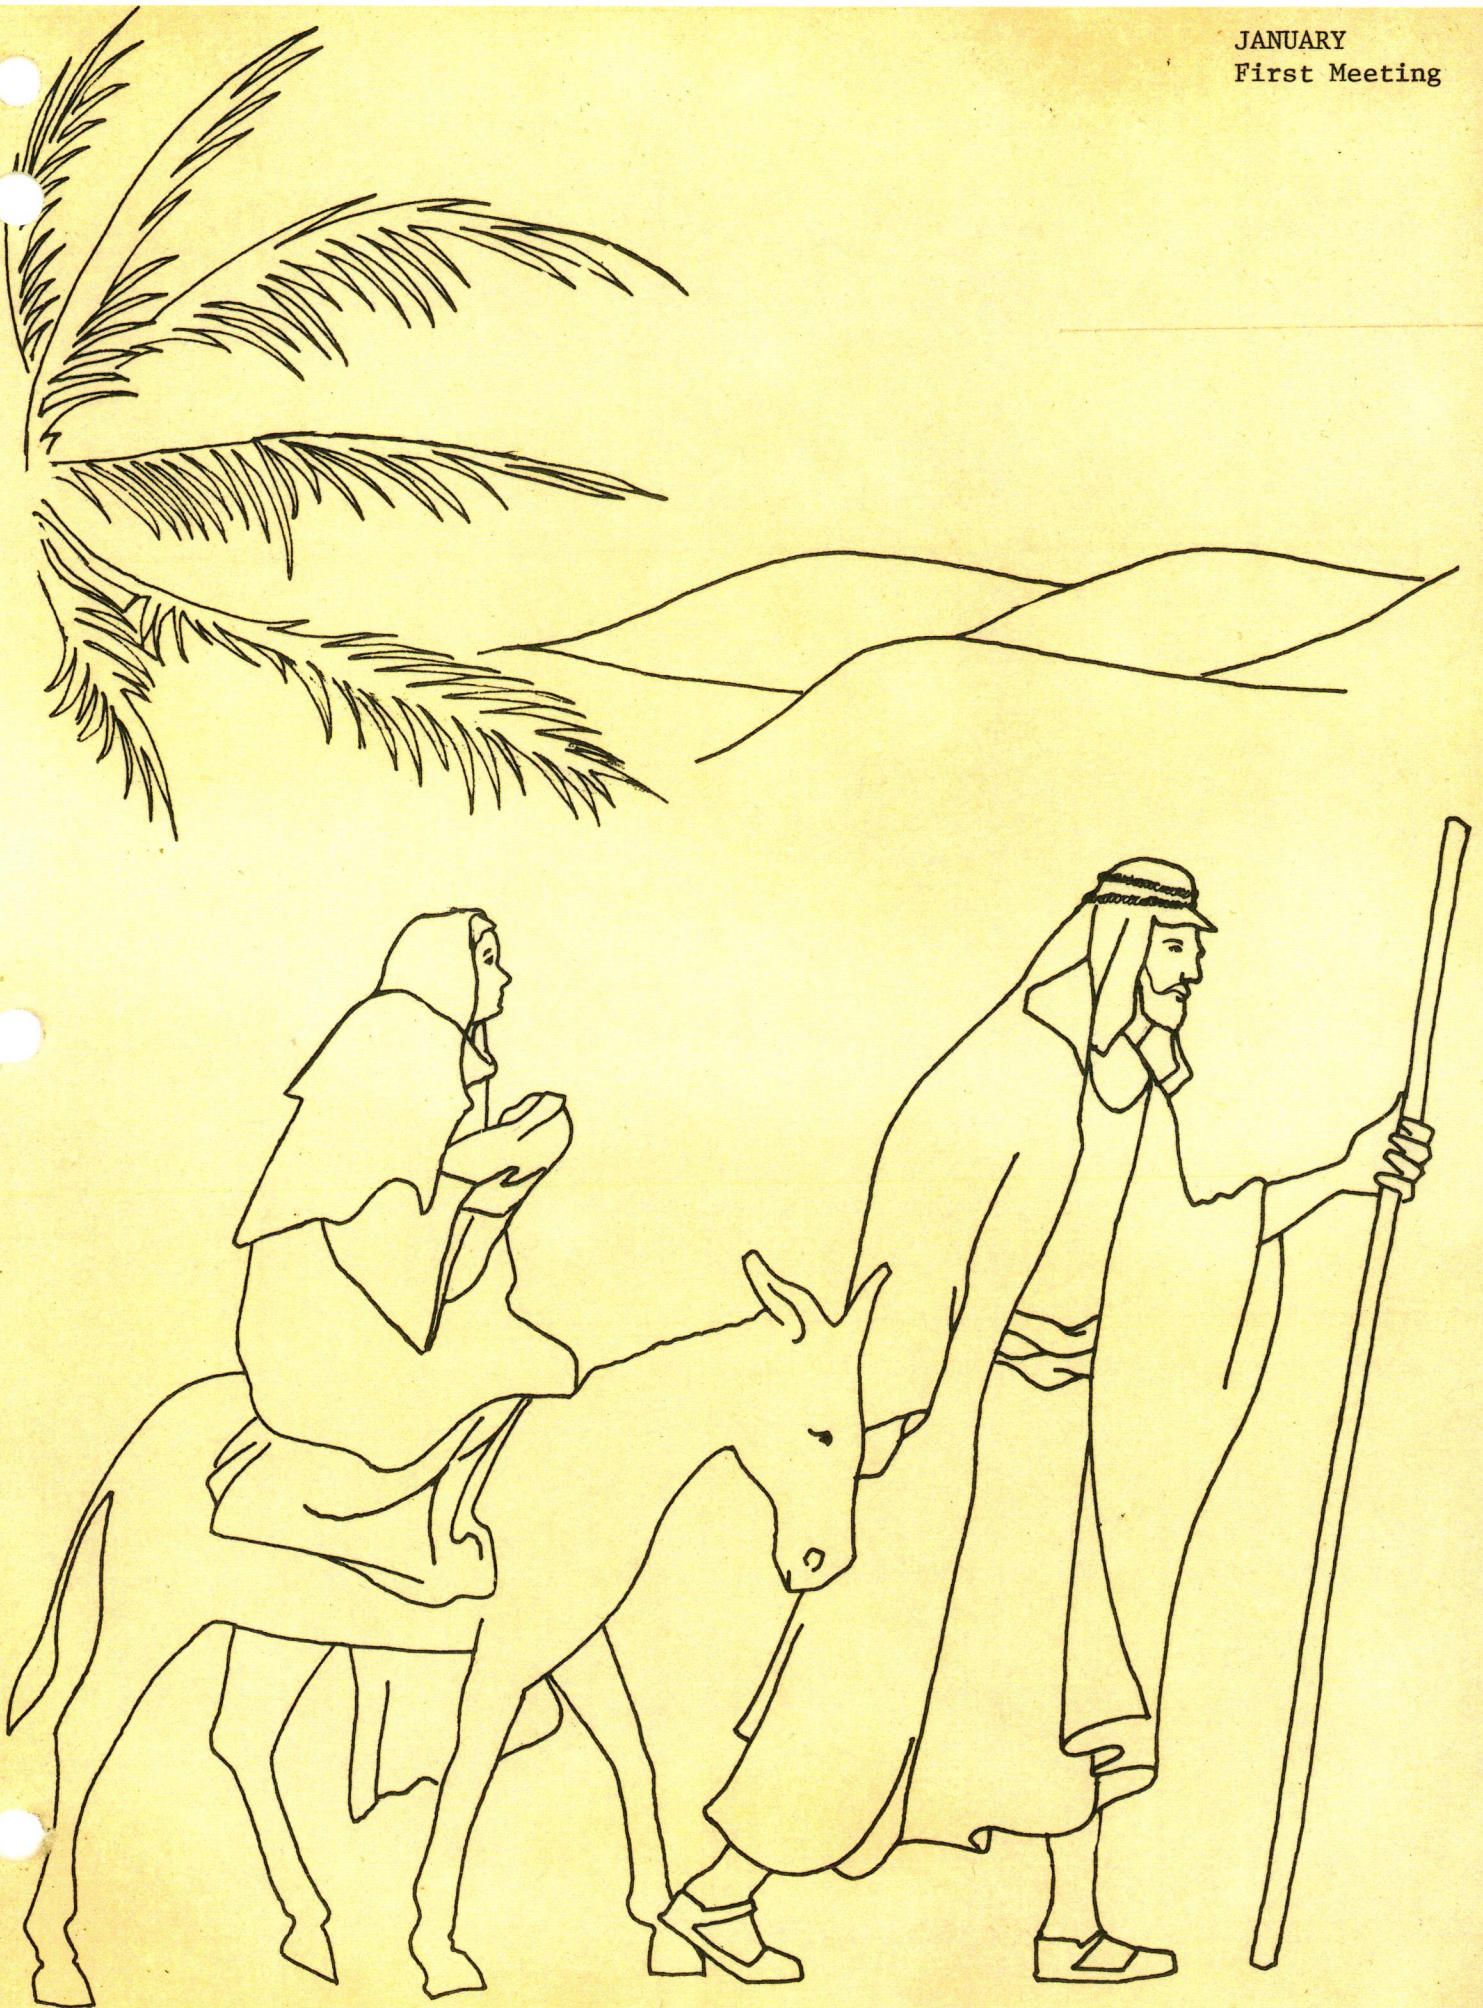

Packets should be kept by the commander or in the meeting room and pages handed out as needed. *Do not* give an entire packet to a boy at one time. If a boy should drop out of the program for any reason, his packet can be used by another boy who may join the outpost.
