

National Rangers Ministry Camp

provides interactive instruction in a variety of fun and exciting activities.

These are activities that men and boys can do together to facilitate relationship and friendships that provide mentoring opportunities.

You will be exposed to the Royal Rangers seven mentoring methods. You will receive instruction in and be immersed in the patrol method. You will experience the patrol system from the viewpoint of a boy or young man. This will allow you to better understand what it means to be a *boy-led, adult-facilitated outpost.*

You will have the chance to participate in leadership opportunities, develop friendships, and learn about teamwork through fun competition and shared goals.

Most importantly, you will be inspired to connect with God and explore spiritual manhood. You will be challenged to be a man set apart for a life of holy discipline, to embrace life's greatest adventures, to pursue faithfully the beauty of your life, and to advance forcefully the cause of the gospel of Jesus Christ. You will be given opportunity to seek God for greater power to accomplish your role as a mentor of future men.

"I wanted to tell you that the NRMC was a super blessing, and a Holy Spirit filled weekend for me...I am excited and ready to be a Warrior/Ranger for Christ and to bring our boys to Him in this epic adventure he has allowed us to be in! Glory to Jesus!"

— Osvaldo Colon-Melendez, OK

"The presence of God's Spirit was so powerful throughout the entire weekend! I have been transformed deeply." — John Dippel, AR

"I was refreshed, enabled, and motivated to implement what I experienced." — William Zerby, WA

"I just attended the 1st NRMC in Pillager, MN, and I must share with you that this was the best adult leadership camp that I have attended in Royal Rangers. I left the camp thinking that every minister with a Ranger outpost needs to hear the message about manhood and how this ministers to the youth in the Church."

— Frank Sandelin, Long prairie, MN

"I left a different person, ready to be a man for God."

— Eric Munson, MT

"Since August, God has really used what I learned at NRMC to improve my day-to-day relationship with him. I have seen improvements in my marriage, leadership skills, personal walk with Christ and many other areas. I can't thank you enough for putting together a first-class camp that men could attend and expect to be challenged to their core. I liked it so much; I would do it again."

— Ron Ferril, CA
