

Over the last 60 years, churches have used Royal Rangers to mentor the next generation of Christlike men.

Now, the EveryBoy Initiative will enable us to resource every church in every community and to take the message of the gospel to every boy in the United States!

To do this, we are expanding our department focus to assist churches whether or not they are using our Royal Rangers program while eliminating chartering and curriculum costs for those that are.

This bold move will be possible because men and women, churches, and individuals are willing to invest \$25 each month so that **every boy will have the opportunity to know Jesus and to develop into the man God has created him to be.**

EVERYBOY

**THE NEED IS OBVIOUS,
