Fellow Rangers,

Hudson Taylor said, "When we work, we work. When we pray, God works." Our chief discipline as Rangers leaders must be prayer. God is our source. Apart from Him, we can do nothing of eternal value.

In the Garden of Gethsemane, Jesus asked His disciples to pray with Him for one hour. That is what I'd like to ask of you. During National Royal Rangers Week (Oct 3–9), pray for one hour. We are targeting Oct 8–9, as the Prayer Vigil; however, do whatever works best for your outpost. Make this a time of corporate prayer.

To provide focus, use this prayer guide to divide your prayer time into four 15-minute sessions:

- 1) Royal Rangers missions around the world
- 2) Rangers national program
- 3) Your district program and leadership
- 4) Your local outpost, church, and ministry

Intersperse some praise and worship songs between each prayer session. Conclude by praying for each other. You might also have snacks at the end for a time of fellowship.

Two things will surprise you—how fast the time will fly and how powerful this experience and its results will be. Psalms 127 says, "Unless the Lord builds the house, the work of the builders is wasted." This is another opportunity to ask the Lord to continue to build His house.

Finally, please share your experience. Let us know what God does. Email us at [rangers@ag.org](mailto:rangers@ag.org). Your story will be a source of encouragement and inspiration to someone else.

Prayer is an act of obedience and an expression of faith. When we pray, God works. Thank you for your participation and all you do to reach and shape the next generation of Christlike men and servant leaders.

# I. Missions

Royal Rangers International (RRI) is a world missions program that resources, provides training, and supports Royal Rangers national ministries around the world. RRI provides a global curriculum adaptable to any culture and as outlets for dialog on building better ministries to children within indigenous cultures. This organization uses sports evangelism, leadership development, and a variety of other activities to accomplish the objectives of Royal Rangers. Pray that God would open doors of opportunity! Finally, pray for the RRI leadership team for a fresh burden to reach the lost throughout the world!

There are many opportunities to support missions through your local outpost. BGMC, STL, and RRI all help reach the lost around the world for Christ! Pray that God would stir the hearts of boys and young men across the globe not only to support missions but also to be faithful to God's call of being a missionary! Many of the boys in our weekly meetings can and will go on to become missionaries because of what they learned in Royal Rangers.

Pathfinder Missions projects are missionary projects throughout the world. Pray that God's protection would rest on these teams as they spread the good news. Many projects are incomplete because of the lack of teams. Encourage your group to pray for these Pathfinder needs!

Royal Rangers has missionaries serving around the world! As with Royal Rangers International and Pathfinder Missions, pray God's hand of protection be over our Royal Rangers missionaries. Pray that all of their financial needs would be met exceedingly and abundantly. Finally, pray for the missionary families. Many are raising children while they are ministering!

## IV. Local Outpost

The key to the success of a local outpost is the pastor. Please pray blessings on and support your local pastor, the church's staff, and their families! Pray for God to show you ways you and your outpost can honor and be a blessing to him as he strives to be the pastor God has called him to be!

Pray for the leaders in your outpost to be ready for the opportunities each meeting to impact lives. Pray for the parents of the boys in your outpost. Many families today are single parent homes. Pray that God would bless the parents as they commit to raising their children in a godly manner. Pray that many families are brought to the local church through Royal Rangers and other ministries.

Pray for the boys and young men in your outpost because their world is fast-paced and confusing at times. Pray that God would give them clarity of purpose and that lives would honor God and be a testament to His faithfulness! Boys and young men need to know that someone is investing in them; prayer is an eternal investment.

Growth is an important part for your local outpost. Pray that more boys and young men will come to know Christ in your community and in your church than ever before!

Look for opportunities where your outpost can reach the local community for Christ! Pray to be light in the darkness. When God presents opportunities, take advantage of them.

Finally, pray for local prayer requests. The Bible says God knows our needs before we even ask. We just need to take time and ask. Pray for someone next to you. You will be blessed!
